Alanis Morissette Says She Was Unprepared for Motherhood

Alanis Morissette recently opened up about postpartum and not being prepared for the birth of her 10-month-old son, Ever Imre, with husband Souleye. The singer, who wrote a blog for iVillage.com, said she worried about labor and delivery instead of mentally preparing to become a mother. According to UsMagazine.com, Morissette said she felt like there was no handbook to guide her in raising her son and being a first time mother.

How do you prepare yourself for motherhood?

Cupid's Advice:

- 1. Talk to the experts:** Go beyond getting a pediatrician's advice or reading those expensive baby books, and talk to actual mothers. Don't know any? Try becoming a member of mommy forums online and/or play groups.
- 2. Talk to your baby:** Talking to your baby while they are still in the womb helps build a bond. Once the baby arrives, you will feel more intuned with your child and your role as a mom.
- 3. Come to terms with not being prepared:** We could write a thousand steps on preparing for motherhood, but the truth is that motherhood is taught through experiences. Making mistakes makes you human, and teaching your child how to *not* make the same mistakes you do, makes you a mother.

If you think you may have postpartum or need someone to talk to, don't be embarrassed, talk to your doctor.

According to [Us Weekly](#), a representative confirms, “All are healthy and happy.”

What are ways to compromise with your partner about a baby name?

Cupid’s Advice:

There’s no doubt that naming your child is an important process between you and your partner. If you’re stuck on how to make this decision, here’s a couple of ways to find some middle ground:

- 1. Use both of your favorites:** Do both of you have your heart set on a different name? Use them both!
- 2. Try different spellings:** There are various spellings to each name. Compromise by having one of you choose the name, while the other chooses the spelling.

3. Make a list: Make a list of your favorite baby names and compare your choices with your partner's. Look for names that rank high on both of your lists for the perfect resolution.

Alanis Morissette's Secret Home Wedding

Cupid strikes Alanis Morissette – with marriage! [People](#) confirmed the singer's marriage to Souleye (real name: Mario Treadway), the 30-year-old singer and rapper she's been dating since 2009. The two celebrated their nuptials at their Los Angeles home on May 22nd, surrounded by family. Morissette confirmed the news herself on her Facebook fan page. This is the first marriage for both.

What steps can you take to ensure that a new marriage will work?

Cupid's Take:

- 1. Know who you can trust:** Morissette and Souleye married privately, and it wasn't confirmed until two weeks later. A tight inner circle can contribute to a couple's success – it shows everyone is on the same page, with the same goals for the couple.
- 2. Share only what you want:** Morissette confirmed her marriage via Facebook and Twitter. Realize the power of social media sites, and use them to your advantage when spreading news.

Sharing is good, but not everyone needs to know complete details.

3. Enjoy each other: Revel in the newness of your marriage. Some couples forget that a marriage is more than a four-hour dance party. Stay connected with your partner so that you're still in that "I Do" stage long after they're said and done.
