Latest Celebrity Baby News: Celebrity Couple Ashton Kutcher & Mila Kunis Forego A Nanny

By [Katie Gray](#)

Celebrity couple Ashton Kutcher and Mila Kunis have been parents for a few months now to [celebrity baby](#) daughter Wyatt Isabelle, and they are completely in love with her. In their latest celebrity baby news update, Kutcher said, "You think you know how much you can love another person, and then you have a child and you realize you didn't know. It's infinitely rewarding." He added, "And I really look at this as the greatest opportunity of my life." The parents are old school and will not hire a nanny. According to [People.com](#), Kutcher shared, "We want to be the people that know what to do when the baby's crying to make the baby not cry anymore. We want to know, like, when she makes a little face or something, we want to be emotionally in touch with her. And I think the only way to do that is by being the one who's there."

This celebrity couple is taking care of their celebrity baby without extra help. What are some things to consider when determining your best childcare option?

Cupid's Advice:

There's a lot to plan for when it comes to raising a child, and one of those things includes childcare options. Some parents may choose the same route as this celebrity couple and forego the additional aid. To help you make your decision, Cupid has some advice:

1. Your child's age: The age of your kid definitely plays a role when deciding what childcare option is best. If they are really young, it's important to spend extra time with them. However, some opt to have a baby nurse and/or nanny with them

right after childbirth, which can be a nice way to learn what to do. It's important to be there for them during all of the stages in their lives, so choose whatever makes the most sense for you. Hiring a trained nanny when you can't be around is a good idea, as is having your family members and friends babysit when needed.

2. Time away from them: An important aspect in picking childcare is knowing the time frame. How long will you be gone? How often will you need childcare? Do some research! If you only need a babysitter occasionally, then have a few people that you trust on file. If your schedule has a specific time that you'll require childcare consistently, then work that out with a nanny or nursery school program.

3. Your normal routine: Figuring out what kind of job schedule you and your partner have is key. Some jobs have flexible hours, whereas others do not. Work out your hours with your employer and your partner, so that one of you can always be with your kids. Establish some kind of routine that is consistent. Some people opt for working from home in an effort to reduce how much childcare is needed.

Choosing a baby's name is often times tricky, especially when you're compromising with your partner. This Hollywood couple found the perfect name for their first celebrity kid, and Cupid wants to help you do the same! Here are ways to bring meaning to your baby's name:

1. Look up the actual meanings: Every name out there has a specific meaning. You can search a variety of names for both genders online, in books, and in magazines. Pregnant Mila Kunis Goes On Burger Date with Ashton Kutcher

By Sanetra Richards

Mila Kunis is comfortably eating for two. The 30-year-old actress was spotted out in a nice black tank top and blue jeans with fiance Ashton Kutcher as they finished grabbing a

bite to eat at The Counter, a burger restaurant located in Studio City. The former costars announced a couple of months ago that they are expecting their first baby together. In the photo, Kutcher was seen opening the car door for the mommy-to-be. It's no surprise that Kunis has been dining out as of lately – she is indeed a growing woman. According to UsMagazine.com, a source said the *Jupiter* star enjoyed a meal with her mom at Blu Jam Cafe in Sherman Oaks, as the two watched the final World Cup game. “I eat sauerkraut all day long,” the actress spilled about her cravings in an interview with Ellen DeGeneres. “[It’s] the worst craving to have because sauerkraut smells and so every time you open up a jar, it just reeks in the whole kitchen...It’s not like ice cream where everything smells lovely.”

What are some ways to make a mundane date special?

Cupid’s Advice:

When going on dates becomes a regular thing and the excitement begins to slowly fade away, a problem has surely presented itself. If you sort of shrug your shoulders at those “regular” dates, it is time to put the spark back into it. Cupid has some ways to turn your boring dates into what they used to be:

1. It’s not all about the location: It’s more so about who you are with. The date can be at burger shack (like Ashton and Mila), or it can be at a five star restaurant. No matter which end of the scale, the date can go either two ways: really good or really bad. The five star restaurant can be a disaster. The burger shack date can leave you with butterflies and a lifetime memory. It is indeed all up to you and your date to make worth each other’s while. (Who wouldn’t smile at a heart made of fries?)

Related: [Mila Kunis Enjoys Her Sweet Pregnancy Cravings](#)

2. Have a little life in you: Do not be the person who is

equivalent to a brick wall during conversation. If the dialogue does not just flow like in some instances, find topics to talk about. Seem intrigued! Ask them about their day, or what is it they may like about the location of the date . . . something. Show that you are made up of emotions, one being excitement. Also, remember your inner child – act a little silly every now and again. You will keep things interesting.

3. Spice it up: Even if you are going to that burger shack as mentioned before, maybe dig out an outfit from the back of your closet, spray on your once in a lifetime perfume, and apply your favorite lipstick. The date will take you back to your first, and you and your partner may even spend a few moments reminiscing on the past.

5 Celebrity Couples Who Started Off As Friends

By [Courtney Omernick](#)

Some argue that men and women CAN be 'just friends' and steer clear of a romantic relationship. However, sometimes friendships with members of the opposite sex can turn into something more. Below, Cupid has five celebrity couples who began their romantic journey in the friend zone.

1. Jordin Sparks and Jason DeRulo: At first, Jordin had a boyfriend and Jason was single. Then, Jason had a girlfriend and Jordin was single. The pair maintained a friendship while they both had different significant others, but once both of their status update's read 'single', they turned their relationship into something more!

2. Kate Middleton and Prince William: The Duke and Duchess of Cambridge met back in 2001 at St. Andrew's University in Fife while studying Art History. At first, they were just friends, but their friendship turned into romance when the pair shared a flat together with two other students during their second and third years.

3. Kim Kardashian and Kanye West: It seems as though their relationship moved quickly, but these stars were friends long before their walk down the aisle. Kim and Kanye first met back in 2004 while Kim was married to Damon Thomas. After Kim's divorce to Kris Humphries in 2011, Kanye was there to pick up the pieces, and the rest is history!

4. Mila Kunis and Ashton Kutcher: They may have been Jackie and Kelso for years on 'That 70's Show,' but according to a source, the pair did not get along while playing each other's love interest. It wasn't until Ashton split from Demi Moore that these stars became friends! Now, Mila is pregnant with Ashton's baby and plans to take a trip down the aisle with him soon.

5. Beyonce and Jay-Z: These A-listers were friends and talked regularly over the phone for 18 months before they went on their first date in 2000. In 2003, the couple finally admitted to the public that they were dating. Five years later, Beyonce became Mrs. Carter.

Mila Kunis and Ashton Kutcher Are 'Meant to Be' Says Twin Brother

By Laura Seaman

In a recent interview with UsMagazine.com, Ashton Kutcher's twin brother Michael talked about the relationship between his brother and Mila Kunis. "They reunited after 14 years, and I think they were mean to be," he said. "They make such a great couple. I'm so happy for them, I really am. Ashton is in a really great place right now." The couple first met when working as costars on *That '70s Show*, which aired from 1998 to 2006.

What are some advantages to becoming romantic with a long-time friend?

Cupid's Advice:

There is a lot of risk that comes with asking out a friend. You could be 'friend-zoned' or the relationship might crash and burn, taking your friendship down with it. But not to fear! Sometimes these friendships-turned-relationships work out, and they become some of the best romances you could imagine. Here are some of the advantages to turning a friend

into something more:

1. You can skip the awkward first date process. When you're friends with someone, chances are you've gone out to dinner or had a movie night together at some point. Usually these types of dating activities can be awkward ice-breakers at first, but with friends there's no need to make attempts at weird small talk or get-to-know-you games.

Related: [Maksim Chmerkovskiy and Jennifer Lopez are Just Friends](#)

2. Their family already knows you. In most cases, you already know your friend's family to a point. True, this will completely change the way they see you, but now your friend's family already knows how great you are and how you've stuck by their little boy or girl over the years. This scores some points that a random stranger wouldn't get.

Related: [Kris Jenner Warms Up to Khloe Kardashian's New Boyfriend French Montana](#)

3. You know that this person already makes you happy. Yes, you'll have to explore the physical and romantic aspects more, but when it comes to whether or not this person can make you happy on an emotional level, you know your friend already qualifies. When two strangers date, they have to build up both the romance and the friendship. But when you're dating your friend, you're already halfway there!

Mila Kunis Enjoys Her Sweet Pregnancy Cravings

By Laura Seaman

Ashton Kutcher and his pregnant fiancé Mila Kunis were seen sharing a kiss during a fro-yo date. This new craving is much sweeter pregnancy symptom than Kunis' other cravings according to UsMagazine.com, as she shared with Ellen DeGeneres that last month she had been craving sour pickles and sauerkraut. Her fiancé has been very supportive of her strange pregnancy cravings, as Kunis says, "He assumed that I was gonna have goofy cravings, so he stocked our secondary fridge with weird food. Just, like, pickles and sauerkraut, or, like, anchovies and ice creams, just in case at one point during this pregnancy I'd be like, 'I really want something.'"

What are some ways to indulge in your partner's pregnancy cravings?

Cupid's Advice:

Sometimes a pregnant woman can crave some really weird foods at the most random of times. Nobody knows for sure why these cravings happen, or what certain cravings mean (though many studies are trying), but they're a natural part of the pregnancy symptom process. Some women have more cravings than others, but here is Cupid's advice for supporting your pregnant partner whatever their cravings may be:

1. Learn some new recipes. A pregnant woman might have a craving for a food she's never even had before, but just suddenly sounds good. If this happens, it would be extremely helpful and supportive to learn how to cook these new dishes and know what goes into them.

Related: [Rachel Bilson Enjoys Pregnancy Cravings on Vacation with Hayden Christensen](#)

2. Don't doubt her cravings. Sometimes cravings are strong enough to make vegetarians crave meat, or lead a health-nut to buy chicken nuggets. These cravings might seem odd to you, but don't discourage these changes unless they're unhealthy for the baby. She knows what she wants, and second guessing her won't help.

3. Try a bite! Her choice of food might seem very, very strange, but you don't know unless you try it. A great way to show your support is by trying some of the food their craving. Who knows, you might discover a new favorite meal that you never would have thought to try before.

When your significant other gets pregnant it will bring many lifestyle changes, which is why you'll need to lend your support. Cupid has some advice on ways to support your partner during pregnancy:

1. Be there: One of the best ways to support your partner during pregnancy is to simply be there for them. It is important for you to make yourself available to your partner when they need you, whether it's for comfort, someone to talk to or whatever else they need. During pregnancy your lover can experience a lot of different emotions, ups and down, and changes that is why they need someone to be at their side.

Celebrity Couple Predictions: Mariah Carey, Mila Kunis and Lupita Nyong'o

By [Shoshi](#)

For today's column, let's take a look at three celebrity couples that are hot topics of relationship gossip – whether it's because of a whirlwind relationship that's still going

strong, a seemingly-perfect twosome that recently announced their engagement and pregnancy, or a possible new coupling:

Mariah Carey and Nick Cannon: Since the day these two got together, they've made headlines. Their quick wedding had people predicting that they'd be divorced within months. Looks like the critics were wrong – at least for now! This quirky couple is celebrating six years of marriage yesterday.

Cannon has been very verbal about their sex life, even to the degree that it can be too much information. Did we really need to know that a lot of nookie is what keeps their relationship alive? Carey is not always thrilled that her hubby shares their marriage with the world. As a matter of fact, it's reported that she told him to stop talking about all of the women he was with before her because she didn't want to hear about it anymore.

Even though there are a lot of questions that surround them, this couple is a good fit. Since they started dating, Carey has calmed down, while Cannon has grown up a bit. They both enjoy adventures, so they always seem to be dressing up in costumes or doing something fun with their twins. On the flip side, the songstress is not fond of the comic's antics, which causes some stress and strain on their marriage. There may come a day when she is totally over his behavior, but it won't happen until their children are older.

Related Link: [Mariah Carey and Nick Cannon: New Parents On Their Anniversary!](#)

Mila Kunis and Ashton Kutcher: This adorable couple originally met while working on *That 70's Show* where their characters, Jackie and Kelso, dated and talked about having a baby. Looks like the show predicted real life since they're engaged with a baby on the way!

All is looking good for the famous pair, and there shouldn't

be any roadblocks before their upcoming wedding. The two of them are just enjoying all of the good things in their lives. They're an ideal duo since they have the same values and are both down-to-earth in their approach to life.

I do, however, see a bit of back-and-forth when it comes to their prenuptial agreement. Kutcher's divorce from Demi Moore is still fresh on his mind, so he knows how things can go down if a marriage ends. Other than sorting out these financial details, everything is wonderful. From what I can see in their relationship, their prenup will never need to be used.

Lupita Nyong'o and Jared Leto: Recently named the most beautiful person in the world, it's all good in the lovable actress's world. What exactly is going on in her dating life? She's extremely hot right now, so the men must be lining up to see what she is all about. Nyong'o has been linked to Academy Award winner Jared Leto and rapper K'naan.

As much as I would love to see Nyong'o with Leto, it's not happening. It's fun to see the actor flirt with Nyong'o, and they would make such a gorgeous couple (can you imagine their kids?), but it looks like the *12 Years a Slave* star spends more quality time with K'naan.

Nyong'o is not thinking about dating around right now. Besides Leto, she gets attention from some of the best looking men in Hollywood. As for those rumors saying that she is going to run off and marry her rapper boyfriend, don't believe them. The spirits say that she'll soon be dating a sexy Hollywood actor who has been smitten with her for a while.

By Brittany Stubbs

How do you determine the right time for a marriage proposal?

Cupid's Advice:

Getting engaged is not only about finding the right person, but the right timing:

- 1. Financially stable:** Money isn't everything, but if you or your partner are currently going through a hard time financially, it's probably not the right time to start planning a wedding. Not only could money problems have influence on the wedding details, but it's also an extremely stressful time, which is not the state of mind one should be

in when getting excited about an engagement.

3. It's a stable time in your relationship: Sure, couples will have their fights every now and then, but if you've been going strong for a while without any serious fights or having to "take a break," this is a sign your relationship might be ready to take the next step. Many couples will try and get engaged to fix their problems when they're going through a rough patch, but their conflicts will still be there at the end of the day. Wait till you feel you and your partner are strong and secure as a couple before popping the question.

1. Acceptance: In order to completely move on from your divorce, you first need to accept the situation. Continuing to harbor feelings for your ex won't help you or him/her get on with their life.
