In celebrity baby news, America Ferrara is celebrating the soon-to-be arrival of her first child. What are some ways to prepare yourself and your relationship for a child?

Cupid's Advice:

The way to prepare your relationship for a child is for you and your partner to be in it together. You both must be on the same page. With that being said, Cupid has a few suggestions on how you both can prepare together for your child:

1. Learn about the birthing process and about life with a baby: You both can do research or read books, then discuss. Learning about the way your child will be born into the world and the things after is not something that's just for the mom who's carrying. This is something your partner should not stay behind on – they must learn it as well. It is important to know things like what to do during labor and what to expect after the baby is born.

2. Build the nursery together: Put both of your ideas together to create the perfect nursery. Both of you should have an input. Besides being productive by getting it done before the baby arrives, it can also be a bonding experience. You can also baby proof your home while you're at it.

3. Go over your finances: This is something you should definitely do together. Lack of money or shortage of money can hinder both a relationship and the way you're able to raise and accommodate your child. So, sit down with a pencil, paper, and calculator, and begin. Look through everything and see what you're dealing with. This is something that you guys can do more than once, since finances can change without warning and at anytime.

4. Mix moisturizer and bronzer: If you're looking to achieve a perfectly natural summer glow, Eva Mendes has a great tip – mix together a shimmery bronzer and your moisturizer, then apply it to your face and blend it out. How Celebrities Celebrate Thanksgiving

By Meghan Fitzgerald and Molly Jacob

Thanksgiving is one of the most family-oriented holidays in the United States. Relationships strengthen as families come together in celebration. As fall has now arrived and the leaves have begun to fall, new romances blossom and couples gather at their family houses for a lovely meal. Even celebrities are getting in the spirit of the holiday. Find out how these celebrities celebrate Thanksgiving:

Ellen DeGeneres: DeGeneres will be one of the celebrities not eating turkey this season. In 2011, she was Farm Sanctuary's *Adopt-A-Turkey Project* spokesperson, encouraging people to

donate money to this organization to adopt a turkey instead of eating one at Thanksgiving dinner. DeGeneres and wife Portia de Rossi are both vegan.

Oprah Winfrey: According to *UsMagazine.com*, Winfrey celebrates her Thanksgiving with sweet potatoes spiced with freshly pickled rosemary. She also shared her top secret cranberry recipe with the source. Winfrey keeps a gratitude journal where she records five things she's thankful for. "I've learned from experience that if you pull the lever of gratitude every day, you'll be amazed at the results," she said.

Katie Holmes: Holmes has been spending her Thanksgivings with her immediate family post-split from Tom Cruise. Holmes also runs an annual local turkey trot, according to *Huffington Post*.

Stars and their Pets: Dating and Mating Habits

By Alejandro Russo

You might follow the love lives of stars, but have you ever wondered what their pet choices say about them and their dating habits? A new study sponsored by Klooff.com, the app for pet owners, could explain why Jennifer Aniston had such a hard time finding and keeping a good man after Brad Pitt, and why Paris Hilton has an endless string of boyfriends: it's their dogs. Klooff.com surveyed 1,000 people and found that certain breeds were the most popular when finding a date or when just looking for a casual fling. Consider how these dogs

can change your appearance to the other sex:

1. Dogs that make you seem like boyfriend material: The survey found that the top dog breeds to attract women were German shepherds, Golden retrievers, Labrador retrievers, Siberian huskies and French bulldogs. Respondents noted that they were over ten times more likely to see a man who owns a golden retriever as being "marriage material" than someone who owns a pit bull. This can explain why the ladies love Ryan Reynolds, who owns a golden retriever mix named Baxter, and Zac Efron, who is often seen with Puppy, his Australian shepherd. Plus, those who own a Siberian husky are viewed as more manly than those who own bulldogs: a perplexing fact when you consider that Justin Bieber has a husky and Brad Pitt has a bulldog.

2. Dogs that make you seem like girlfriend material: To attract a man, the survey found that women who own Golden retrievers, Labrador retrievers, Chihuahuas, poodles and beagles were most effective. However, Golden retriever owners are significantly more likely to be viewed as the sort of woman who men would like as a girlfriend than those who own Chihuahuas. Kristin Davis, Sheryl Crow, Eliza Dushku, Anna Paquin and America Ferrera are all women who have this very appealing dog.

3. Dogs that make you seem like a one-night stand: So what about Chihuahuas? Their owners, like Paris Hilton, aren't usually perceived in the best light. Most people thought that Chihuahua owners were more likely to be dumb and "just a one-night stand" than those who owned any other breed. Of course, if you're looking for hook-ups, this might not be a problem: Chihuahuas are still very attractive to men.

'Ugly Betty' Star America Ferrera Is Married

Ugly Betty star America Ferrera was the opposite of ugly during her recent wedding to longtime boyfriend, Ryan Piers Williams, according to [People](#). The Emmy-winning actress, 27,

and Williams were married Monday night in “an intimate setting amongst close friends and family,” her rep reports. The couple first met when Williams cast Ferrera in his student film at the University of Southern California and the couple became engaged in 2010. “We kind of connected from the get-go on that professional level and that was something that really drew us to each other,” Ferrera said. She also said that she and her beau have “a shared passion for what we do and our work.”

Is it important that your partner share a passion for your career?

Cupid’s Advice:

Career path typically shouldn’t be a determining factor in your relationship. Here are ways to be supportive whether you do share a passion for your partner’s relationship or you don’t:

1. Opposites attract: Yes, you and your mate should have some things in common, but he or she is in no way obligated to share a passion for your career. The ‘opposites attract’ theory says the following: If you love singing, your honey can absolutely hate it, but still love you.

2. Put yourself In his or her shoes: Imagine if you were in the same career as your mate. This will help you understand what makes your partner tick a lot better than simply knowing his or her professional title.

3. Be there: No matter how bad it works your nerves, it’s still important to be there for your partner when he or she hits a stumbling block in his or her career.
