## Cupid's Advice:

It can feel like a shot to the gut when you find out your partner has been cheating, especially if you thought you were both somewhere early in the relationship but your partner didn't have the same understanding. Cupid has some advice on how to handle things when you find out your partner has been cheating:

**1. Don't publicly blast them:** If there is any chance of saving your relationship, publicly announcing your partner's behavior is a sure way to destroy any chance you may have at fixing it. Slip-ups happen. Don't immediately turn them into the bad guy. Plus, it makes you look bad in the process.

**2. Try to understand why it happened:** Give your partner a chance to explain. Were they caught up in the moment at a party with friends? Did they not understand the grounds of the relationship? Don't let them off the hook too easily, but also don't immediately write them off.
