Cupid's Advice:

Whether you take it nice and slow or get hot and heavy, on occasion we all get swept up in PDA. There's a style for all of us, be it hand holding to a hardcore make-out session. These are the ways to declare your partner yours in public:

1. Cuddle up: In order to bring in new customer, movie theaters have brought the experiences of home to movie goers. This comes with nifty new reclining seats whose arm rests lift up. This gives you free rein to enjoy snuggling up to your partner while watching the newest flick. Plus the dark area of a movie theater will have your PDA flying total under the radar. Of course, if your more brazen you can take a tip out of Camila and Shawn's playbook and cuddled up while sharing food at a restaurant.

2. Hand holding: Vastly underrated and criticized for the potential of sweating palms, holding hand is the perfect amount of PDA. The tiny physical intimacy says to the world that you're in love, but you're still your own person. It does so by connecting the partners, but not cutting them off from their surroundings like kissing would. Out of all forms of PDA, it's also the most likely to be tolerated by those around

who are not very much in love with public affection.

3. Forehead kissing: This simple intimacy is easy to get away with in public. Soft lips on the forehead is very much an act of care which won't produce an eye roll. It's also a gentle reminder to your partner that you're there for them whenever they need you. Pair with cuddling or holding hand as aforementioned will add a new layer to PDA which is still publicly acceptable.

some ways to keep rumors in check when it comes to your relationship?

Cupid's Advice:

Once news of a relationship hits the rumor mill, it'll keep spinning out of control. While you'll never eliminate gossip there are a few steps you can take to diminish it's power:

1. Present a strong front: Make sure you and your partner are on the same page regarding your public relationship. Talk with you partner about the ins and outs of PDA, social media, and what can be said when. It's a delicate balance of respecting each other's boundaries and standing united.

3. Keep your relationship low-key: This may not be for everyone. Even I'm not immune to a good Instagram post celebrating inner aspects of my life.
