Yolanda Shoshana

(Shoshi) is a witch, clairvoyant, psychic, sexpert, lifestyle provocateur, and relationship author who helps people have amazing love and toe-curling sex and release their inner magick. Her relationship advice and [celebrity couple](#) predictions blend love, lifestyle, pop culture, and psychic pixie dust for an entertaining read. This lifestyle provocateur is the creatrix of the Conjure Coven, a magickal hub that brings back the art and magick of the courtesan to help women live a charmed life. Read her books about love, like her novelettes or sexy self-help books. When not conjuring or giving readings, she can be found officiating wedding ceremonies around New York. Read her [dating advice](#) to see if it helps your relationship and love life! For more information, visit [her website](#) or follow her on [Twitter](#) and [Facebook](#).
