### **Cupid's Advice:**

Mary-Louise Parker's story is a sad one. Nobody should be left abruptly, not even a celebrity going through a celebrity pregnancy. In fact, this is when someone needs you the most. So, Cupid is here to offer tips on how to support your partner through pregnancy:

**1. Take on more chores:** Your partner will still be able to do things around the house, but some things may be limited, such as vacuuming. She won't be able to bend over and pick up articles on the floor to move them out of the way. Help her out by taking on what she can't do.

**2. Be there for her:** No matter the time, day or night (read: middle of the night), be there for your girl. If she needs something or wants something, don't be afraid to help her get it. Even if it's an outrageous request like peanut butter and pickles.
