5 Celebrity Couples Who Celebrate Valentine's Day in Style

By Brittany Stubbs and Molly Jacob

While flowers and chocolates are nice, in Hollywood, Valentine's Day is usually done a little different. Although there are many ways to show your love, check out how some of our favorite celebrity couples are doing it! Celebrity love is definitely in the air this season, and there's no better way to show it than with extravagant gestures. If you need some romance inspiration, check out the five famous couples below:

Celebrity Couples Who Celebrate the Day of Love in Style

1. Kim Kardashian and Kanye West: Kimye has gone overboard with V-Day celebrations in the past few years. Last Valentine's Day, Kim received 1,000 roses from Kanye, which she showed off on her Instagram account. West also has shown his love to Kardashian with some serious bling. In 2013, the rapper gave his sweetheart a \$73,000 bracelet from Cartier's Panthere Collection. The stunning bracelet featured a diamond-encrusted panther motif with emerald eyes and an onyx nose,

completed with a black cuff and a white-gold trim.

Although Kardashian loves her bling, she admits that Valentine's Day presents don't have to include a huge price tag to be special. In a interview with *Gotham*, Kardashian said, "Valentine's Day is all about showing the people around you how much you love them, so the gifts that come from the heart are always the most special. One year, Mason [Kourtney Kardashian's son] gave me the most adorable Valentine's Day card that he made himself, and it is still one of the best gifts I've ever received."

2. [Lauren Conrad](#) and William Tell: Conrad and Tell, one of our favorite celebrity love stories, will be celebrating their third anniversary this Valentine's Day. The celebrity couple were introduced to each other by mutual friends on the day of love in 2012 and have been lovey-dovey ever since. Last year, Conrad showed her love to her then-fiancé on Instagram by posting an adorable engagement photo with the caption, "Happy Anniversary to my favorite Valentine. I love you dearly xo." This is their first Valentine's Day as a married couple, so we're excited to see what this day of love and joy brings them!

3. Kate Middleton and Prince William: Valentine's Day isn't always about spending the time with your lover. In 2013, Kate Middleton and Prince William celebrated the day of love in style by doing something they love: helping others! The Duchess Of Cambridge visited Northolt High School, a London high school, and officially opened the school's ICAP Art Room after receiving a lovely floral arrangement. Middleton has been a patron of the art room since 2012. William spent Valentine's Day morning in Datchet, Berkshire with Prince Harry, delivering sandbags to communities affected by flooding

This wasn't the first Valentine's Day the royal couple has spent apart! In 2012, William was on a tour of duty in the Falklands during the 14th of February, but he still managed to send her a card and flowers despite his being 7,000 miles away.

4. Brad Pitt and [Angelina Jolie](#): This power couple has shown their celebrity love on Valentine's Day by celebrating with some laughter. In 2013, Pitt gave his lover vegan, gluten-free, sugar-free mints for Valentine's Day, a loving joke since he's always teasing Jolie that she has bad breath. Although he could easily buy her something fancy (which we assume he did along with the gag gift), this gift shows the couple's unique, playful side, which is always in style!

The couple doesn't always make a joke about the holiday, though! In 2010, Jolie gifted Pitt with a 200-year-old olive tree worth \$30,000. The tree was planted at their French home, the Chateau Miraval, where it joined an olive grove, vineyard, and more.

5. Jay-Z and Beyonce: Is anyone surprised that this "Drunk in Love" couple would celebrate the Day of Love in anything less than amazing style? Last Valentine's Day, Jay-Z bought his wife a \$2,300 Tacori bracelet. The bracelet's intertwined gold and silver design is said to represent their union, and it can only be unlocked by a private key. Jay-Z reportedly gave Bey her gift a few days earlier than the 14th because she was so eager to receive it.

Last year wasn't the only year the rapper surprised his wife with an extravagant gift. In 2009, Jay-Z bought Beyoncé a platinum cell phone worth \$24,000 for Valentine's Day. We can't wait to see how this superstar celebrity couple celebrates V-Day this year.

Balance Work and Love Like a Celebrity Couple

By Lori Zaslow and Jennifer Zucker for [Project Soulmate](#)

It's no secret that we are all envious of celebrities and the lavish lifestyles they lead, most especially their wardrobes. After all, they're dripping in diamonds and designer ensembles. Let's face it: Who wouldn't want to raid Victoria Beckham or Angelina Jolie's closet? But their favorite arm candy to show off is not their Birkin Bags; it's their men.

Hollywood Relationships and Love Lives

While celebrities may have fame and fortune, when it comes to relationships and love, they don't always have the best luck. Constantly being in the spotlight and traveling for work is not the best mix when it comes to being in a committed partnership. We've seen many [Hollywood relationships](#) unravel because of the constant pressure of being in the public eye, but some celebrity couples have learned to balance their careers with their personal lives.

Finding the perfect balance of being successful in work *and* in your relationship can be tricky for anyone. Some famous couples have made maintaining their relationship look easy, while others crumble to the ground.

Victoria Beckham and David Beckham have become one of Hollywood's most iconic pairs. From their perfect physiques to their trendy clothing lines, this duo is constantly in the media. However, somehow, they've been able to stay grounded and keep their private lives to themselves. They both have successful careers, which helps balance their power in the relationship and allows them to have their own lives in addition to the life that they share together. This is important because, in order to have a successful relationship, you must keep your own interests and friends. The Beckham's have different careers, but they share a love for family and fashion, which helps to keep them united.

Another celebrity couple that we can't seem to get enough of is [Angelina Jolie](#) and [Brad Pitt](#) – otherwise known as Brangelina. This Hollywood relationship may have started out with a bit of a scandal, but their connection has blossomed

into quite the love story. They're able to maintain their busy schedules and keep the spark alive. They visit each other on sets with their children and have even written love notes to each other while they were filming on opposite sides of the world – talk about romance! They also take many family celebrity vacations together and even tied the knot this past year to show their children just how much they love each other.

Not All Celebrity Couples Last Forever

On the other hand, some celebrity couples like Tom Cruise and Katie Holmes fall apart at the seams. We first learned of their relationship when Cruise infamously jumped on Oprah's sofa and announced his love for the *Dawson's Creek* star. But perhaps, he spoke too soon. The pair became a media frenzy, and with the pressure from the public along with their busy work schedules, they couldn't seem to make it work. They both shared the same career and both converted to Scientology, which may have strained their celebrity relationship.

Given these examples, it's best to follow the behavior of the Beckham's or Brangelina. Maintain your independence no matter how in love you are. If they can find a lasting relationship and love, you can too!

Brad Pitt Talks About George Clooney, Celebrity Weddings, and His Celebrity Love

By Maggie Manfredi

Love is in the air for Hollywood's favorite hunks! According to UsMagazine.com, [Brad Pitt](#) believes that marriage is more than just a license, which isn't a surprising opinion considering he recently tied the knot with long-time celebrity love and mother of their children, [Angelina Jolie](#). Pitt commented on actor friend, George Clooney, in light of his Hollywood relationship and rather public [celebrity wedding](#) celebration, saying, "Well, you know, George is extremely accessible. He's one of our best representatives. He's funny

as sh-t. He's a joy to be around. I guess maybe I'm more of a miserable b-tard. I'm a bit of a loner, you know? I'm more quiet by nature. And coming from hillbilly country, I'm probably more reserved." Lately, Pitt has been backing off from his acting career to spend more time with his celebrity love and family.

Now that George Clooney is a married man, a lot will change between him and his celebrity love. What are three ways a relationship changes after marriage?

Cupid's Advice:

We've come a long way since the standard was grow up, get married, and have babies. Every relationship is unique, and every couple has their own way of living life, but there are some changes that come with marriage if and when that happens. Cupid has some thoughts on them:

1. Becoming Mr. and Mrs.: There are now more options when it comes to the woman changing her name. You can: take your spouse's name but keep your pre-marriage name for professional reasons; get creative and start a new legacy with a new last name together; or change your maiden name to your middle name.

2. What's mine is yours: Whether or not you signed a prenup, marriage comes with the principle that you will be sharing a life together. With that idea comes the elements of money, property and children, so be a contributor, listener, and lover.

3. Work at it: You have made it through the honeymoon stage and the cohabitation successfully – congrats! But now, maybe the kids have three different after school activities to get to, or you've been traveling more for work. No matter what, don't forget to make time for each other! Date nights can help you stay connected. The little things will keep you coupled and happy together.

Famous Couple Brad Pitt and Angelina Jolie Honor Her Late Mother at Celebrity Wedding

By Kaley Allard

It finally happened! Famous couple [Brad Pitt](#) and [Angelina Jolie](#) tied the knot in an intimate [celebrity wedding](#) ceremony, which included their children, at their home in France this past weekend. While the day was filled with much celebrity love and joy, it was also somber for Jolie, whose late mother was not in attendance. [UsMagazine.com](#) reported that, to honor Jolie's mother Marcheline Bertrand, Pitt had a stone engraved in the floor where they said "I do" in tribute to her. The day was all about family, so this celebrity couple made sure to include those who were there in spirit as well.

This famous celebrity couple chose something special to honor Jolie's mother. What other ways can you honor your passed loved ones at

your wedding?

Cupid's Advice:

Your wedding day is meant to be filled with happiness and joy, but if you have lost loved ones, it can also be a day of sadness. Knowing that they are not physically there with you on that big day can bring you down. Here are three suggestions from Cupid on how to honor your lost loved ones on your special day:

1. Release balloons: A touching gesture for those who are no longer with you is to release balloons into the sky. You can tie a touching message or even a wedding invitation to the string and send it to your loved ones. Not only is this a sweet moment, but it will bring you some comfort as well.

2. Put pictures on your bouquet: Another simple yet meaningful way to honor your late loved ones while keeping them close at the same time (much like Pitt and Jolie did for their celebrity wedding) is to attach small photos of them to your bouquet. It's a small gesture, but having them close to you will bring you joy.

3. Wear something old, borrowed, or blue: A third way to honor your loved ones is to wear something of theirs, be it old, borrowed, or blue. You could wear a piece of your grandmother's jewelry or sew a piece of your father's blue shirt into your dress. Any way to keep them close to you on your big day will be a sweet tribute to them.

Celebrity Couple Angelina Jolie and Brad Pitt Tie the Knot!

By Kaley Allard

It's official! Famous celebrity couple [Angelina Jolie](#) and [Brad Pitt](#) have finally tied the knot. Reported by [UsMagazine.com](#), the pair, who has been in a celebrity relationship for 9 years, said "I do" in a small chapel in France. The [celebrity](#)

[wedding](#) would not have been complete unless their children were involved. Sons Maddox, 13, and Pax, 10, walked Jolie down the aisle, while Zahara, 9, and Vivienne, 6, were the flower girls. It was an intimate celebration filled with family and love. What more could the happy celebrity couple have asked for?

This famous couple was able to incorporate their children into their celebrity wedding. How do you involve your family in your wedding ceremony?

Cupid's Advice:

Planning a wedding is not something that you can accomplish in one Saturday afternoon; it takes a lot of time and effort. There are a lot of details that need to be looked at, and one of those is including your loved ones in the ceremony. Here is some relationship advice for how to include your family on your special day:

1. Have a small ceremony: A great way to include your loved ones is to have a small and intimate gathering. There will always be that one other person you want to be there, but instead of inviting your roommate from your freshman year of college or your co-worker from your first job, keep your guest list short so you can spend time with those you truly love.

2. Include your children: If you or your significant other have children from previous relationships and love, don't forget them on this big day. The ceremony is as much

about them as it is to you and your partner. It isn't only two people coming together, but two *families* coming together.

3. Co-mingle as newlyweds: Encourage your relatives to pick a side, not a seat. It will be a great way for extended family to meet your partner's loved ones. During the reception, make it a point for you and your significant other to go around and thank everyone for coming. It'll show how much you care, and they will feel more included on your special day.

Hollywood Couple Angelina Jolie and Brad Pitt Are Starring in a New Movie Together

By Sanetra Richards

Another [Angelina Jolie](#) and [Brad Pitt](#) movie is in the works! However, it is not a *Mr. and Mrs. Smith: Part Two* . . . yet. Although their first project together was a memorable action film, the next one with the [famous couple](#) will be the exact opposite. According to [UsMagazine.com](#), the 38-year-old actress opened up in an interview with *Extra* on Tuesday, May 20, about the new film. "It's not a big movie; it's not an action movie," the *Maleficent* star shared. "It's the kind of movie we love but aren't often cast in. It's a very experimental, independent-type film where we get to be actors together and be really raw, open, try things."

The Oscar winner and mother of six also gushed about her celebrity love: "He's my family. He's not just a lover and partner, which is wonderful, but he's my family now...We have history; we work hard to make it great; and we don't kind of relax about it and take each other for granted." Jolie admitted that the Hollywood couple does run into a few trials and tribulations, saying, "Like everybody, we have our challenges, but we're fighting to make it great."

When this Hollywood couple films another movie, they'll be spending a lot more time together. What are some drawbacks to working with your partner?

Cupid's Advice:

You may imagine working with your partner as another way to spend time together. The commute to work won't be such a hassle; it'll be easier, and you'll save money on gas. It's important to consider the downside too. Cupid has some issues for you to keep in mind:

1. No alone time: Believe it or not, there is a thing as spending *too much* time with your significant other. Work is no longer a place for you to do your own thing because your beau is now just a cubicle away.

2. Nothing to talk about: Most couples enjoy coming home from work and discussing their days. If you work together though, the conversation may be limited because you both experienced similar situations with the same co-workers.

3. Jealousy: Imagine if you received a promotion that your significant other had secretly (or publicly) been longing for or vice versa. Your partner will either be genuinely happy for you or envious of your success. If they are in the second boat, you'll notice tension between the two of you within days, which will eventually cause a strain on your relationship and love.

Famous couple Pitt and Jolie recognize the value of alone time with each other. What are some reasons it's important to spend quality time with your partner?

Cupid's Advice:

Whether you're part of a famous couple or not, finding time to spend with your lover can be difficult. After all, life gets in the way! However, no matter how chaotic and hectic your schedule may be, it's important to get that much-needed private time with your other half. Cupid has some love advice on why you need to spend one-on-one time with your partner:

1. It keeps the spark alive: Every relationship needs a strong emotional and physical connection. Physical separation leads to emotional separation, so if you're not spending time in each other's company, it can lead to a break-up. Plan some date ideas together and do something fun or new; that way, you will be making time for each and satisfying each others needs.

Following Pitt's example with his celebrity love, what are some ways to put your relationship and love before a busy work schedule?

Cupid's Advice:

In an ideal world, we would have the perfect amount of time to devote to all our priorities, but that's not the way it is;

instead, life is often a constant balancing act. No matter what you or your partner have going on, even if you two are in different countries like Pitt and his celebrity love Jolie, it's always important to make sure your relationship and love never takes a backseat to your business:

1. Designate weekly “us” time: Make time to put down the cell phones or the kids' projects and just be together. Whether this means that you have a weekly date night or you spend 30 minutes chatting at the end of the day, if you are both committed to it, your relationship and love will benefit.

2. Set boundaries: Every busy couple needs to set boundaries to keep their work life from getting in the way of their relationship. It may mean ignoring business calls and e-mails once you get home each evening or only traveling for two weeks out of every month. Whatever your rules might be, set them as a couple, reminding one another that they are meant to improve your partnership as a whole.

Celebrity Couples Who Met on Set

By Kerri Sheehan

Like many other people, Hollywood relationships are likely to form at the workplace. For them, this means on the set of their latest movie and television ventures. People tend to date who they're in close contact with, so if you're famous then your close contacts will most likely be other celebrities. Hollywood co-stars who become romantically involved are a common occurrence; still America can't help but to be fascinated by it. Here are six of our favorite celebrity couples who met on set:

1. Kristen Stewart and Robert Pattinson: Known affectionately as K-Stew and R-Pats, these two met on the set of their vampire flick, *Twilight*. Although they tried to make the relationship work after Stewart had an indiscretion with "Snow White and the Huntsman" director, Rupert Sanders, the duo has recently parted ways for good.

5 Celebrity Exes Who Became Famous After Their Break-Ups

By Petra Halbur

A nasty break-up can leave you feeling pretty hopeless and sad. During your alone time you have two options: You can either convince yourself that you'll never be happy alone, or you can enjoy success without that special someone in your life. Many famous couples have gone through splits, but that wasn't the end of fame for these [celebrity exes](#). Plenty of stars have emerged from a painful celebrity break-up or celebrity divorce and gone on to achieve amazing professional success. Sometimes, it is within only a few years of the split. Here are a few to consider:

Stars Who Became Famous After a Celebrity Break-Up

1. January Jones: Jones' first famous boyfriend was Ashton Kutcher, who she dated from 1998 to 2001. She met singer-songwriter, Josh Groban, in 2003 and had a Hollywood relationship for three years before calling it quits in 2006. Still, Depp's success starring in off-beat films like *Cry Baby* and *Benny & Joon* in the early 90's was nothing compared to what he has achieved since playing Captain Jack Sparrow in 2003's *Pirates of the Caribbean: The Curse of the Black Pearl*.

3. Robert Downey Jr: Few people remember the days when Downey and *Sex and the City* star, Sarah Jessica Parker, dated in the 80's. Neither actor enjoyed major professional success during their seven-year famous relationship. He has since gone to achieve Marvel film immortality as Tony Stark in the *Iron Man* and *Avengers* franchises.

4. George Clooney: It's hard to believe that Hollywood's favorite bachelor was once a husband. Clooney hadn't achieved much in the way of fame when he married actress Talia Balsam in 1989. **Brad Pitt Shows What
'Unconditional' Means To His
Celebrity Love**

By Jane Greer, PhD for GalTime.com

It isn't surprising that everyone is talking about Angelina Jolie's recent celebrity news of her preventative double mastectomy. The news sparked conversations about the procedure itself and the decision to go public, but I want to talk about her rock-solid support system. In a *New York Times* op-ed piece she wrote, "I am fortunate to have a partner, [Brad Pitt](#), who is so loving and supportive." She mentioned her celebrity love was present for all of her medical procedures and surgeries at the Pink Lotus Breast Center. He has, in turn, recently called her decision to have the radical procedure *and* be public about it, "absolutely heroic."

While It Seems That Pitt Agreed With His Celebrity Love's Choice, That Isn't Always The Case. Does That Mean a Relationship Is

Destined To Fail?

Related: [Relationship Advice: Why Are Women Attracted to Unavailable Men?](#)

Sometimes a spouse or partner has a harder time accepting the other's decision to have a procedure whether it be preventative, corrective, or plastic surgery. They might feel the timing isn't right or the surgery isn't necessary. In order to be supportive and give unconditional love, a partner might have to put his own needs and judgments aside the way Pitt has clearly done.

What To Do In Your Relationship and Love When Your Partner Is Having A Surgery

That might require some work on your part if you are the one offering the support. Being there for your partner in a relationship and love not only means in a hands-on physical way, but also an emotional one. There is no question that this sort of thing can be very disruptive. Say, for example, that you both usually share the responsibilities of the household – you take out the trash and walk the dog, and he/she cooks and gets the kids off to school. Now, as your partner recovers, it is likely that all those tasks might fall to you. On an emotional level, the person who had the surgery might be irritable, upset, short-tempered and, at times, reactive and even lash out at you. If you can remember that your partner may be feeling vulnerable, helpless and out of control, it might help you understand where she/he is coming from, and then you won't take it personally and get into arguments. Realizing the distress doesn't stem from you can go a long way in helping you navigate the terrain of a caregiver and help you remain supportive throughout.

Related: [Relationship Advice: When to Stop Wearing Your Wedding Ring](#)

Know that the upheaval and distress will be time-limited and your recovering partner will get better. Things in the relationship and love will go back to normal at some point – hopefully soon. Remind yourself that, in the end, this will be better for everyone. Remaining positive during the recovery period will be good for both of you and get you through it with greater ease. Pitt's words and support for his celebrity love are an excellent example of what to do if you find yourself in a similar situation. The Hollywood couple seems to have their priorities in place as they do what they must to build a long and healthy life together. With that goal in mind, being supportive is easier.

Celebrity Couple: Brad Pitt Supports Angelina Jolie During Her Surgery

By Meghan Fitzgerald

[People](#) reports that Angelina Jolie has undergone a double mastectomy due to a high risk of breast cancer. Jolie wrote a article titled “My Medical Choice” on [NYTimes.com](#) and explained, “My chances of developing breast cancer have dropped from 87 percent to under 5 percent. I can tell my children that they don’t need to fear they will lose me to breast cancer.” Although Jolie was the one who had the surgery, the procedure did have an affect on both partners in this celebrity couple. According to the actress, her celebrity love Brad Pitt was there at every step of the way.

This celebrity couple supports each other no matter what. What are some ways to help your partner through a serious health condition?

Cupid’s Advice:

If your partner is truly sick, it is sometimes hard for them to help themselves. Cupid has some relationship advice on how to follow in celebrity couple Pitt and Jolie's footsteps and create a support system for your partner:

1. Take them to doctor's appointments: If your mate has a serious health condition, it is probable that they will need to attend numerous doctor appointments. Doctors' offices can be scary, especially if you are ill. To make your partner feel comfortable, go with them to their appointments. You will be there every step of the way, and it will show your beau how much you care.

2. Communicate with their family: With a serious health condition, family is usually wondering how the person is doing. Instead of your partner returning phone calls, e-mails, texts, and more, you can take care of it. It takes stress off of your mate when they don't have to reach back to someone every twenty minutes.

3. Make them comfortable: When people are feeling sick, they may want certain things to make them feel better. It can be soup, cheesy 80's movies, a snuggle bug, a chocolate cake, or a back rub. Try to accommodate your partner with what they want. Whether it be a massage or caviar, try to fulfill that wish and attempt to make them the slightest bit happier.
