Although it must be hard for Amal to put her job on hold, she's already doing everything in her power to protect her babies. It has us thinking, what are some of the best ways to take care of your unborn child? Cupid's here with baby advice:

1. Stay away from seafood: Although fish is one of the best low-carb sources of nutrition for a healthy diet, it could be very harmful for your baby. Although sushi might be tasty, you gotta put it on hold!

Actor George Clooney and wife and Amal Clooney wed in September 2014 and will be expecting their first children together sometime this June.

some ways to prepare for twins versus an individual child?

We can't even begin to imagine how excited this celebrity couple must be to meet their babies this June! It's hard enough to prepare for one baby to enter this world, but what if you have to prepare for two? Cupid's here to help ease your twins-ition with some baby advice:

1. Stock up: If you think you've bought all the essentials you need for your twins, think again. You're going to have to double up on diapers, bottles, clothes, wipes, high chairs, you name it. It's better to be *over* prepared before the birth of your twins than to be *under* prepared after they're born.

2. You and your partner must be a team: The months leading up to the birth of your twins will involve a lot of planning with your partner. Even celebrity baby parents need to make each other feel special. What are some ways to keep the spark alive in your relationship when you have an infant?

Cupid's Advice:

The happier you are in your relationship the better parent you'll be, and of course that will reflect on the child. It can get hard to keep the spark in your relationship after a baby so here are some tips from Cupid to keep the fire burning:

1. Communication is key: No matter what the dynamic may be in your relationship, know that parenting is a tough transition for everyone to make. This isn't the time for the blame game;

it's time for major collaboration.

Celebrity Baby News: Jonathan Rhys Meyers & Fiancee Welcome a Son

[EOnline.com](#) broke the news on December 15 that celebrity couple Jonathan Rhys Meyers and fiancé Mara Lane welcomed a precious baby boy into the world right from the comfort of their own home, adding to 2016's long list of [celebrity babies](#). Uniquely named Wolf Rhys Meyers, the bundle of joy was long anticipated through a series of charming social media pregnancy posts on Lane's Instagram account, beginning in September when the couple announced their pregnancy. The [celebrity couple](#) started dating in 2014 and got engaged December of that year. Jonathan has been struggling with alcohol addiction for years now, but it is said that his fiancée has been a driving force behind his journey to sobriety, even through a brief relapse in 2015 in which he took to Lane's Instagram account to address the issue and apologize to his fans.

There's another celebrity baby to

add to the mix! What are some ways to prepare for a baby boy specifically?

Cupid's Advice:

There are some obvious differences you could imagine when preparing for baby boy as opposed to a girl, so here are some pointers on what to expect when you're expecting ... a boy!:

1. Pink or blue?: Telling a little girl to put down the football is vastly different than telling a little boy to put down a doll. Gender roles are a vital part of parenting from the very beginning so be mindful of gender roles and identity, and what they mean to you as a parent.

2. Boys do cry: Don't assume because you're having a boy that parenting will be a breeze. Even though they might get a little more down and dirty, know that boys (babies included) can be a lot more emotional and sensitive than popular stereotypes maintain.

3. The process: There's no all-encompassing manual or instruction pamphlet designed for parenthood. It's a learning process for not only the baby, but also for parent. If this is your first baby or baby boy, don't be afraid of learning and making mistakes.

and kids. This [celebrity baby](#) news announcement may be too soon for this recently formed [celebrity couple](#) of two months. Sources say that Kardashian is a whole new person since beginning a [celebrity relationship](#) with the 27 year old mother of son King Cairo.

There could be another celebrity baby in Hollywood down the road. What are some ways to decide if you and your partner are ready to have a child?

Cupid's Advice:

A baby is something to take seriously as it changes the dynamic of your relationship with your partner. See below for Cupid's [relationship advice](#):

1. Perfect is unrealistic: When you decide to have kids, the things you are normally accustomed to doing are no longer realistic. A spotless house or having it all together come secondary to your new responsibilities as a mother. Make sure that you are ready for a full time commitment to any child you decide to have.

2. Emotional wreck: You and your partner need to be in a healthy emotional state. A baby can be emotionally and psychologically straining on a relationship. Parenting has a tendency to intensify whatever problems may be already present. Be sure to check in with a professional to ensure you and your partner are emotionally ready to handle parenthood.

3. Having a home: Children need to feel safe and loved during their developmental stages. This sense of stability comes from having a stable place to grow up in. If you and your partner are not able to provide a home for your child, then maybe it is a good idea to hold off on the baby plans until you are more stable.

Celebrity Baby News: Bristol Palin Reveals Baby Name is Same as Kristin Cavallari's New Daughter

By Kyanah Murphy

Celebrities put a lot of thought into naming their celebrity babies, but sometimes there are still repeats! According to UsMagazine.com, the latest [celebrity baby](#) news is at that Bristol Palin is naming her daughter Sailor, which also happens to be the name of Kristin Cavallari's celebrity baby, only spelled Saylor. In fact, it was mere hours after Cavallari revealed her celebrity baby's name that Palin revealed hers. Was it mere coincidence or the sign of a copy cat?

These celebrity babies are going to have something in common! What are some ways to be sure your baby's name is unique?

Cupid's Advice:

Celebrities love to name their celebrity babies odd names like

Apple, Bandit, Blue Ivy, and now Saylor/Sailor (and these are only a couple of examples!). Of course celebrities aren't the only ones who want to make sure their babies have unique names; you might want a unique name for your child, too. Cupid has some tips:

1. Choose a unique spelling: Look at the name 'Kyanah' – it's a different spelling of 'Kiana'. There's also 'Saylor' as opposed to 'Sailor', 'Geoff' instead of Jeff ... honestly, the list is endless. If you want your baby to have a unique twist on a name, consider alternative phonetic spelling.

2. Pick a name that hasn't been used in awhile: If you're thinking of naming your future daughter 'Katniss', don't do it. Every new mother and their mothers are going to be naming their girls 'Katniss' to give their kid an edgy and unique name. Because it's a practice to name your child after a cool character, if one is incredibly popular like 'Katniss', your baby's name won't be unique at all. Try choosing a name that hasn't been done in awhile.

3. Do some research: If you do your homework, it's entirely possible to find a name that is unique and captures the style you want associated with your child's name. 'Caelum' (Kay-lum) is from the Latin meaning of 'sky' and 'Orion' is a constellation (much like 'Sirius'). Or, you can be completely out there and go the celebrity and video game route and name your child something completely different, like Lightning.

Keeping up with healthy trends is hard enough when you're single, but what about when you're busy balancing work and raising two kids? Model, actress, and [celebrity mom](#) Molly Sims shares that it's easy with simple scheduling and planning ahead. In our exclusive [celebrity video interview](#), Molly Sims opens up further about raising her family and how she keeps her life in harmony.

Molly Sims Shares How To Be Healthy as a Celebrity Mom

Raising a 3-year-old and 6-month old baby is time-consuming. Squeezing in exercise time can seem like an impossible task. Molly Sims' advice for staying fit is to schedule time for yourself, even if it's only five minutes. "Even if you have 20 minutes you can workout," she says. "Even if it's at your house, even if it's on your block." Sims also shares that you can fit in a workout if you cut time away from other chores, such as getting ready in the morning. "Know what you're going to wear for the week, it saves a lot of time and a lot of angst," she added. Getting ahead as much as you can is vital to managing a hectic work week. Also, make sure you carve time out for your significant other! Your relationship and love life is important, so work with your partner as a team in order to balance everything on your to-do list.

In terms of finding time to eat healthy, Sims suggests always having a pack of almonds or a banana on hand to avoid indulging in sugary snacks when you're on the go. It's easy to be tempted by the convenience of fast food when you're in a hurry, but having a healthy alternative with you will give you no reason to cave.

Throughout the celebrity video interview, Sims shows a clear sense of self-worth and self-love, demonstrating how important it is to be confident with ourselves. "The best advice I can give woman is feeling good on the inside...it's really about feeling good with yourself right now," Sims says. Rather than

over-stress yourself with losing weight, first you must set a goal to be happy on the inside. Stress doesn't have any benefit to our life so you must focus on personal happiness, then move on to weight loss. Sims also shares her own weight loss struggle. After giving birth to her first child she had to lose 85 lbs! Sims proves that even celebrity moms deal with the same weight-loss issues as regular moms.
