In celebrity news, Kendall Jenner and A\$AP Rocky wasted no time getting together after he was released from prison. What are some ways to support your partner after a traumatic event?

Cupid's Advice:

While the celebrity exes spent no time getting reacquainted with each other after Rocky's release from prison, Cupid has some advice on how to navigate a relationship and support your partner after a traumatic event:

1. Be communicative with each other: Communication is important, especially if the one you love has been gone for months. In order to rebuild the relationship and understand parts of your partner's experience you may not be all that familiar with, having open and honest conversations is helpful. Most of the time, survivors of trauma have a lot on their mind and just need someone to talk to in a safe space without judgment.

2. Comfort your partner: Sometimes when words fail, physical touch can do wonders. Whether you comfort your partner by kissing them on the forehead or tightly embracing them, you are providing a safe and supportive environment for them. Words are not always enough, but just your presence can be appreciated and let your partner know that you are there for them.

3. Understand triggers: Depending on the trauma, survivors may have a list of triggers, including loud noises, dark places, and confined spaces. Triggers can suddenly recreate trauma for your partner and make them relive an experience they would rather not relive. By knowing your partner's triggers you can help make them feel safe and avoid exposure to their certain triggers.

There may be a new celebrity couple in the Kardashian clan! What are some ways to take first steps with

a crush?

Cupid's Advice:

At some point in time, you'll end up thinking of someone you know more often than you used to. Eventually you'll realize that your frequent musings are more than the friendly kind. When you discover you've developed a crush, it can be intimidating to move forward with a relationship. For this reason, let Cupid be your guide on getting your crush to notice you:

1. Be a detective: Before you declare your newfound infatuation, it might be best if you do some investigating. Ask mutual friends if your crush has mentioned you, or look closely at your interactions with your crush. You might be able to find out if they feel the same way by snooping around a bit.

2. Make it known: If you think your crush likes you back, then make a move. Your crush might not even realize you're attracted to them, so either tell your crush outright how you feel or make really obvious hints. Don't miss out on an opportunity to turn your relationship into something more just because you're afraid of rejection.

Celebrity Couple Predictions: Kendall Jenner, Nicki Minaj and Minka Kelly

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that are just getting started, such as with Kendall Jenner and A\$AP Rocky, and former exes Minka Kelly and

Wilmer Valderama. In terms of more serious relationships, one of Hollywood's most anticipated marriages involve rappers Nicki Minaj and Meek Mill. But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Kendall Jenner and A\$AP Rocky: I'm convinced that Kris Jenner had a secret meeting with the Kardashian/Jenner kids where she told them they could only date black people associated with rap music. It appears that Kendall Jenner is now following the family trend by allegedly dating rapper A\$AP Rocky. Jenner and Rocky been spotted having dinner together as they creep out during the late night hours. While they're doing the "date thing," don't call them boyfriend and girlfriend just yet. Jenner is taking it slow. She wants to enjoy herself. Basically, she is testing him out to see if he's worth her time. If Rocky wants Jenner to take him seriously, he is going to have to step it up. Kendall tends to be a little more "low key" and drama free with her relationships. She won't flaunt her love affair like Kylie or Kim. But only time will tell if they officially become a couple. Don't be surprised if Jenner is on mystery dates with someone else.

Nicki Minaj and Meek Mill: Everyone seems to be wondering when Nicki Minaj and Meek Mill will walk down the aisle. That wedding may be getting closer. The celebrity couple just moved in together in fancy crib in Beverly Hills. In April, Minaj

said she was single on the Ellen Show, so this move is a big step. Minaj looks all the way into the relationship, but there is something about Mill that looks shady for lack of a better word. I'm not saying that he's cheating on Minaj, but he leaves the door open for other women. He likes to get his flirt on which could lead to trouble down the line. If they don't get married soon, it may never happen. There is a big chance that they will simple crash and burn after the relationship runs it's course.

Minka Kelly and Wilmer Valderrama: Didn't Wilmer Valderrama and Demi Lovato break up like five minutes ago? Well Valderrama is not wasting time crying about it. He has already hooked back up with his ex Minka Kelly. The two dated in 2012, so this is their second time around. While they will have some fun, the relationship is not for the long haul. Kelly will want more than what Valderrama can give her, which is marriage or at least a nice long term commitment. She will eventually have to move on. Valderrama is always dating a hot actress or singer. What is it about him that is hard to resist? He will continue to woo the ladies and probably won't be ready to settle down until he hits his 40s.
