This celebrity wedding was a fancy affair! What are some ways to personalize your wedding festivities?

Cupid's Advice:

Your wedding will be one of the best days of your life, so it's important that everything – from the location and decor to the food and drinks – best represents you and your relationship. Cupid has some ideas on how to make your special day unique:

1. Break from traditions: Sure, there's nothing like a classic wedding. These ceremonies are timeless and quaintly traditional. But your day is all about you, so you can celebrate it however you'd like! If you would rather add your own touch to the bouquet or garter toss, go for it. Your guests will love the creative spin.

2. Ditch the cake: If you don't like cake, you don't have to serve it! Dessert alternatives are super on-trend lately. You can serve cupcakes, order a wall of doughnuts, or even have an ice cream sundae bar. The choices are endless, and the personal touch will be remembered.

3. Get creative with the guestbook: Guestbooks are nice, but realistically speaking, how often do you think you'll sit down

and go through the album? Ditch the book and have something more practical. Buy a coffee table book for your guests to sign, or ask people write down a piece of marriage advice for you. You'll get more use when you implement a bit of creativity, and you won't feel like you're wasting your money on something that's going to gather dust in your closet.

Cupid's Advice:

Having a baby is an incredible and life-changing event in every parent's life. It is so amazing, in fact, that you will want to share your bundle of joy with everyone. Here a few way to reveal your exciting news:

1. Throw a party: What better way to celebrate you baby than with a party! Invite your family and friends to a "sip and see" to show off your child. If you didn't get the chance to have a baby shower, use this get-together as an opportunity to let your guests meet your little one and shower him or her with gifts.

Celebrity Baby: Pregnant Serena Williams Gets Cozy with Boyfriend Alexis Ohanian on Babymoon

By [Noelle Downey](#)

Tennis superstar Serena Williams is enjoying some much needed rest and relaxation with her fiancé Alexis Ohanian following the announcement of the couple's [celebrity baby](#) news on April 19th. According to [EOnline.com](#), the [celebrity couple](#) was spotted basking in the sun, surf and sand at Playa del Carmen, a Mexican resort town, where Williams sported a cute swimsuit and a smile and her soon-to-be-hubby grinned and sipped on a beer. With this [Hollywood relationship](#) in for a major change with a baby on the way, it's no wonder this power couple is taking a moment to just enjoy the warm weather and each other's company as they celebrate their [celebrity pregnancy](#) and segue into a brand new chapter in their lives.

Serena is preparing for her celebrity baby with some relaxation! What are some benefits to indulging in a babymoon?

Cupid's Advice:

With a baby on the way, traveling can seem like a daunting proposition. But there are tons of benefits to turning a

[romantic getaway](#) into a special babymoon to celebrate your upcoming family addition. Here are Cupid's top tips on why you should prioritize a trip the next time you and your partner get such happy news:

1. It's your last chance to travel kid-free: While traveling while pregnant can be a mild ordeal, traveling with a baby or small child is exponentially more difficult! Considering that this may be the last opportunity you and your partner may have for a trip that's all about you, it might be a good idea to take the plunge and enjoy one last luxury vacation – minus the pitter patter of little feet.

2. It's a great way to bond: Even if you're both super excited to be parents, it's likely that if you don't get away to celebrate, "real life" may distract you from your happy news. Get away from the pressure of work and other time commitments for a bit, even if just for a weekend, and really focus on the dreams, plans and hopes you have for this new special individual you're bringing into the world. One-on-one time will give you tons of opportunities to talk about your future favorite kiddo, and even make a great plan for your first few months as parents too.

3. Relaxation is vital: Pregnancy is a wonderful miracle of life, but it also comes with its fair share of aches, pains and uncomfortable moments. Taking a trip to a spa, a beach, or other luxury travel destination with your partner and just letting yourself really relax will do nothing but benefit you and your baby's health and help you center and collect yourself for the harder parts of bringing life into this world!

Williams and Ohanian seem prepped to be celebrity parents and

are enjoying a little one-on-one time before their little one arrives! What are your favorite kid-free retreats to visit with your partner for a relaxing getaway? Let us know in the comments!

Serena Williams Is Expecting a Celebrity Baby

Serena Williams shared some exciting news via Snapchat: She's expecting a [celebrity baby](#) with fiancé Alexis Ohanian! As reported by [EOnline.com](#), the sports queen posted a picture of herself in a yellow one-piece bathing suit with the caption, "20 weeks." The [celebrity couple](#), who announced their engagement in late December, recently vacationed together in

Tulum, Mexico – a babymoon, perhaps? Offering another hint about her celebrity pregnancy over the weekend, Williams posted a photo to Instagram and wrote, “Fighting to get up this morning.” It’s no surprise that this celebrity baby has already attended his or her first major sporting events: The tennis star was two months pregnant when she beat her sister at the 2017 Australian Open in January.

There’s a sporty celebrity baby on the way! What are some factors to consider about your fitness routine while you’re pregnant?

Cupid’s Advice:

Pregnancy changes a lot of things: what you can eat, what you can wear, and how you can exercise, just to name a few. If you have a baby on the way, here are some factors to consider about your fitness routine:

1. Listen to your body: Most importantly, pay attention to what your body’s telling you. Pre-pregnancy, you may have pushed yourself to run that half-marathon as fast as you can. Now that there’s a little one on the way, listen to how you feel: Are you uncomfortable? Do you feel faint? Are you drinking enough water? Do you need to take a break?

2. Drink plenty of water: Make sure you stay hydrated before, during, and after exercise. Dehydration during pregnancy can lead to a number of problems, including decreased blood flow to the placenta, early contractions, and increased risk of overheating.

3. Skip dangerous sports: Continue with your swimming or yoga practice for as long as you feel comfortable, but avoid sports that involve a lot of contact, like basketball or soccer, or that involve rapid movements and balance, like raquet ball, gymnastics, and water skiing.

Celebrity Couple Predictions: Gwen Stefani, Serena Williams and Nicole Scherzinger

By [Shoshi](#)

If you're looking for the latest celebrity news and romance rumors, you've come to the right place! Below, I consider the future of three [celebrity couples](#), two new pairs and one on-again, off-again duo.

Get the Latest Celebrity News on Blake Shelton and Gwen Stefani

Blake Shelton and Gwen Stefani: When it was announced that Gwen Stefani and Gavin Rossdale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-

lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

Serena Williams and Alexis Ohanian: It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton

Nicole Scherzinger and Lewis Hamilton: These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

Related Link: [Nicole Scherzinger and Lewis Hamilton Become Celebrity Exes Again](#)

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while

Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.

Love may be in the air, as a new [celebrity couple](#) has been spotted. Celebrity tennis player Serena Williams and the co-founder of Reddit, Alexis Ohanian, are dating! [UsMagazine.com](#) revealed the celebrity news with a statement that the celebrity relationship is new. The two were seen going to the gym together hand-in-hand, and Ohanian has taken up tennis – something he had no previous interest in until Williams. It's pretty sweet of Ohanian to take up Williams' sport of choice!

This is one high powered celebrity couple! What are some ways to support your partner's hobbies?

Cupid's Advice:

Supporting your partner's hobbies is a wonderful thing to do, whether you're a celebrity couple or not. Cupid has some dating advice to put you on the right track in supporting your partner:

- 1. Be like Ohanian and try your partner's hobby:** Ohanian hasn't had an interest in tennis until he recently started seeing his new girlfriend, Serena Williams.

Since tennis is clearly one of Williams' passions in life, Ohanian has decided to try out the sport himself. You can also take up a hobby of your partner's to get a feel for something they're passionate about.
