With the ever-changing pop culture landscape, new [beauty trends](#) rise to tackle different characters and costumes that premiered that year. In 2019, we had a lot of creativity come out of binge-able television series' and even memes that focused on more eccentric levels of eye shadows and color. If you are a [beauty](#) lover, you've probably noticed how makeup has been a leading force in embodying these wild and creative looks. If anything, 2019 is the best year for getting weird and wacky with your makeup inspo for Halloween.

2019's beauty trends are eye-catching this Halloween. What are some of the most creative, pop culture makeup looks to try this year?

If you're wondering what to wear or who to be on Halloween night, why not look towards some of the biggest makeup trends that this year had to offer? If anything, these makeup looks are taken from some of the biggest and most widely-talked about pieces of pop culture in 2019. Here is some [beauty advice](#) to get your creative juices flowing for absolutely killing your look this spooky season:

1. Euphoria-inspired: Zendaya and cast really turned up the volume on makeup styles once *Euphoria* hit HBO this summer. The show, which follows Zendaya's character in high school, tackles controversial topics like sexual assault and drug abuse among teenagers. The beauty looks in the show were something that hadn't been explored before in a television series, and it's something that really distracts from how tense the plot can be. If you want to recreate one of these bold looks this Halloween, look to sequins, glitter, and bright colors for eye shadow and face art to feel like you're apart of Euphoria, yourself.

2. The E-Girl: With the surge of popularity that hit the app Tik-Tok the past few months, so did a surge of popularity in a type of makeup look deemed the "E-Girl." Many girls that were going viral on the app had a similar sense of makeup that focused on blush-tinted noses and eyeliner drawings underneath the eye. It is all very doll-like, and it can be as creative as you wish it to be. If you think you can replicate an E-Girl

for Halloween this year, there's tons of inspo and tutorials on YouTube to choose from.

3. Ariana Grande: Of course, every year there are those that choose to dress up as some of the biggest names in the entertainment industry. But, with [Ariana Grande](#), she gave so many unique styles in 2019, that it would be a shame if they weren't utilized in a gorgeous Halloween look. With the release of her single "7 Things," it's a fun idea to try and recreate what she was going for in the music video. Besides snagging a similar outfit, try tying your hair up in space buns and swiping on Grande's signature cat-eyeliner with a gold dusting of highlighter.

4. '80s trends of *Stranger Things*: The highly anticipated release of the third season of *Stranger Things* was met with an even better style, letting the kids flourish in 80's fashion. Eleven, as played by Millie Bobby Brown, got a superb makeover in the mall that is as retro and spunky as it can get. Many costumes and Halloween looks play off of different decades, but if you want to set yourself apart, try your hand at some neon eye shadow and bright rouge, and if you want everyone to know who you're trying to emulate, dab a little fake blood under your nose. Ya know, for *Stranger Things*.

5. Eccentric rave-looks: Coachella and other big-name music festivals always bring out the creative side of those who attend. Confetti eyes and glitter lips are two of the biggest trends that came from these events in 2019. To achieve these looks, apply tiny-sequins to your eyes and face with eye-lash glue while peppering your lips with mouth-safe glitter that looks like someone just blew sparkle in your face.

The Exciting World of Celebrity Engagements and Weddings

Members of the general public are fascinated by the love lives of their favorite celebrities. They adore hearing about movie stars and their engagements. They love getting news about musicians, athletes, models and media personalities who are planning glitzy wedding festivities, too. Famous people are often stealthy and protective about their love lives at first. They don't want the media finding out about their plans and perhaps even ruining them. They like to hold on to the small amounts of privacy they can manage.

Many different components go into celebrity romances in the modern age. Find out more!

Some celebrities take to social media platforms to inform the public of their engagements. Other celebrities choose to take a more mysterious route. People often hear about massive [celebrity weddings](#) after the fact. It isn't unusual to hear about film stars who elope in different nations. It isn't uncommon to hear about television stars who get married in lavish ceremonies on the beach, in the mountains, all the way across the ocean in Italy and perhaps even at city hall with no one around.

Rings are a big part of the culture of a celebrity marriage. This isn't a surprise. It can be fascinating to stare at engagement rings. It can be just as riveting to look at wedding rings. People can't wait to see the enormous "rocks" on celebrity fingers. These rings often cost celebrities pretty pennies, too. People who look online and in magazines often see close-up pictures showcasing these rings from every angle possible. It doesn't matter if it's a chic [black engagement ring with diamonds](#); it doesn't matter if it's contemporary or classic. People want to see the ring that Pete Davidson got for Ariana Grande. They want to see what Prince Harry and Meghan Markle have.

Engaged couples of all kinds regularly hire professional wedding planners to assist them with their big days. Celebrity weddings are often high-end affairs with impressive guest lists, stunning surroundings, and high-end design components. That's the reason that it makes complete sense for celebrities to recruit professional assistance. It's not exactly a small feat to put together a successful wedding for an individual who is in the public eye. It can be particularly tough to

orchestrate a strong wedding for two famous people. Celebrities tend to work with wedding planners who have amazing track records and well-known client bases. These professionals are often based in large cities like Los Angeles, New York, Chicago, and London.

Wedding planners for celebrities often have difficult jobs on their plates. They have to select the ideal venues, first and foremost. Celebrities are like anyone else in that they can be rather fussy about the venue selection process. Some celebrities prefer the idea of venues that are comparatively intimate and small. Others like the concept of venues that are larger than life. Celebrity wedding planners have to strike a delicate balance. They have to be able to locate venues that are simultaneously “deluxe” and private. Fortunately, there are venues all over the planet that fit this description. Some celebrity couples tie the knot inside of rustic farmhouses that are located in picturesque New England. Others kick off married life in five-star hotels situated in the heart of energetic Manhattan. There are always many interesting choices accessible to diligent wedding planners.

Food is a major part of any wedding. Wedding planners for celebrities naturally have to make arrangements that pertain to menus. There are quite a few credible and widely known catering businesses that are suitable for five-star weddings. They specialize in all kinds of cuisines, too. A celebrity affair may include main dishes from France, Italy, Mexico, India or Japan. It may include appetizers from Thailand, Sweden, Peru, and Germany, as well. Highly regarded event catering businesses serve everything from Cajun to Chinese delights.

Peace is a rare thing for many people who are in the public eye. That’s the reason that some of the most prominent celebrities are so protective about their engagement and wedding plans. Some celebrities refuse to reveal their plans with regard to their honeymoons. People often have to

speculate about their trips. The media made a lot of guesses that related to the honeymoon schedule for Prince Harry and Meghan. They didn't depart for their honeymoon immediately after marrying.

Planning a beautiful and private celebrity wedding does take a lot of arranging, but when planned correctly, it is an amazing time for them and a time for the rest of us to dream about their special day.

Cupid's Advice:

When starting a new chapter in your life, make sure you completely finished the previous one. Cupid has some advice on ways to keep your ex from affecting your new relationship.

1. Distance: Make sure you distance yourself from your old life. Sometimes exes have a hard time moving on and if you are constantly in contact with an ex, your new relationship could begin with a rocky start. Bringing your new flame to the restaurant where you and your ex enjoyed your favorite meal could stir up trouble. If you run into your ex, what do you do? It isn't worth the risk. New relationship, new beginnings.

2. Cut communication: Cutting off communication with an ex is an effective measure to take when beginning a new relationship. Whether you are cool with your ex or absolutely cannot stand each other, when starting a new relationship it's never safe to have your ex talk to your new flame. You are better off cutting off communication and moving forward. Some ex's are like guard dogs, they may look friendly but they won't let anyone get too close.

3. Be respectful: Be respectful of your previous break up. Believe it or not, considering your ex's feelings can go a long way. Being respectful and mature about the break up will help with moving forward and for you to enjoy your new relationship. Not suggesting you hide your new relationship, but possibly keeping it on the low for a while will keep your ex away and hopefully focused on what they have going on.

Official

By [Jessica Gomez](#)

In [celebrity news](#), there is a new [celebrity couple](#) in town! Shailene Woodley is in a relationship with Ben Volavola. The celebrity couple made it official on Instagram, according to [People.com](#). Woodley and her Rugby playing beau indulged in some PDA in her Instagram story, Wednesday. The new couple was kissing and flaunting their [date night](#) in photos on social media. The love birds were in France, attending the Valentino Haute Couture Spring Summer 2018 show for Paris Fashion Week.

There's a new celebrity couple in

town! What are some creative ways to announce your new relationship?

Cupid's Advice:

A new relationship is exciting, and although many of us want privacy, we don't want secrecy. In a world where social media is what seems to connect us the most, it is one of the main platforms where people share big news. Cupid has some tips on cute, creative ways to announce your new relationship via social media:

1. PDA post of an awesome date: Showing some PDA during a creative date with your girl or beau is super cute! And it's a creative way to briefly show the type of couple you are, so pick the right "stage" for your photo. Some fun adorable dates to choose from are: going for a romantic swim or boat ride, camping, a picnic, taking a class together (any kind), a getaway or road trip, and DIY project you are both working on. The list is endless! If the pressure of a photo of you both on a date is a little too much for you, you can also try taking an adorable, endearing photo or a stunning one of you both side by side looking your best – talk about couple goals! [Ariana Grande](#) and Mac Miller took the endearing approach, posting a cuddled up photo, while Elon Musk and Amber Heard went for the looking beautiful together.

2. A photo of your other half taken by you: You can also post a random photo you've taken of your lover for a shocking affect, have your followers like "What?!" Imagine, a random photo of someone else popping up on your news feed, to then realize who it was posted by – Cute. Celebrity couple Zachary Quinto and Miles McMillan took a similar approach when Quinto posted a photo of McMillan staring right at the camera along

with a caption on missing him. Adorbs!

3. A discreet photo: Want to tease? Want to just show you're tied down but don't want to share with who just yet? Share your relationship in a teasing manner then, like [Jennifer Lopez](#) and Alex Rodriguez for example. Jlo shared a photo on Instagram of the couples' sneakers while rumors of them dating were floating around – discreet huh? Other ways to do it are to snap photos of your hands or a photo taken of your back sides, let people guess who you're with, if you're into it.

Single Celebrity Ariana Grande: Tearing Down Double Standards?

By Dr. Jane Greer

Singing sensation and [single celebrity Ariana Grande](#) wrote an elaborate, empowering essay about male and female double standards after her celebrity break-up with rapper Big Sean. She said, “If a woman has a lot of sex (or any sex for that matter)... she’s a ‘slut.’ If a man has sex... HE’S. A. STUD. A BOSS. A KING... If a woman even TALKS about sex openly... she is shamed!”

Ariana touched on one of many examples of double standards when it comes to relationships and love and is hitting a nerve because what she wrote about does often seem to be true.

Choose a course of action.

In today's world, women want to be able to make mindful choices when they decide to be intimate and sexual with their partner. But that isn't always easy to do. When a woman has an active sex life, she might be viewed as being loose. On the other hand, men are expected to seek it out, and if they brag about a few notches on their belt then they are respected and thought of as manly. Women are finally looking to move beyond these images and not let them hold them back anymore. Along those lines, the most recent *Bachelorette* openly said she made a conscious decision to be intimate with one of the men she had met on the show, because a sexual connection is such an important part of a relationship that she wanted to have a sense of their chemistry before they moved too far forward. She chose a course of action, and so can you.

Related Link: [Single Celebrity Ariana Grande Says She Doesn't Want to Be Called Big Sean's Celebrity Ex](#)

Be the manager of your sex life.

If you consider what you stand to gain by exercising your sexual expression, as well as what you stand to lose if you are not in touch with it, you will see how important it is to be the manager of your sexual life. By challenging these stereotypes that have trapped, confined and limited women for too long, you can work to redefine your sexual identity and what it means to you in terms of your happiness and your sexual esteem. If, for example, you want to be intimate with someone when you first meet them, if you are on vacation and want to have a fling, if you are at a wedding and want to have a romantic escapade, or just a one night stand, the most important thing is to know what you are doing and why you are doing it. In other words, own it. This means recognizing that you are with that person to enhance your sexual experience and pleasure, and still feel good about it regardless of whether or not it leads to something more serious down the road.

Related Link: [Ariana Grande and Big Sean Step Out as Celebrity](#)

[Couple at Grammy Awards](#)

Sit in the driver's seat.

If you are in the driver's seat, you can give yourself the permission to say "yes" to your desires and feel empowered by them when it comes to your sex life decisions, rather than feeling bad about yourself. The essential thing to be aware of is that whatever your action may be you are doing it by choice, one that you are making for yourself and thereby can feel confident about. When you do this, you free yourself from blame and judgment so that you will not feel objectified or used in any sexual experience you share. You no longer have to be in a position where you are compromising your own values or worrying about what other people think.

Be honest and guilt-free.

It follows that if you are in a new relationship and your partner asks how many sexual encounters you have had, you can have a clear sense of your history and how it came to be, free from guilt. You will be able to level the playing field so that what was once only acceptable for men can also be acceptable for women. Saying no always remains a powerful choice as well, what matters most is that you are determining what is going to be most comfortable for you. In this way, you will be a woman who takes charge, is in control, knows what you want as well as what you don't want, and will be better able to build your inner security which will reflect in your emotional and sexual wellbeing.
