Celebrity Couple Predictions: Chrissy Teigen, Jessica Alba and Eve

By Shoshi

For today's post, let's look at three celebrity couples with happy and strong relationships – one twosome settling into married life, one duo with two adorable daughters, and one pair of newlyweds:

Chrissy Teigen and John Legend: This beautiful supermodel and her husband are just simply one of the cutest couples in entertainment. They were together for seven years before the sexy singer put a ring on it, and now, the couple appears to be blissfully married.

What makes these two work is that they allow each other to be who they are. In case you haven't noticed, Teigen is a bit of a wild woman, while Legend is more reserved. It's a great balance in their relationship, and there is a wonderful foundation of love and respect that keeps them going strong.

Baby energy is swirling around Teigen, so expect an announcement that they will be welcoming a bundle of joy by late September or early October. I keep seeing two babies arriving at the same time, which could be a sign of twins. Once Teigen starts to have kids, she will have a clothing line for little ones, which will be a huge success around the world. It will be such a hit that she will pretty much drop modeling to focus on being an entrepreneur.

Jessica Alba and Cash Warren: There are rumblings that this pair are having marital troubles due to The Honest Company founder being the breadwinner. They met on the set of *Fantastic Four* – she was the lead actress in the movie, while he was a production assistant. At the time, Alba was the more famous of the two, but who knew she would go from being a B-list actress to a savvy entrepreneur and spokesperson?

Fans, rest easy: Alba and Warren are not separating or getting a divorce. They are best friends and trust each other with everything. However, there is a some tension in their marriage. Warren is trying to figure out how to leave his mark on the entertainment business by being known as more than “Jessica Alba's husband.”

Luckily, Warren is beginning to gain some ground as a

producer. He will end up producing a movie that gets him some notoriety and even nominated for an award – and Alba will be there right by his side, cheering him on. This couple will continue to go strong.

Eve and Maximillion Cooper: Eve is officially off the market! This past weekend, she married her longtime boyfriend, Gumball 3000 entrepreneur Maximillion Cooper, in an intimate ceremony in Ibiza, Spain. The two met at the Gumball 2010 rally when Eve was a participant in the race, and they have been together ever since.

While some may think that they're an odd couple, they are a great match. Eve became really clear about the type of relationship that she wanted, and she made big changes in her life for love, including moving to London. Long story short, girlfriend did what she had to do to get her dream guy. It can also be said that the singer is exactly what Cooper was looking for. After his first marriage ended, he wasn't sure he would get married again, but now, he cannot imagine his life without Eve; she is his backbone.

Recently, the rapper formed her own label and released an album, but all of that is going to take a backseat now. She's going to focus on her new television show about interracial couples and getting pregnant. Cooper has four children with ex-wife Julie Brangstrup, but Eve is so ready to have a little one of her own with him. She also recently said that her stepchildren want her to make them a brown baby sister. A baby is indeed on the way but not until 2015.

Celebrity Couple: Jessica Alba and Cash Warren Celebrate Five-Year Anniversary

By Kerri Sheehan

Jessica Alba and husband Cash Warren are still happy in love five years after walking down the aisle! The two met on the set of *Fantastic Four* and have two daughters together, Honor, 5, and Haven, 3. According to UsMagazine.com Alba dished to iVillage, "Making time for our relationship in our daily routine – even though it's surprisingly predictable and may not seem as spicy as our spontaneous pre-kiddo days – [it] really helps keep the romance alive."

What are some little romantic things you can do to make your anniversary special?

Cupid's Advice:

There are many ways to make your anniversary special. Here are some suggestions from Cupid:

1. Hidden envelopes: After being married for five years the honey moon phase tends to dull down a bit. Take this day to remind your partner of the reasons why you love them by stashing hidden messages around the house. Their morning cereal box, their brief case, and taped to their shampoo bottle are some clever places to hid them!

2. Make a mixed CD: Almost everyone uses music to express their feelings and mark special times in their life. Include songs that remind you of your partner and songs that define your relationship.

3. Do a scavenger hunt: Leave clues where your spouse will see them and bring them to all of the places where your "firsts" happened, ex. First date, first kiss etc. Be sure to be waiting at the end of the hunt with flowers and big smile.

**Jessica Alba: My Husband & I
Are "Kindred Spirits"**

By Jenny Schafer for Celebrity Baby Scoop

Mom-of-two Jessica Alba, 31, covers the February issue of [InStyle](#) and opens up about life with husband **Cash Warren** and their two daughters **Honor**, 4½, and **Haven**, 16 months.

On her connection with Cash: “I just knew when I met him that I was going to know him forever. It was weird; he instantly felt like family. I’d never felt like that with anyone. We got each other. We’re kindred spirits. On a weekend Cash might say, ‘Go get your nails done with a girlfriend. Haven is down for a nap and Honor and I will play. I know you work hard. You deserve some time for yourself.’ That, to me, is romantic. He’s saying, ‘You matter,’ and that I’m more than just the mother of the kids or the wife who goes out to events with him.”

On celebrating their ancestry: “When Cash and I moved into our

family house, we collected hundreds of pictures of our aunts, great aunts, moms and dads, grandmas and grandpas, and sisters and brothers. Then we mounted them in the foyer of our home, covering the wall from top to bottom. Our daughters are continually reminded of where they come from.”

On multitasking: “Sometimes I can take multitasking to a level of insanity. Then all of a sudden the bath is too high and I’ve forgotten to give my daughter the thing she needs for school.”

On being a perfectionist: “Before I had kids, I was very responsible and serious. I used to be all about controlling my environment; Everything had to be just so. Now my idea of perfection is different. You can label bins and have a place for stuff, but when the kids go into the playroom, you’re not going to say, ‘We can’t paint because how are we going to clean it up?’”

What are some ways to positively influence your partner's

style?

Cupid's Advice:

The fashion trends rotate with the seasons, and style is constantly changing. Cupid has some tips to keep you and your partner looking great in the public eye:

1. Stay trendy: While you're out shopping, pay attention to what's new on your partner's side of the store as well, and pick out something for them that will keep them up-to-date in the fashion world.

2. Coordinate: Take a shopping trip together so you can coordinate your outfits for whatever's trending that season. That way, neither of you will look out of style.

3. Honesty: Fashion trends come and go, and some trends can't seem to go quick enough. If your partner's wearing something completely heinous, let them know so they don't have to dread the memories later.

How to Pursue Your Man Like Naomi Watts

By Brea Gunn

Everyone knows the formula: boy meets girl, boy flirts with girl, boy asks girl out and boy and girl become an item. But what happens when *girl* meets boy and *girl* pursues said boy?

While it's not unheard of for a woman to have a crush, it's becoming more fashionable for her to be the pursuer, rather than the pursued. Take Naomi Watts and Liev Schreiber, for example. The pair met at the Metropolitan Museum of Art's Costume Ball, and the rest is history, as they say. Or, actually, it's HERstory.

The thing is, unlike other couples, Naomi actually persued Liev. That's right. The actress made up an excuse, flew to New York and now the couple have two beautiful children. A woman pursuing a man isn't necessarily a new phenomenon in Hollywood, though. In fact, it's starting to feel like the norm.

For example, Rachel Weisz married Daniel Craig after meeting the super-hunk on the set of their new movie. LeAnn Rimes and

Eddie Cibrian couldn't keep their hands off each other (their very married hands!) when they met. Jessica Alba thought Cash Warren was a stud, and now they've got a beautiful family. And sometimes life even imitates art...or art imitates life. Even Anna Paquin couldn't keep her eyes off of costar Stephen Moyer. And ironically, Sookie, her character on their show, *True Blood*, pursued his character, Bill.

So what's a woman to do? Here are some tips:

- 1. Make the first move:** Go talk to him. Compliment his awesome dancing ability. Hey, it worked for Naomi Watts!
- 2. Set up the next date:** Take a lesson from Anna Paquin, and tell him when you want to see him again. Don't wait the obligatory 48 hours to text and/or call.
- 3. Don't be shy:** Even if you tend to be on the quieter sell, go outside of your comfort zone and show your outgoing side. There's no place for hesitation when you're going after a man.

So, next time you're out with your girlfriends and you see a cute guy across the room, channel Naomi, Rachel, Leann and Anna ... and send him a drink.

Jessica Alba and Cash Warren

Welcome Daughter Haven Garner

It's baby number two for actress Jessica Alba and hubby Cash Warren. They welcomed daughter Haven Garner into the world this past Saturday and Alba couldn't wait to share the news.

Sunday morning, she posted it on her Facebook page, according to [OK! Magazine](#). The busy mother who was working right up until she gave birth promoting her new movie *Spy Kids: All The Time in The World*, says her 3 year-old daughter loves having a little sister and was just as excited about the newborn as her parents. Now Alba is focusing on balancing a busy career, motherhood and a loving relationship with her beau.

What are some ways to lose the baby weight quickly after giving birth?

Cupid's Advice:

Every woman knows it's difficult to shed weight, but it's even tougher to lose the baby weight after giving birth. Cupid has some advice on how to drop the pounds so quick that people won't believe you were even pregnant:

1. Pilates and yoga: Not only is this a perfect way to relax and chill out, but both of these activities are great ways to tone your body and get your shape back. If you're up for a challenge, instead of doing traditional yoga, try hot yoga or bikrim. You'll sweat everything out of your body and feel cleansed. Plus, you'll sweat off the pounds.

2. Diet: Whether you decide to try Weight Watchers, Jenny Craig, or any other diet, as long as you start to eat healthy and watch what your eating, you are sure to shed the pounds fast. Keep track of what your eating and make subtle changes in your diet.

3. Plain old exercise: When all else fails, hit the gym and lose the weight the old fashion way, by working out. Not only does this give you some alone time, but it also makes you feel good and will most likely cause you to make healthier decisions throughout the day.

4 Celebrity Couples That Sailed Past Stormy Weather

By Tanni Deb and Molly Jacob

Did you ever hear the phrase, “April showers bring May flowers”? Believe it or not, it means something deeper than just storms and blossoming blooms. In life, dark clouds always eventually pass, allowing the sun to shine through. Focusing on the bright side when you’re down can be difficult, but these five famous couples have gone through rough times (in the public eye, no less!) and these celebs are currently doing exceptionally well.

Cupid takes a look to see what celebrity couples made it through stormy times:

1. Prince William and Kate Middleton: The royal newlyweds

dated for eight years, but they had an off-and-on relationship. 'Inside Edition' reported that the pair broke up in 2007 after five years of dating, stating William's "immaturity" was a major factor for their break. However, this famous couple soon got back together and had the wedding of the decade in April 2011, which more than two billion people watched worldwide.

3. Carey Hart and Pink: This celebrity couple has had a tumultuous relationship. They met in 2001 and briefly split in 2003. The pair then got married in January 2006 but separated two years later. They began seeing each other again in 2009 and went through martial counseling since their divorce was never finalized. Carey even got an image of Pink's face tattooed on his leg.

4. Jessica Biel and Justin Timberlake: This famous couple finally seems to have found peace with their relationship. Their relationship was on again, off again for years until they finally got married in 2012. While they've been at the center of celebrity gossip for rumors of cheating and divorce, they seem happily married now and their first child was born this past April.

It might have taken these celebrity couples some years and plenty of time to reconcile their relationship, but if they were able to sail past their own storms, so can you. Look at

the positive side of your relationship with your significant other, and soon you will also be happier than ever.

1. Bar Rafaeli and Leonardo DiCaprio: DiCaprio is one of the most outspoken celebrities to discuss environmental issues, and girlfriend Rafaeli is no different. In 2008, the *Titanic* star purchased a condominium in Riverhouse, an eco-friendly building in New York City. He also drives a hybrid, flies commercially to reduce his carbon footprint, inspires other celebrities to go green, founded the Leonardo DiCaprio Foundation to support many eco-friendly causes, and created a documentary about the global environmental crisis called *The 11th Hour*. Meanwhile, Rafaeli is an activist in promoting alternative energy sources.

2. Miranda Kerr and Orlando Bloom: The Victoria's Secret model has an organic skin care line called Kora, was named Earth Hour's global ambassador for 2011 and modeled nude for *Rolling Stone's* Green Issue to raise environmental awareness. Bloom, Kerr's husband, built an eco-friendly house in London and was named a UNICEF Goodwill Ambassador in 2009.

3. Jessica Alba and Cash Warren: In 2008, this couple bought an eco-friendly house in Los Angeles to raise their daughter, Honor Marie in. The couple also lives green. In an interview with *InStyle*, Alba said, "I would like to see a cleaner earth for my child."

organic cotton. Christensen owns an organic farm in Canada.

5. Angelina Jolie and Brad Pitt: These two have been praised for all the charity work they participate in and the organization they founded in 2006, the Jolie-Pitt Foundation, which assists with worldwide humanitarian crises. The couple is also dedicated to creating eco-friendly communities. Shortly after Pitt received permission to run his project, Make It Right NOLA, which focuses on building affordable green houses in New Orleans, he volunteered to be a designer of an environmental luxury hotel in Dubai.

These are just a few of the dozen celebrities who are committed to creating a healthier planet. Follow in their footsteps and make a difference this Earth Day.

Jessica Alba is Expecting

Jessica Alba and husband Cash Warren are adding one more to their brood, according to UsMagazine.com, and Alba took to Facebook to let her fans in on the good news. “Honor is going to be a Big Sister!” the actress wrote. “Cash and I are thrilled and wanted to share the news directly with you so you didn’t hear about it somewhere else.” Alba, 29, and Warren, 32, already have a two year-old daughter, Honor. The soon-to-be mother of two added, “I appreciated all of the love and support you all gave me during my first pregnancy and will definitely appreciate it again this time around.”

What are some ways to announce your pregnancy?

Cupid’s Advice:

When you find out you’re expecting, telling people can sometimes be the most exciting (and difficult) part. Cupid has some tips on how to break the news:

1. Be creative: If you’re looking for ways to tell your partner, try something different. Put a baby rattle or little socks in his pocket to find later and sit back and wait for him to figure it out!

2. Go public: If you're really excited about the pregnancy, why not shout it from the rooftops? Use social media like Jessica Alba did, or make a huge sign saying "I'm pregnant!" for your friends or relatives to see when you invite them over.

3. Tell your folks: If your parents live far away, try sending them a blank card and in child's script write, "To my future Grandma and Grandpa. I can't wait to meet you in 9 months! Love, Baby."
