

Celebrity Exes: Demi Moore Posts Epic Throwback Emmys Pic with Ex-Husband Bruce Willis

 By Nicole Maher

In the latest [celebrity news](#), Demi Moore shared a throwback image of herself attending the 1987 Emmys alongside now ex-husband Bruce Willis on Instagram. According to *UsMagazine.com*, Moore shared the image of the former [celebrity couple](#) to commemorate the 2020 Emmy ceremony, which took place without a red carpet or audience due to the pandemic. While the [celebrity exes](#) split back in 2000, Moore explained how their relationship grew stronger after their divorce, and how the two are devoted to creating family memories with their three children. Moore and Willis were recently reported to be quarantining together, alongside their children, in Idaho earlier this year.

These celebrity exes have kept things civil and can even remember their relationship positively to this day. What are some ways to turn the corner from bitterness to happy memories after a break-up?

Cupid's Advice:

Sometimes we realize after getting into a relationship with someone that our bond was better suited for a friendship. Unfortunately, it can be difficult to back-track from this position without causing any bitterness or tension for both people involved. If you are looking for ways to limit the bitterness post break-up and turn the corner into a true friendship, Cupid has some advice for you.

1. Give it time: Even if you and your partner have gone through an amicable break-up, it can still be necessary to spend some time apart. During the time immediately following a break-up, bitterness and drama are likely to surface, which can be avoided if both parties limit their contact. Once the two of you have started on your own separate paths post-relationship, it can be easier to slowly build a friendship.

Related link: [Celebrity Exes Kendra Wilkinson & Hank Baskett Are in a 'Really Good Spot' After Split](#)

2. Respect each other's boundaries: It is important to understand that while you are still in your ex-partner's life, your role has changed. Just like the two of us set boundaries in your romantic relationship, boundaries need to be established for your newly formed friendship. By understanding what both people want out of a friendship, you will prevent any bitterness or disagreements from forming.

Related link: [Celebrity Break-Up: Kelly Clarkson Says Life Has Been a 'Dumpster' Amid Divorce from Brandon Blackstock](#)

3. Reminisce with each other: Just as Moore and Willis do, look back at all the great memories you made as a couple. Even if a relationship does not work out, it doesn't mean that all the memories you made together need to be tainted by the break-up. Remember things for how they were in the moment rather than how they are under the changed relationship status.

happy memories after a break-up? Start a conversation in the comments below!

Celebrity News: Demi Moore to Reflect on Ashton Kutcher & Bruce Willis Marriages In Memoir

By [Mara Miller](#)

In [celebrity news](#), [Demi Moore](#) is set to release a “deeply candid and insightful” memoir titled *Inside Out* that reflects on her [celebrity marriages](#) to [celebrity exes](#) [Aston Kutcher](#) and Bruce Willis, according to Harper Collins. *UsMagazine.com* reports Moore was married to Willis from 1997 to 2000 and have three daughters, Rumer, Scout, and Tallulah. Kutcher and Moore were together from 2005-2011, with their celebrity divorce being finalized in 2013.

In celebrity news, Demi Moore will open up about her failed marriages in her memoir. What are some ways writing can help you cope with a break-up?

Cupid's Advice:

Demi Moore wrote an entire memoir after two of her marriages ended in divorce. While writing might not be your coping mechanism for a break-up (and it's a *really* good way to cope), here are some other ways to get through your relationship ending:

1. Talk about it: Get some coffee with a friend or go to a restaurant for lobster and steak to dish all about the break-up. It's not good to hold in emotions after a break-up and your friend is sure to be willing to listen to you vent! Use it as a chance to catch up with them too if you haven't seen each other in a while.

Related Link: [Celebrity News: Stephanie Pratt Is Not On Speaking Terms with Spencer Pratt Due to 'Gold Digger' Heidi](#)

2. Practice self-care: It's time to put yourself first for a while. It is not selfish. You are putting your own well-being first for once. Get a mani-pedi, binge-watch your favorite show on Netflix, or eat an entire pizza by yourself. Or all do all three! You need to learn to care for yourself again.

Related Link: [Celebrity Couple News: Priyanka Chopra Jonas Admits She Judged Nick Jonas At First](#)

3. Practice positivity: Try not to let yourself dwell on everything negative that happened in your relationship. If you don't want to think about it at all, that's okay. Start a gratitude journal and write about all of the good things happening in your life. Or, if you need to write about your relationship, write about the positives and the things you have learned that you can take with you when you are ready to start dating again.

What are some other things you can do to help you cope with the end of your relationship? Let us know in the comments below!

Rumer Willis Opens Up About 'Dancing With The Stars' and Her Parent's Celebrity Divorce

By Meranda Yslas

Rumer Willis, actress and daughter of former famous couple Bruce Willis and Demi Moore, recently sat down and talked on [Larry King Now](#) about the current season of *Dancing with the Stars* and her parent's [celebrity divorce](#).

Rumer Willis on Val Chmerkovskiy and *Dancing with the Stars*

According to Willis, season 20 of *Dancing with the Stars* is the season to watch her partner Val Chmerkovskiy. "I think it's going to be his year," she explains. "He's so sweet and really cares about the dance." Still, winning isn't going to be an easy task, especially being partnered with such a determined dancer. The actress admits, "He's definitely a strict teacher!"

Related Link: [Demi Moore and Bruce Willis Barely Interact at Rumer Willis' Performance](#)

With such an intense practice schedule, it's obvious that the dancing is important for the duo. "When you're doing a show that's a reality TV version of ballroom dancing, it can become

more about the costumes or the performance, but what I really like about him is he really cares about the dancing and keeping the integrity of what you're actually doing," she reveals.

Actress Talks About Her Parents' Celebrity Divorce

Although Willis has her own career, she's perhaps best known as the daughter of two A-list stars. Experiencing your parents' divorce is never easy, especially if you're the child of a Hollywood couple. As a 10-year-old, it was difficult for her to understand the role of the press and the tabloids in her everyday life. "I think one of the hardest parts was growing up with having your whole life kind of be on display and have people have an opinion about it before you learn how to get a tough skin and really just have confidence in who you are without letting other people's opinions affect that," she explains.

Fortunately, her parents' celebrity divorce was made a little bit easier to handle, thanks to the continual support from her mom and dad. "I am so thankful and grateful that my parents made such an effort at the time," she shares. "I never had to split up vacations or split up birthdays. They always made an effort to do all of the family events still together. They made such an effort to still have our family be one unit as opposed to two separate things."

Related Link: [Rumer Willis Moves On With New 'Glee' Beau](#)

Given her family's status in Tinseltown, the *Dancing with the Stars* contestant is subject to celebrity gossip. She tries to maintain a positive attitude about the rumors and be open to criticism. "If you want to judge me, I'm totally fine with that," she candidly says. "And if you don't like me but just take five minutes to get to know me and if after that your

opinion stays the same and you *still* don't like me, then that's your prerogative."

Having a confident attitude while dealing with negativity from the press and general public isn't easy to pull off, but Willis has her mother to thank for her perspective: "She always says, 'Live in whatever your integrity is, and go out to the world and present yourself how you want to present yourself and how you want people to see you.'"

Demi Moore and Bruce Willis Barely Interact at Rumer Willis' Performance

 By Sanetra Richards

Keep the peace! And that is exactly what Demi Moore and Bruce Willis seemed to do. The ex-couple of 13 years remained cordial at their daughter's, Rumer Willis, musical performance at West Hollywood's DBA on Saturday, April 5th. According to UsMagazine.com, although the two both attended, they sat at different tables: "They stayed after to congratulate her and chat for a bit," the eyewitness also said, "Bruce and Demi did not interact with each other." One male and two female friends joined the 50-year-old actress for the event, whilst the 59-year-old actor was accompanied by his pregnant wife Emma

Heming-Willis.

What are some ways to keep things civil with your ex?

Cupid's Advice:

Every breakup comes with a list of things to consider after the split. One of them is occasionally seeing each other (even if not intentionally) after the split. Nevertheless, there are a few ways to maintain your composure and be cordial with your ex. Cupid has some tips:

1. Inhale, exhale: The first time you may see your ex will possibly catch you completely off guard (although you probably had a heads up). Remain poised and content. You will make it through the awkward moment.

Related: [Find Out About Demi Moore's New Guy](#)

2. Realize: You have turned the page and are now on a new chapter. Do not let your past relationship feelings taunt you constantly. Think about the good things that came after your ex, not the ones you experienced while with them. Your happiness will thank you.

Related: [Bruce Willis Prepares to Welcome His Fifth Child](#)

3. Delete: Harboring those old feelings will not make seeing your ex-partner any easier. Let go of the anger and resentment. You will feel ten times better at the end of the day. Plus, you will not have to look at their face afterwards!

5 Celebrity Couples Who Are Still Friends After Divorce

 By Louisa Gonzales

Breakups are hard. Divorce is even harder. Some are nasty, while others end amicably, but even so, for some couples transitioning from ex lovers to buddies just isn't possible.

Many celebrity partners have gotten married over the years, and not all of them have worked out. However, some pairs have managed to go from being in a romantic relationship to remaining friends. Here are Cupid's top 5 celebrity ex couples who still remain friends to this day.

1. Miranda Kerr and Orlando Bloom: The pair married for three years before calling it quits in 2013. The ex couple shares one son, Flynn, born in 2011. The ex lovers may have ended their marriage, which their reps stated the split was amicable, but the family is still spotted in friendly outings together. Having a son together it makes sense the two remains more than cordial with one another.

Related: [5 Celebrities with Open Marriages](#)

2. Courteney Cox and David Arquette: The two got hitched back in 1999 and were together for 11 years before splitting up and then officially divorcing in 2012. The ex lovebirds have one child together their daughter, Coco. The two have reportedly stated they still remain best friends and are both fully committed to raising their daughter together even though they are no longer married.

3. Ryan Phillippe and Reese Witherspoon: The couple who tied the knot back in 1999 married young, but remained together for eight years, unusual for Hollywood standards, before ending

their romance. The ex lovebirds have a son and daughter together and still maintain a healthy relationship with each other to this day.

4. Demi Moore and Ashton Kutcher: The once power couple both made headlines when they first got together back in 2003 because of their major age difference, about fifteen and half years total! Their divorce may have been one of the nastier ones, there's speculation Kutcher was unfaithful, but the ex's have both since moved on. Kutcher stated he would always cherish the time they spent together in a tweet and the pair appears to still be friendly toward one another.

Related: [Top 10 Celebrity Couples of 2013](#)

5. Demi Moore and Bruce Willis: These two former flames haven't been married for years divorcing way back in 2000 after being married for 13 years. They had three daughters together. The duo remained close after the split. Willis even use to pose with his daughters, Demi and her now other ex husband Ashton Kutcher! Talk about having no hard feelings!

Bruce Willis Prepares to Welcome His Fifth Child

 By Brittany Stubbs

Bruce Willis is a daddy-to-be – again! The actor's beautiful wife Emma Heming-Willis, is officially expecting their second

child together, confirms [People](#). Willis comments on his experience of being a father to the couple's first child, daughter Mabel Ray who is now 20 months old, stating, "I think I'm even more open and more giving as a father now. I pay more attention now because I value it more and I'm less caught up with my career." Willis is also a parent to his children from a previous marriage with Demi Moore, fathering daughters Tallulah, 19, Scout, 22, and Rumer, 25.

How do you decide how many children are right for you?

Cupid's Advice:

It can be hard to make the decision that's right for you when it comes to deciding how many children to have. Cupid has some advice:

1. Financially: Although children are referred to as gifts, they are far from free. When it comes to planning whether or not to expand your family, your financial situation is a large factor to consider. You may dream of having four precious children, but can you afford to support the expenses that come with those lives, both currently and in the future.

Related: [Bruce Willis Supports Demi Moore Post-Splie With Ashton Kutcher](#)

2. Time commitment: Each child is in need of your personal time and attention. It's important to consider whether you and your partner have the luxury of that personal time to devote to *each* your children separately. Will you be able to make all those different little league games, dance performances, and parent-teacher meetings?

Related: [Kate Winslet Welcomes a Baby Boy](#)

3. Age: When planning a family, the age of you and your spouse might depend on the number of children right for you. If you're starting a family when you're older and don't

necessarily want to have all your children back-to-back, you may decide that a smaller family is what is fit for you.

How have you determined the number of children right for you? Share your thoughts below.

Celebrity Couples That Remained Friends After Dating

 By Jennifer Harrington

Dating in Hollywood's spotlight can be thrilling and challenging for celebrities. While it can be intense for the stars to navigate love with their partner under the microscope of the media and paparazzi, it's even more problematic when couples break-up and part ways. As we know, breaking up is hard to do and many couples do not remain on amicable terms. However, here is a look at several celebrity couples who have managed to stay friends after ending their romance.

Demi Moore and Bruce Willis:

Demi and Bruce were married for over a decade, are parents to three daughters, and also have the "biggest drama-free divorce in Hollywood". During Demi's six-year marriage to Ashton Kutcher, it was widely publicized that Bruce spent time with Demi, Ashton, and the kids (the gang appeared everywhere together from red carpets to exotic vacations!). When Demi and Ashton's marriage dissolved, Bruce was a shoulder for his former wife to cry on. So what's the secret to the harmony between them? Many speculate it is their shared devotion to

their kids, and the fact that their union dissolved without any rumors of infidelity.

Related: [Demi Moore Proves There's Hope After Divorce](#)

Reese Witherspoon and Ryan Philippe:

Reese and Ryan married young and split after seven years of marriage. The marriage produced two children, and the grounds of divorce were reported as “irreconcilable differences”. However, in the several years that have passed since they parted ways romantically, it's apparent that this duo has stayed tight and they have a fantastic friendship. In fact, Ryan and Reese are frequently spotted (with Reese's current husband, Jim Toth) watching their son's soccer games together! Hollywood insiders believe the secret to Reese and Ryan's friendship is open lines of communication and talking through any issues that come up.

Related: [Reese Witherspoon Says Married Life Feels Great](#)

Kendra Wilkinson and Hugh Hefner:

Kendra became a star by living in the Playboy mansion as one of Hugh's girlfriends. Kendra ended her romantic relationship with Hugh, but the couple remained so friendly that Kendra and Hank Baskett were married at the Playboy mansion, and it was initially reported that Hugh would give the bride away during her wedding ceremony! Kendra has a young son with Baskett, and she's made it known she wants her son to call Hugh “The Godfather”. Recently, Kendra was quoted saying she wanted to kill Hugh's current wife, Crystal Harris, because she is skeptical of her intentions. This statement is evidence of the deep friendship between Kendra and Hugh; it's obvious these two always have the others best interest in mind, and they aren't afraid to stand up for each other when necessary!

It's certainly not common for celebrity couples to remain friends after the romance fizzles, but it is reassuring to see

how these couples have made it work and stayed close. There are obviously lessons to be learned from Demi and Bruce, Reese and Ryan, and Kendra and Hugh. Tell Cupid: what do you think is the most important advice for two people transitioning from lovers to buddies?

Celebrity Couples Who Function As Families After Divorce

 By Evan Goldaper

In the world of Hollywood, it's easy for celebrities to move on after they've been through a breakup. After all, there are always new and exciting people for them to meet, and everyone already admires them. However, some celebrities don't choose to completely separate from their exes. Although they didn't start dating each other again, these celebrity couples had their reasons to remain a family even after their divorces:

Related Link: [Five Ways Being Friends With Your Ex Can Ruin You](#)

1. Bruce Willis and Demi Moore: For thirteen years, Bruce Willis and Demi Moore were among Hollywood's strongest power couples. The two actors were at the heights of their careers when they married in 1987, making their wedding one of the most talked-about events of the year. However, by 2000, their marriage had fallen apart and the two divorced. Unlike many other settlements, both in and out of Hollywood, Willis and

Moore's split was uncontested and ended peacefully. They both agreed on the reasons for the divorce, blaming the increasingly small amount of time the two could spend together. Willis always said that Moore and their children's happiness was the most important thing to him, and he gave around \$90 million to her in spousal support. When Moore was still married to Ashton Kutcher, they would their spend holidays with Willis as one large family. As Bruce said to *People*, "Life is too short to spend what little precious time you have alive being unhappy."

2. Courteney Cox and David Arquette: It's rare to see any relationship end as amicably as that of Courteney Cox and David Arquette. After meeting on the set of *Scream* in 1999, the two actors were married. Eleven years later, they began a separation that ultimately ended this June with a legal divorce. This separation was very simple and surprisingly friendly. Neither used a lawyer, assets were split 50/50 and Arquette didn't ask for any support. In a statement they both released, they said that "the reason for this separation is to better understand ourselves and the qualities we need in a partner and for our marriage." Even while separated, the two remained committed to raising their daughter Coco as a team. Cox told [People](#) in 2012 that Arquette is still her "favorite person in the world." It's easy to believe that: Cox came to cheer Arquette on when he appeared on *Dancing With The Stars*, Arquette had a guest role on Cox's sitcom *Cougar Town*, and their joint production company Coquette Productions still makes television shows.

Related Link: [Hollywood's Messiest Splits](#)

3. Arnold Schwarzenegger and Maria Shriver: Although this divorce was one of the messiest splits in recent years, Arnold Scwarzenegger and Maria Shriver have managed to remain respectful and friendly. We've all heard the story: after being married for 25 years, Schwarzenegger revealed that he had fathered a child with their housekeeper over a decade

earlier. He remained apologetic and said he deserved all the criticism he was sure to get, making him very accepting of his marriage's inevitable end. In part because of the love they still shared and in part because of Schwarzenegger's political position, the two tried to fix their marriage in couples therapy, but a divorce still seemed likely. Though the two are now separated, Schwarzenegger still has a great deal of respect for Shriver and the two raise their children as a team. As he said to the [Huffington Post](#) earlier this year, "The most important thing is that the kids are doing well, and Maria always has been an extraordinary mother and always has worked with the kids very closely."

What couples do you think have had the friendliest breakups? Tell us below.

Bruce Willis and Emma Heming Welcome a Baby Daughter

It's official! Bruce Willis and his wife of three years, Emma Heming, have welcomed the newest addition to their family, daughter Mabel Ray Willis. Mabel joins three half-sisters, Rumer, 23, Scout, 20, and Tallulah, 18, who Willis had with ex-wife Demi Moore, according to [People](#). The *Die Hard* actor and designer-model, according to their rep, "are overjoyed about the newest member of their family. Both mother and baby are healthy and doing beautifully."

What are some ways to prepare your existing family for an infant addition?

Cupid's Advice:

When you're getting ready to welcome a new addition to your family, it's important to prepare certain things. Cupid has some tips:

1. Prepare your other children: Keep your kids up to date about the pregnancy and what it will be like when you bring the baby home. Have them help get the nursery ready and offer baby names. The more involved the feel, the more accepting they'll be of the situation.

2. Get your finances in order: Another child means one more mouth to feed and one more body to clothe. Kids are by no means inexpensive, so it's important to make sure you're getting your finances in tip top shape before having a baby.

3. Prepare yourselves: If you already have kids, another child in the mix means you'll be all the more busy and worn out. Make sure you're staying in shape and taking care of yourself as you prepare to welcome another addition to your family.

How did you prepare your family for an additional child? Share your tips below.

Bruce Willis Supports Demi Moore Post-Split With Ashton Kutcher

 Bruce Willis will always be there for Demi Moore. The *Die Hard* actor, 56, is taking the time to comfort his ex-wife in

light of her split from Ashton Kutcher, reports NowMagazine.com. “He’s explained to [pregnant wife Emma Hemming] that he needs to divide his time until Demi is a bit stronger,” said a source. “He knows Emma’s feeling a bit neglected but he wants to make sure Demi gets herself together.”

What are some ways to react if you feel neglected by your partner?

Cupid’s Advice:

It’s often difficult to ask for more attention without sounding needy. Here are a few ways to react if you feel neglected:

- 1. Give attention:** If you feel neglected, try giving your partner more attention. Chances are, the somewhat tense atmosphere between the two of you is mutual. Be the first one to mend the bridge.
- 2. Work through it:** It’s very possible that your mate may just be busy. They may be having family issues or a hard time at work. Tough out the rough phase, and everything will eventually go back to normal.
- 3. Tell your partner:** If no other action will work, confront your partner. Politely explain your feelings and tentatively ask for a change.

Have you ever felt neglected? Feel free to leave a comment below.

Demi Moore Proves There's Hope After Divorce

 By Amy Osmond Cook, Ph.D.

It's unclear as to whether Demi Moore is going to file for divorce from Ashton Kutcher after he allegedly cheated on their sixth wedding anniversary. At least, that's what the *Vancouver Sun* and other media outlets are reporting. Though both parties have declined to confirm the split, it's certainly apparent that this is a difficult time for both of them.

It's no surprise that many marriages crumble when there is a serious betrayal. For most Americans, marriage remains the highest expression of commitment that they can imagine. Most also believe it's unacceptable to cheat, lie, or keep secrets in a marriage—and that number has continued to fall over the past 40 years, according to Stephanie Coontz, the author of the article *The Origins of Modern Divorce*.

While the difficulty of this situation cannot be overstated, Demi has navigated this terrain before with grace and poise.

If she handles a divorce from Ashton like she did her divorce from Bruce Willis, we can expect the couple to stay friends and find happiness amidst the devastation. So, what can we learn from this actress?

1. Keep it classy. Demi has yet to talk about her situation with Ashton in a public way. Until a final decision is made, she's probably going to keep quiet about it. She and Bruce were models of restraint during their divorce and continued to build each other up even as they separated.

2. Remember that love conquers all. Somehow, Demi and Bruce

continued to love each other while no longer remaining “in love” with each other. Bruce told *Vanity Fair Magazine* in 2007: “It’s hard to understand, but we go on holidays together. We still raise our kids together—we still have that bond. . . . I love Demi, and I know she loves me.” We can expect Demi to go through a grieving process, but then come out on top—choosing love and forgiveness over bitterness and acrimony.

3. Put the kids first. In 2007, Demi stated: “I’m the product of divorced parents, and my brother and I were the pawns in my parents’ game. I never wanted that for my kids.” She explained, saying: “You know, I didn’t get married and have children so I could get a divorce, get remarried, and get along with my ex-husband. But since that is what happened, I am grateful it turned out this way.” Ashton has been a father figure to Demi’s children for years, so Demi will most likely continue to support that relationship.

Divorce is certainly difficult. Many of us know that from personal experience. But if anyone can handle a public divorce in a classy way and continue to find the good in her relationships, it’s Demi Moore.
