2. [Blake Lively](#) and Penn Badgley: Dan and Serena from *Gossip Girl* had a romantic relationship on-screen, and so did the celebs who played them off-screen. After three years of dating, the Hollywood couple called it quits in 2010, but remained friendly with each other while the show continued until 2012.

Hollywood Couple Blake Lively and Ryan Reynolds Battle for Daughter's First Word

By Meranda Yslas

New celeb parents, [Hollywood couple](#) Blake Lively and [Ryan Reynolds](#) are competing to see what will be their baby's first word. As told in [People](#), the *Gossip Girl* actress has heard her celebrity love, Reynolds, teaching their daughter to say 'Da-da.' Wanting to make sure 'Ma-ma' is the first word, she joked, "The word 'Da-da' is banned in our house."

It seems that even Hollywood couples squabble about their kids! What are some ways to compromise with your partner when it comes to parenting?

Cupid's Advice:

It isn't only Hollywood couples who get in tiffs about parenting styles, almost all parents are known to do things a little bit differently than their partners. To make sure you two are on the same page when it comes to raising your little ones, here is Cupid's relationship advice about making compromises:

1. Create a list: If your partner does something in his parenting style that you don't agree with or you find ineffective, sit down with him or her and compile a list of these actions. They can do the same thing, and if you both list a similar action, it can be something you both can work on eliminating.

2. Don't make someone be the bad guy: It is very common in a couple that one will be the 'nice' parent, who lets their kids eat ice cream before dinner, while the other one is labeled the 'mean' parent, who enforces the rules and puts the kids in timeout. Rather than creating this tension, make sure to share the responsibility of who has to discipline the kids.

3. Let the little things go: You will drive yourself crazy

trying to control every aspect of you and your partner's parenting style. The little things, like you saying bedtime is 8:00pm while your partner says 8:30, shouldn't cause you to stress.

Cupid's Advice:

When we begin to date someone new, we may have a lingering curiosity about his or her past; it's human nature! Everybody has to start somewhere. But, what if your partner's past wasn't as great as you expected it to be? What if he or she isn't interested in giving you details? Below is some dating advice and a few suggestions regarding how to get over their past.

- 1. Look at your own past:** Take a good, hard look in the mirror and decide. Can you fairly judge this person? I'm sure there are a few items in your past that you're not proud of. Don't

be so quick to point a finger or criticize.

Penn Badgley Says Celebrity Ex Blake Lively Was Best and Worst On-Screen Kiss

By Maggie Manfredi

Pucker up Penn! According to UsMagazine.com, Penn Badgley dished the details on his on and off screen romance with celebrity ex Blake Lively during their run on *Gossip Girl*. A viewer called in to *Watch What Happens Live* and asked who was his best and worst on-screen kiss, and the actor had an interesting response with regards to his celebrity ex. Badgley said, "I'd say best...I'll say it was Blake, because we actually had a relationship at the time. As for his worst? Maybe Blake after we broke up." The former famous couple had a real life relationship and love from 2007 to 2010. Lively is now a mother and married to Ryan Reynolds.

Sometimes celebrity exes have to work together after a break-up. What are some ways to take the awkwardness out of working with an

ex?

There is a reason why there's an old saying "don't dip your pen in the company ink." Some say it is unprofessional, Cupid says this rule is more to save yourself from the awkwardness of working with an ex. But fear not if you broke this rule, Cupid has some tips on how to move forward:

Cupid's Advice:

1. Talk about it: You were lovers but you are still co-workers, so now what? You have to talk about the steps forward. Make sure you understand how you will handle telling your co-workers or boss depending on who knows. Talk through how your day-to-day will change and how you will treat each other in the office. Put it all out on the table so there is no confusion or discomfort.

2. Keep it professional: Don't bring your break up drama into the office! Lively and Badgley seemed to have handled their situation with maturity and grace. They remained amicable and you can too. Don't get your co-workers involved in the relationship and keep any arguments or personal discussions for your own time.

3. Work even harder: Take this situation and spin it into a positive! Throw yourself into your work and make a commitment to being better and stronger in the work place as an individual and a professional. It will help take your mind off of the recent break up and it will feel good.

Their Lips are Sealed: 5 Celebrity Couples That Kept a Secret

by Molly Jacob

What's juicier than a best kept secret? Sometimes we like to keep things to ourselves, and celebrities are no different. With all the celebrity gossip that follows anything anyone

famous does, we don't blame people in Hollywood relationships who like to keep their lips sealed.

From secret baby daddies to secret weddings, see what celebrity couples have kept a secret!

1. Hilarie Burton and Jeffrey Dean Morgan: The *One Tree Hill* star not only managed to keep her relationship with *Grey's Anatomy* actor Jeffrey Dean Morgan a secret, but also a baby bump! Burton and Morgan's relationship apparently moved along very quickly in 2009, so no one knew they were together (but this celebrity couple has stayed together ever since). Because she managed to avoid the spotlight after finding out she was pregnant, fans were shocked to find out she was expecting. In March 2010, she gave birth to their son, Augustus. She continued to be tight-lipped about the birth and name of her son until months later, even as the celebrity gossip swirled around them.

2. Leighton Meester and Adam Brody: These two lovebirds kept their romance a secret! A source revealed in February 2013 that the two were dating, and they had been close ever since working together in 2011 on the set of the film *The Oranges*. In November 2013, a source confirmed that the duo had gotten secretly married. This news came out only three months after their engagement went public, something else they were super secretive about. Being in a Hollywood relationship often comes with a lot of gossip and speculation, so these two probably wanted to keep their relationship as drama-free as possible.

[Related: Leighton Meester and Adam Brody Secretly Marry](#)

3. Jude Law and Samantha Burke: Although these two aren't a celebrity couple anymore, this duo kept a secret back in 2008. Law, known for his scandalous affairs, had a secret, brief

fling with model and aspiring actress Samantha Burke. She found out she was pregnant soon after, and conducted a DNA test to determine that Law was the father. Burke gave birth to Sophia, their baby girl, in September of 2009. Although he is no longer in their lives, Law did make a statement in 2009 that he would be supportive of both mother and daughter.

4. Ryan Reynolds and Blake Lively: This Hollywood relationship also seemingly came out of somewhere. Reynolds and Lively married at a secret and private wedding ceremony in 2012 even before publicly confirming their relationship or announcing an engagement. Even more interesting: this was not Reynolds' first secret wedding. He and Scarlet Johansson got married in secret at a Canadian resort in 2008.

5. Alison Brie and Dave Franco: The *21 Jump Street* star and *Mad Men* actress also apparently like to keep their love from any celebrity gossip mills. Everyone was shocked to find out last spring that the two had been dating for two years. While *Neighbors* fans all over the world received this news with heartbreaking despair, others were surprised they had kept their relationship under wraps for so long.

By Maggie Manfredi

Pass out the pink! According to UsMagazine.com, the latest celebrity baby news revolves around Blake Lively and Ryan Reynolds' new bundle of joy, confirmed to be a girl. Rumors are flying about the pair's addition, specifically when it comes to the name. A mysterious tweet revealed that the happy celebrity couple named their daughter Violet, but it hasn't been confirmed. The baby girl came early, but Lively is already back at work with *Preserve*, her lifestyle website. Now that she's a mom, we can't wait to see the new content!

The birth of your baby may not be the latest celebrity baby news, but what are some creative ways to announce the gender of your child?

Cupid's Advice:

It's an exciting experience to share your baby's gender with friends and family. In light of the happy couple's latest celebrity baby news, here are some creative ways to make a gender announcement of your own:

1. Keep it sweet and simple: Make copies of a recent ultrasound and put it in a colored frame (blue/pink) for a subtle, but lasting reveal. Wrap the frames and watch your loved ones' faces as they figure out what their gift means!

2. Make something yummy: We know that this approach would be Lively-approved! Do a little baking and sneak in the respective color where you can. 3. Blow it up: Buy some colored balloons, balloons filled with glitter, or a combination of the two! Blow them up and put them in a big box. At your baby shower, open the box (or let an older sibling do it) to release the balloons and reveal your baby's gender. If you're not planning a party, tie the balloons to your mailbox instead.

Blake Lively Shares Her Christmas Traditions

By [Courtney Omernick](#)

This week, [UsMagazine.com](#) reported on the interesting Christmas traditions that actress and mom-to-be Blake Lively partakes in each year. Christmas!

What are some ways to make new traditions with a new partner?

Cupid's Advice:

It's almost time to ring in the new year, and if you have a new partner, it can be a great time to create special and fun Christmas traditions. Below is a suggested list of ways to come up with these new traditions:

1. Blend ideas: Seeing as how you both came from different families, you might have a few different traditions. You and your new partner can take ideas from the old traditions that you both have and "reformat" them into a new tradition that you celebrate together.

1. Mentally prepare yourself: The very first thing you should do is determine if you even want children. It's best to welcome a baby when it's on your terms and you're mentally ready for that next stage in your life.

Ryan Reynolds and Blake Lively's Body Language: Confidence is Key

By [Jared Sais](#)

Ryan Reynolds and Blake Lively are one of Hollywood's golden couples, so I thought it'd be fun to look at their body language and see what it reveals about the pair.

Photo 1 (above): Here, the *Gossip Girl* star looks confident. She is standing straight with her head held high and wearing somewhat of a smile, one that looks like a facial expression of contempt. Contempt, in this case, is shown because Lively feels morally superior and empowered by her looks and environment. You can see the unilateral facial expression with a corner of her lip raised. In this particular moment, she feels true power. It also may help that her husband is some good-looking arm candy!

Related Link: [Find Out About Ryan Reynolds and Blake Lively's Life Before Marriage](#)

Speaking of Reynolds, he is holding his wife close as he does the typical hand-in-the-pocket stance. Usually, I like to stay away from keeping my hand in my pocket, as it can be seen as

closed off. The best thing to do is just rest your arm to your side as he does in Photo 4.

Photo 2: Lively is demonstrating a held tilt, which can be seen as endearing, sweet, and vulnerable. Combined with her smile, which is a bit pinched and stretched towards her ears, it indicates that the actress is feeling shy and fearful. Seeing that Reynolds isn't in this photo with her, she could be feeling a bit overwhelmed. I've seen the actress in many photos before, and she typically has her hair down and is a bit more, well, lively. But in this photo, with her hair is up, she appears stiff, which adds to the fact that's she's feeling scared and helpless.

Related Link: [Blake Lively and Ryan Reynolds Take a Mini-Honeymoon in Virginia](#)

Photo 3 and Photo 4: In Photo 3, the beautiful blonde is showing a fake smile. As you can see, there is a lot of movement in the mouth region but nowhere else. Usually, a real smile includes the eyes, cheeks, *and* mouth. We can spot her real smile in Photo 4.

In Photo 3, we see Lively's hands on her hips; some call this pose the Superwoman or Wonder Woman pose. It's a way to demonstrate dominance, strength, and being in control. In many cases, it's a great way to seem confident without actually being confident. Sometimes, faking confidence works just as well as actually having it! By looking at these photos, you can see that the actress is self-assured but also shy, and this strong pose counteracts her shyness.

Robyn Lively Recreated 'Teen Witch' Dance at Blake Lively's Wedding

By Gabriela Robles

Blake Lively and Ryan Reynolds's secret wedding on September 9, 2012 was full of surprises and shockers. What could be so surprising at a secret wedding, you might ask? According to UsMagazine.com Robyn Lively, Blake's older sister best known for being the lead in *Teen Witch*, a 1989 teen comedy-fantasy, added some '80s fun for the wedding: The *Teen Witch* dance!

What are some surprise elements you can add to your wedding?

Cupid's Advice:

You want your wedding to be special, something that people will remember. But sometimes everyone has the same idea as to what "unique" is. So how can you make your big day kick butt in the unforgettable department? Cupid has some ideas for you:

1. Get some inspiration: It doesn't hurt to use Google or Pinterest for this. You might want to see what some other people accomplished at their wedding to get some ideas. Just make sure you put your own spin on things – you don't want to take the exact idea from another wedding!

2. Make sure it represents the both of you: Just because you think it'll "wow" the crowd, doesn't mean you should necessarily do it. You want to make sure that this symbolizes something has to do with the both of you as a couple. Brainstorm some ideas together and you'll definitely come up with something that is "so you guys."

3. Ask some family and friends for help: You might want something that requires more than two people. Sometimes this makes things even more fun! If you have an idea but aren't sure how to put it to action – ask for help. Making it a group project can sometimes bring the excitement even more!

What are some ways that you added surprise elements into your wedding? Tell us in the comments below!

From Kanye and Kim to Justin and Jessica: Which Celeb Couples are Really Compatible?

By Stephanie Caramelli

We see them on the red carpet, walking through the airport or taking a stroll on the beach. Celebrity couples are everywhere and we can't get enough of them. Supermarket magazines fly off the shelves when there's a famous couple on the cover.

So how compatible are these celeb couples when there's no paparazzi around? Gary Goldschneider's bestselling book "The Secret Language of Relationships" offers a very revealing look

at different relationship combinations. Let's put some of Hollywood's hottest relationships to the Secret Language test:

1. Kim Kardashian and Kanye West: This relationship combo is all about being center stage. It almost always focuses on issues greater than the partners' feelings for each other. Marriage is possible, but this relationship dynamic is more about Kim and Kanye's joint impact on the world, and less about true love.

Related: [How to Define Your Aura to Find Lasting Love](#)

2. Justin Timberlake and Jessica Biel: One word: boring. Love affairs between these two are affectionate, but rarely passionate. Jessica and Justin's marriage could go for years at a very ho-hum pace. The relationship will be satisfying, but uneventful.

3. Channing Tatum and Jenna Dewan: Channing loves spoiling Jenna and feels like her protector. This combination is good as long as they don't keep secrets from each other. Tatum and Jenna really need to relate on a deep, emotional level for this marriage to work. Overall, though, it's a winning combination and ideal for marriage.

Related: [Khloe Kardashian Gives Tips for a Happy Marriage](#)

4. Blake Lively and Ryan Reynolds: Sparks definitely fly between Blake and Ryan. Love affairs in this combination are extremely passionate, but there is an emphasis on superficial things that could be destructive in the long run. For these two, the chemistry is great, as long as they don't lose their looks! The combination is most ideal for a love affair.

5. Gwen Stefani and Gavin Rossdale: The relationship between Gwen and Gavin can work, as long as power trips don't get in the way. Love and marriage can fall apart in this combination if one or both of the partners let their ambitions get out of

control. Gwen and Gavin are better suited as friends.

Of course, you can use "The Secret Language of Relationships" to check out your own relationships too. Not just with your boyfriend, but with your mom, child or BFF. There's now an interactive relationship calculator based on the bestselling book that's fun to play with: www.thesecretlanguage.com/-check/relationship. The Secret Language website also offers loads of celebrity relationship news: marriages, births, break-ups, etc. Check it out! www.thesecretlanguage.com/today.

An onlooker describes them dressed casually. Reynolds had a knit hat, and Lively wore a "cute bright green puffer jacket" as they entered the Robert DeNiro co-owned restaurant. The pair have been married for five months.

Top 5 Celebrity Couple Predictions

By Yolanda Shoshana

It can be hard keeping up with the love life of celebrities. If you blink, you just might miss a breakup or a week long relationship between two costars. I pulled out my crystal skull to do predictions on some of the celebrities everyone wants to know more about:

1. Blake Lively and Ryan Reynolds: This was the surprise wedding of the summer. Some media outlets have called Lively a trophy wife, because they believe she nothing but arm candy. I say, take a good look at Reynolds, because last time I checked, he was quite easy on the eyes. If anyone won a trophy it is Lively. Their age difference actually evens out since women tend to mature faster than men; they meet right in the middle. I predict that Lively and Reynolds will have a fabulous marriage and stay pretty quiet when it comes to Hollywood drama. Let's root for these two, as their future is bright. By February, there will baby news from this sexy couple.

2. Kristen Stewart and Robert Pattinson: Can you say hot mess? The rumors continue to fly that they are on again, spending time apart or can't live without each other. The list goes on. Who knows what we should believe at this point. Stewart and Patterson are attempting to figure out what is going on between them, because they do care for each other. Once the *Twilight* hype is over, it will be the end of their relationship. The movie is the glue that holds them together, and Patterson will end up finding love with another actress which will prompt his ending the relationship with Stewart for good.

3. George Clooney and Stacy Keibler: Despite breakup rumors, these two are still a couple. But tick tock! Can't you hear the clock ticking on this relationship? The main reason people are saying the pair is close to splitsville is because it's about that time when Clooney calls off the relationship. Keibler can take a deep breathe; she will make it to the Oscars with Clooney. However, her days are numbered. She will love again, and you know Clooney will. In a few years, I see that Clooney will pull a "Warren Beatty type move" and find someone younger than him with whom to settle down. They will never marry, but she will be around for the long haul.

4. Mila Kunis and Ashton Kutcher: This pairing is interesting indeed. Did you know that Kutcher was Kunis' first kiss? From what we have seen, we know that Kutcher has it in him to be in a long term relationship, but it is said that Kunis wants to take it at a slow nice pace. This is not to mention the fact that Kutcher is still married to Demi Moore. Kunis and Kutcher will have a nice run, but eventually she will want someone a little more grown up, which will break Kutcher's heart. What goes around comes around, dear Ashton.

5. Kim Kardashian and Kanye West: Who else is surprised that they are still together? This couple has lasted longer than Kardashian's last marriage. That deserves a round of applause. Then again, according to the media, Kanye has always had a thing for Kim. They are a good match since they both love the

spotlight, expensive things and causing a commotion. Kardashian and West may taunt the public with an engagement, which they may actually mean (at the time); the wedding will, however, not take place. Media and money aside, Kardashian wants love just like anybody, but has to get her self love in check before that happens. Kardashian really loved Reggie Bush and continues to seek that type of love. Also telling the media that she thinks she will marry West was a bad move. It's like giving a guy an ultimatum in front of a live audience. The stars are coming into play for these celebrities, so stay tuned into their love stories because now only time will tell.

What are some ways to pull off a surprise wedding?

Cupid's Advice:

Instead of going for the common surprise party, you want to go for a surprise wedding! Here are some tips on how to pull it off:

1. Don't post it: If you want to keep the wedding a secret, don't post about it on the internet or else all of your

facebook friends will see. Keep it quiet until you absolutely have to inform others or else you will ruin the surprise before it can even be planned completely.

2. Keep the list simple: You don't need to invite your cousin's friend's brother's uncle. Keep the list to your closest friends and family because the more people that know of the wedding, the less it will be a surprise in the long run.

3. Last minute: Nothing says surprise like a last minute phone call. You may want to avoid last minute invitations since that would make it inconvenient for some guests, but it's all about the surprise if you're going for that element.

What are some ways to help your coworker celebrate their recent wedding?

Cupid’s Advice:

A marriage is always a call for celebration and well wishes, even in the office! Cupid has some advice on how you can help

celebrate a coworker's recent wedding:

1. Plan a party: When your coworker comes back from his/her honeymoon, show them you care about their happiness by planning a party. It doesn't have to be big; a cake in the break room or decorations on their desk will show them how happy you are for them and that you want to help them celebrate this big change in their lives.

2. Help them out: If your coworker is a little shy, you can help them celebrate their wedding by offering to take over some of their work while they are away on their honeymoon. That way, they won't be spending the whole time worrying about their job and you can be a part of the reason they are happy and relaxed.

3. Get a gift: While your coworker is away for their honeymoon, get the whole office together to pitch in for a gift. Depending on the size of your office, you could get together a lot of money to get the new couple something really special. Your coworker will really appreciate the thought you all put in to helping them get ready for their new life.
