

# Fashion Trends for 2020

By [Ahjané Forbes](#)

As we change our calendars over to the new year, we have to remember that our closet has to do so as well. There are some [fashion trends](#) that will still be the same in 2020. However, the new decade often times sparks a new wardrobe. Cupid has some [fashion advice](#) on what outfits, shoes, and fun accessories you can bring into the new year.

## Here are five fashion trends that are making a comeback for 2020:

**1. Party like it's 1999:** From the denim, turtlenecks, animal print, and polka dots, to matching sets, these styles don't

seem to be going anywhere in 2020! At any point of the year, you can wear your favorite jeans with a matching top to go with it. This outfit idea can be complemented with sneakers, boots, and heels depending on the occasion. For the fall and winter, turtlenecks are a professional look you can pair with a good blazer. Embrace your inner safari with animals prints, like zebra and cheetah. Don't forget your bra top and pants, because it's all about plaid when you rock these matching suits. Remember to finish off your looks with some dark shades.

**2. Make everything bright:** Neon colors are making a comeback in this decade. Try a bright green shirt or sweater and wear it with jeans or pants. Don't be afraid to explore what colors you would like to wear. Get a color that goes well with your skin tone.

**Related Link:** [Fashion Trend: Neon Fashion Items](#)

**3. Look good in that onesie:** Try to wear a simple outfit like a romper or jumpsuit. This trendy style will make it easier for you to pick something to wear. Jumpsuits and rompers come in short and long styles and can be worn in any weather. For the summer, remember your flip-flops and sandals. When it's cold outside, take out those boots.

**4. Wear a little leather:** With this trendy material, you can do whatever you like, whether it's wearing a leather jacket, pants, or purse to pull this outfit together. Try to make the leather stand out. If you're going to wear a leather jacket, put a shirt under it that will bring it out. If it's black, wear something simple like a white shirt. Although wearing a leather jacket in the summer would be too warm, you can always get a fanny pack to complement those daisy dukes.

**4. Don't forget the "exercise":** Although you might not be doing this after your New Year's resolution, it's always cute

to rock a sweatsuit. Adidas, Nike, Pink, Tommy Hilfiger, and Victoria Secret all have some fun sports attire you can wear in any season. This set is good for just a casual day. Many people like to wear this outfit with heels; however, it's better to stay comfy in a nice pair of running shoes.

Sometimes when we say things we don't actually mean what we say. Make an outline of what you're going to say first before you post it. Read it to a few close friends and get their reaction. This will help assure that the message you're releasing is taken the right way without being misunderstood.

This is kind of the most merry compared to a press conference. Make sure that you're not feeling pressured to talk fully about the situation if you are not ready. Create a line to make people aware that

you are no longer interested in answering any of their questions.

Here are some [fitness advice](#) on how to get through one of the most difficult resolutions:

**1. Create a realistic goal:** Don't make a New Year's resolution stating that you're going to lose 30 pounds by Easter. That'll only put more pressure on yourself. Think of short term goals like walking 10,000 steps per week. If you're on your feet a lot, this will be easily obtainable. Be honest with yourself. If you know you definitely don't want to try a new sport or sign up for that Zumba class, then don't do it. Find something that you will enjoy doing. Losing weight with a group of friends will give motivation as well.

**Related Link:** [Health Trend: Intuitive Eating](#)

**2. Slowly eliminate your guilty pleasures:** It will not be easy to stop eating candy, chocolate, fast food, unhealthy snacks, and drinking soda. Start small. If you're used to buying a 24 pack of soda, then lower your consumption to a 12 pack. Let's say you eat two bars of chocolate every day. Begin by only eating one per day. This will help you to curb your habit and begin to see your weight change.

**Related Link:** [Fitness Tips: Mix Up Your Routine with These Celeb-Approved Workouts](#)

**3. Ease your way into the gym:** As soon as the ball drops, don't just head to the gym. Create a workout plan that will benefit you. For example, if you know you cannot run a mile,

start off by only walking one fourth of it. Also, it is okay to not go to the gym. You can do most exercises within the comfort of your own home. A lot of trainers have online videos that you can watch and do in your living room. Do something simple like stretches or yoga, and heighten your intensity level from there.

**4. Just dance:** A lot of people forget that dancing is a good form of exercise. You can go to classes that are geared toward losing weight and having fun. Many of the group members are making their way through this just like you. It will be easier to build a connection with them and learn from their experiences.

**5. Keep a positive mindset:** If you keep thinking that you're not going to lose enough weight by a certain time, then you will not actually do so. Even if you lose one pound in one month, try to celebrate that. It's all about progress. Learn to understand your body. Be proud of what you are doing even if the process might take a long time. Move at your own pace.

**6. Reward yourself:** Now we know we mentioned you should slowly eliminate your guilty pleasures, but sometimes we all need a little cheat day. If you're on a diet, take one day out of each month where you eat until your heart's content. Keep the date you set consistent. If you start on January 15th, make sure that on that day every month you fully indulge. This will actually give you something to look forward to each month and you'll start to feel good about yourself. Remember, you still have to get across the finish line. So, always remember to stick to your diet and drink plenty of water, and you'll definitely get through this year's New Year's resolution a winner!

**5. Remain authoritative:** As your children get older, you want to give them more privileges and leniency, but you still have to set the rules. Make sure you draw the lines clearly. Try not to use harsh language like cursing; rather, talk to them in a stern tone. This will help them with their relationships with teachers, coaches, and their future bosses. Treat your child as if they were your employee. If they do good work in school, then you reward them with gifts and praise. However, if they are misbehaving, then you take things that they like away.
