How do you involve your partner in wedding planning tasks?

Cupid's Advice:

Weddings may seem like the bride's responsibility, but some grooms actually want to be involved with wedding plans. Here are some great ways to include your significant other in arrangements for the big day:

1. Location: Choosing a location is one of the biggest decisions when planning a wedding. Include your honey in making this choice as you save the minor details to yourself.

2. Caterer: Food is the way to a man's heart. Ensure that your fiancé will actually enjoy the catering by taking him with you to test the options.

3. Guest list: The guests are a big part of a wedding. Make the list with your honey to avoid forgetting special guests and balance the number for the budget.
