

# 'Breaking Dawn Part 2': The 'Twilight' Finale Is Finally Here

By Nicole Weintraub

The long awaited conclusion to the *Twilight* saga has finally arrived with the final installment of *Breaking Dawn Part 2*. Who else is not jumping in their seat from sheer anticipation? Real life couple Kristen Stewart and Rob Pattinson reunite on the big screen as Bella Swan and Edward Cullen. In the first part of the last installment, our favorite vampire and human couple tied the knot. Low and behold somehow Bella became pregnant and in order to save both her life and their baby's life, Edward turned her into a vampire. Now, officially a Cullen and a vampire, Bella will stand by Edward through thick and thin to protect her new family and new husband. The Volturi, the official authority of vampires, has learned of the birth of a half human half-vampire child and fears for the

safety of vampires as a whole. They seek out to destroy the child, but the Cullens stand together and will fight before they let that happen. In the epic conclusion of the *Twilight* series, the Cullens will rally troops to go head to head against the Volturi to protect all that they love. Ashley Greene, Nikki Reed, Jackson Rathbone and Kellan Lutz return as the Cullens. You won't want to miss this as, it already hit theaters November 16<sup>th</sup>.

**Should You See It:** Is that even a serious question? Who has not been waiting for this release since the original movie of *Twilight* hit theatres? Not only will this be the first onscreen appearance for the real life couple of Stewart and Pattinson since their break up and rekindling, but also it will be the last time to see our favorite couple of Bella and Edward. The trailer alone sends chills down your spine and lures you in just a bit closer to the screen, wanting to watch the entire movie.

**Who To Take:** Anyone! It has action and gore for the boys while still having all of that romance and vampire glamour for the girls. Go with a parent, girlfriends or your partner. Just make sure to make it known that you will not stand for talking or kissing during the movie; this is a movie you will not want to miss a second of after all the waiting you have done.

In the trailer, not only does your heart start pumping but we are also given a glimpse into the lives of Bella and Edward Cullen as a newly married couple of the same species. In the last movie we were introduced to the couple as an official husband and wife, but not as a vampire husband and a vampire wife. The two seem to be closer than ever as Edward explains

that the two are now the same temperatures. It seems that with now being the same species, the two have a deeper connection. This deeper connection is also further developed with the arrival of their daughter and the desire to protect her from the Volturi. The Cullens ban together as a solid family unit to stand for their own, allowing Bella and Edward to come together as a newly married couple with a fantastic support system.

### **What are some ways to strengthen a relationship emotionally? Cupid's Advice:**

What are some possible ways to further advance as a couple – emotionally? Here are some tips on how to deepen your connection to your significant other:

**1. Time investment:** The more time you spend with someone, the stronger your connection will be come automatically. By experiencing new things together and creating new memories, the two of you will have something to laugh about and look back on. Take some dancing lessons or go ice-skating and create a scrapbook together afterwards.

**2. Emotional investment:** In order to be completely open to strengthening and deepening your relationship, you have to be honest with yourself and with your partner. Keeping secrets is only going to push them further away which will not result in deepening a relationship.

**3. Physical investment:** Physical attraction and displays of affection (notice I did not say public displays of affection) is a great way to build on an emotional level. For many people relationships are a mixture of physical needs and emotional needs, not just one or the other.

**How do you become friends with an ex after a bitter break-up?**

**Cupid's Advice:**

**After a bad break-up it's hard to go back to being friends. Its important to get some closure and let go of any animosity between you and your ex before trying your hand at friendship.**

**1. Talk it out:** Meet up with your ex and calmly discuss what lead to your break-up. A lunch date at a neutral location always helps to break the ice a little bit. This will help both you of you to heal and start fresh.

**2. Don't be awkward:** If you happen to unexpectedly run into your ex at a club or restaurant, don't avoid them or make the situation uncomfortable. Take a deep breath and say "hello". Yes, it may be awkward at first, but it could lead to a surprising civil and friendly conversation.

**3. Keep in touch:** Once the two of you have gotten past the bitterness of your previous relationship, keep in touch with one another. Exchange phone numbers or e-mail addresses (if they've changed since you broke up) and make sure to check up on each other every once in a while.

**Joe Jonas Gives Golden  
Birthday Gift to Ashley**

# Greene

*Twilight* star Ashley

Greene had much to celebrate this past weekend. The actress rang in her 24th year by celebrating in Sin City with rockstar boyfriend, Joe Jonas, [People](#) reports. Jonas gifted Greene with a Chanel bracelet, accidentally crediting the jewelry as a token from Coach. Greene adores her new jewelry. “Coach, Chanel, [it] makes no difference to him ... [But] I absolutely love it because he knows what I like,” said Greene. But besides birthday jewels, Greene credits her favorite gift as, “having my best friends fly in to celebrate with me.”

**What are some ways to decide what gift to give your partner?**

**Cupid’s Advice:**

It takes real talent, time and thought to pick out the perfect present for the one you love. Cupid has some tips:

**1. Stop, look and listen:** Slow down and make a mental note when your partner makes a passing comment about something that

catches his or her interest. If it's something your mate keeps mentioning, but won't go out of his or her way to buy, consider it gift appropriate.

**2. Make a connection:** If you and your significant other are just starting out and you're having a hard time with gift ideas, try to find something that unites you as a couple. Is there an inside joke you both share or an uncommon interest that bonds you? The thoughtful trinket will show you care.

**3. Make him or her feel young again:** To ease the harshness of aging, turn back the clock with a toy from his childhood. Is it a summer birthday? A pair of water guns should bring a smile to his face.

### **What makes a restaurant romantic for a date?**

#### **Cupid's Advice:**

- 1. Dimly lit:** A restaurant that is low on lighting tends to give a feeling of privacy and usually proves to be the most intimate dating experience.
- 2. Smaller:** You don't necessarily need the hottest restaurant in town to have the most romantic time. Sometimes the smaller restaurants have a cozy feeling.
- 3. Ethnic decor:** Restaurants with an atmosphere that make you feel as though you're abroad adds a sense of mystery to the evening, which can be ultra romantic!

# Joe Jonas Is “Head over Heels” for Ashley Greene

Despite being spotted holding hands at a Walgreen's and on a date at Disneyland, pop singer Joe Jonas and *Twilight* star Ashley Greene have been keeping their relationship under wraps. Recently, a source told [People](#) that "[Joe] is head over heels for [Ashley]. He thinks she is down-to-earth and absolutely beautiful. He hasn't been this into a girl in a long time." The couple have only been dating a few months, but things appear to be moving quickly – rumors circulated that Greene recently took Jonas home to meet her parents.

**Why is it dangerous to fall in love so fast?**

**Cupid's Advice:**

You can't help who you fall in love with, but you can control the pace. If things are moving too quickly, the relationship might fizzle before it has a chance to grow. Cupid says proceed slowly for the following reasons:

**1. Missing out on the little things:** If you rush into a relationship, you may overlook little quirks, pet peeves and the natural process of getting to know one another. Taking the fast track could have consequences that ultimately destroy any hope for coupledness before you begin.

**2. Feelings might not be there:** As they say, many people are "in love with love" and will rush a relationship to get to that place. The problem is that when that initial phase is over you may be left with someone who you don't really love. By taking your time, you'll have a better chance to get to know one another.

**3. It's all-consuming:** Like Greene and Jonas', a rushed relationship can take up all of your free time and alienate you from the rest of the world. If a split happens, you may find that you have fewer friendships and family relationships to fall back on.
