What can you do to make your pregnant partner feel beautiful?

Cupid's Advice:

As the months go by and the baby weight piles on, pregnancy can make a woman feel anything, but beautiful. Prove her wrong by borrowing a few of these ideas:

- 1. Book the spa:** If your partner is feeling a little down, surprise her by mentioning that you booked her a prenatal massage at the spa. It'll show her that she's still on your mind. Plus, a little rest is always appreciated.
 - 2. Romance her:** Bring back date night, and make sure she dresses to the nines. A romantic dinner will help remind her just how much you love being in her company.
 - 3. Spice it up:** Being pregnant can make some women feel the farthest thing from sexy. Buy some maternity lingerie, and rekindle the romance. Show her that you still find her beautiful.

How can you show support for your partner?

Cupid's Advice:

Sometimes, speaking one's beliefs can have negative ramifications, and can hurt others. If this has happened to your partner, Cupid has some ideas to help you through the experience:

1. Support your partner: Stand by your mate. Show your support, and be by their side if they're going through a rough patch. Be a shoulder to lean on, and a safe place to go when they've had a bad day.

2. Find others: If you're partner is dead-set on a controversial belief, regardless of what it concerns, help them find others who share the same sentiment. Help your mate start a blog, join Twitter, or connect on Facebook, where they can express their opinions with those who feel the same way.

3. Keep searching: Look for opportunities where your partner can help build their platform. Keep an ear out for local events where he or she can participate in. If you can, be at the venue if your loved one chooses to talk about their cause.
