

Valentine's Day Giveaway 7: Mariah Carey's Dreams Fragrance

This post is sponsored by Elizabeth Arden.

By Louisa Gonzales

Valentine's Day has come again, and now is the time to make it one to remember. Elizabeth Arden worked with Mariah Carey to create a fragrance that can live up to even your wildest dreams. If you're going for "happily ever after" this year, then this scent is for you.

The multi-award winning artist wanted to put together a classic, captivating, and sexy scent, and she delivers with Dreams. She invites you to celebrate life and its many stages along the way and reminds you to cherish its most intimate moments.

The fragrance smells of salted caramel apple and star anise combined with bergamot and toasted almonds. There's also a drop of honeysuckle intertwined with inviting freesia and a small undertone of lily of the valley that gives it a feminine touch. The last few ingredients are a blend of warm patchouli, Tonka bean, and Madagascar vanilla grounds. Yum!

Whether you are coupled or single, you can now arouse the senses with the intoxicating scent of Dreams.

By Kristin Mattern

Marriage doesn't always end up being the fairy tale we imagine it will be and sometimes we don't make it through "until death do us part." But, whether you make it or not, you can now walk on the dystopic side of love this Valentine's Day by getting together with the girls and heading on over to see *'TIL DIVORCE DO US PART: THE MUSICAL*.

Yes, a musical about divorce! This original comedy was inspired by the true story of a Broadway producers' wife who is suddenly dumped by her husband after years of marriage. Rather than sink into sadness, she decides to celebrate this new chapter in her life. Along with her spunky friends, they get their revenge through song and dance, and laugh their way through the stages of divorce and self-discovery.

You don't need to be a divorcee to enjoy cabaret and vaudevillian melodies like "A Whole Lot Cuter" and "Better Glad Than Mad!" Everyone whose ever been in love will sympathize with the touching moments the play reveals and root for these women who have turned to the comical side of divorce to heal their wounds. It's a musical comedy that romps through all of the emotions that relationships and breakups bring.

Therefore, it's good for your sensitive man as well!

The Dating Lounge: You're Invited to an Exclusive Dating Community

This post is sponsored by The Dating Lounge.

By Brittany Stubbs

The Dating Lounge is the first ever invitation-only dating community on Facebook where friends date each other's friends. It was created by Samantha Daniels, one of the foremost professional matchmakers and dating experts in the country, to provide singles with exactly what they want in today's dating world: real-time information, connections to people they know, and accuracy in an exclusive invitation-only community.

Unlike other dating sites, The Dating Lounge pulls information directly from Facebook profiles, allowing you to see how you

are connected to a potential date through the mutual friends you share. The site is populated by all friends of friends; once you join, you get to invite 10 of your friends, and then they get to invite 10 of their friends, and so on.

Another reassuring part of this dating app is the fact that it was created by someone who knows the dating world. Daniels is owner of the bicoastal matchmaking service called Samantha's Table. Responsible for over 250 marriages and thousands of substantial relationships, she works with high-profile people and celebrities, matching and advising them on how to find that one person who is missing in their life.

She founded The Dating Lounge with the idea that she could create "a small world for dating," where people had the capability of dating as their real self, in real time, with the information pulled directly from an already-existing profile. Members of The Dating Lounge are busy and successful. They don't have time to waste going on bad dates; they prefer to know more information upfront so they can strategically determine who they would like to meet.

Some things to check out once you are in The Lounge:

- The "About the Dating Lounge" page as well as the "Story Behind the Lounge" so you get a good sense of what the site is all about and the specifics of why it was created.

- The "Invite a Friend" page where each member gets to invite 10 friends, who in turn can invite 10 friends and so on, keeping The Lounge by invitation only.

- The "Facebook profile" button on each person's profile page, which links their Dating Lounge profile to their Facebook page so members get to find out more about who they're thinking about dating.

- The "Mutual Friends" button, which allows members to see which friends they have in common with a potential date, providing a natural connection and a sense of comfort.

– The “Email a Mutual Friend” button, which allows members to automatically request that a mutual friend make an introduction for them to a potential love interest, just like they would ask them to do *in real life*.

For an invitation to The Dating Lounge, go to the app page and request an invitation by clicking on “Don’t have invitation code?”

Giveaway: Give Your Feet the Attention They Deserve with Foot Cardigan

This post is

sponsored by Foot Cardigan.

By Leslie Chavez

Sometimes, socks get treated like the younger, less impressive sibling to lingerie in the undergarment family. We all have our share of boring, white or grey mismatched socks – perhaps with holes in the toes. It's far too rare that we treat ourselves to a new pair. Months go by, and we continue to neglect our feet's need to be accessorized, while our derriÃ¨re gets all the attention. But socks can be just as fun and flirty as silky slippers! With Foot Cardigan's monthly subscription, you'll be receiving creative, exciting socks throughout the year. Your socks will never be overshadowed by another undergarment again.

Foot Cardigan is a monthly sock subscription service that guarantees a new pair of unpredictably funky and unique socks every thirty days. That's right: Each month, they deliver a pair of zany socks to your mailbox, and you won't know what the design is until you open up the package.

What if you don't like the socks you get, you ask? Well, the creators of Foot Cardigan say that this is simply impossible because "you will love them, wear them, and your life will be better because of them." To see some designs they've sent to their subscribers, check out the #sockstagram feed on Instagram.

The folks at Foot Cardigan say that their socks are made out of "a heartfelt desire to improve the world one foot at a time," along with 75 percent cotton, 20 percent polyester, and 5 percent spandex. Plus, they include the secret ingredients of "1.7 percent laughter, and the last twinkle of a distant dying star."

Put an end to wearing those colorless socks and embellish your arches in Foot Cardigan's outrageously fabulous accessories. It'll be a fun new adventure for your previously neglected feet. And the ongoing anticipation to see which interesting pair you'll get next will no doubt keep you on your toes. Your feet will be delightfully surprised all year round!

Valentine's Day is known for its wide array of beautiful bouquets. Giveaway: Keep Your Dog Clean and Happy with Warren London Products

This post is sponsored by Warren London.

By [Whitney Johnson](#)

It's no secret that many pet owners want what's best for their

furry friends, and Eric Bittman was no different when he created [Warren London](#). Eric and his wife Sara are the proud parents of two Boston Terriers, Maurice and Brittney. When Maurice was six months old, he developed a number of skin allergies. Unfortunately, the recommended shampoo only left his skin drier and itchier, which is why Eric decided to develop his own line of grooming products.

Warren London's main goal is to make innovative luxury spa and grooming products that get great results. The company uses only natural ingredients to ensure that all items are top quality; they're even human tested on top of being dog tested. Each product is made with a simple belief in mind: "Every dog deserves a spa day!"

From shampoos and conditioners to paw revitalizers and facial cleansers, Warren London sells a wide range of products that are sure to keep your dog looking (and smelling) his best. We all know that a clean dog makes a happy partner; after all, nobody wants to come home from a week-long business trip and be greeted by a smelly pooch who leaves muddy paw prints on their dry clean-only suit.

Plus, for a bit of added fun, the company also has quick-drying, non-toxic, water-based Pawdicure Polish Pens, available in 13 colors and perfect for dog nail art.

My husband and I used the Coconut 2-in-1 Shampoo + Conditioner on our Lab mix, Finn. Just a puppy, he loves to play and run around outside, which means he gets dirty quickly; even so, three days after his bath, he still smelled like coconuts. His coat was particularly shiny and seemed more moisturized despite the Colorado winter air.

We also used the Instant Ear Cleaner on Finn's sensitive ears. He happily obliged while we massaged the solution into his ear canals, and his floppy ears stayed much cleaner than usual.

Lucky for you, one lucky CupidsPulse.com reader will win a

Warren London gift bundle that includes: Lavender Shampoo, Hydrating Butter, Deep Cleaning Paw Fizz Tablets, Paw Sani-Scrub, Cucumber Melon Foaming Facial, "Wet Kiss" Dog Cologne, Grapeseed Oil, Instant Ear Cleaner, three Polish Pens, Nail File, and Buffer Block. Grooming your dog should be easy, effective, and, most importantly, fun – and thanks to Warren London products, it can be!

No dinner date is complete without the perfect bottle of wine. A dry white wine naturally complements a piece of grilled salmon and some summer vegetables, while a robust red wine pairs perfectly with a medium-rare filet and baked potato. If you're wondering what type of wine to buy for your next dinner date, why not reach for a bottle of Jam Jar Wine?

The company was born in 2009 out of the realization that there aren't a lot of options available to consumers seeking quality sweet wines. Many store-bought wines advertise a clean sugary taste, but in reality, they don't taste so good. That's not the case with Jam Jar Wines! These semi-sweet wines are made from grapes grown in the Western Cape of South Africa, which has a climate ideal for producing wines that offer a balance of sweetness and acidity.

Jam Jar Wines come in two varieties, and both are sure to make any date an all-night affair. The Sweet Shiraz is crafted in a lighter style than the typical Shiraz. With a fruity taste mixed with dark chocolate undertones, it's sure to leave you

and your date wanting more. It's a versatile wine, so it goes great with anything from cheeseburgers to banana pudding.

The Sweet White is a 100 percent Moscato wine. This charming, easy-to-drink wine offers juicy flavors of peach, apricot, lychee, and orange blossom. A lively jolt of acidity keeps it fresh and fun. Fancy enough for a special occasion toast yet sweet-natured enough to enjoy every day, this beverage will certainly make your date night memorable.

From the time when European royals drank chocolate to when chocolatiers formed the delicious candy into bars and truffles, chocolate has always been a luxury treat. Eating chocolate is a sensation, tantalizing taste buds with silky textures and full cocoa flavors. *Really* delicious chocolate can even excite strong feelings of happiness and sometimes love. [zChocolat](#) knows quality matters most in creating a riveting chocolate experience. When giving that special someone a box of chocolates this holiday season, zChocolat's line of gourmet chocolates raises the spatula and goes beyond the bon-bon wrapper.

zChocolat is created in France by World Champion Chocolatier Pascal Caffet and ships worldwide. Each mini masterpiece is made using high-grade, single-origin chocolate from Venezuela, the Ivory Coast, and Bolivia. The devilishly rich ganache is prepared with top-shelf quality butter and cream from Normandy, and even the nuts are ensured to be nothing but the best, hailing from Spain and Italy. These worldly ingredients combine in 26 different ways to please even the most particular chocolate connoisseur.

Luxury doesn't stop at the wrapper with these chocolate dreams. zChocolat nestles their exquisite creations inside of a gorgeous box for a truly memorable treat. Impress your honey this Christmas by choosing from an elegant handcrafted mahogany box or a holiday-special crimson box. “Having fresh, festive flowers in our home and on our dinner table during the holidays really helps brings the season to life,” said Willie and Korie Robertson, two of the stars of *Duck Dynasty*. They picked out the Holiday Flair Centerpiece, a hand-blown glass bowl filled with red roses, as their favorite Christmas arrangement. Jase and Missy Robertson prefer the

Jeweled Ornament Bouquet, which features fresh roses as well as some beautifully decorated ornaments, while Jep and Jessica Robertson like the Cuddle Bears Bouquet, a sweet polar bear vase filled with red and white florals.

Another one of Teleflora's Christmas arrangements is the lovely Thomas Kinkade's Starry Night, which is a hand-crafted and hand-painted centerpiece. This stunning centerpiece consists of a frosted chapel with a small family arriving on a horse-drawn sleigh surrounded by vivid red roses, pinecones, and red berries. We were lucky enough to receive this beautiful arrangement at the CupidsPulse.com office, and we have no doubt that the breathtaking display will catch your family's attention when you all sit down for Christmas dinner.

Take a Cue from 'Dancing With the Stars' and Enjoy Celsius Negative Calorie Drink!

This post is

sponsored by Celsius.

By Kerri Sheehan

It's no secret that the *Dancing with the Stars* cast works up a sweat practicing and performing all of those dance routines every week. And, to start this year's competitors off on the right foot, Celsius gifted the cast with their negative calorie drink. After all, clinical studies show that drinking a refreshing sugar-free Celsius before exercising (or dancing) helps burn up to 100 calories or more per serving. It also boosts metabolism, reduces body fat, increases endurance, and provides lasting energy to power you through your routine and beyond. Stars of the show like Karina Smirnoff, Witney Carson, Jack Osbourne, Corbin Bleu, and new hottie Gleb Savchenko

sipped on a nice cold Celsius to kick off the season premiere.

Celsius is powered by MetaPlus®, a blend of ingredients designed to work together to increase calorie burning over a three-hour period. It will make you feel great and ease your mind knowing that the blend of healthier ingredients such as Green Tea, Ginger, Calcium, Caffeine, Guarana, and Vitamins B and C are fueling your body. Even better, studies show Celsius may reduce body fat, increase endurance, and provide greater resistance to fatigue (which means increased energy).

And the team at CupidsPulse.com knows that looking your best and having more energy is great way to boost your dating life! And, for those couples out there, why not use that extra energy you get from Celsius to surprise your lover with a spontaneous date night. This blend of increased endurance and resistance to fatigue is also what the *Dancing with the Stars* cast needs to wow the judges!

It comes in five delicious natural flavors: two non-carbonated green tea flavors, Raspberry Acai and Peach Mango, as well as three sparkling flavors, including Orange, Wild Berry, and Cola. Celsius is also available in “On-the-Go Stick Packets” or powdered drink mix (30 serving canister) that can be added to water or your favorite non-carbonated beverage for a delicious orange flavor. Grab the healthy alternative negative calorie drink before your next exercise activity and see the difference!

Now, one lucky CupidsPulse.com reader will get to enjoy this fabulous negative calorie drink! We’re giving away a swag bag just like the one given to the *Dancing with the Stars* cast. The bag, valued at \$125, includes: a Celsius tank top, a drawstring gym bag, water bottle, one can of each Celsius flavor, and on-the-go-sticks.

Eliminate Stiletto Suffering While ‘Still Standing’ and

Staying True to Your Inner Fashionista

This post is sponsored by Still Standing.

By Kristin Mattern

Every girl loves her shoes, especially those sky-high heels that give any outfit an instant boost, not to mention an extra thrust of confidence; which comes in handy when trying to dress to impress for a hot date. Sadly, after the initial rush of pleasure from putting on those high-heeled beauties, you can't escape the inevitable pain that comes from standing, walking, or dancing in your stilettos – until now! With *Still Standing* gel spray, you can wear your favorite pair of shoes without the pain and strut your glamorous stuff all day and into date night!

Founder Lyn Butler was very familiar with the discomfort that stylish heels can cause. From going barefoot under her desk at

work to trying gel inserts and carrying fold up flats in her purse, she was in search of a solution. She knew the real problem was that the high heel shifts feet into an unnatural position, pushing them forward into the top of the shoe. This balancing act is an equation for hot, puffy, and irritated feet – something Butler has labeled “Stiletto Suffering” – and as time goes by, the situation only gets worse. Rather than try to get around the problem, she took it head on and decided to try to create a topical formula that would keep feet feeling cool, fresh, and comfortable under duress. And so, *Still Standing* was born.

Fashionistas everywhere rejoice! *Still Standing* is true to its word and delivers comfort that lasts up to four hours—perfect for a long set of dancing with your sweetie in the club, or walking the bar strip hand in hand. Utilizing a mix of natural remedies for inflammation and pain, including arnica and aloe, as well as cooling menthol, *Still Standing* provides temporary relief from the discomfort of your favorite shoes. Now, you can go out on date night in style without worrying that your feet will be throbbing with pain louder than the throb of your heart!

We at CupidsPulse.com tested it out for ourselves, and after several hours of parading around the office followed by a night on the town, *Still Standing* lived up to its word. Some of the girls even took it with them for their evening out with their man. They reported that their feet had never felt more comfortable in their high-heels, allowing them to spend more time concentrating on that good night kiss and less time thinking about the growing ache caused by their shoes. The clear and fast-drying formula allowed us to spray the calming formula and, after just a minute, immediately put our shoes on. Having your feet smell faintly of menthol is a bit odd, but luckily, the smell wears off quickly thanks to the rapid evaporation technology of the spray. Plus, the calming feeling is worth that moment of minty toes.

While *Still Standing* does wear off and the effects vary person-to-person, the convenient, purse size bottle allowed us to take *Still Standing* with us. The spray can be used up to four times in a day, and we found that when we sprayed our feet before going out and in the middle of the night, we never had the urge to remove our heels to hit the dance floor or even on the car ride home! Plus, you can spray *Still Standing* right over stockings because it is so light and quick drying, making it simple and easy to use while out with your guy – without him noticing. What a difference *Still Standing* made! This unique spray is a must-have for anyone who loves fashion and enjoys wearing heels either to the office, on date night, or both.

CupidsPulse.com loves *Still Standing* so much that we're giving away two bottles of the spray. Plus, we're offering 5 dollars off with discount code CUPID through November 30th.

~~**GIVEAWAY ALERT: To enter for a chance to win *Still Standing* spray, go to our [Facebook](#) page and click "like." Leave a comment under our giveaway post letting us know you want to enter the contest and when you plan to use your spray. The deadline to enter is 5 pm EST on Monday, November 4th. Good luck!**~~

Share Community Love and Fuel the Movement With RipeBrand T-Shirts

This post is sponsored by RipeBrand.

By Priyanka Singh

“Do Good, Feel Good, Look Good” is the motto to live by if you love RipeBrand as much as we do. One important aspect of maintaining a fulfilling relationship is learning how to share love in a positive way RipeBrand aims to do the same thing on a community-wide level. They promote their passion for community awareness in Los Angeles by making three bold-colored, vegetable-dyed t-shirts labeled grape, pomegranate, and zucchini. Nicholas Chang, a Berkeley graduate, founded RipeBrand as a way to spread the word about youth, health, and poverty issues among young adults and encourage them to volunteer within their local communities.

The shirts are made out of locally-grown cotton, manufactured in California, and printed through a water-based discharge system, which is the cleanest in the industry, according to Chang. The company made Los Angeles the landing spot, but Chang hopes that they can continue to expand across the country and spread the community love outside of “home.”

Of course, these super-soft and environmentally friendly t-shirts are more than just a fashion statement. “We have real life problems and real life people, and that’s where fashion comes in. It’s something you can wear, you can support, and you can get involved with and show people that you’re a living symbol of the brand,” the founder says. He explains that wearing these shirts symbolizes that getting involved in this movement isn’t just a one-time deal; it’s a growth process that allows you to “ripen” as you become more aware of what’s happening right in your own backyard. When you’re in a committed relationship, it’s essentially the same process: As you devote more time and effort to your partner, you see your love ripen and grow.

Almost 50 percent of the revenue the company makes goes to non-profit organizations that promote awareness for youth, health, and poverty issues. Currently, there have been eight non-profit organizations that officially launched and partnered with RipeBrand.

Chang has a three-step process that can help you find a way to give back to your community as well. Share a more meaningful experience with your significant other, sit down and take time to think about what you’re both passionate about. Then, utilize your resources to do some research on the topic and learn more about it. And last but not least, get out there in your local community and *just do it!* It’s a great way to not only build a stronger bond with your love, but learn how to share the wealth with your own community!

The shirts are available to purchase on RipeBrand.org, but

CupidsPulse.com is giving three readers the chance to win one of their own!
