What are three things you can do to personalize your baby shower?

Cupid's Advice:

Baby showers are a great way to celebrate the pending arrival of your newborn. Find out how to make your baby shower stand out! Cupid has some advice:

1. Make your own invitations: Instead of buying a few Hallmark cards, spend a little time making your own baby shower invites. Pick out a theme and get crafty! If you need a little help with all of the cutting and gluing you'll probably be doing, ask some friends to assist you.

2. Personal gifts and favors: If you really want your shower to be something special, think about giving each of your friend's an unique party favor. Instead of giving them all the same thing, try to give them something that represents your relationship with all of them.

3. The food: Forget about paying for a caterer when you can do all of the cooking yourself or with some loved ones. Preparing the meal yourself will make the occasion more intimate. However if you're not feeling up to it, have your partner do the cooking while you have fun with your friends.

What are some ways to support your partner through an unplanned pregnancy?

Cupid’s Advice:

Pregnancy is a beautiful thing, but it isn’t always planned at the right time, which can make it difficult. Cupid has some advice:

1. Talk out your feelings: It is important the two of you discuss your feelings together. Creating a baby with someone means you have to be open and honest, this is no time to hold back how you feel.

2. Look out for one another: This can be a stressful time. Make sure you take time out from other commitments so you can take care of the situation.

3. Acknowledge: understand and acknowledge each other's roles in the pregnancy and be sure to go through with it. This means helping out with the decision-making and making yourself available to help each other.
