What are some ways to announce your pregnancy?

Cupid's Advice:

There are many ways to let friends and family know you're expecting a little ray of sunshine. Cupid has some ways for

you to announce your pregnancy:

1. Call: You should call the most important people, such as immediate family and your closest friends, to tell them of the pregnancy. Having them find out in some other way could hurt their feelings.

2. Facebook: In this day and age social media is an absolutely brilliant way of letting your extended family and acquaintances know that your family is about to increase by one. A quick status update or a sonogram photo will do the trick just perfectly.

3. Photo: Sending a clever photo in the mail is a cute and fun way for you and your spouse to announce as well. An empty pair of baby shoes or a picture of your baby bump will suffice.
