# Audrina Patridge and Corey Bohan Split After Five Years Together

By Laura Seaman

The on-and-off couple of Audrina Patridge and Corey Bohan have called it quits yet again. However, a source tells [UsMagazine.com](http://UsMagazine.com) "I don't think they'll get back together this time." Patridge and Bohan have been dating on-and-off for the last five years, their last split being in March of 2011. They had just gone on a romantic getaway to Mexico in May. But on July 27, the *Hills* actress posted on social media, "Man is not what he thinks he is, he is what he hides". Yikes.

**How do you know when an on-again off-again relationship should**

**end for good?**

### **Cupid's Advice:**

Some on-and-off relationships can go on forever, and some end with the couple getting married and living happily ever after. However, some of them end in heartbreak. But maybe it's for the better! So when it is time to finally call it quits and move on? There are some ways of knowing.

**1. When you're 'off again' more than 'on again'.** If your time together is getting shorter and shorter, maybe it's time to just stop it altogether. It should be pretty clear by now that any relationship between you two is only used as a temporary fix that will never last. Look for a more durable relationship!

**Related:** [Emilie de Ravin and Joshua Janowicz File For Divorce for Second Time](#)

**2. When you break up, it's very damaging.** If you walk away from every argument and breakup with another little piece of your heart broken, it's time to leave. You can only take so much! This relationship is clearly toxic, and you need to spare yourself the pain.

**Related:** [Pamela Anderson and Rick Salomon: Filed for Divorce Again](#)

**3. When you're 'on again', you forgive and forget.** Nothing is going to get fixed if you just forget the problems that broke you up in the first place. If you get back together, you need to talk about why you broke up in the first place. If you don't, the problem will just keep resurfacing until it becomes too much. A relationship without communication isn't one worth having.

# Audrina Patridge Says A Guy Must Have “Loyalty, Integrity and Respect” To Get Her Attention

By [Whitney Baker Johnson](#)

Spring Break is going strong in Panama City Beach, Florida, and celebrating there again this year is former MTV reality

star, Audrina Patridge. Model, actress and BFF to Lauren Conrad, Patridge is someone we all grew to know and love on *The Hills*. Leaving the Los Angeles sunshine behind, the starlet visited the panhandle yesterday to make a special guest appearance for Curve fragrances at Maxim Spring Break.

Spending the day on the beach, she mingled with party-goers in the Maxim cabana before hosting and judging a Booty Shake Dance Contest. "Just get up there and dance! Let loose and have a good time," she offers to those who'll be participating in the contest. "Last year, a guy won, so it's not just for girls," she adds. "Just because it's a booty shaking contest doesn't mean you have to have a booty."

**Related Link:** [Celebrity Couples Who Have Turned Over a New Leaf](#)

But it's not all about booty shaking and spring break. After leaving *The Hills*, Patridge focused on a career in acting with movies like *Sorority Row*, *Into The Blue 2: The Reef* and *Honey 2*. Next, she'll appear in *Scary Movie 5*, in theaters on April 12th. "I had a little cameo. It's such a fun movie, and I loved being on set."

As if she wasn't busy enough, Patridge also serves as a Curve fragrances celebrity brand ambassador along with *Gossip Girl* actor Kevin Zegers. Whether she's getting ready for a night of dancing with the girls or dressing up for a first date, curve appeal for women is a fragrance that she consistently loves to wear. "It smells so good, and I always get so many compliments. It catches your attention and leaves a lasting impression," she shares. "Plus, it's very girly."

Another perk of Curve fragrances is the tiny bottle. "It's very cute! It's even small enough to carry in your purse," she says. This choice sounds perfect for any woman who likes to primp while she's out and about.

Patridge also loves curve appeal for men, a fragrance described as incredibly sexy and effortlessly cool. “I think everyone should smell fabulous everyday, and curve appeal is definitely one of my favorite scents.”

As much as she enjoys the aroma of curve appeal, her number one beauty tip has more to do with what’s on the inside than the outside. “If you feel confident and beautiful, it’s really going to show,” she says. “It all really comes from within.” Equally important as having confidence is being comfortable. For Patridge, wearing something that makes her feel uncomfortable can easily ruin her day.

So what does it take to get this California girl’s attention? Patridge, who is rumored to be dating on-again, off-again boyfriend Corey Bohan, says the three most important qualities in a guy are “loyalty, integrity and respect.” As for how to tell if a crush has these traits, she believes it’s “about how he acts around his family, how he treats his mom. That’s going to give you an idea of how he’ll be with you.”

Just as she knows what she wants in a man, Patridge knows what she *doesn’t* want in a relationship. “Dishonesty,” she says without missing a beat. “My biggest pet peeve, though, would be not communicating well,” she adds. “It’s all about communication. If you’re not on the same page, it’s probably not going to work.”

You can keep up with Patridge on [Twitter](#) and [Facebook](#).

# Celebrity Couples Who Have Turned Over a New Leaf

By Courtney Allen

Hollywood just may be the one place where the phrase “love is a battlefield” is an understatement. The land of fortune and fame is the forefront for some of the most scandalous relationships and splits we’ve ever witnessed.

But finding love is not the problem for these celebs; it’s keeping it. For many, passionate romances and ‘I do’s’ end as suddenly and tragically as their last. But luckily, every love story has a different ending... and some endings turn into new beginnings. These four celebrity couples came armed the second time around on the battlefield of love and came out on top:

**1. Kourtney Kardashian and Scott Disick:** Kourt and Scott's relationship has been public since the debut of *Keeping up with the Kardashians* in 2007. Their relationship proved to be the most entertaining in the E! hit reality show thanks to Kourtney's headstrong, sarcastic personality and Scott's wacky, drunken behavior. The couple was known for their rocky relationship, the majority of the blame being placed on Scott's infidelity and immature lifestyle. Kourt pulled the plug on Scott multiple times during their relationship as well as her pregnancy with their first child, Mason. By this point, we all thought Scott had crashed and burned for the last time. Scott finally straightened up his act after Kourtney banned him from seeing Mason. And now seven seasons later, the two are going stronger than ever with the recent birth of their second child, Penelope. If this couple can bounce back, there's hope for us all.

**2. Miley Cyrus and Liam Hemsworth:** The relationship between Miley and Liam is nothing but a match made in heaven. The grown-up Hannah Montana star met the blue-eyed Aussie in 2009 while filming *The Last Song*, where they played the roles of young adults who fell in love over summer break. As it so happens, their love story transferred off the big-screen into real life... taking both the good and bad. In the movie, the couple actually breaks up, much like they way they did in 2010. The exact reason may not be known, but the two just couldn't stay away from each other. Cyrus and Hemsworth gave it another try in 2011. The actor popped the question to the singer earlier this year and have been engaged for nearly six months. If there was ever a sequel to "The Last Song," this would be it!

**3. Sammi Giancola and Ronnie Magro:** If you've ever seen *Jersey Shore*, you know all about Sweetheart Sammi and Ronnie the Guido. The only thing their relationship was known for was extreme inconsistency and drama. Ronnie's unfaithfulness led

us to believe their relationship was practically doomed. Sammi and Ronnie's relationship was without doubt unhealthy, opening doors to verbal and what appeared close to physical abuse. After breaking up countless times throughout multiple seasons, we all anticipated when their rocky romance would end for good. We now know the answer to that: apparently never. The couple is still together today. The good news is that they seem to actually be in a functioning relationship these days. Their love has proved strong enough to overcome their seemingly irreparable past.

**4. Audrina Patridge and Corey Bohan:** Audrina Patridge is known for her role on *The Hills* but her relationship with BMX biker Corey Bohan was displayed on her VHL reality show *Audrina*. Her Aussie beau was prince charming until the show revealed one of his less favorable qualities: possessiveness. Throughout the season, Audrina struggled with her controlling boyfriend who proved to also have a bit of a temper. By the end of the season, Patridge dumped Bohan with the support of her mom. But little did we know that the couple would rekindle their flame a couple months later. Since the show's end, we haven't heard much on their relationship besides the occasional romantic getaway or public event, but everything seems to be in the clear. They have been going steady since the summer of 2011.

## **Audrina Patridge Says Cameras**

# Are Off and Love Life Is On

VH1 decided not to renew Audrina Patridge self-titled reality show for a second season, but Patridge couldn't be happier as the cancellation may just be what she needed to repair her on-again, off-again relationship with her boyfriend, BMX rider Corey Bohan. "Filming a reality show really takes a toll on relationships because your mindset is to create good TV," the former "The Hills" star told [People](#). "It's really really hard on relationships so after the show, Corey [Bohan] and I really worked on what was going on with us. We spent time together."

Audrina's breakup with Corey may have been good for her show's finale, but the couple has since rekindled their relationship and got back together in May.

**How do you keep your job from affecting your relationship?**

## **Cupid's Advice:**

It's easy to let your job take over your life. Cupid has some ways to keep it from affecting your relationship:

**1. Try to separate work from home:** Sure, everyone has their bad days at work, but try not to bring the stress you may receive at work to your home. If your job is consistently stressing you out, it may be time to start filling out applications.

**2. Balance:** Although you may not have finished everything you needed to do at work before your day ended, try to make sure that when you're home, you're relaxing and not thinking about what you will have to do tomorrow.

**3. Spend some quality time:** It's extremely necessary to get away at least every once in a while. Plan a romantic getaway to your favorite vacation spot, organize a date night including dinner and a movie, or simply head to the gym and work out together.

**Is it important to take a person's past into account pre-relationship? Cupid's Advice:**

When entering into a new relationship, many of us try to look at it as a fresh start and let the past be the past. But, is it even possible to change? Cupid has some things to think about when looking into your partner's old flings:

**1. How it ended:** Sometimes things just don't work out, but it's important to look at why they didn't. If your partner and his or her ex ended amicably, then there may not be much to inquire about. But, if there's bad blood, you might consider finding out more details.

**2. Did he learn from it?:** Of course people make mistakes, and

every mistake is a learning experience. One of the important things to look at when asking about a prior relationship that ended badly, is if he exhibits the same behavior that was previously an issue.

**3. Level of commitment:** Did your partner have a few serious relationships, or did he just jump around? Gauging his/her's level of commitment from their previous partner(s) allows you a glimpse at what to expect.
