This amazing [beauty product](#) will give your skin that perfect golden glow without damaging UV rays or harsh chemicals. Check out our product review below!

Product Review: Use This Beauty Product for an Instant Glow!

Selfie Tan'n Go Instant Body Bronzer from Performance Brand is alcohol-, paraben-, DHA-, and fragrance-free, so it's moisturizing for your skin and doesn't have that weird smell that so many other body bronzers have. And unlike other fake tanners, Selfie Tan'n Go uses bursting bronzing beads to eliminate streaks and make application flawless. It even has skin firming and toning properties that help reduce the visibility of fine lines and wrinkles.

Just because the weather's warmer doesn't mean we all have time to relax and catch some rays. Thanks to this instant body bronzer, you can get that beautiful sun-kissed glow in just a few minutes. It's a perfect last-minute product to use while prepping for a dinner date with your man or a pool party with your pals. Not only does Selfie Tan'n Go dry instantly, but it washes off easily with just soap and water.

With this beauty product, you're in charge of your color. Use a thin layer to get a lightly bronzed look, or try multiple applications to get a darker tan.

You'll want to complete your look with Selfie Tan'n Go Instant Face Bronzer. It can be used alone or under makeup. Similar to the Body Bronzer, it's non-comedogenic and fragrance-free and uses revolutionary bronzing beads for a swift, streak-free glow. Plus, you can easily wash it off whenever you want. Use this set of bronzers to quickly get a perfect tan from head to toe!

My Amazing Blow Dry Secret Product Review

Not only does this shampoo and conditioner allow for stress-free styling, but they're color-safe too. They'll leave your hair looking shiny and feeling silky for your next date night.

The concentrated antioxidants and acai fruit extracts protect your hair from the damage and breakage often caused by heat. Sunflower seed extract stays in your hair to keep repairing it all day long. By [Sarah Batcheller](#)

What is beautiful about the holidays is that it gives everyone in love a lot of moments in the spotlight with their beau – moments ranging from office parties to family gatherings to alone time by the tree. This can be a problem, though, if you haven't prepared your skin for all of that attention. Luckily, [Jergens](#) is here to help you achieve flawless skin with just one perfect product.

Picture this: You're standing under the mistletoe, and your man comes and wraps his arms around you. You've been waiting for that perfect holiday kiss, but now, all you can think of are those dry spots right around your elbows. Or maybe, you've finally pulled out the sparkly mini-dress that you've been anticipating wearing to your honey's holiday get-together, but the open back exposes dark spots on your skin that don't match your outfit. Your old BB cream didn't go on sheer, so you were afraid to use it on these noticeable areas of your body. Ladies, put down that product (better yet, toss

it in the trash) and pick up Jergens® BB Body Perfecting Skin Cream instead!

Get Five Visible Skin Perfecting Benefits in Just Five Days

This post is sponsored by [Jergens](#).

By Ann Luther

Nothing sparks this girl's confidence like flawless, beautiful skin can. When my skin is at its best from face to feet, I feel like a stunner, and I am ready to take on the world. When I want that coveted, effortlessly perfect look, I have always been a worshiper of the BB cream, but, until now, I have only

been able to find it for my face. Now, for the very first time in the United States, I can enjoy skin that's deeply hydrated, illuminated, visibly firm, even, and virtually flawless by using this all-in-one moisturizer for my face *and* body! It's [Jergens BB Body Perfecting Skin Cream](#), and it is fabulous.

I love it because it is so easy to get and use. I pick it up at my local grocery store, but you can get it at any mass retailer or drugstore nationwide for only \$12.99. It is a total steal for what you're getting out of it: five visible skin perfecting benefits in just five days. You can literally start using it on Monday and begin showing yourself off by Friday night. Also, it smells delicious. It's made with shea butter and coconut water and it makes my man go wild. What more could a girl ask for? Nothing!

I kept going on and on about my new radiant skin, so one of my co-workers April decided to go out and try it for herself. She called me about a week later and was raving, "You were so right! My skin has never looked or felt this good." Now, she's telling all of her friends about it. We are both obsessed and trying to bring everyone we know aboard the Jergens BB Body Perfecting Skin Cream train. Won't you join us?

Jessica Simpson Shares Sexy Photo from Honeymoon

By Laura Seaman

Jessica Simpson was showing off her figure as she Instagramed a photo of herself during her honeymoon with Eric Johnson. The couple enjoyed their honeymoon together at the Four Season Punta Mita Resort in Mexico. A source tells UsMagazine.com that "They had an amazing time and looked so in love during the entire visit."

What are some fashion must-brings for your honeymoon?

Cupid's Advice:

You might not be single and looking to impress anymore, but

that doesn't mean you can't look drop-dead gorgeous on your honeymoon. If anything it gives you more of a reason to look stunning and show your man just how lucky he is to have you as his own. Here are some ways to look amazing on your honeymoon:

1. Bring a new, body-flattering bikini. If you're going somewhere tropical for your honeymoon, you can bet that you'll want to spend some time at the beach or by the pool. Show off your beach body with a bikini that flatters your shape and lets everyone know that just because you're married doesn't mean you're boring.

2. Bring some comfy, yet stylish jeans or shorts. This is your honeymoon, and you're meant to relax and enjoy it. After all the stress of planning a wedding and trying to find the perfect dress, you need to have some clothes that let you just breathe and have fun.

3. Bring your cheesy 'just married' clothes. It might seem silly at first, but this might be the only time you can ever pull off wearing these little 'just married' styles. It can be something as simple as a bracelet or all-out with matching shirts for you and your husband. Not only are they adorable for the honeymoon, but you can keep them for the memories and show them to your kids in the future.

What was your honeymoon style? Let us know in the comments!

Exclusive Celebrity Interview: Beauty Expert Kym Douglas Says, “Fall in Love as Often as You Can”

Interview by Brittany Stubbs. Written by Laura Seaman.

Kym Douglas, known around the world for her beauty expertise, is a woman of many talents, as shown by her frequent television appearances, radio spots, and multiple books. Her motto “bliss happens” is an inspiration to people everywhere as she helps them find ways to be healthy, feel beautiful, and live their lives to the fullest. As she says in our exclusive celebrity interview, “It’s not about trying to look younger; it’s about trying to look your best.”

Exclusive Celebrity Interview with Beauty Expert

The beauty guru started out on *The Ellen Degeneres Show* nine years ago on a one-time guest segment. “Ellen isn’t interested in lipstick and rouge or beauty products. It’s never going to work,’ everyone kept telling me. But the moral of the story is similar to dating: You might count someone out because of your differences, but it may turn out to be something great.” And now, Douglas is the show’s only regular contributor and says that she and the host bring out the best in each other.

Fans may also recognize the beautiful blonde from *Home & Family* on the Hallmark Channel. “I think it’s a wonderful show,” she says. “It’s just so real – real values, real issues. There’s beauty, cooking, making your home reflective of who you are inside.”

Kym Douglas Shares Beauty Tips and Dating Advice

Being the expert on beauty, we asked the TV personality to share some of her summer secrets for looking your best – and she drew from personal experience. Recently, Degeneres sent her to Hawaii for a segment, and her hair had trouble with the heat. However, a dab of deodorant along her hairline and on her neck kept the sweat from frizzing up her luscious locks.

Another seemingly odd beauty tip involves egg whites. “Before a date night with my husband, I’ll wear a mask of whipped egg whites on my face. It helps tighten up my skin so I feel comfortable wearing less makeup.” And we all know: The less makeup you pile on, the less chance that it will melt off in the heat. An easy and inexpensive way to conquer the summer weather!

When it comes to summer makeup trends, Douglas knows exactly what's in this season. "The biggest thing is dark, full brows," she says. Everything else on the face is muted and light to give your eyes a great pop without having to wear a lot of heavy makeup.

In terms of hairstyles, Douglas says it's all about the braids – "whether it's a braid wrapped around the crown of your hair or a small braid on the side." No surprise there, as we've already seen celebrities like Beyonce and Blake Lively rock this style.

While these trends may come and go, Douglas notes one simple trend that's here to stay: "I really think that, if I had to sum it up in one word, I would say that 'fresh' is the goal for beauty. Try to look fresh!" she explains in our exclusive celebrity interview.

This summer look is bound to get a man's attention, and Douglas knows a thing or two about a summer relationship and love. In her experience, summer love was always the best type of love. "It was something about the free feeling and the happiness of summer. I always fell in love with a new guy, and he would be the love of my life at that time." Douglas still remembers the names of them all and encourages others to enjoy their summer flings: "Fall in love as often as you can!"

Since then, Douglas has found the real love of her life and started a family. She now "has it all" with her husband, her son, and her successful career. She had always wanted these things but didn't know how to make it happen. So when she first went on *The View*, she looked to Barbara Walters for life and relationship advice. "I asked her what it took, and she

told me, 'You can have it all; you really can. You just can't have it all at the same time.' I really took those words to heart."

You can see Kym Douglas regularly on Hallmark Channel's Home & Family weekdays at 10 am ET/PT.

What's Your Sign? Get Gel Nails With NaiLuv At-Home Professional Gel Kit & Zodiac Collection

This post is sponsored by NaiLuv.

By Liz Kim

Think that you can get fabulous gel nails only at the salon? Think again! CupidsPulse.com and [NaiLuv](#) have teamed up to bring you the ultimate gel nail giveaway. With their easy-to-use Gel Nail Polish 9-Piece Complete Kit and their Zodiac Collection of 12 colors, you'll have fabulous and long-lasting gel nails all year-round.

Gel polish has been a beauty buzzword for quite some time now – and for good reason. It's a safer alternative to acrylics because, even when the gel polish is removed, your nails are left stronger and harder than with acrylics, which can leave nails feeling thin and brittle. Gel polishes are created to stay on longer and don't wear off or dent as easily as regular manicures. You're also left with a shiny and smoother looking manicure.

But gel nails can be on the pricey end, especially if you regularly go to the salon. With NaiLuv's kit, you'll save money *without* having to sacrifice beautiful nails. If you're the type that loves to have a new nail color with every outfit, these products give you the polished look of painted nails without the commitment to a color.

The Gel Nails Starter Kit includes all of the essentials to achieve a perfect manicure at home, including: a four-watt Battery Powered LED lamp, NaiLuv gel polish "Homebody Not" (15 mL), dual purpose base/top coat (15 mL), bonder (15 mL), cleanser (60 mL), remover (60 mL), cuticle stick, and nail file. The directions couldn't be simpler! Prep your nails with the cuticle stick and buffer. Then, apply a thin layer of the bonder, followed by the "Homebody Not" polish. Place your nails under the LED light. Add the topcoat and place your nails under the LED light again. You'll have a salon-worthy manicure that won't smudge or dull in just about 10 minutes.

If you're into astrology, you can share your sign with your nails! Along with the at-home gel kit, NaiLuv is also giving away their Zodiac Collection polish set. The 12 shades are heavily pigmented and guaranteed to satisfy even the most stubborn of Tauruses. NaiLuv's polishes last for up to two weeks, and with such smooth application, you won't have to worry about bubbling, inconsistent drying, or runniness.

After a long winter of gloves and hands stuffed into coat pockets, it's time for you to show off your nails and welcome summer with bright, beautiful gel manicures. With NaiLuv, achieving a professional look is as easy as 1-2-3!

Give everyone around you a taste of your free spirit with Juicy Couture's Malibu Collection fragrances. With your fresh and fruity smell, there'll be no doubt that you're a fun-loving girl ready to go out and seize the day. That's exactly who single guys are looking for this summer: someone who's flirty and ready for anything!

Be the confident star you always knew you could be with these two scents that will take you back to the California coast – even if you're in a tiny East Coast bar trying to catch that cutie's attention. Let his mind wander past the smell of beer and over the sound of the baseball game and into the image of

you two sitting on a sunny Los Angeles beach with strawberry daiquiris in your hands.

Put on a spritz of Juicy Couture Malibu before you leave for your first date. He might be expecting to see you all dolled up, but what he *isn't* expecting is a blast of watermelon, pink passion fruit, and jasmine flowers to announce your presence. When you walk over to greet him, he probably won't know how to react, so just be ready to pick his jaw up off the floor.

When he asks to see you again (which we know he will), keep him guessing with a completely new scent. Spray a little Couture La La Malibu to entice him with the smell of red currant, orange blossom, and pink sugar crystals. Don't be surprised when he sticks to your side all night – he just can't get enough of you!

Now, for the best part: CupidsPulse.com is giving away both of these fragrances, Juicy Couture Malibu and Couture La La Malibu, to one lucky reader! These perfumes are sure to bring out that confident and sexy California girl in anyone, and no man can resist that. Let yourself stand out and shine this summer!

Bravo Reality TV Star Tabatha Coffey Says It's Important to "Connect and Continue to Get to Know Your Partner"

By Brittany Stubbs

Celebrity hairstylist Tabatha Coffey is more than just an expert on bouncy curls and shiny locks. Known for her business expertise and tough-love approach while helping restore struggling salons on Bravo's reality TV show *Tabatha Takes Over*, it's no wonder the questions from viewers inspired the star to put her profitable advice on paper. In her new book *Own It! Be the Boss of Your Life – Home and in the Workplace*,

she provides readers with the tools to be successful not only in their professional lives but in their personal lives as well.

Exclusive Celebrity Interview with Reality TV Star

“Living a successful and well-balanced life is, to me, what it’s all about,” she shares in our exclusive celebrity interview. With so many people today struggling with work-life balance, Coffey believes her book will empower readers of all kinds, whether they’re looking to move up in a current career, they’re fresh out of college, or they’re stay-at-home mothers. More than just a catchy title, she shows readers how to “own it,” teaching them how to take control and responsibility for their own lives.

Related Link: [Molly Sims Talks New Hair Color & Favorite Date Night Looks](#)

While her blunt honesty has often been perceived as bitchiness, she says that “it’s always in the name of helping someone.” Whether giving a new haircut to make a woman feel beautiful or guiding a failing business owner towards a fresh start, the author has always been passionate and motivated by any activity that can empower people.

But empowering people sometimes requires a harsh reality check. “It’s just my tough love that comes from a place of wanting people to move forward,” she admits. “I truly understand when people get upset by some of the things I say because change is hard. Sometimes, people who ask for my help don’t really want to hear the truth, but they need to hear it in order to make changes and become successful.”

Speaking of asking for help, we couldn’t help but pick the hairstylist’s brain for a few summer hair tips. After all, it

is her expertise! When it comes to managing hair in the hot and humid months to come, “it’s all about using the right product to protect your hair in the sun, especially if you have color in your hair. There are many products out there that will help minimize the fading you’re going to get from the sun.” While it might seem like your hair is constantly in the water between pool parties and trips to the beach, she encourages you to rehydrate your hair with a great conditioner or treatment too.

Related Link: [Celebrity Stylist Raphael Reboh Says Jennifer Lopez Has the Best Hair in Hollywood](#)

One thing Coffey loves about summer is embracing a more casual look. Whether you’re letting your hair air-dry, rocking a messy ponytail, or just slicking back short hair, try using a leave-in conditioner to get a nice treatment in your hair and a smooth result without a bunch of mousse or gel. The reality TV star assures us that this hair trend will be spotted in Hollywood as well. “We’ll definitely see waves, especially more casual, beachy waves that allow movement and more of a natural texture to the hair as opposed to being so formal and so done with a curling iron.”

Another great, summer go-to style that she predicts celebrities will be wearing is ponytails. Whether high or low, with or without a part, “ponytails are a great summer trend and can look incredibly chic, even if you’re wearing an evening gown.”

Tabatha Coffey Shares Her Best Dating Advice

Although hair and business have been her main focus, Coffey stresses the importance of still making time for a relationship and love life. Being with the same partner for over a decade, she has learned that it’s important to avoid

routines. “The longer you’ve been in a relationship with someone, the easier it is to get in the habit of just doing your duties and going about your daily routine side-by-side,” she explains of her best [dating advice](#). “I think it’s important to make an effort to go to the movies or go out to dinner and spend time connecting and continuing to get to know your significant other better instead of just the daily updates that we all seem to do.”

Related Link: [Tabatha Coffey Shares Life, Relationship, and Hair Tips](#)

While the Australian native believes in scheduling time for your partner, she encourages you to not forget about yourself too. “It’s often easier to just focus on work or on putting other people first, but you can’t put yourself on the back burner.” Whether it’s five minutes of meditating a day or just enjoying a cup of tea, you need to take time to reenergize and do something nice for yourself.

Still, she knows with today’s constant connection to our phones and tablets that this is often easier said than done. You have to work to find out what works best for you. For Coffey, one of her activities of choice is playing Candy Crush. “I’m obsessed,” she says with a laugh – but sometimes, that’s all she needs.

Giveaway: Harness the Power of Antioxidants with derma e Skincare Bundle

This post is sponsored by derma e.

By Elizabeth Kim

Even after eating a balanced diet, exercising, getting enough sleeping, and drinking plenty of water, the amount of toxins we're exposed to each day is astounding. Sun exposure, secondhand smoke, and even stress can build up these harmful chemicals that are absorbed by the body. Free radicals try to compensate, but because they damage the cells, we end up with wrinkles. Luckily, CupidsPulse.com is teaming up with derma e to share with you five of their bestselling products aimed at bringing back the glow and firmness of healthy, nourished skin.

Dr. Linda Miles, the co-founder and chief formulator of derma e, considers herself first and foremost a healer and believes that our skin is the "outward expression of our inner health." Using her 30 years of experience with oriental medicine and holistic practices, Dr. Miles formulated products that do more than cover up your problem areas: They optimize your skin's health and give you visible, glowing results.

Antioxidants serve as the body's natural protectors against free radicals and stop them before they damage the cells, which is why derma e products are antioxidant-rich. When applied topically, they are the quickest way to protect skin. Fine lines and wrinkles are smoothed out; inflammation and hyper-pigmentation are soothed; and texture and elasticity are greatly improved.

Our giveaway bundle includes the **Evenly Radiant Brightening Day Creme with SPF 15, Evenly Radiant Brightening Night Creme, Evenly Radiant Brightening Serum, Evenly Radiant Dark Circle Eye Creme, and Microdermabrasion Scrub.** These products are paraben-free, phthalate-free, GMO-free, gluten-free, sodium lauryl sulfate-free, petrolatum-free, mineral oil-free, and dye-free. All derma e products are 100 percent vegan and cruelty-free.

Grand Central Beauty guarantees “classic treatments with “modern results.” With their hypoallergenic, clinically-tested skin care products that are free of parabens, sulfates, and petrochemicals, Ginger King and Jackie Lee have delivered on their promise. CupidsPulse.com wants to make sure you get the most out of the one skin you have, which is why we teamed up with the company to give one lucky winner a three-product giveaway bundle that will bring the spa to your home.

Grand Central Beauty is a New York-based company whose name

was inspired by “the classic beauty and modern efficiency of Grand Centrals worldwide.” King previously held management positions with Freeze 24/7, Avon, Joico and JÄ€SÄ–N and currently holds several patents in cosmetic formulations. She developed hundreds of products from hair care to skin care to color cosmetics. With a repertoire as impressive as her’s, it’s safe to assume that King brought that same level of quality and innovation to Grand Central Beauty.

Our exclusive giveaway includes three products from Grand Central Beauty’s S.M.A.R.T. SKIN PERFECTING SKINCARE line: the S.M.A.R.T. Skin Perfecting Polisher, S.M.A.R.T. Skin Perfecting Serum, and S.M.A.R.T. Skin Perfecting Mask Deluxe Sampler. By the way, S.M.A.R.T. stands for: **S**moothes, **M**oisturizes, **A**nti-Aging, **R**edness-reducing, **T**ones. Yes, yes, and yes!

The polisher is a multi-efficient exfoliating toning peel that takes just 30 seconds to treat and is made with natural fruits, natural botanicals, and polishing beads. It’s the first polisher on the market that exfoliates, peels, and tones – all in one easy step. It also hydrates the skin and gently unclogs pores and dead cells, bringing tired skin back to life.

The serum fills in lines, diminishing the look of wrinkles and pores and creating a flawless canvas for makeup. Skin is immediately smoothed and softened, and makeup lasts longer and looks more finished.

The mask uses seaweed extract to tone and smooth skin, while detoxifying marine algae targets wrinkles. Blackheads are drawn out; pores become smaller; and skin is more elastic thanks to mineral-packed marine powders. Because the mask is water-activated, you’re also left with 24 hours of intense moisture.

With this skincare arsenal, you’re guaranteed to look great

and feel confident on any date night!

Celebrity Interview: Hair Stylist Raphael Reboh Says Jennifer Lopez Has the Best Hair in Hollywood

By Brittany Stubbs

We all want to look our best, and that begins with managing our hair. With clients including Cameron Diaz, Jennifer Aniston, Chrissy Tiegan, and Jennifer Lopez, Raphael Reboh definitely knows what he's doing when it comes to achieving glossy locks. Whether it's a celebrity in his chair or not, the stylist finds himself always stressing the same advice: Take care of your hair!

"Women often don't take care of their hair as much as their skin, but they should," he explains in our celebrity interview. "I find it weird that women will run out and buy hundreds of dollars worth of face cream that may not even work, but they won't spend the same amount of money and energy on their hair. Hair is connected to the scalp, so it's just as important."

Celebrity Interview with Hair Stylist to the Stars

Reboh explains that part of having healthy hair is knowing what's in the products you're using. He recommends speaking with a hair stylist who really knows your hair type to help guide you to the products and ingredients that will help *you* specifically – because, like a fingerprint, everyone's hair is unique.

Although the Brazilian Blowout got a bad rep when the Keratin Treatment was introduced, the Miami native has a more positive opinion about the treatment. “I think Brazilian Blowouts are a miracle. Unlike Keratin Treatments that often dry the hair and make it flat, I find the Brazilian Blowout provides more shine and actually repairs the hair. I see the return of clients after the Blowout, and their hair is incredible.”

Reboh is even working on his own line of products with a similar treatment that he wants to call the Miami Blowout. He stresses that, no matter what treatment you're having done, it's very important that it's done properly. So make sure your stylist has plenty of experience!

Given Reboh's work styling celebrities, we couldn't help but ask a couple of questions about hair in Hollywood. In our celebrity interview, he raved about [Jennifer Lopez](#). Having done J. Lo's hair from the beginning of her career, he believes her gorgeous locks come from both good hair care and amazing cuts. “Great hair is all about movement, which comes from a great haircut,” he reveals.

When asked who needs to change their hair, he didn't rat on any celebrity specifically, but he did voice his excitement for the short hair trend coming back, using the cut that

[Beyonce](#) recently rocked for the Grammy Awards as an example. He candidly admits that he's tired of everyone having long waves. With long hair, you can turn on the curling iron and cover up a bad cut or damaged hair, but "short hair is where the talent is – which means you need to find a stylist who knows what they're doing because short hair shows everything."

Celebrity Hair Stylist Shares Beauty and Dating Advice

Most people don't have the luxury of a professional stylist doing their hair everyday, but there are still little tricks that can help you look your best in between washes. Reboh encourages you to use dry shampoo to freshen hair, remove oils, and give your hair the movement of freshly-cleaned locks. Consider this dating advice before your next night out with your man: "The most important part of doing your hair is making it look sexy," he shares.

Speaking of sexy, we asked this celebrity stylist for his thoughts on what men find sexiest when it comes to hair. "Men often like women to have a lot of hair, not just in length but in body," he says. "Extensions are great for adding thickness to your hair, even if you don't want added length." With this thought in mind, Reboh created his own extension line that consists of hair from Russia that is healthy, shiny, and lightweight, allowing your man to feel your head without even noticing the pieces.

Sexy hair isn't just about texture or thickness though; the hair style you choose plays a role as well. Although a woman can look fabulous with curly or straight hair, Reboh encourages women to make sure they're curling their hair the proper way. "If the curls aren't done right, they can make

women look older,” he explains. “When you’re curling hair yourself, make sure you know what you’re doing to make those beautiful, open curls because *that’s* what looks sexy.” If you don’t know the correct approach to curling, consider going with a classic, straight style with a lot of body.

If you’re in a time crunch to get sexy hair for tonight’s hot date, the stylist says to consider an updo (of course, using that dry shampoo again). It doesn’t have to be over-the-top, just something that is “simple and pretty and will correlate nicely with a romantic dinner.”

Celebrity Interview with Hair Stylist Chaz Dean: “The Most

Important Part is Feeling Sexy”

Interview by [Lori Bizzoco](#). Editorial by Kristin Mattern.

Stylist to the stars Chaz Dean has been creating covetable celebrity looks for years. An authority on hair care, Dean began developing his own natural product line called WEN in 1996. After building an A-list clientele, he started Chaz Dean Studio in Hollywood where celebs can escape the typical salon products and pestering paparazzi for a calm, rejuvenating experience. With his WEN products as well as the [date night](#) tips he shares below, he brings Hollywood style to the masses in our exclusive celebrity interview.

Celebrity Interview with Chaz Dean

Push your bangs out of your eyes and get ready to see clearly, ladies, because this hairdresser cuts away at the salon facade to reveal the truth about hair care. The way you care for your hair is why you don't have tresses like [Jennifer Aniston's](#), but even America's sweetheart chopped off her locks recently – and it wasn't just to be trendy. “She cut her hair short because of a bad keratin treatment,” Dean explains. Brazilian blowouts, keratin treatments, and Japanese straighteners are touted as healthy for your hair, but this stylist believes differently. “People think it's good, and it's not. It takes such a toll on your hair. Your hair is protein; protein does not need more protein.” He says that added protein makes already dry hair more brittle, causing breakage. If you really want to strengthen your hair, moisture and collagen elements are what you need.

Given his passion for this topic, it's no surprise that hair foibles were part of Dean's motivation for creating WEN. Women want soft, touchable hair that also shines with vibrant color. Looking to keep color from fading, the hair alchemist turned to herbal inspiration: “I literally went to my garden and took sage, rosemary, lavender, eucalyptus, apple, bananas, and pears and boiled them together in my kitchen,” he explains in our celebrity interview. “It smelled incredible, and when I cleansed my hair with it, the natural astringents paired with antibacterial and moisturizing properties made my hair feel clean and silky.” Dean knew he had discovered the miracle recipe he'd been seeking and wanted to get this product to his customers. After nearly five years of lab work, WEN was born in 2000.

In 2005, the hair stylist started working with QVC. “QVC has been a blessing for me because I get feedback from customers.

They all have their opinions, and whether it's good or bad, you learn and you grow from it," the client-centered stylist says. "The most important part to me is making people's life easier by embracing their natural hair's texture and giving them the hair they've dreamed of." On air, Dean showcases his powerful product; whether you have the kinkiest of curls or baby fine locks, WEN makes hair shiny and buttery smooth.

Hair Stylist Talks Best Celeb Hair

Celebrities enjoy WEN products at home and trust him to make their hair radiant when they visit his salon. When asked if he had a favorite famous client, Dean candidly responds, "I would say Nicole Murphy because she trusts me to give her the best look." But when it comes to who has the best hair, he thinks Megan Fox has an enviable mane. "She was doing an interview recently, and she looked gorgeous. Gorgeous! Her hair, I believe, always looks good." Who wears the short trend best? Isabel Lucas, whose crop he describes as adorable. Christina Aguilera's hair doesn't get such a glowing review from the master stylist. "If she doesn't stop bleaching it to an inch of its life, she's going to end up having to cut her hair off. Girl, you can have blonde, but it shouldn't be translucent or yellow."

Every woman, famous or not, wants beautiful hair that men find attractive. So do you go Rapunzel long or Daisy Buchanan short? "Men want hair that is soft and touchable, hair that they can run their hands through." The stylist believes only insecure men need their women to have long hair; secure men are fine with women rocking short hair. To really impress your guy, wear a style that makes you feel sexy. If your man tells you how to wear your hair, the hairdresser says to put him in his place: "Tell him that when he grows his hair out, then

you'll do what he wants."

A woman's hairstyle is perhaps most important on her wedding day, and brides often wonder what 'do is best to say "I do." Dean suggests being yourself. "Whether you're a sexy rocker girl, a timid and sweet curly girl, or a wavy girl, bring out that element." For damage-free curls, the hairdresser advises rolling hair into sponge rollers, misting with WEN Replenishing Treatment Mist, and taking a shower (without getting your hair wet); by the time you're done with your makeup, your hair will be set with amazing curls without the damage of a curling iron. Don't wait until you get hitched to try this style; use this tip for your next night on the town with your sweetie for a sure-to-wow blowout!

Continuing to expand his popular line, WEN products are for the whole family – even Fido! WEN has a pet line that cleanses while repelling ticks and fleas. The kid's line, nicknamed WEN Sensitive, is allergen-free and perfect for anyone with whey, wheat, gluten, menthol, soy, or nut allergies. The line eventually expanded to include WEN for babies and seasonal varieties like summer honey peach, which Dean calls "heaven in a bottle." Plus, WEN Men will soon be hitting shelves to address men's unique hair issues.

WEN will you and your's be ready to wear amazing hair?

'Remodeled's' Paul Fisher Wants a Woman Who is Beautiful Inside and Out

By Nisha Ramirez

Paul Fisher is surrounded by beautiful women everyday – he is a modeling agent, after all. The passionate, no-nonsense agent, who has represented fashion icons like Naomi Campbell and Kimora Lee-Simmons, made it big in the 90's and is now the star of television reality series *Remodeled* on the CW Network. But, *Remodeled* isn't just another show about models; it actually provides Fisher with a platform to change the face of the modeling industry and what society deems beautiful.

From doing drugs to getting dumped, Fisher opens up to us about his career, love life and his fight to redefine beauty. He admits to being “girl crazy” and spiraling out of control as he climbed to the top. “When I decided to get back into the modeling industry again, I had to beg for forgiveness because I was an animal for 20 years. I did drugs; I slept with the girls; I was just an animal,” he explains. “But I did find my faith about five years ago. I walked into The Kabbalah Centre, and it literally changed my life.”

Related Link: [Five Hollywood Relationships That Spiraled Out of Control](#)

Fisher decided to rejoin the modeling world and transform the industry into a safe place for young models. In doing so, he created The Network, a company that helps to create models who are also role models instead of models who are defined by their looks and beauty. It's quite the undertaking. Right now, his firm is comprised of 12,000 models represented by small agencies around the world.

Comfortable with his role behind-the-scenes, Fisher first declined to star in *Remodeled*. He says, “My partners came to me, but I'm a private man. I didn't want to be out there in the public eye; that's just not who I am. Then they came back to me and said, ‘Paul, this show could really expedite our mission.’”

What is the mission? To contact the fashion magazines and

designers and ask them to rethink their definition of beauty. "I want to go to war with any designer that has a thin, 16-year-old girl walk down the runway, who inadvertently encourages young girls around the world to put their finger down their mouth because they think they have to weigh 116 pounds," he says. "The average woman is 5'4 and 143 pounds. That is beautiful. That is sexy!"

Expanding on this idea, Fisher believes that the fashion industry has created a false picture of what a woman should look like. Through The Network and his work on *Remodeled*, he inspires his female and male models to be confident and healthy in an industry that scrutinizes their every feature. The powerhouse agent knows that self-esteem issues caused by magazines and designers extends to real women everywhere.

Related Link: [4 Things Men Worry About](#)

"This isn't a business to me. It's a movement, and you're a part of my movement. I'm really working, with every fiber of my being, to change the industry," he reveals. "And I am going to sit at a Calvin Klein fashion show a year or two from now, and we're not going to see skinny kids walking down the runway."

Since Fisher is representing models in an industry that he calls "destructive," he tells his clients that beauty is only skin deep. "You are going to find a man or woman out there who is going to think that you are perfect and that you shouldn't change one little thing about yourself. Your physical reality is irrelevant anyways."

Despite his work in an industry that focuses on appearance above all else, Fisher believes that looks aren't everything. "I've dated the most beautiful women in the world, and I've lived with the most beautiful woman in the world," he says. "Yes, physical attraction is important, but much more important is being on the same path spiritually, wanting the

same things as far as giving back to the world and truly trying to make a difference.”

Fisher is looking for a woman in his personal life who is beautiful inside *and* out. “About two years ago, right before I was supposed to get married, I got dumped by my beautiful fiancée, and I have not been with anyone since then.”

Related Link: [Rachel A. Sussman Helps Us Recover After a Breakup in ‘The Breakup Bible’](#)

Going into more detail, he adds, “I am very passionate about my family, my faith and The Network because I really believe that we’re trying to do something special. I hope that soon, I become passionate about finding my soul mate because I certainly would love to have children and be a role model for a couple of kids.”

With a mission to reinvent the fashion industry like he reinvented his life, Fisher is excited for the new season of *Remodeled*. As he explains, “We’re creating some stars, and it’s pretty damn exciting. I give these models some pretty damn tough love, and I think people are going to really enjoy it.”

If you want to be a part of Paul Fisher’s fashion movement and learn more about The Network, check out his www.TheNetwork.com. Remodeled returns to the CW network on Monday, July 9th at 9/8c – be sure to tune in!
