

Celebrity Couple Predictions: Mary-Kate Olsen, Eva Mendes and Amal Alamuddin

By [Shoshi](#)

For today's column, let's take a look at three celebrity couples that are on top of the media's radar— whether it's because of an odd pairing, an on-and-off-again relationship, or a surprising new coupling:

Mary-Kate Olsen and Olivier Sarkozy: The former child star turned fashion designer is rumored to be engaged to the banker, although she has yet to officially confirm the news. When this engagement was first announced, there was a

collective “ew” heard around the world.

Olsen is 27 years old, while Sarkozy is 44 years old – but one can say that Olsen has experienced a lot in her 27 years. Therefore, their 17-year age difference shouldn't be a major factor in this relationship. It's the visual of seeing them together that makes people stop and ponder a bit. She's a petite youthful-looking pixie, while he's over a foot taller than her and looks every bit of his four decades. In other words, he looks more like her daddy than her fiancé. Seeing the two of them with his teenage daughter definitely makes you do a double take!

Since Sarkozy and Olsen have been together, she seems to be completely drama-free. The two already live together in a six-million-dollar home in New York City, and the fashion designer has shown how she will be as a stepmom to Sarkozy's two children. So the next step appears to be marriage. I can see them getting married secretly and having a baby together before the relationship hits a major bump.

Eva Mendes and Ryan Gosling: Are they together or not? That's the question. The two of them haven't been photographed together for over three months. In the midst of the break-up rumors, she has been seen walking his dog, while he has been seen driving her car and peeking over her fence. One report even had the actor rekindling his relationships with his *The Notebook* co-star Rachel McAdams, who he admitted was his first love.

Maybe the twosome are just having fun and like to keep us all guessing. It could also be a way to get people interested in Gosling's directorial debut *How to Catch A Monster*, which Mendes stars in.

In looking at their relationship energy, I feel like these two can't figure out what they're doing. Either they commit to

each other 100 percent and get married or buy a house together, or they split and move on. Part of why they're staying together is their comfort level.

Also, might I add that it looks like things in the bedroom are quite fabulous. Let's keep it real: Good loving will make anyone stay around a little bit longer!

George Clooney and Amal Alamuddin: It has finally happened: Clooney is dating a woman who has beauty *and* brains. This isn't to throw any shade at the lovely ladies he has dated in the past, but his new girlfriend has some major girl geek credentials. Alamuddin's resume includes a career in international law, fluency in French and Arabic, and a degree from Oxford. Plus, she's an author.

Some say that she's way out of Clooney's league. While the actor is no Oxford grad, he is deeper than some of his former dating choices. Let's not forget that he normally makes his intellectual statements in the movies that he produces and directs.

There is speculation that he staged the recent photos of the couple in New York because he's upset that his ex Stacy Keibler got married and is expecting a baby less than a year after their break-up. I won't go so far as to say that Clooney cried over Keibler's big news, but it bruised his ego a bit. He's used to his exes looking a little pitiful in the press when he drops them, whereas the beautiful blonde rebounded with a win.

His relationship with Alamuddin will have a typical Clooney run. She will accompany him to events, vacations, and other high-profile outings. However, she will bore of him versus him getting bored with her. She's a woman of many layers; Clooney picked a lady who will give him a run for his money.

Celebrity Couple Predictions: Jordin Sparks, Nina Dobrev and Gwyneth Paltrow

By [Shoshi](#)

For today's column, let's take a look at three celebrity couples that keep the gossip mills churning – whether it's because of a potential engagement, a possible new love affair, or never-ending separation rumors.

Jordin Sparks and Jason DeRulo: Lately, all eyes have been on this couple, wondering when they're going to get engaged. DeRulo made the smoothest move ever on Valentine's Day by gifting his girlfriend with 10,000 orange roses. How in the heck is he going to top that? What also has people buzzing is that the sultry singer proposed to Sparks in his latest video for "Marry Me."

Calm down, and stop waiting for your wedding invitations. They're only 24 years old – why is everyone trying so hard to marry them off? They're still figuring it out. That's not to say that they haven't started talking about marriage; right now, it's out on the table and being discussed. The two of them are best friends, so it's looking really good.

DeRulo is still trying to decide how and when to propose. I see it coming on a holiday or a birthday; New Year's Eve keeps popping up.

Nina Dobrev and Liam Hemsworth: Are these two Atlanta-based actors a new couple? They have recently been spotted on a date and sharing a few kisses.

If they do decide to pursue a relationship, don't look for this one to last a long time. No offense to Dobrev, but she's in a rebound situation after her split from longtime boyfriend (and *The Vampire Diaries* co-star) Ian Somerhalder.

Similarly, Hemsworth's energy is all over the place when it comes to his heart. Can you blame him? By the end of his relationship with Miley Cyrus, it had become a train wreck. He has a bit of healing to do. He isn't sure what he wants in a relationship, so he's just having a good time and looking to see who's out there. The *Hunger Games* actor has a few wild oats to sow before settling down again.

Gwyneth Paltrow and Chris Martin: Oh, how the gossip is flying on the marriage of this longtime pair! Her reps have denied that she's having an affair with lawyer Jeff Soffer; there have been other names thrown around as well. The question remains is any of it true – and who knows? Only those people directly involved with the couple know the real deal.

When I look at the marriage of the actress and musician, it's in deep trouble – and not just because of affair rumors or because Martin may not be a happy camper living in Los Angeles. Long story short, the Coldplay frontman is bored to tears with their relationship, and he looks disconnected. If things don't turn around soon, look for a divorce announcement. Martin is going to want to split, but Paltrow will make sure that it looks like she's the one who wants to end their marriage, as her image is very important to her. Martin will be fine with that as long as he gets to move on.

Celebrity Couple Predictions: Amber Heard, Kaley Cuoco and Hilary Duff

By: [Shoshi](#)

For today's column, let's take a look at three celebrity couples who have made headlines lately for shocking relationship moves – whether it's a surprise engagement, a quickie marriage after a whirlwind romance, or a separation announcement from a seemingly happy couple.

Amber Heard and Johnny Depp: Depp recently announced his recent engagement to actress Heard. Two words that came to mind when I heard this news were “hot mess.” Not because I think it's too soon for the actor to be in a serious relationship, but because this relationship has signs of doom written all over it.

The 27-year-old actress met her 50-year-old fiancé while working on *The Rum Diaries*. There have been so many allegations about their romance that it's hard to know what to believe. The main rumor that stands out is that Depp and Heard broke up not that long ago so that she could date a woman. He somehow won her back and put a ring on it.

The only thing that is clear in this relationship is that Depp is trying his best to keep Heard around. What better way than to get married! Their relationship energy is two lost souls floundering around. The biggest question is how long can the actor can keep his partner entertained before she wants to leave again. I hope he's smart enough to get a good prenup, as there's no way this relationship is going to last.

On another note, the media keeps trying to make it seem like Depp's ex, Vanessa Paradis, is jealous over his engagement. This rumor couldn't be further from the truth. Paradis left Depp; *she* was the one who didn't want to get married. Depp has repeatedly confirmed this truth in interviews since their split, and his ex has moved on.

Related Link: [Johnny Depp and Amber Heard Are Engaged: Find Out Why](#)

Kaley Cuoco and Ryan Sweeting: The *Big Bang Theory* actress ended a relationship with Henry Cavill and pulled the ultimate bounce back: She fell in love with tennis player, Ryan Sweeting, and got married. If you blinked, you may have missed the whole thing. The couple dated for only five months before sprinting down the aisle.

There is something rather awesome about this marriage. It's a classic case of "you know when you know." Sure, they got married quickly, but when I look at their relationship, it looks like they both knew it was meant to be. Cuoco was looking for something different when she met Sweeting. They've been together before in a past life, which is why it felt so comfortable when they met this time around.

The bets have started on when they'll divorce, but save your money. These two are going to be together for awhile. Don't be surprised if a baby announcement comes within a matter of months. Baby energy is swirling around the blonde beauty. Since they're having so much fun together, Cuoco would like to

wait a little bit before having kids, but babies have a way of sneaking in when they're ready.

Related Link: [Kaley Cuoco Celebrates Bridal Shower with Famous Friends](#)

Hilary Duff and Mike Comrie: Looks like one Disney princess is about to get a divorce from her Prince Charming. This move comes as a surprise to many people who thought that Duff and Comrie were a happily married couple. As I look at the singer's energy, she's in a totally different place than she was when she got married. A part of her looked up to Comrie as her older and wiser lover. Well, getting married and having a baby will make a woman grow up really quickly. Long story short, she snapped out of it.

Duff will always have love in her heart for Comrie, but it's not the kind of love that keeps a marriage going strong. The passion between the two of them left a long time ago. It also looks like Duff considers Comrie a big turnoff, and once a woman is turned off by a man, it's hard to go back.

It's great that they tried everything in their power to stay together, but it's time for them to both move on. Duff is going to come back with a resurgence in her career. She's going to gain some new fans with her hot MILF status, but dating will not be her priority; she will be focused on being a single mother during this new chapter in her life.

Celebrity Couple Predictions: Jessica Simpson, Miranda Kerr and Beyonce

By [Shoshi](#)

For today's column, let's consider three couples who have controversy currently surrounding them, whether it's because of baby weight, a surprise split, or anti-feminist song lyrics:

Jessica Simpson and Eric Johnson: This blonde pop star has come a long way, which makes it so easy to root for her success. Recently, she announced that she's going to stop acting and retire from the entertainment world. Her focus is now on being a business woman and mother.

All of that also means that she's finally ready to marry her baby daddy, Johnson. When I took a closer look at their relationship, it looks like everything is falling into place for them. The question of will they or won't they tie the knot is about to be put to rest. This time, the wedding *will* take place. It's a wonderful time for them to get hitched, now that they have two cute kids and Simpson has lost the baby weight.

This celebrity couple has a pretty normal relationship, and their wedding should be held in 2014. Don't expect too much drama – everything is going strong with them.

Related Link: [Jessica Simpson Welcomes Baby Boy Ace](#)

Miranda Kerr and Orlando Bloom: This beautiful couple has called it quits, which was a surprise to many people. Rumors have circled that Kerr cheated with Leonardo DiCaprio and Justin Bieber, while Bloom has recently been seen with Liv Tyler, causing the media to assume they're more than friends.

When considering the lost love between these exes, it looks like it just ran its course. Their relationship was well over before they made it official. They still care deeply for one another and always will, but it is more like a friendship. They tried to stay together for their child but realized it was just better to say goodbye.

Bloom will date around a bit before settling down again, breaking a few hearts along the way. He's going to enjoy being a single dad. As for Kerr, there are plenty of suitors circling her. After all, models hardly ever have a hard time finding rich men to love them.

Related Link: [Orlando Bloom Says He Still "Loves and Cherishes" Ex Miranda Kerr](#)

Beyonce and Jay Z: How can I not bring up this power duo considering the current controversy sounding them for the song "Drunk Love," in which Jay-Z compares their relationship to

Ike and Tina Turner? The lyrics have stirred mixed reviews from fans and feminists alike. How can a strong woman like Beyonce allow those lyrics on her album? Keep in mind that the singer has never called herself a feminist; other people just view her in this way.

This is all to say that these musical stars don't have the amazing relationship that most of their fans want them to have. I know some people will not like me saying it, but when I look into their marriage, it's not that great. There's a rumor that Beyonce thought about leaving Jay-Z because he didn't put his family first, and it definitely has many elements of truth in it. Plus, there are often reports of Jay-Z having relations with other women. His entrance into the sports world will put even more strain on their relationship.

It'd be awesome if they had the picture-perfect marriage that has been marketed. If you are one of the people who believe that they are crazy in love, it's all good. Just remember that, no matter how much money or fame someone has, we all go through the same ups and downs in our relationships.

Celebrity Couple Predictions: Jessica Biel, Faith Hill and Kerry Washington

By [Shoshi](#)

For today's column, I want to look at three celebrity couples that tend to keep their relationship out of the spotlight but are faced with tabloid rumors nonetheless:

Jessica Biel and Justin Timberlake: This A-list pair recently celebrated a year of marriage – which means that this union has already lasted longer than many predicted. Every few months, there's a story about Timberlake cheating with a hot blonde or mystery brunette; it's a shame, but there may be something to it. When I look at their energy, the actress seems to be 100 percent into the marriage, while her husband isn't as present. That's not to say he doesn't love his wife; it's just to note that there is a piece of himself that isn't completely committed to their relationship. His energy appears to be up and down, which could be trouble in the long run.

Biel is a beautiful woman who seems quite lovely as a person, but she's rather boring. It can be argued that maybe that is why the marriage works. A part of the sexy singer wants stability, which his wife gives him, but there's also a side

of him that craves something else.

I do see baby energy circling the couple, so expect a pregnancy announcement really soon. Wishing them the best on the pitter-patter of little feet!

Related Link: [Tim McGraw and Faith Hill Deny Divorce Rumors](#)

Faith Hill and Tim McGraw: Country music's most beautiful couple is rumored to be getting a divorce (yet again). Don't hold your breath on this one, ladies. Hill isn't going anywhere, and there won't be a breakup (at least for now). Rumors are swirling about McGraw having an affair with Taylor Swift and having bisexual relations with men. Normally, within any set of rumors, there are some truths. Even so, Hill knows who her man is, which is the only important thing.

The rumors are, however, taking a toll on their relationship. My spiritual sources tell me that these two have an understanding: What happens on the road, stays on the road. Still, it's hard to not bring some of it home. They are working through all of it as they have worked out other issues in the past. Sometimes, McGraw may sleep on the couch, but if you're waiting for divorce papers between these two, you'll be waiting a long time. It's not even a consideration for this power duo.

Related Link: [Kerry Washington Weds Nnamdi Asomugha](#)

Kerry Washington and Nnamdi Asomugha: There are plenty of Hollywood couples that have drama around them, so I decided to take a look at a very happy pair: Kerry Washington and her new hubby Nnamdi Asomugha. Their wedding came as quite a surprise to most people because the actress doesn't like to talk about her personal life in interviews. There is even a rumor circulating that this private pair are *not* married – which is a prime example of why she kept her relationship a secret, even from her friends. Let's keep it real: Some friends cannot keep their mouths shut.

Not long ago, Washington announced that a baby was on board, and two weeks before she confirmed her pregnancy, I saw baby energy circling her when she was on a talk show. She is quite literally glowing. What could be better than a hit show, handsome husband, and baby on the way?

The only issue this couple has right now is that Asomugha, a football player, recently got cut from the San Francisco 49ers. The good news is he made some decent money from his contract, so even though he's unemployed, there's no need to worry about them being broke when the baby arrives. Other than that, these two are doing great; they are well matched and support one another.

Celebrity Couple Predictions: Paula Patton, Miley Cyrus and Catherine Zeta-Jones

By [Shoshi](#)

For this week's celebrity couple predictions, I want to consider three duos who have been plagued with breakup rumors – some of which have been confirmed.

Related Link: [Paula Patton Says “Passion” Is Key to a Successful Relationship](#)

Paula Patton and Robin Thicke: These two have been one of the most interesting couples to watch lately – who knew they could be so entertaining? Fans have been waiting for Patton to get upset with her husband for being racy with Miley Cyrus on stage at MTV's Video Music Awards.

From a clairvoyant point of view, they are a couple with a lot of layers. Thicke was recently quoted as saying that his marriage was “the most dysfunctional functional relationship in Hollywood.” That's actually a fair assessment; the thing that keeps them solid is trust.

The famous pair are doing quite well in their relationship despite all of the shenanigans. The actress doesn't freak out

when he checks out another woman, and she knows, at the end of the day, Thicke is coming home to her. Don't expect any separation or divorce headlines. In fact, in less than a year, they'll be pregnant again.

Miley Cyrus and Liam Hemsworth: Speaking of Cyrus, it's no surprise that her rep confirmed her engagement was over on Monday. As recent as last weekend, she stopped following her alleged beau on Twitter, but this relationship hit "hot mess status" months ago. Hemsworth tried to hang in there, and it's time for him to officially move on.

When looking at their energy, what kept these two together was sex; they weren't destined for anything more than hot nooky. The pop star's energy is all over the place, and she isn't focused on love, which will make it difficult for anyone trying to have a serious relationship with her.

As for what's next for these two, Cyrus will have a few flings. Once she's finished trying to be the next Lady Gaga with a splash of Madonna from the 80s, she'll be ready for a relationship that has meaning. Hemsworth, on the other hand, will end up with a dark-haired actress on his arm.

Related Link: [Celebrity Couple Predictions: Katy Perry, Kate Middleton and Fergie](#)

Catherine Zeta-Jones and Michael Douglas: When it was announced that this married pair separated, the only surprise was that it hadn't happened years ago. Their 13-year marriage lasted longer than most people predicted, as many critics gave it only 5 years. There are many theories on why their relationship fell apart, but it's all speculation; instead of paying attention to the tabloids, I decided to take an in-depth look at their love. I have no doubt that they'll divorce. The actress is a bit lost at the moment; it's important to note that her bipolar disorder is not that main cause for her detachment in their relationship. She is seeking

something that she's not getting in her marriage.

They signed a pre-nup when they first got hitched, but the brunette beauty will want a different settlement. Let's just say she thinks that she deserves more money. After a lot of nasty back-and-forth, Douglas will give her what she wants to get rid of her.

After the smoke clears and they're divorced, Zeta-Jones will end up with someone younger who will help her learn to live again. She is known for having an appetite for older men, so this will be new ground for her. Expect her to become known as a full-fledged cougar. Douglas will be fine, as he has a new outlook on life. If he does look for love again, it'll be with someone closer to his age.

Celebrity Couple Predictions: Katy Perry, Kate Middleton and Fergie

By [Shoshi](#)

For today's expert post, I want to look at the energy of three celebrity couples who are celebrating exciting times in their relationships: Katy Perry and John Mayer, who are back together and recently released their first duet; Kate Middleton and Prince William, who welcomed their son, Prince George, in July; and Fergie and Josh Duhamel, who are expecting their first child very soon.

Related Link: [Celebrity Couple Predictions: Jennifer Aniston, Julianne Hough and Kim Kardashian](#)

Katy Perry and John Mayer: This musically-talented duo is on again – at least for now. It's becoming difficult to define their love since it tends to change so quickly. Mayer has actually managed to keep his mouth shut about this relationship, unlike his behavior in the past. (Did we really need to know that sex with Jessica Simpson was like a drug?)

When looking at the energy around the couple, it seems like they're having fun. While they do enjoy each other's company,

what keeps them getting back together is their ability to relate to one another. It's a level of comfort that they both need at this time.

There's been buzz about their new duet – and for good reason! Mayer sings that he can see himself growing old with her. How adorable is that? The only thing is that gushy love eventually ends. The soulful singer has a habit of quickly becoming attached to the woman he's dating, so only time will tell if they survive past the honeymoon stage.

In their duet, he also wrote that he couldn't run anymore. He's finally starting to show signs of getting serious about his love life. During his relationship with Perry, she will help him grow up a bit. Even so, Mayer will become bored and soon move on to the next lady.

Kate Middleton and Prince William: Ever since Kate Middleton and Prince William announced their engagement, the world has been enchanted with the lovely couple. When Kate announced she was pregnant with a royal bundle of joy, we couldn't wait for the baby to arrive!

We can all finally relax: Prince George is here and has been presented to the world. The Duke and Duchess's marriage appears to be going strong; in fact, they've never been better. Surrounding their relationship is the energy of Princess Diana, as if she watches over them and guides her son. Without a doubt, these two are best friends. They want to keep a low profile and simply enjoy their lives together.

There is another baby energy circling Kate. They want to wait a bit before their next child, but they may not have a choice. Don't be surprised if she's soon pregnant with baby number two, which will bring them a daughter.

Related Link: [Will Harry and Pippa Be Named Godparents for Prince George?](#)

Fergie and Josh Duhamel: Fergie and Josh Duhamel cannot wait until the arrival of their son. The energy in their relationship has shifted for the better since Fergie got pregnant. Rumors had been circling about Josh's activities with other women, but now, he's a bit more centered and focused on family.

Fergie has just legally changed her name from Stacy Ann Ferguson to Fergie Duhamel. It is said that, when you change your name, you change your destiny, so the newly-annointed Mrs. Duhamel has shifted her energy on many levels.

Josh is going to be really close to his son – it'll be hard to find him in a photo without him. It will cause him to want to work less, while Fergie will be inspired with material for a new album dedicated to the two men in her life and the love she has for them. It's a very happy time in the Duhamel household. All the best to them!

Celebrity Couple Predictions: Jennifer Aniston, Julianne Hough and Kim Kardashian

By Shoshi

For today's expert post, I want to look at the energy of three celebrity couples who have been plagued by rumors this summer: Jennifer Aniston and Justin Theroux, recently-split Julianne Hough and Ryan Seacrest and new parents Kim Kardashian and Kanye West.

Related Link: [Celebrity Couple Predictions: Halle Berry, Jada Pinkett-Smith and Heidi Klum](#)

Jennifer Aniston and Justin Theroux: It's no surprise that these two lovebirds postponed their wedding – I think even Stevie Wonder could've seen this one coming. There's definitely some conflicting energy around this relationship. Let's dissect it, shall we? The top reason for the wedding being postponed is that Brad Pitt and Angelina Jolie are getting hitched this summer too, and Jennifer Aniston doesn't want her wedding close to the same time. Can you blame her?

The other rumor is that she and Justin Theroux are just too busy to get married. Now, I can't help but question this

excuse. When people are ready to spend the rest of their lives together, the last thing they'll let stand in the way is their hectic schedules. After all, it's not like the two of them can't afford to take some time off.

When I look at Theroux's energy, it reveals that he isn't the marrying type. He can feel committed to someone *without* a ceremony. There's nothing wrong with that perspective as long as Aniston is fine with it.

He also feels like he doesn't have any control in the relationship. For instance, after planning to live in New York, Aniston said it felt like a fishbowl and moved the couple back to Los Angeles. Even so, Theroux has been spotted checking out places to live in downtown New York. Aniston has taken Theroux out of the playground where he feels most like himself, which tends to be a big damper on a relationship, especially for men. If Aniston doesn't allow Theroux to feel comfortable, he'll seek that feeling from someone else. Their love can go either way at this point!

Julianne Hough and Ryan Seacrest: Since this adorable couple broke up in March, everybody is on Ryan Seacrest-dating watch. Who will he date next? And will he get back together with Julianne Hough? The spirits say no; he's ready to move on.

Hough, on the other hand, is trying to win the television host back – she has her eye on being Mrs. Seacrest. Unfortunately, it's so not going to happen. Seacrest definitely cares about her, but she's just not the kind of partner he wants/needs as he builds his empire. It also doesn't look good that Hough has been partying like a college girl in recent months. She's screaming for attention from her ex, but instead, she just needs to look for love elsewhere.

Related Link: [Kim Kardashian and Kanye West Welcome a Daughter](#)

Kim Kardashian and Kanye West: Little North West arrived five weeks early, much to the delight of her parents, Kim

Kardashian and Kanye West. After the baby's name was announced, people immediately started saying that this famous pair were already bad parents.

Looking at their energy, I think West is going to be a pretty good dad. As for Kardashian, she'll have a bumpy time at first because the baby girl will feel more comfortable with her dad. The reality star will try a little too hard to be a "good mother," which will ultimately hurt her parenting skills. Plus, North will be the number one priority for West, leaving Kardashian a bit jealous. While West and Kardashian love the spotlight, the rapper will have a better grasp on why it's important for their bundle of joy to *not* be a part of the entertainment business until she's a bit older. When the time is right, though, North West will be a mini-mogul following in the footsteps of her parents. Mark my words!

Celebrity Couple Predictions: Halle Berry, Jada Pinkett-Smith and Heidi Klum

By Shoshi

A celebrity's love life tends to be packed with things that create a hot mess. At the end of the day, when it comes to their relationships, they're just like everybody else: simply trying to figure it all out.

For my first expert post, I took a look at the energy (aura) of some hot couples: the sexy Halle Berry and Olivier Martinez, open marriage lovers Jada Pinkett-Smith and Will Smith, and last but not least, Heidi Klum and her bodyguard boyfriend, Martin Kirsten.

Related Link: [Spring Cleaning: 5 Signs It's Time to De-Clutter Your Love Life](#)

Halle Berry and Olivier Martinez: I have been keeping a psychic eye on Halle Berry since she announced that she's dating Olivier Martinez. From the very beginning, their energy as a couple looked vibrant and stable. While women envy Berry and assume she can have any man that she wants, her love life tends to be filled with drama and heartache. Berry was always

into the “pretty boy” types, not that that’s a bad thing. However, Martinez is an upgrade; Berry finally has a grown man by her side.

Recently, Berry revealed that she is pregnant with Martinez’s baby. Berry has never looked happier on the outside, but there has been a shift in her energy on the inside too. She is more settled and comfortable in her own skin. While she has made a shift to fully embrace self-love, Martinez has been a big part of healing Berry’s energy in her heart. Looking at their relationship as a whole, they have a wonderful connection.

From what I can see, it looks like Berry will have a bouncing baby boy. I also predict that Berry and Martinez will pull a Janet Jackson move by getting married at a secret sexy location in Paris.

Jada Pinkett-Smith and Will Smith: Finally, Jada Pinkett-Smith decided to address the rumors about having an open marriage with Will Smith. Not so fast, though: she actually did *not* come out and say that they have an open marriage. We did find out that Smith is his own man who can do whatever he wants and that Pinkett-Smith trusts him since they have a grown-up relationship. Some people are confused about what the heck she means since it wasn’t a direct statement.

This couple has a very interesting energy that looks strained in certain areas. It look like they were talking about divorce, which was coming more from the side of Pinkett-Smith, but she changed her mind. Smith appears to be exercising their rule of doing whatever he wants more than her. She was feeling a bit neglected, but it made her hubby realize that he has to prioritize what he has at home, or it shall be lost.

Although there is love in their relationship, it looks like the type of love that is friendship-based. There is a lack of passion between them at this point; if that doesn’t shift, this marriage will be over for good.

Related Link: [Will Smith Says Family Is All About Love and Communication](#)

Heidi Klum and Martin Kirsten: When Heidi Klum started dating her bodyguard, Martin Kirsten, it raised a few eyebrows. Hopefully, Kirsten will guard his heart in this relationship since Klum's energy has rebound written all over it. What Klum was missing in her marriage with ex-husband Seal, she is getting from Kirsten; however, she isn't allowing her feelings for him to run deep.

Kirsten is completely smitten with Klum and her kids. In fact, he had feelings for her before they started dating. It's not looking good for him though. Klum isn't ready to fully open her heart to anyone. One day soon, Kirsten is likely to get a kiss goodbye from Klum, and he won't even see it coming.
