

Beauty Advice: The 5 Best Beauty Tips from Celebrities

By [Melissa Lee](#)

Celebs are always radiating the upmost beauty – whether it be thanks to their extensive hair and makeup teams, or their natural glow. However, if anyone can offer some beauty advice to make your day-to-day makeup routine a little easier, celebrities are some of the best resources. Head below if you're interested in enhancing your own natural beauty, or looking to learn some new tips on applying makeup!

Check out some of the best beauty

advice from our favorite stars!

1. Wash your face: After a long day, regardless of whether or not you have makeup on, you should always wash your face before heading to bed. Mary J. Blige advises to never go a full day or night without using some sort of cleanser or face wash. Your skin will thank you after you get rid of all that dirt and makeup out of your pores!

2. Stay hydrated: Besides the basic reasons needed to drink water, staying hydrated can also have some major positive effects on your skin. According to America Ferrera, when she started drinking more water, her skin, hair, and nails all flourished. The recommended amount of water to drink per day is at least eight ounces, so let's get to it!

3. Use one product for multiple things: If you're in a rush or looking to condense your daily makeup routine, pick up a product like a lip or cheek tint. Jewel says that she wears a lip stain both on her lips and cheeks to give an overall rosy glow. Wear it under your foundation and this simple makeup look will be perfect for the day.

4. Mix moisturizer and bronzer: If you're looking to achieve a perfectly natural summer glow, Eva Mendes has a great tip – mix together a shimmery bronzer and your moisturizer, then apply it to your face and blend it out. This look is ideal for those days where you just don't want to wear makeup but still want to have a good base on your face.

5. Pick up a lighter concealer: Instead of purchasing a concealer in the same color as your foundation, pick one up that's one or two shades lighter. Apply the lighter concealer to your under-eyes and high points of your face to give you a

refreshed look. [Kim Kardashian](#) says that she loves this tip because it's perfect for when you're extra tired, or have been traveling a lot.

Create a headpiece for your ice cream by gluing large and thick white clay ovals on top of your headband that resemble melted scoops of vanilla ice cream. The next step for the headpiece is glue large ice cream cones onto the white clay ovals to your best ability. Use extra glue around and under the cone to define the layer of strawberry sauce and paint your glue areas red. For your face, use liquid latex and attach the plastic strawberries to the desired areas of your skin. Paint your face with white face paint like the image seen below and then coat your eyebrows in red face paint. Finish this adorable look with red lipstick, and wear the headpiece that you created!

pink creamed ice shadow and gently brush the cotton balls that are around your face. Make streaky and dripping like lines of ice cream by using the pink and white creamed eye shadow. Beauty Tips: No Makeup Is the New Best Look

By [Melissa Lee](#)

Beauty is an ever-changing market and there are always new beauty trends and tips taking the world by storm. But this season's trend has nothing to do with the best new foundation or eye shadow palette... it's actually wearing no makeup! This revolution was originally led by [Alicia Keys](#) and her decision

to ditch makeup altogether. Keys looks even more gorgeous and healthier than ever – and her sans makeup look might be the reason why!

Looking for some beauty tips for those days you choose to skip makeup? Look no further, because Cupid's got your back!

1. Ice: Keys' makeup artist has actually explained that on days her skin needs a little tightening, ice is the best solution. She'll take a facial massager and put it in the freezer, then roll it over her face to bring the blood to the surface. This tip is supposed to make your skin look more alive, giving the illusion that you're well-rested and ready to take on the day, even when you're not.

2. Cucumber: Remember when you and your friends would have sleepovers and put cucumbers over your eyes for absolutely no reason? Well, turns out cucumber is super beneficial for the skin. As a cooling agent, cucumber works to draw the heat out of the skin and bring the blood to the top. Be careful to avoid the sensitive areas of the eye, but don't be afraid to place it all over the face either!

Beauty Trend: Lollipop Lips Top the Charts as Weirdest

Trend of the Year

By [Cortney Moore](#)

When 2017 started, no one knew the over-lined lip trend would take a messy turn. Well, the makeup artists at MAC Cosmetics showed us that anything is possible with their experimental [beauty trend](#) that is now known as “lollipop lips.” MAC debuted this strange makeup look during London Fashion Week, and it has apparently taken off on social media with avant-garde beauty enthusiasts. Why would anyone try their hand at lollipop lips? It’s intended to mimic the appearance one might get after sucking on a lollipop- which gives off an “innocent” look. If you’re bold enough to try lollipop lips, here are a few [beauty tips](#) to help achieve this outlandish trend.

There's no need to apply your lip color perfectly with this latest beauty trend!

Runway ready: Any lip color works fine if you're going for a runway look, but an untraditional hue adds a fashion-forward edge. Take inspiration from aphrodisiacdeity on Instagram. She mastered this beauty trend with a lavender cream finish. The matching lavender eyebrow highlight and hair color complement the lip stain and pull the whole look together. Don't be afraid to heavy-handedly smudge your lip color if you want to look like MAC model.

Medium smudge: Go for a less messy look by using a bold lip color and smudging it out slightly in select areas. Beauty blogger umaimamehtab effortlessly shows us how to rock the lollipop look with her scarlet red lip gloss. The glossy finish reflects the light in an ethereal way and adds a level of chic to this youthful trend. Note how she mainly smudged the color around her top lip to create an ombré appearance.

Go subtle: If you're on the shier side, a barely-there lollipop look would suit you best. Youtube sensation Celia Leslie shows us that smeared lipstick can be a cute addition to a makeup routine. She smudges her lip stain slightly above her natural lip line, giving off familiar over-lined vibes. Going lighter at the corners of the mouth make it look like you've worn your lip color a long time, and also adds dimension, making lips appear fuller.

At least now you can kiss your love on [date night](#) without worrying about smeared lipstick. Lollipop lips are a life saver for those who have unsteady hands when it comes to applying lip liner. Whatever happens to your lip color, just be confident. Being a little messy is trendier than ever! You don't need to be a masterful makeup artist to look like a celebrity beauty.

Pastel Rainbow: Some might say Kylie Jenner is the queen of changing hair colors. She stunned fans at Coachella last year with multicolored locks. The pastel touch adds a modern twist to rainbow hair. However, it's important to note that this look is very high maintenance.

Product Review: Keep Skin Smooth With Baby Foot

This post was sponsored by Baby Foot

By [Cortney Moore](#)

Struggle with dry, rough feet? Don't be ashamed! Plenty of people have this issue. Despite how common it is, you shouldn't wait for summer time to get your feet in order. Get ahead of the curve this winter, and try Baby Foot, a revolutionary and all-natural foot exfoliant that makes feet smoother and softer than ever! With this [product review](#), we'll show you exactly why Baby Foot should be in your beauty arsenal.

Product Review: Get rid of all that dead skin with the natural Baby Foot exfoliant!

The principal ingredient of Baby Foot is fruit acid, a gentle substance that peels layers of dead skin off. Painlessly, the acids and a blend of 17 natural extracts penetrate the skin

and remove old cells by breaking down desmosomes, which are proteins that hold all the layers together. Through this process, skin is undamaged and peels away the dull parts of the epidermis, revealing a fresh and young layer beneath. After peeling, your feet are reborn- almost like a baby's foot!

All you have to do is cut along the dotted line of Baby Foot and secure the plastic wrappings on your feet. Allow the peel to sit on the feet for about an hour and simply wash it off when it's done. Within three to seven days, dead skin will begin to crust over and fall off the feet. Make sure not to pull at the skin, or you may hurt yourself, as it needs to peel off naturally. If your feet feel dry while peeling occurs, apply a hydrating moisturizer. After a week, your feet should be as good as new!

You can follow up with a second application if you feel that your skin needs it, but make sure to wait at least two weeks before attempting another peel. For those who wish to enhance their peeling effects, cleansing and soaking feet prior can maximize penetration of the peel gel, or adding heat with the use of socks over the Baby Foot plastic can accelerate peeling.

Not sold on Baby Foot yet? Then perhaps you can be convinced by the exfoliant's media hype. Baby Foot has been featured on the *Today Show*, *Marie Claire*, *Style Watch* and many more. Or check out the trending hashtags like #BabyFootPeelingMask on Instagram and Twitter. There you can see the magic, and read real-life testimonials for this amazing product. Don't be afraid of the foot peel images however, it's all a part of the process.

A single package costs \$25, and can be found in Target, Walmart and other health or [beauty](#) stores. You can use the

Baby Foot locator on the company's website to find shops closest to you. So what are you waiting for? Go out and get the soft and beautiful feet of your dreams. You'll be flip flop ready in no time.

Give the gift of Baby Foot! Your feet will thank you!

Show your body, and the environment some love with these all natural products.

Doubling as your soap and loofa, Pura Naturals brings you their line of [Soap Infused Active Sponges](#) in citrus zest, peppermint volcano, and unscented 3-packs (\$8.99). Face masks are great for relaxation, and even better when they're reusable. The [TheraPearl Face Mask](#) (\$19.99) is an oversized round mask with openings for eyes, nose and mouth. With a fully adjustable Velcro strap, and the choice of heating or chilling it is extremely versatile. 'Botched' Star Dr. Paul Nassif Launches New Anti-Aging Skincare Line

Interview by [Lori Bizzoco](#). Written by [Rebecca White](#)

For those of us who are feeling aged, don't get enough sleep or are constantly stressed, a good skincare product always helps us look and feel better. But, with so many beauty products on the market, how can a girl even choose. That's why we were thrilled to find out that our trusted TV doc, plastic surgeon and former *Real Housewives of Beverly Hills* [reality TV](#) star, Dr. Paul Nassif launched a new anti-aging collection,

[Bio-Clock Dermaceuticals](#) earlier this year. This skincare line is no joke. It fills your pores with love.

During an exclusive celebrity interview with CupidsPulse.com, the star of E!'s reality TV show *Botched* spoke about his new collection and shared details surrounding how his amazing beauty products will cleanse and hydrate your skin just in time for your next [date night](#). You can even check out the famous doctor's summer beauty tips and learn how these products can cleanse, exfoliate, hydrate, and protect your skin in our product review below.

Dr. Paul Nassif's Summer Beauty Tips

As a facial plastic surgeon, it comes as no surprise that Dr. Nassif looks at skin differently than a dermatologist would. Even when he's doing a facelift, the reality TV star says he can see the loss of elasticity, collagen, and hydration. That's why his goal was to have active ingredients in his new beauty products, such as ElastaDermC, a potent form of vitamin C, and retinol which will really make your skin glow. Dr. Nassif's skincare line features all of the essential ingredients for a proactive summer, such as the gentle cleanser, detox pads, hydro-screen hydrating serum, and night beauty serum. Like the doctor says, these products will "wipe away the signs of aging." The surgeon explains how to use these products effectively this summer with his beauty tips below.

Related Link: [Product Review: Express Your Love With a Chalk Me UP! T-Shirt](#)

1. Cleanse. This is especially important during the summer because of the hot and humid weather which leads to sweat that takes longer to evaporate off your skin. The *Pure Hydration*

Gentle Cleanser is gentle enough to remove eye makeup but tough enough to remove pore-clogging debris. Don't let that humid weather ruin your skin's glow.

2. Exfoliate. Make sure you exfoliate at the right times. Not only will it help you maintain a fresh fake tan, but gentle facial exfoliation will help create a better canvas for makeup application allowing your skin to wear less on those warm, summer evenings. The *Detox Pads* in Dr. Nassif's new anti-aging skincare line are shown to remove 108% more makeup and dirt than soap and water because of ingredients like retinol, glycolic acid, and salicylic acid (see image above). You will love how amazing your skin feels after a 30-second detox session with this age defying product. Remember to exfoliate the morning after a swim in the pool or ocean, not prior.

3. Hydrate. Stay hydrated. You may have let up on this a little since winter left the premises, but don't give it up for good. A solid moisturizing routine can do many beneficial things for your complexion. Dry skin is unhappy, damage-prone skin, so apply a product to protect it from summertime drying agents like sunburns, salt, and chlorine. The new *Hydro-Screen Hydrating Serum* is a lightweight moisturizer that plumps as it hydrates. "Your skin drinks this product," the surgeon said in an exclusive celebrity interview with CupidsPulse.com. "This is one of the only products that hydrates your skin. Our goal is to increase hydration, luminosity, and help the appearance of discoloration."

4. Protect. Your skin is a barrier that protects you from environmental aggressors like pollution, bacteria, and moisture loss. Keeping your skin healthy helps that barrier continue to work properly. Product Review: Prep for Your Next Date Night with the BeachWaver S1

Offering a unique spin on the traditional curling iron, the BeachWaver S1 has a ceramic barrel that rotates on its own. Created by acclaimed celebrity hairstylist Sarah Potempa, the curling iron performs at two different speeds (slow or fast) and also has a temperature range from 290 to 410 degrees. Faster speeds and hotter temperatures mean you can be out the door and ready for date night quicker than ever

before!

Potempa developed this product specifically for women who have difficulty styling their hair. While the iron will do a majority of the work for you, it also gives you the feeling of being completely in control with an arrow button that provides rotation control as well as a home button that resets the clamp to the start position. No matter what type of hair you have, the BeachWaver S1 will leave you feeling glamorous and ready to take on the world!

With this styling tool, resembling your favorite celebrity's hair is no longer an unachievable goal. Whether you opt for loose and beauty waves like [Lauren Conrad](#) or defined, cascading curls like [Blake Lively](#), you'll feel like a star on your next date night.
