By [Stephanie Sacco](#)

[Blake Shelton](#) and [Gwen Stefani](#) are too cute for words. The [celebrity couple](#) sang their duet “Go Ahead and Break My Heart” at the Apollo in the Hamptons: Night of Legends event in East Hampton, New York where they sang to each other on stage and embraced afterwards. The [celebrity news](#) following them is that these two were there for each other in the midst of their [celebrity divorces](#). According to [UsMagazine.com](#), Stefani said, “It was a really super-unexpected gift to find a friend, somebody who happened to be going through the exact same thing as me, literally mirroring my experience. I don’t think it’s

an accident that that happened. It saved me.” It seems like they’ll be together for a long, long time.

## **This celebrity couple is certainly not hiding their relationship. What are some things to consider prior to indulging in lots of PDA?**

### **Cupid’s Advice:**

PDA is not for every couple. It can be really cute and it can be quite annoying. Cupid is here to help:

**1. Location:** Be aware of where you are when you’re planning your PDA moments. Singles don’t love watching it and neither do your friends. PDA is one hundred percent okay on a date out or a dark room, but take note of the atmosphere.

**2. Intimacy level:** Depending on how close you and your partner are, PDA can be sweet. It can bring you closer together and can define your relationship. When you reach that openness level, feel free to incorporate a little PDA in your day.

**3. Privacy:** Obviously privacy isn’t a part of *public* displays of affection, but you can be in a public place that’s semi private. This is the best spot for your PDA. A vacant hallway vs a full one is the difference between classy and not classy PDA.

Moon' After Birthday**

# Celebration

By [Nicole Caico](#)

[Celebrity couple](#) Gwen Stefani and Blake Shelton took a birthday trip that will give you [date night](#) envy for a lifetime. According to [UsMagazine.com](#), to celebrate Shelton turning 40, Stefani decorated a private jet that took the couple to Shelton's farm in Oklahoma. While there, the couple took a ride on Shelton's speed boat and enjoyed the 'Honey Moon' on the night of the summer solstice. ## **Cupid's Advice:**

Though most of us won't be riding a private jet for a birthday trip anytime soon, there are still many ways to keep things exciting. Date night doesn't have to be dinner and a movie. Cupid is here to help you think outside the box for your next date night:

**1. Something you'd never do:** If you're like most couples, there is probably something your partner loves to do that you really don't care for. Whether it's horseback riding, sports, or shopping, plan a day of that activity. Your partner will be impressed that you went out of your way and out of your comfort zone, to do something they really love.

The definition of adventure will vary by couple.

## **Relationship Advice: Prepare for Unexpected Love Like Blake Shelton & Gwen Stefani**

By Dr. Jane Greer

Country star [Blake Shelton](#) revealed that his current love, [Gwen Stefani](#), was “the last person” who he expected to have his back after his [celebrity divorce](#) from Miranda Lambert. They’ve only been a [celebrity couple](#) for six months, but already he’s crazy about her. This is a great example of a couple finding love when they least expect it. Sometimes when you aren’t actively looking for it to happen is exactly when love may find you.

**These pieces of [relationship advice](#) will dive into the unexpected love found between celebrity couple Blake Shelton and Gwen Stefani.**

When you are getting over a betrayal or heartbreak, as both Blake and Gwen were after their respective marriages ended, it is hard to imagine yourself in another relationship. At that

point, the last thing you want to do is take a chance and risk being wounded again by someone else. But if you can trust yourself in turning to someone who is supportive and there for you, not only can you start anew, but it's even possible that a new romance could blossom.

It can be difficult to talk about what you've been through and share your pain with a friend. A lot of times people want to shut down, and are not always comfortable reaching out and asking for support. They might feel embarrassed, humiliated, or unsure about trusting that the friend won't gossip about their story and private thoughts with someone else. However, you may find that in expressing your situation to a friend, and giving them the chance to offer empathy, you might begin to feel understood in a way that makes all the difference in the world.

**Related Link:** [Famous Couple Blake Shelton and Miranda Lambert Are Divorcing After Four Years](#)

The tendency is to shut down when you've been hurt, but letting yourself remain open can become the first step in the process of healing. They're able to see the best in you, and help bring out that side of you, so that you can move forward feeling stronger and better about yourself. This is a key piece of [relationship advice](#) of falling in love, which is being made to feel valued, terrific about yourself, desired, and, especially on the heels of losing all that when you are dealing with a break up, it can be an elixir of the heart. In fact, Blake was quoted as saying Gwen saved his life. There is no underestimating companionship – it can feel lifesaving.

While you may have only seen this person in one light – strictly platonic – that can shift as your circumstances and interactions with each other change. If that does happen, it can be a bonding experience and bring you together in a way that feels like a gain, where before you felt only lost and alone. With this in mind it can be positive to share your

emotional pain with someone, rather than remaining closed off and keeping the heartache to yourself. It's natural to feel vulnerable if you suddenly find yourself being drawn to this person after everything you've been through, but it is worth it to let the relationship go forward. A good piece of relationship advice is to not be afraid to let these feelings naturally progress.

**Related Link:** [Celebrity Couple Blake Shelton & Gwen Stefani Show Their Love at Billboard Music Awards](#)

The celebrity couple recently sang a duet together on The Voice called, "Go Ahead and Break My Heart." Blake explained that they chose that title and the words to go with it because they are smart enough to know at this point that all relationships will have ups and downs. So why not just put it out there? They've been through it before, and they know there will be good and bad ahead, but right now they are so happy they found each other and they will deal with what's ahead. After a celebrity break-up or any kind of break-up, sometimes you just need someone there for you.

While Blake and Gwen are *singing* about it, it is equally beneficial to *talk* about it. Though it can feel scary, being involved in this relationship, facing your fears and acknowledging your insecurities can actually make you stronger. While you want to protect yourself and might typically look to keeping these feelings private, if you can instead be honest and genuine with someone you feel has your back, who knows where it might lead you, maybe even to a new love.

According to [UsMagazine.com](http://UsMagazine.com), [celebrity couple Gwen Stefani](#) and [Blake Shelton](#) preformed the song "Go Ahead and Break My Heart," while looking lovingly at each other for the duration of the performance. ## **This celebrity couple is going super strong! What are some ways to keep the romance alive in your relationship?**

### **Cupid's Advice:**

Not every couple can get on stage together at a major awards show to display their love for each other to the world, but it is important to show your significant how much you love them in order to be happy together. Even if it's not televised, loving gestures are necessary for keeping romance alive:

**1. Spice it up:** Sharing new experiences is a great way to strengthen a relationship. Plan the trip you and your S.O. have been dreaming about, or even just try a new restaurant.

Not everyone can be as cute as Gwen Stefani and Blake Shelton. Sometimes the song your man writes you *is* a turn-off and dating them no longer seems like the best option. Cupid is here with some red flags:

**1. Not paying attention:** It’s such a turn-off if your partner isn’t looking you in the eye or remembering important information. He’s either being sketchy or unresponsive. You deserve more from a partner so if he’s acting like this, dump him!

# Celebrity News: Gwen Stefani Drops New Song 'Misery' – Is It About Gavin or Blake?

By [Brooke Crawford](#)

[Taylor Swift](#) is not the only one belting out tunes about her lovers. In the latest [celebrity news](#), [UsMagazine.com](#) shares that singer, Gwen Stefani, has written an album focusing

on her [celebrity divorce](#) from Gavin Rossdale and current boyfriend, Blake Shelton. The No Doubt singer's new single, *Misery*, is said to be about her experiences with her new beau. Famous [celebrity couples](#) are not the only ones who share their experiences creatively.

## **This celebrity news has us curious. What are some non-traditional ways to vent about your past or current relationships?**

### **Cupid's Advice:**

Bottling things up inside just isn't healthy, but it can be tough to know the best ways to vent your frustrations and feelings. Cupid has some tips:

**1. Paint splatter:** Art has been a creative way for many people to vent about life's experiences. Why not use it to vent about a relationship? Whether it be a glue stick, a pencil, or balloons filled with paint, grab the supplies and start creating. Art has a calming effect that allows you to take a situation and create something beautiful or meaningful. The best part is that you don't have to be a professional artist to do it.

**Related Link:** [Celebrity News: Is One Direction's New Song 'Perfect' About Celebrity Ex Taylor Swift?](#)

**2. Kickboxing:** A frustrating day can turn out to be a very productive day in the gym. Not only are you whipping your body into shape, but you are also giving all the pent up energy a way to release. Exercise releases endorphins, which can significantly alter your mood into a more positive one. Kickboxing is a great way to take out aggression on the equipment, and at the end you will feel less tense and ready

to take on the world.

**Related Link:** [Celebrity Couple Gwen Stefani & Blake Shelton Expected to Release Duet Together](#)

**2. Put pen to paper:** Telling someone how you feel is not the easiest task. There are so many thoughts and emotions that overwhelm us when it comes time to share what is in our hearts. When all else fails, write down the thoughts as they come to you. This is a really great way to gain some clarity and prepare you for what you want to profess. Some find it helpful to tear up the pages once they are written to exert any negative energy that may have spewed out. Find a way that writing can help you express yourself.

**This celebrity news is pretty surprising! How do you know when you've begun dating around too much?**

## **Cupid's Advice:**

There are definitely merits to playing the field, but then again, too much of a good thing doesn't usually turn out positively. Cupid has some signs that you've been dating around too much:

**1. You can't name your last three dates:** If you're having a hard time remembering who you last went on a date with, and who was before that, and who was before that, you might have an over-dating problem. If you're looking for a relationship and aren't just dating around to date around, consider taking things a little bit more slowly and trying to get to know your dates prior to going out with them.

**Related Link:** [Celebrity News: Are Gwen Stefani and Blake Shelton More Than Friends?](#)

**2. Kissing has begun to lose its meaning:** At the end of most of your dates, you're no doubt giving them a kiss goodbye, if there's at least a little spark of attraction there. If this is just run of the mill for you and no big deal, then it's probably time to take a step back and reassess your dating life. Kissing should be meaningful!

**Related Link:** [Blake Shelton and Gwen Stefani Returns to 'The Voice' Post Celebrity Divorce News](#)

**3. He never called, and you didn't notice:** If, after a date, someone doesn't call you, usually you're hyper aware of that. If you don't even notice, that's a bad sign! It means you're not invested in the dates you go on and you're just playing the field for no reason. Consider pumping some feeling back into the game!

## Cupid's Advice:

Celebrity divorce or not, it's not something fun to go through. It is equally un-fun to have everyone focused on your divorce and gossiping about it. Cupid has some ways to help you avoid gossip and get some privacy:

**1. Try not to gossip yourself:** If others are gossiping about the latest split of a couple, try not to partake. Change the conversation if you can. That way, others will know you aren't someone who talks about others and might give you the same courtesy.

# Celebrity Couple Predictions: Gwen Stefani, Serena Williams and Nicole Scherzinger

By [Shoshi](#)

If you're looking for the latest celebrity news and romance rumors, you've come to the right place! Below, I consider the future of three [celebrity couples](#), two new pairs and one on-again, off-again duo.

## Get the Latest Celebrity News on

# Blake Shelton and Gwen Stefani

**Blake Shelton and Gwen Stefani:** When it was announced that Gwen Stefani and Gavin Rossdale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

**Related Link:** [Gwen Stefani Drops New Music Video About Celebrity Divorce](#)

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

**Serena Williams and Alexis Ohanian:** It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

# Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton

**Nicole Scherzinger and Lewis Hamilton:** These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

**Related Link:** [Nicole Scherzinger and Lewis Hamilton Become Celebrity Exes Again](#)

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.
