This celebrity baby news is lacking in details! What are some ways to announce details about your new baby to friends and family in bulk?

Cupid's Advice:

Celebrity couple Seth Meyers and his wife Alexi were excited

to announce their first celebrity baby, but telling *everyone* the big news can be a bit overwhelming. Cupid has some helpful advice for this life-changing time:

1. Use social media: We all know it can look a tad tacky to announce anything overly personal via Facebook and Instagram, but when it comes to big news like a new baby, it's important to let your friends and family know. The easiest way to do this is by posting a status on Facebook, after telling your closest relatives and friends. You can make it as creative as you want!

2. Have your friends help: Having a child can be exhausting! Repeating the details to each and every friend and relative is the last thing on your mind, so ask one of your most talkative friends to spread the word. Hand them your contact list and have them make calls, send emails, and text everyone. They'll enjoy telling the story, your friends will be happy to hear the news, and you'll be spending time with your new baby.

3. Have a party: Sometimes the simplest way to tell everyone the same story is by inviting them all over. Whether you make it a small get-together and discuss baby details over brunch, or you have a huge party at night with everyone at your house. You can tell the story once and not worry about repeating it throughout the week. Also, your friends and family will be super excited to meet the new baby!
