

Lindsay Phillips Shoes Won't Let Your Spring Date Be a Flop

T

his post was sponsored by Lindsay Phillips.

By Sarah Ribeiro

There's no better time to have a first date than the spring. The birds are chirping; the flowers are in bloom; and you can *finally* wear your favorite sundress and sandals. This weekend, take some time out for a romantic walk in the park or a rooftop dinner at sunset. Embrace the warm weather and show off your spring style in adorable shoes by Lindsay Phillips.

You'll have no trouble picking out the perfect spring date outfit with these shoes. They're completely customizable, so you can add the perfect accessory to each shoe. The "strap" line allows you to opt for over 1,000 interchangeable options, while the "snap" line lets you choose from over 60 toe-centered snap-on brooches.

Slip on a pair of the Alex heels, the Devon wedges or the Courtney peep-toes for a dressy look. They'll all give you a little added height – perfect for your date to lean in for a kiss! Plus, both the Devon and Courtney shoes show off your flirty pedicure.

If your feet tend to feel tired after a long day at work, try out a pair of the Liz ballet flats. They come in linen, canvas and patent leather to ensure that you have a matching pair for any outfit, and the ruffle flower perched on the toe is the ideal accessory for a simple summer outfit.

While you may want to look sophisticated for your hot date, sometimes a more simple shoe is the way to go. Choose comfort *and* fashion by opting for a chic, updated flip flop. The Kelli flop is more than your typical sandal: you get the comfort and ease of a basic flip flop with an added pizzazz. The decorative stones on the toe base are sure to catch your partner's eye and round out your fabulous first-date outfit. Remember that you can purchase additional "snaps" to jazz up the flop even more! That way, you won't have to worry so much about deciding what shoes to wear – just slide these on and head out the door.

The best part of Lindsay Phillips' shoes are the bright colors. You'll have no trouble finding a pair to match your favorite bright yellow skirt or to stand out against a pair of cut-off jean shorts. The Kelli flop, for example, comes in black and stone as well as vibrant pink and bold turquoise. These colored flops even have a "candy-stripe" sole in bright colors that's both eye-popping and sweet, making them wearable outside of date night.

Our tester immediately noticed that these shoes would be the perfect travel partner. With the mix-and-match straps or snaps, life on the road is so much easier. Plus, your partner will be thrilled when he finds out he doesn't need to lug around an extra suitcase filled with shoes on your next

Caribbean getaway. Now, *that's* relationship bliss.

These shoes just scream “fun” – and guarantee that you’ll have a great time while wearing them!

Here at CupidsPulse.com, taking care of ourselves while protecting our planet and its surroundings is an important part of our everyday routine. The products are all formulated with certified organic ingredients and sustainably sourced essential oils. They’re sulfate-free, paraben-free, vegan, cruelty-free and toxin-free.

One of our favorite items from green&glam is their Body Care Kit. This 24-ounce kit, which includes Shea Body Butter, Body Wash, Body Oil and your very own body sponge is good for all skin types. Impress Your Date & Use blu eCigs, An Alternative to Cigarettes

his post is sponsored by bluCigs.

Your best friend introduced you to a cute guy last week, and he asked you out to dinner on Friday night. Since you haven't spent much time with him yet, you're not sure what he'll think about your constant trips outside for a cigarette. You definitely don't want to interrupt your night together...but it is almost impossible for you to refrain from smoking for more than an hour, and it's silly to do it for someone you hardly know.

Rather than feel anxious throughout your first date, why not try out blu electronic cigarettes for the evening? blu eCigs offer smokers the freedom to smoke when and where they want because they have no ash and no smell. Plus, blu eCigs have more flavor varieties than regular cigarettes. Flavors include: Vivid Vanilla, Cherry Crush, Classic Tobacco, Magnificent Menthol, Pina Colada, Java Jolt & Peach Schnapps. Even better, you can find blu electronic cigarettes in over 60,000 locations just by going to blu's store locator.

We gave blu eCigs to a trusted mother of two who has been smoking on and off for more than 20 years. Here is what she had to say:

Personally, I think blu eCigs are great alternative to smokers when they are in a place that they cannot smoke or if they want to quit and use an alternative method to relieve cravings when they are trying to quit. The packaging is very sleek. However, no matter what the cigarette or package looks like, I know that no cigarette real or fake can really look good. However, this is a great alternative. The package came with approximately eight or so flavors, some better than others. Personally, I preferred the Cherry.

When taking a drag, it felt like a real cigarette, and the smoke that came out also appeared to be very similar to the real thing. When I inhaled, it did bring instant relief of a craving just as a real cigarette does.

She adds, "It's a great alternative that'll help you survive a

craving when you're unable to smoke a regular cigarette. Plus, I really like the blu case.

As Stephen Dorff shares, "blu lets me enjoy smoking without it affecting the people around me because it's vapor, not tobacco smoke. That means no ash and, best of all, no effects of odor."

Starter kits start at \$69.95. bluCigs are the perfect alternative to cigarettes.

1. Girlfriend by Justin Bieber: It's no surprise that the pop superstar's first scent, Someday, was the biggest celebrity fragrance launch in history. The name of his second fragrance, which debuted in June of this year, captures a dream-come-true for so many of his fans: to be Justin Bieber's girlfriend. Perfect for the Belieber in your life, Girlfriend combines fruity notes of mandarin and blackberry with exotic scents of pink freesia and star jasmine, topped off with vanilla orchid and luminous musk.

2. FAME by Lady Gaga: Of course, this musical sensation makes sure everything she does is one notch above the rest – and the development of her first fragrance was no different. FAME is the first-of-its-kind black Eau de Parfum: using fluid technology, it is black in the bottle but invisible once airborne. Created with her little monsters in mind, it smells of belladonna, incense and apricot and empowers its wearer with its mysterious scent.

3. Pink Friday by Nicki Minaj: Nicki Minaj partnered with Elizabeth Arden for her debut fragrance, named after her 'Pink Friday' album and world tour. Building off of her signature sound and style, she wanted this scent to be a celebration of her life and a reflection of herself. The fragrance includes mouth-watering fruits, pink foral petals and the warmth of vanilla, musk and woods. If the smell isn't enough to grab the attention of Minaj's Barbz, the outrageous bottle design will surely do the trick.

4. Nude by Rihanna: Described as "sassy and feminine" by the songstress herself, this fragrance – the third one by Rihanna – is a sweet floral and fruity scent with a vanilla background. With a base of sandalwood, orchid and "second skin" musk, the fragrance offers a feeling of intimacy and bare skin to its wearer. The simple yet beautiful bottle

design adds a touch of sophistication to the scent as well. As Rihanna said at the fragrance's launch, "It's subtle but makes a statement no matter what."

5. Wonderstruck Enchanted by Taylor Swift: The newest scent in this country crooner's Wonderstruck fragrance collection, this perfume smells of creamy flowers, like peonies and white freesia, mixed berries and vanilla musk. Of Wonderstruck Enchanted, Swift says, "Wonderstruck is about that moment when you instantly feel a connection to someone, but then there's that feeling of being completely enamored – enchanted – when you know a little more about that someone." It's a perfect present for anyone who loves Swift's honest and heartfelt lyrics.

D-Factor Assessment: The Perfect Gift for the Singles In Your Life

T

this post is sponsored by Marni Battista.

By Marni Battista

Elizabeth discovered the secret to having it all: a successful career AND a passionate relationship...

When Elizabeth first came to me, she was a 32-year old divorcee with a super successful, high-powered career. She was gorgeous, intelligent and ready for love – or so she said. She shared with me that she was desperate to fall in love again but honestly didn't believe she would have chemistry or passion with anyone else. Although she proclaimed her desire for a relationship, my coach intuition told me there was *something* else going on beneath the surface – something bigger that was keeping her stuck and single.

Through the D-Factor Assessment, we discovered exactly what that “something” was. She still suffered from major unresolved issues with her ex-husband and beliefs about men in general that she'd been cultivating since middle school, beliefs like the really good looking guys wouldn't even look at me, just be smart; that way I won't get hurt; and I'm not meant to have it all. Once we addressed these issues head on, Elizabeth was unstoppable.

Despite hating online dating in the past, within two months she had become the most popular girl online, getting asked out by men she could actually see herself settling down with. From

there, she started meeting men everywhere – from the gas station to the grocery store to her dentist's office!

Related Link: [“No More Duck Lips!” and Other Dating Profile Rules](#)

What's more, she became more discerning in the dating world and was finally able to break a lifelong pattern of saying “yes” to men who seemed into her but weren't ready for a relationship. She quickly weeded these casual players out, and shortly thereafter met THE man for her at a work event. This year, she's taking him home for the holidays, and she can hardly believe just a few months after the D-Factor Assessment she found a man with all of the qualities on her list and more – including chemistry!

What can you learn from Elizabeth's story?

I hope you walk away from Elizabeth's story knowing that you *can* have whatever you want. Whether you want it all, or just a big piece, you have the power to create all that you want for your life.

What's more, contrary to popular belief “having it all” doesn't have to take years and years of bad dates, lonely nights and dinners for one. Elizabeth found her happy ending in mere months. Others have found love as soon as two weeks after taking the D-Factor Assessment.

Related Link: [10 Reasons Women Stay in Bad Relationships](#)

The reason why we so often hear about those individuals who have been single their whole lives, despite putting themselves out there and “trying really hard”, is because trying harder doesn't always work – especially not when it comes to love.

Take the image of the impetuous fly, furiously buzzing into the glass door that stands between him and his destination. No matter how hard that fly tries he's not going to be able to

break through the glass and get to the other side, but he can't see that from his current position. He could stay at that door for weeks, months or even years – however long it takes for him to realize that trying harder is not going to work in this situation.

But the sooner he flies away, gains some perspective and looks at his methods with a broader view, the sooner he might spot a cracked window on the other side of the house where he may enter with ease.

If you've been banging your head against your own proverbial glass door, proclaiming to the world that you are really, finally and truly ready for a relationship, but nothing is changing, it may be time to take a step back, gain some perspective, and start looking for a fresh approach.

If you're ready to truly have it all, I challenge you to take the opportunity right in front of you: my signature D-Factor Assessment and VIP private coaching session with me for just \$197 (normally \$397!).

Help Your Pet Make a Good First Impression On Your New Partner with Comfort Zone® Products

this post is sponsored by Comfort Zone® products.

By Whitney Baker

You're ready to have your new man over to your place for the first time, but there's one big (and furry) problem: your sweet but very-protective St. Bernard doesn't warm up to strangers easily. Rather than take out his uncomfortable and uncertain feelings on your guests, he usually chews up a few pairs of shoes and barks until the neighbors call to complain. You understand that pets can get stressed when their environment changes – and an unfamiliar person in their territory is certainly a big difference.

Lucky for you, Comfort Zone® products help reduce stress-related behavior in dogs and cats by mimicking their natural pheromones and allowing them to feel calm and comfortable. The products are 95% effective at reducing scratching and urine marking for cats, and also help reduce excessive barking and chewing in dogs.

Comfort Zone® with D.A.P.® (Dog Appeasing Pheromone) products for dogs helps control excessive barking, destructive digging, chewing and house soiling – leaving you with plenty of time to entertain your boyfriend on his first (and hopefully not last) visit. Plus, Comfort Zone® products will help your four-legged friend make a better impression on your partner.

In addition to helping your dog or cat feel comfortable with your new man, Comfort Zone® products can help manage stress-related behavior in your pet caused by thunderstorms and loud noises such as fireworks as well as transitions such as moving into a new home, being left alone more frequently or traveling.

Comfort Zone® products are available at pet specialty stores including PetSmart and PetCo, independent pet stores and online. You can learn more about Comfort Zone® products at www.petcomfortzone.com or on their Facebook page.

Giveaway: Prevent Bad Breath on a First Date With Binaca Breath Fresheners

T

this post is sponsored by Binaca.

By Sarah Ribeiro

After months of begging your girlfriend to help make it happen, you finally score a date with the tall, handsome coworker you've been eyeing in her office. He finally takes notice and asks you out on an incredibly romantic date to a fantastic Italian restaurant. The only problem is that every meal on the menu features your worst enemy: garlic. How are you supposed to impress this guy when bad breath is getting in the way?

While this scenario may be your worst nightmare, there's an easy solution. Binaca breath fresheners, including Breath Drops and AEROblasts Breath Spray, will save the day in sticky situations just like this one. After all, Binaca breath fresheners are the only fresheners that have passed the "kissalicious" test. These products kill the germs that cause bad breath and dissolve lingering aftertastes instantly to make you ready for that kiss at the end of the night.

The best part about Binaca breath fresheners is that you can carry them around with you anywhere. In one small bottle, you'll get 150 drops or sprays of instant breath freshener in a cool, refreshing and kissable flavor of peppermint, spearmint or cinnamon. Just one drop or spray on your tongue after a meal, and you won't have to worry about your breath

being anything less than fresh.

These breath drops come in handy beyond date night too. With all the great feast-filled holidays coming up, it will be hard to escape breath-killing foods. Garlic mashed potatoes, candied yams, stuffing, egg nog, and cranberries can leave you with less than fresh breath. If you want to impress your sweetheart and his family or friends, you need to keep your breath fresh – without missing out on all the festive treats.

For one week only, one lucky CupidsPulse.com reader will be getting a YEAR'S supply of Binaca breath fresheners to save them from a dating crash-and-burn. That's right, one year! Check out the giveaway below.
