This post is sponsored by Measurable Difference.

By Liz Kim

If you aren't one of the lucky few who seem to have gorgeous tank top weather year-round, the prospect of summer can be a little intimidating. After a long hibernation, it's normal to feel self-conscious about the lumps and bumps Old Man Winter seems to bring with him each year. Worry no more! Thanks to Lipo-Lotion's Tummy Toning & Cellulite Smoothing System, you'll be able to get rid of those perky problem areas.

No matter how many lunges, squats, or dumbbell curls you do, cellulite always seems to rear its ugly head. With Lipo-Lotion's amazingly effective formula of amino acids, vitamins, natural marine extracts, and caffeine, in as little as two to four weeks, the look of dimpling will not only be reduced, but

stretch marks will also be moisturized and smoothed. Most importantly, this body toning cream energizes the skin and helps to improve overall elasticity, texture, and tone. A massaging applicator is also included to enhance the cream's benefits.

Now that we've smoothed and firmed that body, let's move on to the windows to the soul: the eyes. Make-up artists and aficionados alike say that healthy thick brows and lashes not only frame the face but can also help you appear more youthful. This mega giveaway also includes four lash products and two brow products from Measurable Difference. With the complete line of brow and lash enhancing products, you'll be beach-date ready in no time!

The changing of seasons is the perfect time to revamp your beauty routine, so don't be afraid to try some new looks! To bring attention to your lashes, consider using the Lash & Brow Amplifying Serum, the Instant Lash Extensions, the Lash Enhancing Mascara & Primer, and Lash Amplifying Liquid Eyeliner –all with Regenalash. For bolder brows, use Brow Amplifying Tint & Lift, also with Regenalash. So what exactly is Regenalash? Be Fun, Flirty, and Confident with Juicy Couture Malibu Collection!

This post is sponsored by Juicy Couture.

By Laura Seaman

Give everyone around you a taste of your free spirit with Juicy Couture's Malibu Collection fragrances. With your fresh and fruity smell, there'll be no doubt that you're a fun-loving girl ready to go out and seize the day. That's

exactly who single guys are looking for this summer: someone who's flirty and ready for anything!

Be the confident star you always knew you could be with these two scents that will take you back to the California coast – even if you're in a tiny East Coast bar trying to catch that cutie's attention. Let his mind wander past the smell of beer and over the sound of the baseball game and into the image of you two sitting on a sunny Los Angeles beach with strawberry daiquiris in your hands.

Put on a spritz of Juicy Couture Malibu before you leave for your first date. He might be expecting to see you all dolled up, but what he *isn't* expecting is a blast of watermelon, pink passion fruit, and jasmine flowers to announce your presence. When you walk over to greet him, he probably won't know how to react, so just be ready to pick his jaw up off the floor.

When he asks to see you again (which we know he will), keep him guessing with a completely new scent. Spray a little Couture La La Malibu to entice him with the smell of red currant, orange blossom, and pink sugar crystals. Don't be surprised when he sticks to your side all night – he just can't get enough of you!

Now, for the best part: CupidsPulse.com is giving away both of these fragrances, Juicy Couture Malibu and Couture La La Malibu, to one lucky reader! These perfumes are sure to bring out that confident and sexy California girl in anyone, and no man can resist that. Let yourself stand out and shine this summer!

GIVEAWAY ALERT: ~~To enter this giveaway, email cupid@cupidspulse.com with your full name, address, email, and daytime phone number BEFORE 5 p.m. EST on Tuesday, May 27th. In the subject line, please write "Juicy Couture Malibu Collection." You can enter the contest only once. Good luck!~~

MatchMade Scholarship: Connecting the Children of Match Couples to an Education

This post is sponsored by [Match.com](https://www.match.com).

By [Lori Bizzoco](#) and Liz Kim

First comes love, then comes marriage, then comes the – well, you know the rest. [Match.com](https://www.match.com) was launched in 1995, and since then, it has become one of the largest online dating sites in the world. With all those success stories, can you guess how many babies have been “made” through Match.com connections?

Over 1 million! With this thought in mind, Match.com is excited to launch their annual scholarship program, MatchMade Scholarships. One lucky winner will receive \$50,000 towards their first year of college, and their parents will win \$5,000 towards a MatchMade Getaway.

For me, MatchMade hits particularly close to home. I met my husband Drew on Match.com in 2003. He didn't fit my "type," and after our first date, I never called him back – but if at first you don't succeed, try, try again. Drew messaged me for the second time in 2006, and I decided to give him another chance. Nine weeks later, during a whirlwind Valentine's Day trip to Mexico, Drew proposed to me on the beach. After nearly seven years, we are still happily married and have two beautiful daughters, ages 3 and 5.

As parents, Drew and I understand that it's never too early to start thinking about your child's future. College tuitions are more expensive than ever, and Match.com is here to help. For nearly 20 years, happy couples have been sharing their Match.com stories, and now the site wants to hear from your kids. The rules are simple: Children between the ages of 13-20 are asked to creatively tell their parents' love story (who met on Match.com, of course) in a 1-2 minute video.

Need some inspiration? Check out MatchMade's Launch [video](#) on what happens when you ask kids about life and love. These children aren't afraid to tell it like it is, and that's exactly what Match.com wants from the contest entries. Beginning May 5th through June 30th, kids can submit their video creations via MatchMade's website. Whether side-splittingly hilarious or grab-the-tissues moving, only the most creative video will win.

Up to 10 finalists will be chosen in July, and on August 18th, their fate will be in the public's hands. On September 1st, the video with the highest number of shares will be announced, and the winner will receive a grand prize of \$50,000 towards

their first year of college. Of course, Match.com hasn't forgotten about the parents: They will receive \$5,000 towards a MatchMade getaway!

From first emails to walking down the aisle, Match.com wants to hear every heartfelt love story of couples who met on the site. Once you make the video, share it using #MatchMade – the more shares you get, the greater your chance of taking home the grand prize. Now, go grab your camera and get creative!

Please visit [MatchMade](#) for all of the rules and to enter the contest. Good luck!

Giveaway: Get Your Best Skin with Savane Organic Skincare

This post is sponsored by Savane Organic Skincare.

By Louisa Gonzales

It's no secret that you spend a lot of time outdoors in the summertime and are thus exposed to the harsh rays of the sun, which can be damaging to your skin. That's not what you want when you're hoping to get that sun-kissed tan that will have you looking hot for your beau. But don't worry! [Savane Organic Skincare](#) will rejuvenate your skin and give you a fresh look that's perfect for the warmer season.

The Savane Range collection blends together ancient and traditional knowledge with modern green science to give you Africa's unique botanicals in their most natural form. The products work hard to penetrate the skin to help restructure, regenerate, and revitalize it. The main goals of these items are to protect your skin, to help in the fight against premature aging, and to restore the skin to its natural balance.

There's no need to let unhealthy skin get in the way of your summer romance. Instead, invest in the Gentle Exfoliant, Purifying Toner, and Protective Moisturizer from the Savane Range collection. First, the exfoliant, made with Rooibos flakes and sugar, will gently polish your skin without damaging it. It'll also stimulate cell rejuvenation and soften your skin, thanks to the Marula and Jojoba oils.

The toner, which is one hundred percent natural, will brighten up tired and dull skin. It's job is to refresh and even out your complexion. The product's powerful antioxidants – aspalathin and super-oxide dismutase – will help prevent premature aging and fight to protect your skin against all of the hazardous things that we face daily, like pollution, smoke, sun exposure, and stress.

Finally, lather up with the moisturizer. It will give your skin the deep hydration it needs to look radiant. The antioxidants from Rooibos and Baobab protect the skin against damaging free radicals, while the Manketti and Yangu oil protect it from the sun. Plus, the Kigelia tightens your skin and can repair the damages caused by the sun.

CupidsPulse.com will be giving away these three Savane products to one lucky reader. Before you know it, you'll have healthier and smoother skin. You'll also have the confidence you need to attract the attention of your crush *and* to feel comfortable in your own skin!

~~GIVEAWAY ALERT: To enter this giveaway, email cupid@cupidspulse.com with your full name, address, email, and daytime phone number BEFORE 5 p.m. EST on Monday, May 19th. In the subject line, please write "Savane." You can enter the contest only once. Good luck!~~

Giveaway: Harness the Power of Antioxidants with derma e Skincare Bundle

This post is sponsored by derma e.

By Elizabeth Kim

Even after eating a balanced diet, exercising, getting enough sleeping, and drinking plenty of water, the amount of toxins we're exposed to each day is astounding. Sun exposure, secondhand smoke, and even stress can build up these harmful chemicals that are absorbed by the body. Free radicals try to compensate, but because they damage the cells, we end up with wrinkles. Luckily, CupidsPulse.com is teaming up with derma e to share with you five of their bestselling products aimed at bringing back the glow and firmness of healthy, nourished skin.

Dr. Linda Miles, the co-founder and chief formulator of derma e, considers herself first and foremost a healer and believes

that our skin is the “outward expression of our inner health.” Using her 30 years of experience with oriental medicine and holistic practices, Dr. Miles formulated products that do more than cover up your problem areas: They optimize your skin’s health and give you visible, glowing results.

Antioxidants serve as the body’s natural protectors against free radicals and stop them before they damage the cells, which is why derma e products are antioxidant-rich. When applied topically, they are the quickest way to protect skin. Fine lines and wrinkles are smoothed out; inflammation and hyper-pigmentation are soothed; and texture and elasticity are greatly improved.

Our giveaway bundle includes the **Evenly Radiant Brightening Day Creme with SPF 15, Evenly Radiant Brightening Night Creme, Evenly Radiant Brightening Serum, Evenly Radiant Dark Circle Eye Creme, and Microdermabrasion Scrub**. These products are paraben-free, phthalate-free, GMO-free, gluten-free, sodium lauryl sulfate-free, petrolatum-free, mineral oil-free, and dye-free. All derma e products are 100 percent vegan and cruelty-free.

Additionally, they’re made with recyclable material, and derma e offsets 100 percent of their electrical usage with wind energy certificates. With derma e, you can commit to healthier skin while also fostering a healthier environment and world. What more could a girl want?

By Maria Darbenzio

As the weather goes through constant changes, so does your body. With springtime and outdoor dates right around the corner, you won't want to spend time with your significant other fighting through pain. The MELT Method helps to

eliminate this discomfort, improve your performance, and decrease the stress that builds up from day to day activities. Research has shown that a balanced nervous system and healthy connective tissue can help you leave your pain in the past. With the help of this method, you can go from planning *around* your pain to trying something new – maybe even an adventurous date night. Anyone up for go-karting?

She has taught in some of the top clubs around New York City and her video, *Boot Camp Training*, has sold over half a million copies and remains one of the best-selling fitness videos. Taking her knowledge, practices, and education, Hitzman developed the MELT Method to help people of all ages live a better and longer life. The Hand and Foot Treatment Kit is a self-treatment technique that uses different sized balls to stimulate the area and release the compression in joints that can cause chronic pain and inflammation.

MELTing also can be used to boost your immune system, ensuring that you don't have to keep reaching for your tissues on the first date. It can save you from those runny noses and embarrassing moments, so you can enjoy your night without worrying if your coughing is going to scare them away. Likewise, while the winter months are winding down, people are flocking to the slopes to fit in their last-minute ski trips. If you're worried about falling in front of that special someone, the MELT Method can improve your balance and help prevent embarrassing spills from happening.

Many people have pledged to be pain-free with the MELT Method, and now you can too. Bonus Giveaway: Embrace Love and Support Our Troops With Bands for Arms

This post is sponsored by Bands for Arms.

By Kristin Mattern,

Every so often, something comes along that evokes an emotion. Bands for Arms bracelets are that kind of item. The unique bracelets are hand-crafted by volunteers and constructed out of donated pieces of old military uniforms, which were worn by our military men and women. 50 percent of the profits go to

not-for-profit organizations that help our service members.

Founder Nicanor Padrigio Mendoza III believes that all U.S. military service members need to be able to feel connected to their loved ones back home. After the loss of his friend in 2009, he wanted to find a way to help service members make that happen. He also desired to spread the word of the physical, mental, and emotional hardships that our armed forces endure and to provide support for those men and women.

~~This Valentine's Day, CupidsPulse.com will be giving away two bracelet/tee-shirt bundles from Bands for Arms which contain five bracelets to give your friends and family and one Military tee-shirt that supports breast cancer!~~

Valentine's Day Giveaway 9: Tap Into Your Love Life With Love Lenormand

This post is sponsored by Yolanda Shoshana.

By Yolanda Shoshana

Love is an amazing thing. However, there are times when we have questions about a particular relationship or want to know when we'll meet a special someone. You might even be wondering if you'll meet 'the one' on Valentine's Day. That is where the Love Lenormand reading by Yolanda Shoshana will help! The reading includes an in-depth, nine-card spread about your love life completed with the Lenormand Silhouette deck – a deck that is perfect for love readings due to soft and romantic images of lovers in Paris on one side and the traditional Lenormand images on the other.

Lenormand fortune cards were inspired by the French gypsy, Marie Anne Lenormand, and have been used since the 15th century. The 36-card deck is similar to tarot cards but offer a different experience. The cards have a touch of astrology and numerology in them to help with making predictions.

For the reading, you will send your questions via email. After your questions are received, a reading will be completed and sent via email with a mp3 voice recording of the session. Why wait for a secret admirer to step up or pine over a would-be lover? You can find out if Mr. or Mrs. Right is heading your way!

This Valentine's Day, CupidsPulse.com will be giving away one Love Lenormand reading from Yolanda Shoshana!

Valentine's Day Giveaway 8: Signed Recipe Book from VH1 Mob Wives Star

This post is sponsored by Jennifer, Renee, and Lana Graziano.

By Kristin Mattern

One of the greatest ways to show someone you love them is by cooking them up a delicious meal. Another way some couples and families show their affection is by having a rousing argument around the dinner table while surrounded by a yummy landscape of food: a tradition carried on by the stars of *Mob Wives* and the Graziano sisters.

Mob Wives creator and executive producer Jennifer, *Mob Wives* star Renee, and restaurateur Lana have come together to provide you with sensational recipes that will make you a star in your own kitchen and give you something to banter over this Valentine's Day.

Their new book, "How To Use A Meat Cleaver" is a full-color cookbook which features 100 of their most-coveted family recipes including Lana's Famous Meatballs, Lobster Arriagiatta, Sunday Gravy, Sausage and Peppers, Fillet Mignon and more. The girls also share some personal family stories with their readers.

Instead of braving the crowds and eating mediocre-mass-produced-food this Valentine's Day, cook like a Graziano and create cuisine that will impress your partner or your girlfriends with your culinary prowess. After all, sometimes

the way to someone's heart is through their stomach!
Especially if you're dating a foodie.
