By Bre Gajewski

No matter how old your child is, back to school can be time-consuming, expensive and all-around stressful.

**Product Review:** These back-to-school products will score you a **parenting** win with your kids!

CleanWell's Botanical Hand Sanitizer Spray, ~\$4

Whether your kid is going to elementary school or college, they are going to be surrounded by germs (and lots of them). This is why we love [CleanWell's Hand Sanitizer Spray](#).

It is free of harsh chemicals and has a delicate citrus scent. The bottle is small enough for your kids to carry it in their pocket all day if they want to. The best part? You can buy it on Amazon or directly from CleanWell in a bundle with other amazing products!

**Edushapes's Magic Shapes – 81pcs, \$20**

For the littlest learners, it is extremely important to continue their education at home each night. This is why we love [Edushape's Magic Shapes!](#) They are fun and encourage open-ended play which allows children to freely express themselves and helps with brain development.

Magic Shapes stimulate your child's imagination and teach them about shapes, colors, magnets and more. They will have so much fun creating designs and when it is time to clean up, all of the shapes fit into one EZ clean-up jar.

**Vaya TyffynKids Dino Lunch Box, \$49**

Lunch-time is sometimes the best part of the school day for kids. We love the [Vaya TyffynKyds](#) lunch boxes that will keep food hot or cold for 5-6 hours and come with partitions so you can pack more than one dish in each lunchbox. Kids will love the fun designs and you will love that it is BPA-free, leakproof and that you can pack food directly into the sections so you will have fewer containers to wash later.

**FAITH Backpack, Fenrici Resilience Collection, \$35**

All children need a backpack for school to hold their belongings. These backpacks from Fenrici are unique, durable and help a good cause. 5% of their proceeds go to Global Genes, a non-profit organization that funds the education and research of rare pediatric diseases.

You can buy these backpacks knowing your children will love the designs and that your money is being spent to help other children get the care that they need.

**Well-Kept Screen Cleansing Towelettes, \$6**

These screen cleansing towelettes from [Well-Kept](#) are perfect to throw into your teen's backpack for school. Teenagers are constantly touching their phones, tablets and computers which tend to have about 60 times more germs than a toilet seat. Use the towelettes to wipe away all those germs!

Game Day Tote's Berkeley Crossbody in Rose Gold, \$56.50

When shopping for school, you can't forget about your college-aged kids. Fall semester for college kids means football season. These bags from [Game Day Tote](#) are the perfect back to

school gift for your daughter because not only are they stylish but they obey the stadium bag policy.
