In celebrity couple news, Dua Lipa and Anwar Hadid are celebrating one year together. What are some ways to make your anniversary special as the nation reopens?

Cupid's Advice:

After a long few months, we bet so many people out there are excited to take back their dating lives. Whether it's your first date or your engagement, Cupid has some advice for you:

1. Get outdoors: After a few long months stuck inside, you're both probably dying to get outside and spend some time with Mother Nature. Take a look at your calendar and if your anniversary is coming up like Dua and Anwar, then find a way to make it special. If your significant other loves to hike or hit the beach, then plan out a day for the two of you to explore and spend time together. This anniversary will definitely be one for the books, so think of what will make your partner really happy.

2. Go for a bite: Many places around the country have reopened their restaurants with the opportunity for outdoor seating. If your favorite spot has opened back up, then plan an anniversary meal! Surprise your partner with a day full of food and fun, it's definitely something many people have been missing. Maybe after your morning walk or hike you can head over to enjoy a delicious brunch. If you're both still not quite comfortable going that far, then take it to-go and head back home. Quiet time indoors with some great food works too!

3. Stay cautious: Just because things are starting to open up and become semi-normal again, doesn't mean that you should stop social distancing or wearing your face mask. Be cautious of your surroundings and make sure you are a safe distance from others. While you know where you and your loved one have been, you can't say the same for someone else! Don't rush out anywhere that you think may be overcrowded or highly populated. Be smart and continue checking in on your county's guidelines.
