The holidays are a romantic and fun time of the year, one you want to spend with your partner! If you two are really ready to join your holiday celebrations and decide on snuggling up for the holidays, here are some ways to start holiday traditions together:

1. Borrow from your families: It's possible your families had different traditions when you would celebrate with them. But now, since you're bringing your lives together, you could incorporate a little bit of tradition from each side of the family. This is a way to make it your own, while keeping some of the old ways.

Celebrity Couple Predictions: Khloe Kardashian, Olivia Munn and Ciara

By [Shoshi](#)

Want the latest [celebrity news](#) and romance gossip? Recently, these famous couples have made headlines for their relationships and love, whether it be Khloe Kardashian's rekindled celebrity marriage, Olivia Munn's soon-to-be troubled romance, or Ciara's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Gossip Around These Celebrity Couples

Khloe Kardashian and Lamar Odom: I was not surprised that Kardashian and Odom put their divorce on hold. I called it before Odom woke up. According to the ladies at the Love Ranch, Odom didn't sleep with either one of them. Maybe he was too busy popping pills? There's so much criticism online because Kardashian has decided to take him back, especially since he happened to be in a brothel. But remember, it's not

like he slipped out of the house to go to the Love Ranch. They were in the process of a divorce so he was doing his thing and she was doing hers. Will this celebrity couple last is the biggest question circling around them. At this moment, when I look at their relationship the answer is yes. There's a different energy around Khloe and Lamar than when they were married the first time around. Right now, it's about two people who love and need each other, money and celebrity status aside. I hope that they make it. There is no reason why they can't have a healthy relationship. For it to work, these two will have to keep things private. That includes keeping Kris Jenner out of their business. This time around I see that Kardashian is strong enough to tell her mother to stay out of her business. She knows what her life is like without Lamar and she would prefer to have him in it.

Related Link: [Khloe Kardashian and Lamar Odom Are Throwing Out Celebrity Divorce Case](#)

Olivia Munn and Aaron Rodgers: This is an interesting relationship, one that looks a bit unbalanced. Rodgers credits Munn for supporting him and putting some of her goals on hold for him. Meanwhile Munn credits Rodgers for helping her to be in better shape. It's good that they're aware of their dynamic. Right now things are okay between these two, but as time goes on, there will be friction. Rodgers is getting more out of this relationship than Munn, which will eventually become a sore point. At the beginning of a relationship is when you set the stage for the give and take. This will not be an equal relationship when it comes to career. There is also something shady about Rodgers that will come to light in the long run. It looks like he has marriage on his mind as does Munn. Sometimes a woman gives things up to get a ring, which is her choice. Hopefully that decision doesn't eventually cost her a booming career and a relationship.

Related Link: [Aaron Rodgers Gushes Over Celebrity Relationship with Olivia Munn](#)

Ciara and Russell Wilson: When Ciara and Wilson were seen together there were whispers of it not being a real relationship. It was suggested that the two were only together for the cameras. Now that it has been more than a few months, the fans are not happy about Ciara being in the picture. The Seattle Seahawks haven't been having the best football season, which has the fans saying that Ciara is nothing but bad luck. Sports teams have always been superstitious, which is why most of them have a psychic on call. While Ciara is probably not the reason the Seahawks can't get it together on the field, she should fall back a bit at the games. She should stay in the box seats away from the stands and the fans. It might even be good if she just watches the game at home. Since players are superstitious when it comes to games, it would be a shame if Wilson starts believing what people are saying. These two have similar values and want the same thing in a relationship. This relationship has a good chance of ending up in marriage if they continue in the direction they're going in.

Rekindled Flame: Jessica Szohr and Aaron Rodgers

By Louisa Gonzales

Former lovebirds Jessica Szohr and Aaron Rodgers seem to have rekindled their flames. The duo dated back in 2011 for a short amount of time before breaking up because of their crazy work schedules and not having enough time to see each other. UsMagazine.com sources confirm the lovers got back together over the holidays after they started spending more time together again. Szohr, 28, and Rodgers, 30, were recently spotted arriving hand in hand at the *That Awkward Moment* film party at Lucky Strike L.A. Live bowling alley, according to eyewitnesses.

The pair was joined by Taylor Swift, who Szohr became friends with after being featured in one of Swift's videos, "22". During the evening Szohr not only squeezed in moments with her date, but some girl time as well as insiders say they overheard Swift dishing out relationship advice to Szohr in the lady's room.

What are some things to consider before getting back together with an ex?

Cupid's Advice:

Breaking up is hard. People break up for many reasons, maybe you drifted apart, or the timing wasn't right, or you realized you just didn't click "that way". The only thing harder than learning to let someone go is figuring out if you want to give them a second chance. Cupid has some advice on some things you should consider before rekindling your flame with an ex:

1. Figure out why you broke up in the first place: Really think about the reasons you broke up the first time around. No matter what the reason was behind your breakup ask yourself if you can either forgive or live with them. If you decide you do want a second chance at a relationship there's no guarantee the things that happened before, won't happen again.

2. Why do you want to get back together: Make sure the reasons why you want to reunite are your own. If the reason you want to get back together is only because your ex lover is pressuring you, or you feel bad, or if you're considering it because of your family, the relationship will most likely be doomed to fail again. No matter how noble your intentions are don't get back in relationship with someone for the wrong reasons only do it if it is truly what you want.

3. Take a look back at your relationship as a whole: Reflect on the entirety of your relationship between you and your ex lovebird. Think about all the things that worked and didn't work between the two of you. Make a list of the pros and cons and then once you've finished see which side has more. After you have completed analyzing and making your lists about all the things that made you a couple, you will have a clearer understanding of what you want and what final decision you should make.
