The couple announced their [celebrity break-up](#) earlier this year after tying the knot in September of 2017. Since making their divorce official, Cardi B has clarified the reason for ending their relationship involved

too much arguing and not any infidelity.

## **In celebrity news, Cardi B and Offset may be having second thoughts about their split. How do you know when your relationship is truly over?**

### **Cupid's Advice:**

It can be hard to determine when a relationship has officially run its course, and even harder to let go when you two share a long past or children. If you are looking for ways to determine if your relationship is truly over, Cupid has some advice for you:

**1. You're not yourself:** It can be difficult to determine just how much a failing relationship is affecting your life. If you find yourself getting tired or irritated in situations that have nothing to do with your current relationship, the emotions can still be coming from this source of stress. Take a moment to assess your current state of mind and see if relationship drama is carrying into other areas of your life.

**2. You've split many times before:** Sometimes you truly need to break-up with someone to understand just how much they mean to you. In some cases, a temporary break can lead to a more solid relationship in the future. However, if you have split multiple times with your current partner, or have started taking breaks more frequently, it may be a sign that your relationship is coming to an end.

**3. You've spoken with professionals:** Many people turn to relationship counselors when they are experiencing trouble with their partner to find new ways to problem-solve. If these new communication methods or techniques aren't helping to repair your relationship, it might be time to consider breaking up. Relationship counselors will also sometimes recommend splitting from your partner if they feel your relationship is irreparable.

## **Celebrity Divorce News: Cardi B Files for Divorce from Offset After Three Years**

By

Nicole Maher

In the latest [celebrity news](#), rapper Cardi B has filed for a [celebrity divorce](#) from her husband Offset of Migos after three years of marriage. According to *EOnline.com*, the former celebrity couple began to spark dating rumors after being seen together at the 2017 Superbowl, and were married in secret in September of that year. Throughout the three years of their marriage and the birth of their daughter Kulture, the pair had faced many infidelity rumors. Despite reconciling in the past, Cardi B has declared their [celebrity relationship](#) is “Irretrievably broken.”

**In celebrity divorce news, Cardi B filed for divorce from husband Offset How do you know your relationship is officially over?**

**Cupid’s Advice:**

When we truly love someone, we often find it difficult to

determine when a relationship is officially over. Despite the fact that staying together may now be causing one or both of you discomfort, it can be challenging to let go. If you are looking for signs that it is time to end your relationship for good, Cupid has some advice for you:

**1. Nonstop disagreement:** It is obvious that a relationship isn't working when both people involved are fighting constantly. However, even nonstop small disagreements, such as never agreeing where to eat or what day to hangout, can be unhealthy in a relationship. While these mild disagreements may not be enough to warrant a break-up initially, they can lead to underlying tension or lack of communication if they are present in every conversation.

**Related link:** [Celebrity News: Cassie Randolph Is Granted Restraining Order Against 'Bachelor' Colton Underwood](#)

**2. Lack of Excitement:** If agreeing to an activity with your partner causes you to feel stressed rather than excited, it might be a sign that the relationship has reached its limit. It should never feel like an obligation to be around the person you love. If you find yourself dreading the idea of spending time with your partner, it is likely time to sit down for the conversation.

**Related link:** [Celebrity Break-Up: Savannah Chrisley & Nic Kerdiles Split After Postponing Wedding](#)

**3. Consult your friends:** While the relationship is taking place between you and your partner, sometimes it is necessary to get an outsider's perspective. Find a trusted friend that will have no problem being honest with you and ask for their feedback. This friend will likely see the signs long before you, and will have no problem telling you if you've been acting differently or getting irritated easily, which are often signs of a troubled relationship.

## **In celebrity couple news, Cardi B and her husband Offset have had their share of ups and downs. How do you rise above difficult times in a relationship?**

### **Cupid’s Advice:**

No couple is perfect, but it can be hard to hold onto your relationship when things are especially rocky. You and your partner both need to work on your relationship. It’s easier said than done to fix the problems in your relationship. If you don’t know where to start, Cupid has some advice for you:

**1. Spend more time together:** Some relationships struggle when you don’t spend enough time together. Conflicting schedules and long-distance can take a toll on any couple, but it’s important to put the time into it. Plan a day to spend together each week. It doesn’t have to be elaborate: it can be a Netflix night in or a planned FaceTime call.

**2. Identify bad behavior:** It can be hard to tell exactly

what's going wrong in your relationship. It's important to figure out where the negativity is coming from. If it's from outside the relationship—like work stress or mental health issues—you and your partner can tackle it together.
