Cupid's Advice:

When you are falling hard for someone, you definitely want to put your best foot forward. In the beginning of a relationship, the atmosphere is very open and you have the ability to conduct yourself in whichever way you feel fit. Take a step back and think about how you want yourself to be portrayed in order for you to potentially start a relationship with the person you fancy. Here are some good tips on how to woo your crush from the start:

1. Surprise: Cute surprises are a really good tactic to use to either get your crush to notice you or further take interest in you. Surprise your crush by bringing them lunch to where they work. Or, surprise them by sending a fruit basket to their home!

2. Tell them you like them: No one likes to play games. The easiest and most straight forward way to woo the one you desire is to tell them how you feel! Nothing is more genuine than that. Don't play hard to get and toss around their feelings like a frisbee. Tell your crush that you like them and show them that you care. If you are attentive to them and their feelings, that will most definitely get them feeling happy and interested.
