

Celebrity Break-Ups That Broke Our Hearts

By Jessica Nappi

We've all gone through our own break-ups, and no matter how painful they can be, sometimes, seeing [celebrities break-up](#) is even worse. These splits involve not only the two in the celebrity relationship but also their entire fan base. Break-ups in Hollywood mean more than just broken hearts; they also mean no longer seeing them pose together on the red carpet, waving goodbye to those PDA-filled paparazzi shots, and saying sayonara to those lengthy interviews where they gush about how much in love they are. Here are three celebrity break-ups that had us crying:

Three Celebrity Break-ups

1. Tom Cruise and Katie Holmes: Tom Cruise and Katie Holmes's split is the most recent and therefore the most sensitive of topics. From the moment Cruise not-so-humbly jumped on the couches of *Oprah* proclaiming his love for Holmes, we all envisioned a happy ending to this celebrity love story. There was the birth of TomKat, followed shortly by the actual birth of their daughter Suri. The famous couple had a six-year run before Holmes shocked the world by filing for divorce in New York City earlier this month. What will we do without seeing ever-so-cute family photos of the duo with their fashionable little girl?

2. Brad Pitt and Jennifer Aniston: This golden Hollywood couple married in 2000, and everyone dreamed of watching their picture perfect celebrity love story play out. From [Brad Pitt](#)'s guest appearance on Jennifer Aniston's show *Friends* to always walking hand-in-hand on the red carpet, it seemed like this celebrity couple was as strong as could be. Then came the 2005 movie *Mr. and Mrs. Smith*, in which Pitt co-starred with the one and only [Angelina Jolie](#). The rest is history: Pitt and Jolie are now engaged with six kids. Aniston isn't doing so bad either: She has found a new man – Justin Theroux – and was recently voted hottest woman of all time by *Men's Health* magazine.

3. Sandra Bullock and Jesse James: It *seems* like a woman can't win the Academy Award for Best Actress without subsequently splitting with her man. Kate Winslet, Reese Witherspoon, Halle Berry and now Sandra Bullock are just a few of the many actresses who won big in their career yet fell short in their

love life soon after. Bullock's marriage to TV's *Monster Garage* host Jesse James seemed better than ever, especially due to the heartfelt award speech she gave about him. But just days later, Bullock and the entire world discovered James' cheating rampage. As if we couldn't feel any worse for America's sweetheart, the famous couple was in the process of adopting a baby boy, whom Bullock now solely cares for. However, she now seems very happy as a mother.

Favorite Celebrity Engagement Rings

By Sarah Ribeiro

Engagement rings can be one of the most important elements in beginning a marriage. They signify the bond you have with your partner, their commitment to you, and the security of your relationship. Of course, there's also the glamour and luxury that comes with a gorgeous diamond on your hand! Here are some celebrity engagement rings that perfectly represent both the strength and extravagance of celebrity weddings and marriages:

Top Celebrity Engagement Rings

1. Kate Hudson: Hudson's engagement ring from Muse rocker Matthew Bellamy is an outstanding statement in such a private celebrity relationship. The \$200,000 platinum ring is a nine carat emerald-cut diamond with tapered baguettes on the side. The two have been engaged for a year, and although they have no wedding date set, they do have a son together, Bingham.

2. Kate Middleton: The royal duchess of Cambridge was definitely given a ring fit for a queen. Her celebrity love Prince William presented her with his mother Princess Diana's engagement ring, a round-cut blue sapphire surrounded by 14 diamonds. At the time it was worn by Diana in 1981, it cost 30,000 British pounds – the equivalent of roughly \$47,000.

3. Angelina Jolie: Being one of Hollywood's most luxurious famous couples, this duo will no doubt have an over-the-top celebrity wedding celebration. Newly-engaged Jolie was given a rectangular-cut diamond on a yellow-and-white gold band. Rumor has it Pitt commissioned a jeweler to find the finest-quality diamond for his love, even requesting a cut shaped perfectly for her hand.

No Limits For This Famous Couple's Ring

4. Beyoncé Knowles: One of Hollywood's most expensive wedding rings naturally belongs to one of the highest-grossing Hollywood couples. The rapper gave Beyoncé a \$5 million celebrity engagement ring before their secret marriage in April 2008. The 18-carat diamond, made by jeweler Lorraine Schwartz, is emerald-cut and set in a platinum band. For security purposes, the singer wears a fake copy of it, which is still worth more than \$5,000.

5. Natalie Portman: In 2010, the famous actress, vegan and humanist was gifted an eco-friendly engagement ring to fit her lifestyle. Husband Benjamin Millepied found ballet dancer-turned jeweler Jamie Wolf to design the \$35,000 ring, which

uses recycled platinum and an antique oval center stone surrounded by pavé diamonds from a conflict-free mine, meaning no miner was hurt or treated unfairly when mining the stones. Millepied personalized his choice by making the ring a statement to his love's activism and loving nature, a sweet statement for an even sweeter couple.

Entertainment Journalist Francine Brokaw Talks About Tinseltown Twosomes and Life 'Beyond the Red Carpet'

By Whitney Baker

Francine Brokaw's writing career, which spans over two decades, has taken a few twists and turns: she's focused on everything from politics and travel to celebrity interviews and entertainment news. Her new book, *Beyond the Red Carpet: The World of Entertainment Journalists*, out today, looks at the ever intriguing world of the rich and famous. Lucky for us, she shares never-before-told stories and behind-the-scenes secrets about Hollywood's hottest residents. Having interviewed celebrities like Johnny Depp, George Clooney and Tom Hanks, Brokaw knows what it takes to get these folks talking about life on and off the red carpet.

We chatted with the author about her experiences in the entertainment industry, specifically those celebrity interviews about lasting love and messy break-ups, and her advice for up-and-coming journalists.

Related Link: [Dating After Being Dumped: How to Avoid Messy Rebound Relationships](#)

Tell us a little bit about what inspired you to write this

book.

Nobody really has any idea what entertainment journalists do and experience. I think when people hear the words “entertainment journalists,” they think of the hosts on shows like ‘Entertainment Tonight.’ That’s a very minute percentage of us. We’re actually in the trenches, dealing with the publicists and celebrities. It’s a totally different life than what people have in mind. Like I say in the book, Kevin Costner mentioned that our friends probably think we have these wonderful and fabulous lives, but it’s really a lot of hard work.

Do you have a favorite story from the book that you can share with us?

I always love speaking with the veteran actors. I love James Garner; he was just so open talking about fellow actors, like Steve McQueen (who he co-starred with in ‘The Great Escape’) and Kim Novak (who worked with in ‘Boys’ Night Out’). He brought them down to earth and told us things about them that they probably wouldn’t want the public to know. He was very candid.

Julie Andrews is always fun too.

Can you walk us through a celebrity interview? What goes on behind the scenes?

I usually have a list of questions that I want answered or that I need answers to for a specific article. Then, when the celebrity mentions a new project or some aspect of their personal life, you can go into further detail about that topic. A one-on-one interview requires a lot more research than a roundtable interview or press conference – you can’t rely on other journalists to ask questions that you may not have thought of.

I will say I have had to run into the paparazzi while going

into interviews, and it's frightening. I feel for celebrities because these photographers are really intruding into their lives. As an entertainment journalist, I don't want to be thought of as intrusive.

Have you ever interviewed a celebrity couple – either together or separate? Any stories to share?

I haven't had the opportunity to interview a celebrity couple together, but I have spoken to partners separately.

I interviewed Catherine Zeta-Jones and Michael Douglas at different times, and they seemed to be very compatible. Catherine's interview was at a resort in the Palm Springs area, and she was so excited that her husband was able to come along. She said that he was probably golfing, which was one of his passions, and she tried to catch sight of him out the window. I thought that was really sweet.

I've also spoken with both Brad Pitt and Jennifer Aniston. I interviewed Brad right before the break-up, and he let nothing slip about their impending divorce. And then a few months later, we hear that they've split. I interviewed Jennifer afterwards, and she didn't want to talk about it at all.

Related Link: [4 Things Jennifer Aniston Taught Me About Love](#)

I interviewed Hilary Swank during her almost-decade long marriage to Chad Lowe, and she said how great they were together. Someone asked about the basis for their relationship, and she implied that trust and honesty were the most important things. And then we read later on that he was hiding his addiction from her. When I interviewed Chad right after the break-up, he refused to talk about anything related to his personal life.

Then there's Mandy Moore, who was so gushy about her relationship with Andy Roddick. She called him her soul mate and told me all about how they met, how they were meant to be

together. And that didn't last. It's funny to hear what people say about their relationship and then see how things play out.

How do you approach the topic of love and relationships in an interview? How personal is too personal?

If they happen to bring up a dating partner or spouse, that's my invitation to ask about their love life. I've had celebrities mention the great love of their life and talk about their fabulous relationship, and then they break-up a few months later. It's interesting to see what people volunteer.

For instance, around Valentine's Day, one of my friends asked Antonio Banderas, who is married to actress Melanie Griffith, if they had any specific plans for the holiday. He happened to say that their relationship was really going well but that he can't guarantee that it is forever, which I thought was very honest of him.

And finally, what advice do you have for someone interested in entertainment journalism?

Be prepared to do a lot of work. It's not easy; it requires a lot of preparation, research and time. It takes talent to bring information out of celebrities. Plus, it's a 24/7 job – sometimes you need to do a phone interview with a celebrity who is working in Europe; the time zone is different, but you have no choice because you're at the beck and call of the celebrity.

Also, you can't always rely on research. I read a story on IMDB about an actor saving someone from drowning, so I asked if it had really happened. He said that he didn't know where they got that and it had never happened. You have to put question marks by a lot of things that you find online and figure out if it's fact or fiction.

Brokaw leaves us with this final observation when the

interview is done. "I gotta tell you, it's much easier asking the questions than answering them!"

Brad Pitt and Angelina Jolie Resurface in France Amid Celebrity Wedding Rumors

By Erin Minty

The ever-elusive [Brad Pitt](#) and [Angelina Jolie](#) were finally spotted in France while in Le Touquet. The [Hollywood couple](#) owns a 1,000 acre estate in the south of France near Le Touquet, and both Pitt and his celebrity love are in Europe working on projects, with Jolie shooting *Malificent* and Pitt shooting *The Counselor*. According to recent celebrity gossip, their celebrity wedding is set for next spring. Though nothing has been confirmed, one insider tells [UsMagazine.com](#), “Angelina wants a simple, joyous wedding.”

Hollywood couple Jolie and Pitt may have finally picked a celebrity wedding date. What are some ways to choose your wedding date?

Cupid’s Advice:

Setting a date can be an extremely stressful time for any

couple about to be married. Cupid has some relationship and love advice about how to start thinking about a date for your wedding:

1. Start with a season: Is there one season that has always called out to you? Maybe you love the sunshine and beaches associated with summer, or maybe the pristine white of snow is more your style. Think about what would match your dream dress and your venue choices. By narrowing your choices down to a particular time of year, you can eliminate most of the year and have a much smaller list of dates to choose from.

2. Look at your calendar: While weddings are one of the most important events of the season, there are some other important events that cannot be rescheduled. Make sure you're planning your wedding for a downtime for your family. If you want everyone to be able to attend, keep in mind their schedules when picking a date.

3. Pick a day that stands out to you: Maybe you and your partner have a special joke related to a certain date, like the first day you kissed, the day of your first date, or some equally important milestone in your relationship. Picking a date that has importance to you, whether you guests know it or not, is another way to make your day even more special than it already is sure to be.

4 Things Jennifer Aniston Taught Me About Relationships And Love

By Liz of WeLoveDates.com

I've always been fiercely and annoyingly Team Jen, so when the news of her celebrity engagement to Justin Theroux broke out, I was possibly a bit too excited. As a complete and utter romantic, I'm just happy she's found her happy ending. In honor of America's Sweetheart, here are four things Jennifer Aniston has taught me about relationships and love:

Relationship And Love Advice from Jennifer Aniston

1. Keep on keepin' on: *"There are no regrets in life, just lessons."*

It's easy to look at someone like Aniston and wonder if she would have done anything differently. Would she have fought to stay married to celebrity ex Brad Pitt and gotten into a cat fight with Angelina Jolie? Would she have begged him to stay with her? But by having no regrets and choosing to learn from her past, she is telling the world that nothing that has happened to her in life will ever define who she really is.

Related Link: [10 Love Lessons From Bruce Springsteen](#)

2. Take responsibility: *"Relationships are two people; everyone is accountable. A lot goes into a relationship coming together, and a lot goes into a relationship falling apart. Even if it's 98 percent the other person's fault, it's 2 percent yours.... You can only clean up your side of the street."*

Even the best relationships and love can turn sour. A lot goes on behind the scenes, whether you're part of a famous couple or not. Instead of playing the role of a heartbroken victim, good love advice is to evaluate where you went wrong in the relationship. You didn't fall in love over night, and your relationship didn't end in the blink of an eye.

3. Don't try too hard: *"If you try and be sexy, you'll never be sexy."*

You never get the impression that Aniston is trying too hard. She doesn't dress like she's giving something away for free, and she isn't overly gratuitous when it comes to her sexuality. There is a reason why she's often referred to as the girl next door, and women all over the world look to her

for style inspiration. Simply put, she's not desperate, and you shouldn't be either!

4. Love doesn't play by the rules: *"You know, it isn't designed. Love just shows up and you go, "Oh, wow, this is going to be a hayride and a half."*

Nothing about relationships and love makes sense, and the sooner you accept that, the more fun you'll have dating. To get the most out of love, you have to be willing to let go of control and just go with the flow. Sometimes things won't work out your way, and you'll be heartbroken and alone, but other times, you'll be full of butterflies, loved beyond belief, and excited about the future – like we sure Aniston is over her celebrity engagement.

Celebrity Couples Who Have Been Hurt By Their Own Stardom

By Courtney Allen

In wonderful world of Hollywood, maintaining both a long-lasting relationship and a fast-paced career is evidently a huge challenge. The jam-packed schedules and non-stop tabloid mania in the everyday lives of celebrities leaves us constantly wondering when the next split will be—the fact they are going to happen is a guarantee. Nasty rumors of deceit, unexpected flings with co-stars and stress from an intense life can make stardom a celebrity couple's worst enemy. Unfortunately for these five celebrity duos, losing their battle to fame proved inevitable:

1. Kate and Jon Gosselin: Jon and Kate Gosselin first captured our hearts with their hit TLC show, *Jon and Kate Plus Eight*, which documented their hectic life as parents of sassy-yet-sweet twin girls and a set of adorable sextuplets. The Gosselins graced our television screens for seven seasons as they traveled the globe as a family, while we all hoped their marriage wouldn't end like many of the reality star relationships that preceded them. But Jon and Kate proved no

different as the show slowly revealed Kate's exploding temper and ego while the tabloids unraveled Jon's late-night getaways with other women. Years later, the two had one of the most public divorces in Hollywood.

2. Rihanna and Chris Brown: Rihanna and Chris Brown shocked the world when their relationship began in 2008. In our minds, the singers couldn't be a more perfect match, as they're two beautiful and unique voices with stunningly-good looks. Things quickly changed after an incident in 2009 in which Brown allegedly assaulted the female pop star. The two have made amends since then and rumors of a new relationship have spread, especially after the recent release of their song, "Birthday Cake (Remix)." But due to their long-lasting tabloid presence and heated past, we can't help but think that a second try will end in disaster.

3. Jennifer Aniston and Brad Pitt: The split between *Friends* star Jennifer Aniston and Brad Pitt, her "Mr. Perfect," was by far the most controversial divorces in the history of Hollywood. With Aniston's glowing skin and Pitt's captivating eyes, they always had America's attention. It wasn't until the 2004 production of *Mr. and Mrs. Smith* that things seemed to get off track. Pitt quickly fell in love with co-star Angelina Jolie while filming the movie, leaving him and Aniston's happily ever after in the dust as rumors swirled of an affair. Jen filed for divorce in 2005 and Pitt almost immediately began dating Jolie. Now called "Brangelina," the couple has six kids and have made their mark as one of the most powerful couples in Hollywood.

4. Kim Kardashian and Reggie Bush: Kim Kardashian bared it all for her E! show *Keeping Up With the Kardashians*, including her relationship with NFL star Reggie Bush. The reality show revealed their head-over-heels romance for several seasons. But after their final split, the unfortunate truth was

revealed: Kardashian's stardom was too much for Bush, who never seemed to adjust. Kardashian has since been searching for her fairytale: a guy who accepts both her and her lifestyle. She found love in her marriage to Kris Humphries, but that relationship ended after just 72 days. Now the star is happily dating Kanye West. Thankfully, the socialite seems to be taking her new relationship slow, because if there's anything Kim has learned, it's that fame comes at a high price.

5. Katy Perry and Russel Brand: California girl Katy Perry and British comedian Russell Brand began dating in middle of 2009. The two didn't waste any time getting serious as news of their engagement hit the headlines by the end of the same year. And in just ten months, the couple was married. The world watched the pop-star and her new hubby closely as we formed our opinions on whether they would last. Fourteen months later, the pair proved all the doubters right. Russell Brand filed for divorce last December, citing irreconcilable differences. But between both of their busy schedules and separated traveling, it's no wonder the pair couldn't stand the test of time.

Famous Celebrity Couples Who

Get On Our Nerves

By Daniela Agurcia

When two slightly obnoxious celebrities get together, it creates something much worse than either would be alone. Everyone can name one of these celebrity couples: When you see them, you just want to change the channel or put down your magazine. Sometimes, certain famous couples make you want to scream, "Enough already!" Being one of these celebrity relationships can definitely be a bad thing. Whether they're obnoxiously cute, painstakingly annoying, or overly pompous together, it gets to the point where no one wants to hear about them anymore. Here are some celebrity couples that we could live without:

Annoying Famous Couples

1. Selena Gomez and Justin Bieber: At first, there was a lot of hype about whether Selena Gomez had Justin Bieber fever. Turns out, she did. The couple kept their famous relationship under wraps for a while, and even today, they still try to be discreet about it. They're that one couple that refuses to be open about their relationship and love, regardless of all of the cute and cuddly photos found of them or their occasional lovey-dovey tweets and quotes. Either be open about your relationship and act normal about it...or hand him over!

2. Kim Kardashian and Kris Humphries: Even though Kim Kardashian and Kris Humphries aren't together anymore, they were a Hollywood couple that will be hard to forget. There was so much hype about Kardashian finding love and having the most extravagant celebrity wedding with the man of her dreams, only to have it all end 72 days later. The engagement, wedding, and divorce flashed right before our eyes. Ultimately, the marriage was an all-time record, and one we wish would just disappear all together.

3. Angelina Jolie and Brad Pitt: Famous couple Angelina Jolie and Brad Pitt have been non-stop from the start, doing everything to the extreme. From the day that Pitt left Jennifer Aniston to be with Jolie, the two are always aiming for perfection. The pair has adopted from all over the world, constantly donate to charity and attend mission trips all over the globe. Plus, we can't forget that they just happen to be one of the best looking Hollywood couples. Here we can certainly say "Enough already!"

4. Kristen Stewart and Robert Pattinson: We loved Kristen Stewart and Robert Pattinson in the *Twilight* movies – who doesn't love a vampire romance? We were all rooting for the two to end up together in real life, but between their low-key status and "I don't care" attitude, they're not as great as we thought they would be. They always seem as if they're in a bad mood about something. Plus, have you ever seen them show affection?

5. Heidi Montag and Spencer Pratt: How are they famous again? Heidi Montag and Spencer Pratt blew up because of their roles on the reality TV show *The Hills*. Their drama was entertaining at first, but it grew old after the show, thanks to her music videos and several other TV appearances. Between that and Montag's numerous plastic surgeries, the celebrity couple has received nothing but negative spotlight, eventually eliminating all the "glory" from their fame.

Stars and their Pets: Dating and Mating Habits

By Alejandro Russo

You might follow the love lives of stars, but have you ever wondered what their pet choices say about them and their dating habits? A new study sponsored by [Klooff.com](https://klooff.com), the app for pet owners, could explain why Jennifer Aniston had such a hard time finding and keeping a good man after Brad Pitt, and why Paris Hilton has an endless string of boyfriends: it's their dogs. Klooff.com surveyed 1,000 people and found that certain breeds were the most popular when finding a date or when just looking for a casual fling. Consider how these dogs can change your appearance to the other sex:

Related: [Kristen Stewart Calls Robert Pattinson's Dog a Baby](#)

1. Dogs that make you seem like boyfriend material: The survey found that the top dog breeds to attract women were German shepherds, Golden retrievers, Labrador retrievers, Siberian huskies and French bulldogs. Respondents noted that they were over ten times more likely to see a man who owns a golden retriever as being "marriage material" than someone who owns a pit bull. This can explain why the ladies love Ryan Reynolds,

who owns a golden retriever mix named Baxter, and Zac Efron, who is often seen with Puppy, his Australian shepherd. Plus, those who own a Siberian husky are viewed as more manly than those who own bulldogs: a perplexing fact when you consider that Justin Bieber has a husky and Brad Pitt has a bulldog.

2. Dogs that make you seem like girlfriend material: To attract a man, the survey found that women who own Golden retrievers, Labrador retrievers, Chihuahuas, poodles and beagles were most effective. However, Golden retriever owners are significantly more likely to be viewed as the sort of woman who men would like as a girlfriend than those who own Chihuahuas. Kristin Davis, Sheryl Crow, Eliza Dushku, Anna Paquin and America Ferrera are all women who have this very appealing dog.

3. Dogs that make you seem like a one-night stand: So what about Chihuahuas? Their owners, like Paris Hilton, aren't usually perceived in the best light. Most people thought that Chihuahua owners were more likely to be dumb and "just a one-night stand" than those who owned any other breed. Of course, if you're looking for hook-ups, this might not be a problem: Chihuahuas are still very attractive to men.

Six Famous Relationships That Started with Celebrity Scandals

By Jessica Smith

Nothing in Hollywood is juicier than a celebrity scandal. Many Hollywood couples work through humiliating experiences while dating, including Kim Kardashian and Reggie Bush, who went through a sex tape scandal; Justin Bieber and Selena Gomez, who recently dealt with Bieber's accusation of getting a fan pregnant; and Miley Cyrus and Liam Hemsworth, who had to deal with negative press on Cyrus' sexual antics.

Many of us can relate to similar problems on a smaller scale, but it can still be exhilarating and deeply saddening to watch

our favorite famous relationships let us down in these ways. Sometimes, celebrity couples even begin their love lives under this sort of scrutiny. Although not all celebrity affairs work out, some blossom into long-lasting relationships and love. Here are six famous couples that made the headlines with their scandalous splits, affairs, and ensuing sprint to the altar.

Celebrity Scandals That Turned Into Celebrity Relationships

1. Brad Pitt and Angelina Jolie: After being married to the beautiful Jennifer Aniston for five years, Brad Pitt and Aniston's relationship began to fail when he confessed his love for Angelina Jolie. Pitt and Jolie worked together on the set of *Mr. & Mrs. Smith* as a sexy spy couple, and they took their on-screen romance off-screen – even while Pitt was still married. The humanitarian couple has now been together for seven years. We can thank their six children for pressuring them to get engaged, so they can *finally* tie the knot.

2. LeAnn Rimes and Eddie Cibrian: These two stars met on the set of *Northern Lights*, where their characters' relationship spiraled into a real-world celebrity affair that ended both of their marriages. While LeAnn Rimes and her ex-husband Dean Sheremet claimed to go their separate ways with plans to remain loving friends, Eddie Cibrian's ex only had negative things to say about him. Rimes and Cibrian are now happily married.

Related Link: [You've Cheated, So Now What?](#)

3. Richie Sambora and Denise Richards: This was a celebrity scandal that cost Denise Richards a friendship but gained her a new man. Richie Sambora was married to Heather Locklear for 12 years before things started to get shaky between them. Richards encouraged her good friend Locklear to file for

divorce, and despite girl code, Sambora and Richards were caught making out like teenagers a few weeks later. This seemingly-forbidden romance also required Sambora and Richards to deal with some pretty messy divorces of their own.

Unfortunately, their relationship recently ended.

4. Tori Spelling and Dean McDermott: Tori Spelling and Dean McDermott fell in love on the set of the Lifetime movie *Mind Over Murder*, but they were both married at the time. The two quickly separated from their spouses. Before either one was legally divorced, they decided to announce their celebrity engagement. The two were married just a month after Spelling's divorce was finalized, and they have been married since 2006. They have three children and recently announced that they are expecting their fourth celebrity baby.

From Celebrity Affair To Celebrity Engagement

5. Jesse James and Kat Von D: Jesse James and Sandra Bullock were married for five years and had just adopted a son together when rumors began about James' unfaithfulness. After confirmation of numerous affairs, Bullock filed for a celebrity divorce and decided to raise her son as a single parent. Not soon after, James started dating tattoo artist Kat Von D. The two made it as far as an engagement, but they never made it to their wedding day.

6. Blake Lively and Ryan Reynolds: Although the two didn't date immediately after Ryan Reynolds' divorce from wife Scarlett Johansson, it's believed that Blake Lively was a factor that led to their split. Considering their marriage seemed to be going smoothly, their celebrity divorce announcement was surprising. The actor jumped from one serious

relationship to another, as the celebrity couple was recently spotted house hunting.

Best Celebrity Dads (Who Also Make Great Husbands)

By Che Blackwood

At times, dads seem to know everything. They're the ones we can always turn to, whether we need advice on how to drive

manual transmission or just want to play soccer. That's why we love them. However, the greatest lesson a dad can teach is what he'll do for those he loves, including being an awesome husband. By keeping his relationship strong, a father is able to ensure his entire family rests atop a foundation that can weather anything. Here are some celebrity dads who have unlocked the secrets to a strong family by keeping both their kids *and* wives happy:

Related: [Best Celebrity Moms \(Who Also Make Great Wives\)](#)

1. Brad Pitt: While Brad Pitt might not be married yet, he definitely qualifies as a great father and partner. From taking time out of his busy schedule to see his children every day to stressing the importance of family dinners, Brad makes sure his Hollywood lifestyle is kept separate from his home life. To keep his family close, he even makes sure Angelina Jolie only works five days a week. Meanwhile, before proposing to Jolie, Pitt spent a year consulting the best jewelers to ensure the ring would fit her hand and lifestyle perfectly. With such attention to detail, he's able to guarantee a happy life for himself, his soon-to-be wife and their six beautiful children.

2. David Beckham: For this gorgeous athlete, it can't be easy to act in ways that are more impressive than his jawline. But, outside of being a soccer star, model and fashion icon, David Beckham's most notable role is that of a father. By dressing up as the Easter Bunny last April, taking each boy to sporting events on their own and constantly being photographed cuddling with his kids in public, it's obvious that his family is his highest priority. However, being an active father doesn't mean he neglects his famous wife, Victoria Beckham. The two were recently caught kissing at a sporting event, and are often off vacationing with their family. Plus, having just had their fourth child, we think it's obvious Victoria still finds David's jawline as impressive as we do!

3. Will Smith: Will Smith has a reputation as being one of the nicest celebrities around, and his relationship with his children is proof of that. While we thought dedicating a song to his son Trey was adorable, his love has only become more obvious throughout the years. Starring in movies alongside his son Jaden, supporting his daughter Willow's singing career and taking the time to cheer for his kids at their school sporting events, Smith is a great example of an active, loving father. Meanwhile, he and wife Jada Pinkett Smith keep their relationship strong amidst divorce rumors. The power duo has never been shy about the work a marriage takes, and Smith is a strong advocate of keeping his love life creative.

Rossdale is also careful to spend just as much alone time with his wife, musician Gwen Stefani. Since their daily work schedules don't start until after five in the afternoon, the two spend every morning together.

5. Matthew McConaughey: Matthew McConaughey is a father of two with his fiancée, Brazilian model Camila Alves. Hollywood Relationships: Love, Marriage, and the Money in Between

By Victor McGlothin

Katy Perry was in love with Russell Brand. They got married, and then 14 months later, they experienced a celebrity divorce. When Hollywood relationships heat up so fast and end just as quickly, we all go running to blogs and message boards looking for answers. Often, reasons why celebrity couples break up are obvious...and it usually involves money.

Causes of Failed Hollywood Relationships

In Perry's case, she was a popular singer before marrying Brit uber-talent Brand. Both of them were exceedingly busy on photo and movie shoots, concert tours, and everything else that accompanies stardom. With so much time spent apart, it's no wonder they experienced problems that ultimately resulted in a failed celebrity marriage. The question is: What makes celebs think they can sustain a healthy relationship and love

while living apart and chasing the almighty dollar rather than the connection that keeps the home fires burning?

Related Link: [Why Celebrities Fall In and Out of Love So Quickly](#)

Perry and Brand aren't the only culprits to this type of demise. Perhaps the biggest wedding sham of all time was Kim Kardashian's televised nuptials to NBA power forward Kris Humphries of the New Jersey Nets. After 10 million viewers watched the choreographed broadcast on *E!*, 72 short days later, it was all over. Once it occurred to Humphries that Kardashian got what she wanted – astronomical wedding coverage gracing dozens of magazine covers and an \$18 million payday for the exclusive rights – he filed to have the marriage annulled, citing fraud allegations. It was merely an attempt to save face after being used and branded in the national tabloids as the villain and then subsequently lambasted online by Kardashian's family.

Kardashian refused to ante up the \$9 million owed to Humphries for his role of a lifetime in the wedding plot, but then, she offered \$7 million as a consolation prize. Over 90 days after the 72 day scam marriage ended, their celebrity divorce is still pending and adoring fans are still choosing sides. Yet another hot mess caused by money!

Money, Relationships, and Love

Stories of Hollywood relationships like Brand and Perry's or Kardashian and Humphries's are all over the place, and there's usually the issue of money behind all of them. Even if money doesn't destroy a relationship and love, it always has a place. Even famous couple Brad Pitt and Angelina Jolie use money to buy happiness on occasion (see her massive engagement ring and \$25 million donation toward children's image rights).

Although us normal folk don't typically have the type of cash that popular celebrities bring to the table, it's still good to learn from the often careless ways in which they throw that money around. We should keep cash in the back of our minds, if at all possible, while pursuing a deep connection.

Hollywood Couple Brad Pitt and Angelina Jolie Visit Legoland with Kids

Newly engaged Hollywood couple Brad Pitt and Angelina Jolie were spotted at U.K's Legoland with their children. According to *People*, Pitt and Jolie were "very much in love. And a really happy family." In past visits, Jolie took the children to Legoland on her own, but this time, her celebrity love was happy to tag along. After Legoland, the family visited a petting zoo, Odds Farm.

This Hollywood couple found a way to still be romantic while on a vacation with the family. What are some creative outings that can still be enjoyed by the parents?

Cupid's Advice:

It's great to have romantic dates minus the kids, but sometimes, it can be difficult to pull off. Taking a cue from this Hollywood couple, there's a way to focus on your

relationship and love and also be together as a family. Here are some love advice for date ideas that the whole family can enjoy:

1. A day in the park: The outdoors are the perfect place for your kids to let loose while you and your partner cuddle in the grass. Pull out a basket and make lunch a romantic picnic.

couples tie the knot after six weeks, others couples take longer. Look at how long Jolie and Pitt were together before their celebrity engagement announcement! Remember, there is no right or wrong way to make your commitment to your partner official. If you do choose to get married, here are some relationship and love signs that it might be time:

**Women Who Are the
Breadwinners of Their**

Celebrity Relationship

The ladies of Generation X were some of the first to trade the domesticity of the housewife for the slacks of Corporate America. Powerful and confident women are sexy, but society hasn't completely caught up with us yet, and it's still uncommon for a female salary to outweigh that of her spouse's. That's where Hollywood comes in with a good message for once, as stunning starlets are throwing off the national average by earning more than their celebrity loves. Below is a list of sexy female celebs empowering themselves through healthy relationships *and* hefty paychecks:

Women's Upper Hand in Celebrity

Relationships

1. Gisele Bundchen: Other than her svelte silhouette and pristine profile, Bundchen impresses with a net worth of \$200 million. Her hunky husband Tom Brady is known for his jockey skills on the football field but is only worth \$100 million. While both salaries are envy worthy, Bundchen makes far more than the man she shares her bed with. Regardless, this celebrity relationship is picture perfect, and Brady doesn't look at all emasculated by his wife's high salary.

2. Jessica Simpson: We've watched Simpson transform from a young singer and clueless newlywed into a confident entrepreneur. With a net income of \$100 million and a shoe line that wracks in over \$500 million annually, she would be hard pressed to find a man wealthier than she. Fortunately, she's has found happiness with ex-NFL player Eric Johnson. Though his salary hasn't been reported, he is currently unemployed. Regardless of their paychecks, the two are expecting their first child this year, proving that money is not an issue with this celebrity relationship.

3. Oprah Winfrey: Whether you're an Oprah devotee or totally impartial, there's no denying this woman grabbed life by the reigns when she began her journalism career in the mid 1970's. Forty years and one huge following later, Winfrey is worth a staggering \$2.7 billion. Longtime partner Stedman Graham may not make as much, but he isn't loafing off of Winfrey's riches either. As CEO of S. Graham and Associates, Stedman has wracked in an impressive \$10 million of his own.

4. Julia Roberts: Roberts, America's *Pretty Woman*, has a hefty

income of \$140 million. Her husband, however, Danny Moder, is a camera man. Though his salary has not been reported, it has long been known that Roberts is the money maker in the Moder home. Regardless, after ten years of being a married celebrity couple and having three children, the two have shown that true love trumps any jealousy over income.

Actress Earns More Than Celebrity Love

5. [Angelina Jolie](#): From dominatrix to domestic diva, Jolie is another star we've had the pleasure of watching grow up in front of our eyes. While her days of drinking blood have passed, she continues to make celebrity news by adopting children, working as a humanitarian and starting foundations to help combat poverty. Somehow, this busy mother and activist also has time to star in movies and grosses nearly \$150 million. Her equally famous and good-hearted soon-to-be husband Brad Pitt makes only a little less than her at an annual salary of \$130 million. These two aren't sitting home comparing paychecks though. Instead, they combine their incomes to help better the world around them.

6. **Nicole "Snooki" Polizzi**: Outside of partying, tanning and going to the gym, Snooki found her fame by starring on MTV's *Jersey Shore*. Though her wild antics have made her somewhat infamous, she wasn't downing tequila shots for nothing. At an annual salary of \$2 million, the tiny beach bum can at least impress with her bank statements. Fiancé Jionni Lavallo chose a more modest lifestyle and is currently studying to become a teacher. While his salary may never match Polizzi's, the two were able to work past the drama of the shore and are currently expecting a baby.

Love Advice For a Stronger Long-Term Relationship

By Ricky Peterson

Everyone wants to have a great long-term relationship that keeps on getting better, but it simply won't happen without

some effort on the part of both partners. Making a stable relationship and love work isn't always easy though, as we see many famous couples going through their ups and downs in public via celebrity news and gossip...and it's no different for us regular folk. That being said, here are four pieces of love advice (with help from some of our favorite celebrity couples!) that we can all use to make our relationships stronger.

Love Advice To Follow

1. Be prepared to listen to each other: Listening is the hallmark of all good relationships. If you don't listen to your partner or they don't listen to you, how can you hope to develop a strong relationship and love for the long haul? Talking is good, but recognize when listening is required of you, and practice doing it more often. Everyone feels more valued when their partner sits and really listens to them. Listening means comprehending and not just making the right noises in the right places!

Related Link: [Relationship Advice On How To Fall In Love](#)

2. Don't ignore problems – they'll only get worse: You cannot hope to go through life with no problems at all. There might be minor setbacks in your relationship or problems that occur outside the relationship that affect you both. The trick is to never ignore them and to confront them head-on. Talk about these issues and decide how to tackle them as a team.

Celebrity Couple Example: Seal and Heidi Klum are a great example, as Seal's reported anger management issues seem to have caused a rift in their celebrity relationship. This is the sort of thing that, if worked on early, could have been resolved, possibly saving the marriage.

3. Never wait for the other person to apologize: The apologies

have to come from both partners; otherwise, one of you will always be saying “sorry” even when the other one does something they shouldn’t. You’ve probably heard the idea that you should never go to bed angry, and that definitely applies in this case.

Related Link: [Heidi Klum and Seal – What Blew Up Their Marriage?](#)

4. Be positive in lots of little ways: We would all benefit from being more positive in our daily lives. For example, if your partner has a job interview, be sure to call them just before they go in to provide some support. Then, call them afterwards to see how it went. You could even plan a dinner to mark the event, whether they were successful or not. You can either congratulate them or provide support and let them know the experience was still a positive one because it will help them gain experience for a the future.

Celebrity Couple Example: [Angelina Jolie](#) and [Brad Pitt](#) have had their ups and downs, but recent reports of a date night show that they are at least making the effort. Sadly, the media is much more into reporting on Hollywood couples who are having problems than those who are happy, but little bits of effort like this can make all the difference. Let’s hope it works out for these two!

Stronger Relationships and Love

By following this love advice, it’ll be easier than you think to build a strong partnership that will survive the test of time. Be sure you know how to make the most of your relationship and love, and start putting more effort into it today for the best results in the future.

Five Celebrity Divorces We Really Weren't Expecting

By Francesca B.

The world of celebrity is fraught with ups and downs. Scandals of drug abuse, cheating husbands and lying wives make for gripping and sensational stories when they come to public attention. We have come to expect a bit of drama from Hollywood romances, but even so, there have been some celebrity divorces that we really didn't see coming. Here are a few:

Related: [10 Most Beautiful Celebrity Couples](#)

Tom Cruise and Nicole Kidman

The original Hollywood sweethearts, Tom and Nicole met on the set of the hit movie, *Days of Thunder*, in which they played a young and romantically entwined couple very believably indeed.

It was therefore no great surprise when their on-screen romance started to become apparent off screen as well, and they were eventually wed on Christmas Eve, 1990. A popular and adorable couple, they stuck it out for over a decade before “irreconcilable differences” saw them seeking the advice of divorce solicitors and putting an end to the fairy tale romance the whole world had enjoyed. Still, both parties have now happily remarried and have children with their new partners.

Kate Winslet and Sam Mendes

The beautiful actress of *Titanic* fame, who we all thought would marry the gorgeous Leonardo DiCaprio, instead fell for dashing director, Sam Mendes. Despite being 10 years her senior, he definitely wasn't her sugar daddy, with Winslet being worth about double the Mendes fortune. They painted a picture of domestic bliss, but following the making of *Revolutionary Road*, a film starring Winslet and directed by Mendes and ironically about a couple stuck in a failing marriage, their relationship hit the rocks. To the surprise of the couple's friends and fans, they split in March 2010, leaving Winslet with two children from two marriages at just 34.

Related: [Why Celebrities Fall In and Out of Love So Quickly](#)

Courtney Cox and David Arquette

One of the world's best-known faces of the '90s for her role in *Friends*, Courtney Cox surprised everyone when she hooked up with David Arquette after starring in the *Scream* movies

with him. However, even more shocking was the news that after 11 years of marriage and a child together, the couple had decided to split. Despite speculation about the real reasons, Cox stated that she “was tired of being (David’s) mother.”

Madonna and Guy Ritchie

We all love Madge, and when she decided to marry a quirky British director and settle down in the English countryside, the place we held in our hearts for her grew a little bit bigger. The announcement that the couple were splitting up in 2011 came as a complete shock to most, with Madonna claiming that Ritchie ‘drinks too much’ as the reason for the split. That’s OK, Madge, we still love you.

Jennifer Aniston and Brad Pitt

Another celebrity of *Friends* fame and so popular she had an entire generation of young ladies going into hairdressers and asking for ‘a Rachel,’ Jennifer Aniston tied the knot with the most eligible bachelor in the world, Mr. Brad Pitt. Without a doubt the hottest couple in Hollywood, it seemed nothing could come between them. But that was until naughty Brad went off to film Mr. and Mrs. Smith and reportedly fell in love with Miss Luscious Lips herself, Angelina Jolie. Brad and Jen split a few months later, back in 2005, but even today Hollywood still rumbles with the scandal from time to time.

Whether expected or unexpected, Hollywood splits never cease to rock the Tinseltown boat with rumors and gossip. If only everyone could just be happy all the time!

Love Advice For Making Your Long-Distance Relationship Work

By Jemima Lopez

He lives in L.A, and she lives in London. While having a trans-Atlantic relationship is tough, if there's anything British celebrity couple David and Victoria Beckham prove, it's that long-distance relationships *can* work. Married for 12 years, they just welcomed their fourth child. Their American counterparts, Hollywood couple Brad Pitt and Angelina Jolie, have made it work too. Despite separation between films,

they've managed to stay in a committed relationship for seven years, and they share six children.

But non-celebrities have remote relationships too. In fact, more than 3.5 million Americans were in a long-distance relationship in 2005, according to the latest statistics. With the development of new technology, that number is most likely on the rise. While us common folks can't afford to jet set or send extravagant gifts, that doesn't mean our long-distance relationship can't last just as long. Use this love advice to help maintain your relationship and love like the stars:

Love Advice For Long-Distance Couples

1. Use all forms of communication: Let's get the obvious out of the way: Physical interaction is scarce, so communication is key. Text messaging, instant messaging, or even Facebooking is a start, but make your "communication" more interactive. Here are some examples:

Related Link: [Five Ways Social Media Can Help Your Relationship](#)

– **Date nights:** "Skype dates" are the norm – a designated time couples agree to video chat. But try to have a *real* date instead. Each week, pick a movie and a meal to prepare or purchase. Arrange your laptop, screen facing you. Eat and engage in conversation like in a restaurant. Then, pop in the movie. This way, you can hear and see each other's reactions to scenes. Bonus: Other movie-goers won't tell you to pipe down!

– **Send photos:** Sending self-portraits are great, but always try to send photos of things that you find interesting or funny. It will allow your mate to become more in-tune with your personality and give them some insight into your world.

– **Make videos:** Hearing someone's voice and seeing their face is more personable than a text. But people don't always have time to videochat. Instead of sending a text, create a 30-second SMS video. Your significant other can view or respond when they have time, and it's still special. There are apps that deliver "voice text messages," like Voxer.

Related Link: [Do's and Don'ts of Flirtexting and Sexting](#)

2. Send them a package: Sending your partner a gift for no reason is great love advice that can keep a smile on their face. Remember that you can also treat your boo to lunch or dinner because it's easy to get online and order a pizza that can be delivered to his or her front door. You can send traditional letters too. There is something incredibly personable about seeing someone's handwriting.

How to Strengthen Your Relationship and Love

3. Schedule monthly trips: You can talk for hours, but unless you see each other in the flesh at least once a month, your relationship will most likely fizzle. There are exceptions, like military relationships, which don't have the luxury. But for those that can travel at their own leisure, take turns planning monthly visits.

4. Be secure: Lastly, most remote relationships fail due to lack of trust. While understandable, if there is no trust, you shouldn't be together. Try not to let your jealousy get the best of you. That said, never completely ignore your intuition either. If something doesn't feel right, speak up.

Hollywood Relationships: Celebrities Who Found Romance On Set

By Megan McIntosh

Everyone remembers the moment they met the love of their life, whether it be at a park, a coffee shop or at the office. For many celebrity couples, the setting of the beginning of their love story was the work place. While some pairs couldn't keep the torch in their love life burning, the following Hollywood relationships turned "just a normal day at the office" into unforgettable romances that tabloids and fans constantly

follow and discuss:

Hollywood Relationships On- And Off-Screen

1. Brad Pitt and Angelina Jolie: This famous couple has to be one of the most unforgettable set of co-stars to have met on set (they were filming *Mr. and Mrs. Smith*). Pitt divorced his then-wife Jennifer Aniston in 2004 and later got together with Jolie. The duo has a total of six children together – three biological and three adopted.

2. Goldie Hawn and Kurt Russell: Famous actress and mother of Kate Hudson, Hawn has been with actor Kurt Russell since 1983. This Hollywood relationship started on the set of *Swing Shift* in 1982, and the famous couple later starred in the film *Love Overboard* in 1986. Despite a relationship that spans nearly four decades, the couple has no plans to marry.

First The Movie, Then The Celebrity Wedding

3. Ben Affleck and Jennifer Garner: This dynamic duo met while on the set of *Daredevil* in 2002 and celebrated their celebrity wedding in 2005. The Hollywood couple has maintained a relatively low-profile relationship, unlike Affleck's previous relationship with another Jennifer, Jennifer Lopez. Affleck and Garner have three children together.

4. Kristen Stewart and Robert Pattinson: This twosome has experienced great popularity with their on-set/off-set

chemistry. The celebs met on the set of *Twilight* in 2008 and also starred together in the other films of the *Twilight* saga: *New Moon*, *Eclipse* and *Breaking Dawn*. Bella may have difficulty in choosing Jacob or Edward on-screen, but Stewart is Team Edward all the way! Both Pattinson and Stewart will star in the last film of the series *Breaking Dawn Part II* later this year.

5. Jessica Alba and Cash Warren: These lovebirds had a slightly different matchmaking experience. Though not an actor himself, Warren met Alba while she was filming *Fantastic Four* in 2004, and the two were married in 2008. The couple have two daughters together.

6. Freddie Prinze Jr. and Sarah Michelle Gellar: This reclusive celebrity couple met while filming the scary movie *I Know What You Did Last Summer* in 1997. They were married in 2000 and filmed two additional movies together, *Scooby-Doo* in 2002 and its sequel, *Scooby-Doo: Monster's Unleashed* in 2004. Prinze and Gellar had a baby girl in 2009 and switch off with at-home responsibilities.

5 Celebrity Couples Who Should Rekindle Their Romance

By Samantha Mucha

There are some things in life that go together like peanut butter and jelly or a refreshing glass of lemonade on a hot summer day. Some of our favorite celebrity couples compliment each other in the same way. Although many of our most loved duos have split and moved on, there's no shame in wishing they would reunite. Think way back to Britney Spears and Justin Timberlake; they always seemed like the perfect couple on "The Mickey Mouse Club." What would life be like if all of our favorite Hollywood couples got back together? Here are a few Tinseltown twosomes we would love to see re-spark their old flames:

1. Jennifer Aniston and Brad Pitt: So maybe Pitt allegedly cheated on Aniston, but who didn't love them together? This seemingly perfect blonde couple seemed as if they were going to live happily ever after, but that changed once Pitt filmed *Mr. and Mrs. Smith*, and Angelina Jolie stepped into the picture. Both Pitt and Aniston denied that Jolie was the reason for their divorce filing in 2005.

Related: Brad Pitt Trashes Marriage to Jennifer Aniston

2. Jennifer Lopez and Marc Anthony: A recent split for this dynamic duo came as a surprise to most. With such high intensity careers, however, it was almost expected that the couple would eventually butt heads. Although Lopez approves of Anthony's new girlfriend, it's simply not possible to replace this previously successful and passionate couple.

3. Demi Moore and Bruce Willis: This former duo's divorce came as a shock to the public. The pair had three children and a seemingly happy marriage, so a separation seemed almost impossible. After over 10 years of marriage, though, the couple agreed to divorce without disclosing a reason and came to a fair settlement. They're close friends to this day.

Related: [Demi Moore Proves There's Hope After Divorce](#)

4. Jessica Simpson and Nick Lachey: With this pair, a reality television series had no positive outcome other than revenue. According to *People*, Joe Simpson, Jessica's father and manager said, "Do they fight? Hell yes, they fight. Have there been moments when Nick has wanted to leave Jessica or Jess has wanted to leave Nick? Absolutely." Their reality show, "Newlyweds," was a first of its kind, allowing a look into celebrity marriage bliss; but apparently the show falsely depicted the couple. Life on the show appeared happy, but behind the scenes, these two were arguing to the point of demise.

5. Britney Spears and Justin Timberlake: This former young couple met as members of "The Mickey Mouse Club" in front of the cameras as teenagers. After three years of dating, it seemed that Spears and Timberlake were meant for each other. Unfortunately, fame and fortune took a toll on their relationship, as they battled drama sparked by rumors.

Here are ten of the most beautiful famous couples that Hollywood has to offer:

Beautiful Famous Couples

1. Prince William and [Kate Middleton](#): The Duke and Duchess of Cambridge have earned the number one spot on our list. They've been married less than a year, but ever since Princess Kate elegantly walked down the aisle, she has taken the world by storm with her class and beauty – and let's not forget her great fashion instinct.

2. Tom Brady and Gisele Bundchen: Fame, fortune, and beauty – this Hollywood couple has it all. They've been married for almost two years, and they're definitely turning heads. The

New England Patriots quarterback and his supermodel wife have an 18-month old son and are making big plans for a new mansion.

music videos. You could see the infatuation in Adam's smile as he and his girlfriend locked eyes as the Victoria's Secret model strutted her stuff down the catwalk recently.

Celebrity Love is Stronger Than The Rumors

9. Will Smith and Jada Pinkett: Apart from the recent rumors of a celebrity divorce after being married for fourteen years, this power couple is still together and we're cheering for their recovery.
