

Selena Gomez

Since her days on *Barney and Friends*, Selena Gomez has truly blossomed and made a name for herself as a singer, actress, and fashionista. She was born on July 22, 1992 when her mother Mandy was only 16 years old. At seven years old, she and childhood friend Demi Lovato appeared on the popular children's show for two years before being dropped from the series. After *Barney and Friends*, she landed a couple of small roles in *Spy Kids 3-D: Game Over* and *Texas Ranger*. Her first appearances on the Disney Channel were as Gwen on *The Suite Life of Zack and Cody* and as Mikayla in *Hannah Montana*. Eventually, she got her own show, playing Alex on *Wizards of Waverly Place*.

She went on to play a starring role in the ABC Family movie *Another Cinderella Story*, and it was then that she started

transitioning into the music business, recording a song for the movie. In 2008, the former Disney star signed a contract with Hollywood Records and began working on her debut album, *Kiss and Tell*. Over the next few years, she started a band called The Scene and recorded a second album, *A Year Without Rain*. She also launched her Dream Out Loud clothing line at Kmart.

Much like the pop star's many projects, Selena Gomez's love life has always been in the public eye. While she was still on *Wizards of Waverly Place*, she was linked to boy bander Nick Jonas. In 2009, she was spotted with *Twilight* hunk Taylor Lautner, but the famous couple didn't last long. In 2010, after initially playing coy about their celebrity romance, she and tween heartthrob Justin Bieber were caught kissing, and from then on, the Hollywood couple was never far from the spotlight. As the good boy became a bad boy, their relationship was constantly on-again, off-again. Many [celebrity break-up](#) rumors, songs, and cryptic tweets later, it seems the two have officially broken up after dating for nearly four years. Most recently, the singer dropped a new single called "The Heart Wants What It Wants," which is rumored to be about celebrity ex Bieber. She's recently been spotted with music producer Zedd.

show a crush you're interested in him or her?

Cupid's Advice:

When you develop a crush on someone, it's important to let them know you're interested without being too obvious. Cupid has some dating advice:

1. Be yourself: Although you may be feeling shy at first, which is completely understandable, make sure to just be yourself. Let him/her get to know who you truly are, so they get to know the real you instead of someone you are pretending to be. You should aspire to be the best version of yourself each day!

2. Body language: Your body language and facial expressions are both ways to communicate, therefore; it's important to pay attention to these aspects when interacting with your new crush. Smile, look engaging, be confident, laugh and look like you want to be in their presence. Don't look timid, bored or nervous. If it's evident that you're interested in being there, they will pick up on that. Try not to text or email on your phone too much. Pay attention to them and your surroundings.

3. Get in touch with your feelings: The most imperative thing to do is get in touch with your inner feelings. Determine how you feel about the people in your life and your situations. Once you are sure you have a crush on someone, pursue it and let them know. It can be a little scary but you will be glad

afterwards because you will know if the feelings are reciprocated. If they feel the same way about you then great! If they just want to be friends, then take their friendship and be glad you found out when you did so that you can pursue someone who is meant for you. It's a win, win situation!

Justin Bieber

Justin Bieber is one celebrity who people love to hate. At first, it was because of his boyish good looks, but lately, it's been more about his obscene behavior and run-ins with the

law. The pop star was born on March 1, 1994 in Ontario, Canada. His manager Scooter Braun first discovered him through his YouTube channel in 2007. After contacting his mother and arranging for Bieber to meet Usher, the young singer was signed to RBMG and then to an Island Records recording contract.

The performer released his debut EP in 2009, which was certified platinum in the United States. In 2010, the full album was released, helping Bieber become the first artist to have seven songs from a debut record to chart on the Billboard Hot 100. The album was preceded by the single "Baby", which coincidentally is the YouTube video with the most dislikes and the most views on a Vevo platform. His following two albums also debuted at number one on the Billboard 200, proving that preteen and teenage girls run the music industry.

In 2010, Justin Bieber started a celebrity relationship with actress and singer Selena Gomez, and the pair has been on-again, off-again numerous times since. As of now, they are still apart after having a huge fight right after one of their many [celebrity vacations](#). The singer has been rumored to be dating at least seven other people throughout their relationship and love! In recent years, his legal issues have transformed his image from "boy-next-door" to "bad boy." In 2014, he was labeled the most annoying celebrity of the year and frequently made headlines due to his lifestyle. As his image continues to transform, so does his music. He's ditched his signature bowl-cut hair to a half bleached bedhead style, and his latest music, like his song *Sorry*, is gravitating to an electronic-inspired direction. He is most recently rumored to be dating Haley Baldwin.

New Celebrity Couple Selena Gomez and Zedd Face Doubt From Her Friends

By [Whitney Johnson](#)

It looks like Selena Gomez has finally moved on following her celebrity break-up with Justin Bieber! The pop princess is now in a relationship with music producer Zedd. According to [E! Online](#), a source close to the singer says, "Everything is going great with him. She is really happy, and they are having fun." Unfortunately, some of Gomez's loved ones are unsure about the new celebrity couple and where their relationship is headed. "Selena's friends are a little bit wary while remaining hopeful," the source adds. "Right now, he is making Selena happy, and he's not Justin Bieber, so that's a good

thing.”

This celebrity couple is facing some doubt from the pop star’s friends. How do you handle criticism about a new relationship and love?

Cupid’s Advice:

The beginning of a new relationship and love should be filled with joy and bliss. However, when your pals are unsupportive of your new partner, it can put a damper on your happiness. If you’re facing criticism like this celebrity couple, Cupid has some tips:

1. Introduce them: If your buddies haven’t met your significant other yet, ask them to be open-minded until they get to know each other. If they’ve already been introduced and had a negative first impression, tell your buddies that it’d really mean a lot if they would give your beau a second chance. Encourage them to set judgments aside until they spend some quality time together.

2. Listen to their concerns: It may seem counterproductive, but it’s important to ask your friends to explain their doubt to you. As much as you may want to ignore their criticism, giving them the chance to share their worries will go a long way. It’ll help you understand where they’re coming from, and it’ll allow your pals to feel like they’re being heard. Getting everything out in the open will help you all move forward in a graceful way.

3. Be honest: If all else fails, you need to have a heart-to-heart with your loved ones and open up about your new relationship. To help them understand how you feel, share the reasons why you want to be with your significant other and how they make you feel. If they truly love you (and they should!), seeing you so happy should be enough for them.

Dating Advice: Six Tips for Meeting Someone Special in 2015

By Dana Michel

The holidays are over, and 2015 is here! Like many of us, you've probably made a New Year's resolution to step up your game in the area of relationships and love. If that resolution includes finding a partner, you might not succeed if you're searching the old fashioned way.

Below are six pieces of dating advice to help you in your journey to find that special someone and improve your relationships and love life in 2015.

1. Eliminate those that are not marriage material: Don't waste time with someone you would never introduce to your family or colleagues, much less marry. He/she is only standing in the way of your true happiness.

2. Become the person that attracts your type: This important piece of dating advice shouldn't be ignored! If you're looking for a physically fit partner, but you have succumbed to watching Netflix from the couch while eating fast food, you may want to start hitting the gym this year. You may find Mr. Right while lifting weights and running on the treadmill.

3. Do not put your life on hold or defer happiness until you meet "The One": Take that trip overseas, become a homeowner, get a new hobby or entertain more. These dating and relationship advice tips can help make you a much more interesting and confident person. Raising your appeal increases your chances.

4. Sign up for online dating: Choose the service that works best for you and remember to be true to yourself. If you're looking for a serious relationship, don't sign up for a casual hookup site. Online dating gives you the chance to expand your options.

5. Ask friends to introduce you to eligible people: Consider getting help and introductions to men from those pesky relatives who don't understand why you're still single.

6. Become more active outside of your home and work: Start a new hobby, volunteer, and deliberately attend social events where you can mingle and strike up conversations with new people.

Thankfully, love can happen very quickly when you meet the right person. Look at celebrity couple George Clooney and Amal Alamuddin, for instance. The duo became engaged in less than a year. Most men say they knew their fiancé was special very early on in their relationship.

A new dating site, Marriage Material, is not your typical dating venue. Founder and President, Dana Michelhas, created a place where only marriage-minded singles can go to find their true love. Marriage Material has over 20,000 members, and their services are available in selected areas. For more information, visit www.marriagematerial.co. How do you establish yourself as an individual after being part of a couple for a long time?

Cupid’s Advice:

It’s easy to get caught up in your partner’s interests during a longterm relationship. After a breakup though, it’s time to rediscover what makes *you* tick. Here are

three ways to establish yourself as an individual after being part of a couple for a long time:

1. Invest in a new hobby: Have you always wanted to learn how to knit? Or do you want to take photography classes at your local arts center? Sign up now! Embrace your newfound independence. Instead of wallowing in your loneliness, take full advantage of your free time and put it to good use.

Selena Gomez Cries Singing Song About Justin Bieber at AMA's

By Maggie Manfredi

The heart wants what it wants. According to UsMagazine.com, Selena Gomez stunned the audience at the AMA's on Sunday night with an emotional performance of her hit single. She dazzled in a flowing cream dress with her hair pulled back. The performance included a pre-recorded phone conversation of a sad Selena, some intense imagery and a teary superstar at the end of the performance. Celeb bestie Taylor Swift was also affected as she watched from the audience. "The Heart Wants What It Wants" singer recently shared that the muse for the song, Justin Bieber, "thought it was

beautiful.”

What are some ways to express emotion to your partner when words won't cut it?

Cupid's Advice:

Sometimes when it comes to love, words just aren't enough. Here is some advice on how to let your feelings out in different ways:

1. Write it down: If you've tried to say the things you need to say and they won't come out right, write it down. Sometimes that's what you need to process the thoughts in your head.

Related: [Back Together? Justin Bieber and Selena Gomez Snap Cozy Pic in Canada](#)

2. Read about it: If writing isn't your forte turn to the words of John Keats, William Shakespeare or Emily Dickinson. Reading words of love and lust and loss may be just what you need to express your own emotion through a different outlet.

3. Don't forget about intimacy: When you are with someone you cannot forget about the simplicity of intimacy. Nonverbal communication has a lot of power, don't be afraid to use it.

Celebrity Couple Predictions: Kris Jenner, Neil Patrick Harris and Rachel Bilson

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at three very different but seemingly happy couples. One pair of new lovers is all wrapped up in each other despite receiving their fair share of speculation from the public; another duo is thriving in their marriage and family; and the last couple is celebrating the recent birth of their first child.

Kris Jenner and Corey Gamble: Raise your hand if you believe

that this is a real relationship. From the moment I saw these two together, the word “staged” came into my psychic radar. In fact, the best way to summarize this relationship is “staging with benefits.” Don’t get me wrong: Jenner is an attractive woman and still has it going on. Of course, she could cougar it up better than anyone – I even expect that from her at this point! There just seems to be calculation around this so-called relationship. All we really know about Gamble so far is that he works with Justin Bieber’s manager, Scooter Braun.

Do not be surprised if you find out that Gamble is about to drop an album or he wants to start his own management firm. Better yet, he could partner with Jenner’s empire. Either way, he wins because he is not only getting the attention he wants but has a sugar mama to play with until this hot mess is done.

Related Link: [Khloe Kardashian Approves of Kris Jenner’s New Beau Corey Gamble](#)

Neil Patrick Harris and David Burtka: I might be biased because I love the former *How I Met Your Mother* star and adore his relationship with Burtka. They seem to really love and respect each other, though I always wondered how Burtka felt about giving up his career – or shall I say *changing* his career – to accommodate Harris, who was more successful.

In case you didn’t know, the couple got married in September and then moved to New York City with their two adorable twins. They are being open about the fact that Burtka was rather miserable in Los Angeles. Now in NYC, he’s feeling like his happy self again.

These two are stronger than ever. Both will be able to have an identity, something Burtka struggled with in LA. Burtka will do a lot of theater, while Harris, of course, will host the Oscars. I also see that Harris will be on a television show that’s based in NYC. Money is not an issue for them anymore, so they will be able to work or not work when they choose.

Their family will remain a priority. The twins will flourish in NYC as well. All is moving in the right direction for the Harris-Burtka family!

Related Link: [Neil Patrick Harris and David Burtka Share Italian Wedding Photo](#)

Rachel Bilson and Hayden Christensen: These two actors just welcomed their daughter Briar Rose into the world. This little bundle of joy should turn out to be quite a cutie considering that both of her parents are lookers! But what is really going on with this couple? They're not married but have been together longer than many celebrity couples. They started dating in 2007, got engaged in 2008, broke up in 2010, and got back together only three months later. Now, they have a baby, which is a game changer.

I predict that Bilson and Christensen will get married and that we will be the last to know about it. They'll invite some family and close friends to brunch or a party, and then a minister will drop in to officiate their wedding. I can see Bilson casually mentioning on a talk show that she's married. Parenthood will change this couple for the better, making them stronger. The *Hart of Dixie* actress is always going to be the breadwinner between the two of them, thanks to her successful TV career and being a spokesperson for numerous products.

Best Celebrity-Inspired Halloween Candy Choices

By [Jessica DeRubbo](#) and Molly Jacob

Each year, October 31st brings with it a chance to carve the face of KISS frontman Gene Simmons in your pumpkin, dress up as a sexy version of Jasmine from *Aladdin*, dance to the “Monster Mash” at a masquerade with your honey and, most importantly, stuff your face with as much sugary goodness as you can possibly muster. Even though you’ll most likely be clutching your aching stomach the next morning, Halloween and candy are inseparable, because you simply can’t have one without the other.

Hollywood isn’t innocent either when it comes to indulging in candy on All Hallows’ Eve. Celebrities may stay in shape thanks to strict diets, but everyone has been known to splurge once in a while. In fact, places like Dylan’s Candy in New York City honor those celebrity sugar binges by dedicating a whole wall of treats to all of their favorites. Here are five candies that have been officially endorsed (at least verbally) by some of your favorite Tinseltown hotshots:

1. Reese’s Peanut Butter Cups: Neil Patrick Harris has a sweet

tooth along with his funny bone. The “Gone Girl” star told *Entertainment Weekly* that the peanut buttery sweet is his favorite movie theater snack. “They are like the crack cocaine of the candy world,” said Harris.

2. Hi-Chews: Ryan Gosling, according to an interview with *Esquire*, has a candy obsession and “speaks of it the way rich men discuss wine.” While Gosling loves many forms of goodies (excluding anything chocolate), he is particularly partial to Hi-Chews. “It’s the candy that never quits on you,” says Gosling.

3. Swedish Fish: While Justin Bieber is known for his love of Sour Patch Kids, the superstar has had a change of heart. Bieber told the *Montreal Gazette* that he is done with his addiction. According to Bieber, his fans kept bringing him the candy to his shows, “so I kept eating them and now, if I eat another Sour Patch Kid, I’m probably going to just throw up.” He now sticks to Swedish Fish when he’s in the U.S. and Big Foot gummies when he’s in Canada.

Related: [Justin Bieber and Selena Gomez Reunite at Coachella](#)

4. Sugar Daddies: Khloe Kardashian favors Sugar Daddies, according to Wonderwall, and the reason behind it only partly has to do with its taste. She says the hard candy reminds her of her dad because he loved Sugar Daddies. “I just love anything bad for you. Anything bad is good,” says Kardashian.

5. UNREAL Candy: Not every celebrity’s sweet tooth has to be unhealthy. According to Yahoo!, celebrities such as Tom Brady, Giselle Bundchen, Twitter founder Jack Dorsey and Leonardo DiCaprio are endorsing this “junk-free” brand, which offers alternatives to traditional treats. In a statement DiCaprio said, “By working together to better understand the health of both people and the environment, we can produce healthier food that will benefit large populations of people while minimizing

our impact on the planet.”

Whether you prefer sweet, sour or chocolaty varieties of candy in your trick-or-treat sack, and whether you’re an accountant or a movie star, sugary treats have always been a staple on Halloween.

**On-Again, Off-Again:
Celebrity Couples Who Can't
Make Up Their Minds**

By Deanna Atkins and Laura Seaman

In Hollywood, you never know who's going to be the next big couple, especially when the new duo may breakup before official word even gets out. To be fair, it has to be difficult to maintain a relationship that's constantly in the public eye. Aside from frequent budding romances, we're constantly hearing about those twosomes who just can't commit. They're on one week and off the next week, and then before you know it, they've eloped...only to divorce weeks later.

These three pairs constantly keep us guessing and never fail to surprise us with yet another breakup or makeup. Sometimes we enjoy staying on their relationship roller coaster ride, but still, we have to wonder why these stars are so incapable of staying together:

Lady Gaga and Taylor Kinney: If you were as busy as the pop star, you'd probably find it challenging to keep a boyfriend too. But as her touring schedule has slowed down, it seems like she and the *Chicago Fire* actor are back on again! The 'Born this Way' singer has been with the 33-year-old for three

years now, and rumor has it, she's been looking at wedding dresses in Canada. The pair have been seen on romantic skinny dips and dining at Gaga's father's restaurant, but don't be fooled by their seemingly effortless relationship because it's definitely a tough one to maintain.

Sammi Giancola and Ronnie Ortiz-Magro: Whether this couple's out of control relationship was purely for entertainment purposes or not, everyone can't help but love to hate the *Jersey Shore* duo. The guido and guidette got together on the first season of the show, and, ever since, we've seen the twosome through the crying, name calling, and all out physical brawls. It's actually a rarity when they're filmed *not* fighting.

That said, there are those times they honestly look happy together. Between his fohawk and her Jersey-girl attitude, they couldn't be more perfect for one another. Let's give them some credit though: Since the filming of the sixth season ended, they're officially on and have even moved in together.

Selena Gomez and Justin Bieber: This A-List couple has been on and off for quite a while. As of now, the pair seems to be back together. For the past few years, fans have been told about their constant breakups, only to be shown pictures of the two cuddling on Instagram.

It's no surprise that there's friction between them. The former Disney star seems to be rapidly climbing the ladder of success in both music and film. Bieber, on the other hand, just keeps getting in trouble and can't seem to catch a break. From his DUI to videos of his vulgar behavior, this pop star isn't gaining much support lately. For a while, there was even a petition to deport him to his home country! Despite all of this drama, America's darling seems to be smitten with this Canadian bad boy.

Whether these celebrities don't realize what they have in front of them or they're waiting to see what else is out there, anyone can relate to needing a push in the right direction. It may be time to quit the games and find a more compatible mate or accept that you're truly in love with your partner. Either way, it's not beneficial for anyone to be in a consistent on-again, off-again relationship!

Taylor Swift References "Dramatic" Ex-Boyfriends at Teen Choice Awards

By Laura Seaman

Taylor Swift struck again as she made a clever comment about her ex-boyfriends at the Teen Choice Awards, according to UsMagazine.com. The country star was presenting the award for Choice Actor in a Drama Movie when she made the comment, "I was excited when they asked me to come and present this award, because no one knows more about dramatic males than I do." One of her exes, Harry Styles, won multiple awards with his band One Direction that night, and he ended up beating Swift for the Choice Smile award.

What are some ways to deal with dramatic exes?

Cupid's Advice:

Most people try to avoid drama, and for good reason. It's immature, annoying, and can seriously mess up relationships. It's hard enough to date a dramatic person, but sometimes it's even more difficult to deal with a dramatic ex. They can't seem to just move on, and they want everyone to know about it. Here are some tips to deal with that ex who doesn't know when

to end the drama:

1. Unfriend and unfollow them on social media. Passive aggressive Facebook statuses and mopey song lyrics on Twitter can get really old really fast. If you really want to get rid of this annoying virtual drama, the solution is simple: get rid of that person on your social media. No more notifications from them!

2. Avoid places where they might be. Dealing with a dramatic ex is even worse when it's in person, so while it might be a bit inconvenient at times, it's worth it to avoid the awkward staring, whispering behind your back, or even a scene if your ex is super dramatic. If you know your ex is going to be somewhere, do your best to avoid that place at all costs! It's not cowardly, it's smart.

3. Don't give in to the drama. Sometimes your ex will try to drag you into the drama and try their best to make you respond. Whatever you do, don't give them the satisfaction of reacting! Ignore them and don't let their words get to you. Maintain your composure and let them make a fool of themselves without you. Sometimes it might be tempting to shout back and put them in their place, but this is what they want and will only make things worse!

Celebrity Couples Who Love Fourth of July

By Shannon Seibert

Tis the season to take pride in your homeland and rock the colors of vigilance, perseverance and justice. It's also the day where we sport killer bikinis, chow on barbecue and watch amazing fireworks displays. The best part about the holiday, though, is that it's a day in which our entire country takes pride in their homeland, especially our celebrities. We've pulled together the envy-worthy patriotic plans and traditions of these stars to hopefully inspire a little Independence Day tradition in your own household:

Jessica Simpson and Eric Johnson: Jessica Simpson and Eric

Johnson will have two reasons to celebrate this weekend. After being engaged since 2010, the couple has chosen to wed on July 4th. This all-American occasion will definitely be a party worth remembering.

Idea for you: You may not have been married on the Fourth, but that doesn't mean you can't celebrate your love. Have an intimate anniversary party underneath the fireworks with your love. Get silly and stuff American flag cake in each other's faces, wedding style.

Beyonce and Jay Z: Queen B has always been a fan of the holidays. With Blue Ivy around B and Jay Z are bound to have some Fourth of July fun. Last year the singer struck a pose against a vintage car in flag-print denim shorts. Looking forward to this year's photoshoot B!

Idea for you: Have your own star-studded photoshoot! Together with your love dress up in all of the patriotic attire you can find. Then take your man around town and find your most historical sites. Snap some selfies together, or strike your best model poses.

Eddie Cibrian and LeAnn Rimes: Last year the couple attended Rimes' Fourth of July performance with Cibrian's two sons. The family of four gathered around for a quick photo of them decked out in holiday attire. Rimes had tweeted about how happy she was to spend time with her man and the boys.

Idea for you: Nothing says 'America' like a good 'ole country concert. This time of year, tours are in full swing. Hop on Ticketmaster with your man and surf the web for some neat Independence Day deals on your favorites, such as Miranda Lambert.

Selena Gomez and Justin Bieber: The past year has been plenty rocky for Jelena, but this time last year the couple was in

full-swing of celebration. Gracing Instagram with an adorable selfie, the pair sent fans screaming about their Fourth of July return.

Idea for you: Connect with old friends while celebrating your freedom. The Fourth is a great day to reach out to your “neighbors” under law and check in to see how they are doing.

Josh Kelly and Katherine Heigl: The Kelley family spent July 4th of 2013 poolside at their home in Utah, making a splash in the holiday’s festivities. The former *Grey’s Anatomy* actress posted adorable photos of her two daughters and her hubby on Twitter, wishing the nation a happy birthday.

Idea for you: Host a pool party with your family- friends. Have a potluck and ask your guests to bring an item along to share. This way there will be plenty of food and fun to go around.

Kim Kardashian and Kanye West: The Kardashian family has never disappointed on the subject of partying. This year there are rumors of a Kardashian family get-together which will include all of the usual prospects. The Wests will be celebrating their daughter North’s second Independence Day this year.

Idea for you: Take the day to just be with the family. Set up a barbecue buffet for you and your man’s closest family members. This way you can see whether your Uncle Joe’s fireworks outshine Grandpa Jim’s this year while spending time with your loved ones.

How do you keep a casual relationship on the down-low?

Cupid's Advice:

Sometimes when a relationship is new it is best to keep things casual until you figure out whether or not it has the potential to go beyond. Hooking up can be great if they are done correctly. They allow a couple time to figure things out with no major public losses if things go south. We've pulled some tips to help keep your causal relationship, well, causal.

1. Stay away from social media: In a world that is so technology obsessed, posting your relationship on any social media will lead to questions. *Who is this guy? Where did you meet him? Why haven't you said anything to us about him?* If your man is constantly in your snap story, or on your Facebook timeline, people are bound to talk. Just lay low for a while and then slowly branch out when you feel it's time to let everyone else in the loop.

2. Go on more private dates: When trying to get to know a person it can be hard to see what they're really about when you have multiple distractions. Stick to more intimate style, or one on one type dates when you're still exploring your feelings together. This way you'll be able to ask questions, exchange stories and discuss certain topics that you may not have been able to in a group setting or out in a busy place.

3. Refrain from spending too much time together: With a new relationships, every 'first' moment is extremely exciting, but you don't want to get too anxious and over-invested before things really hit it off. Spending a lot of time together can

overwhelm a person. By jumping into things too quickly you start searching for emotions that may not even be there yet. Play it cool and just stick to seeing each other a couple times a week instead of every day.

How do you decide when to go public with your new relationship?

Cupid's Advice:

Okay, so you've been keeping things casual for the time being, but how are you supposed to know when the right moment is to take things to the next level? Dating is a complicated game and you have to play your cards right or else things could not end in your favor. You don't want to get andy or jump into things too quickly, so take a step back and think for a moment. We've picked out three major signs that you can use to interpret whether or not your relationship is ready to go public:

1. You are publicly showing affection for one another: If you're at the point of holding hands and kissing in public without second thought, you're probably heading in the right direction. If he isn't shy about wrapping his arm around you as you stroll into a local restaurant, he won't shy away from calling you his girlfriend.

2. You consider it weird not to hear from one another all day: In a new relationship everything is about testing the waters and this includes limiting communication. You don't want to come off too strong or get overly invested while you're still in the trial stage. So when you're at the point in your relationship when you are messaging back and forth all day, talking on the phone, or hanging out every other day, you're prime and ready to take things public.

3. You've met his parents: This is a huge and critical step in moving forward in your relationship. If you have met the man and woman who has instilled his values, then he definitely treasures you in his life. This is a privilege given to few and taken for granted by many. If his parents like you, they will serve as your advocate and can help you and your man connect on an even deeper level.

How do you know if you should give your ex a second chance?

Cupid's Advice:

Second chances are risky. Love isn't like baseball when you get a definitive three strikes rule, this is your heart we are talking about and it isn't something to be toyed with. When it comes to giving your ex a second chance you have to go with your gut and see if there is something here to be fighting for:

1. They have made an effort to change: Doing the same thing over and over again and expecting different results is the definition of insanity. The same rule applies to human behavior. Obviously the way things were wasn't working for the two of you together, so something has to give. If your ex has made a measurable effort to better himself for the sake of your relationship, that is something to take into account when granting a second chance to dating them again .

Related: [Adam Levine Reaches Out to Ex-Girlfriends](#)

2. He has given you a sincere apology, and meant it: There isn't much you can do with the words "I'm sorry." After a while of hearing the repetitive apologies, they begin to lose their meaning. A real apology entails acknowledgment of their wrongdoing, recognition of the consequences, and a plan of action for what they're going to do to improve. If your ex has sat you down, looked you in the eye, and apologized explicitly for whatever he may have done, that is credible.

3. Take your past into consideration: Was your relationship toxic? Did your nights end in tears more often than kisses? Can you see yourself dating this person again ? Relationships end in one of two ways: in a break up or they don't end at all, you're with them until you pass. If you can look into your past and smile about it, and look into the future and see him there, he may be worth the second shot, similar to what

Selena Gomez did with dating Justin Bieber.

What are some ways to keep your relationship under wraps?

Cupid’s Advice:

Whilst some choose to announce their new relationship right away, others choose to maintain that bit of mystery for a little while. But exactly how do you manage to keep it under wraps until you are ready to spill the beans? Cupid has some advice:

1. Lips are sealed: Before any other step, you and your new partner must agree to keep it a secret (unless you want to tell a limited number of close family and friends). However, if you really want to keep it all undisclosed, telling absolutely no one is the way to go. It is completely understandable because you and new love are fresh and wanting to see how things go before jinxing the relationship.

2. Avoid PDA: Holding hands and kissing is certainly the way to blow your cover. Everyone knows “just friends” are not *that* affectionate with each other. Save it for the private areas if you want to keep the whole secrecy mission going.

3. Play it cool: Try not to become too wrapped up in your partner, otherwise, people will notice. Your family and

friends will begin to tell if you are becoming distant . . . and that is when the questions will begin. Balance your time with each until you are ready to announce the big news.
