### **Cupid's Advice:**

We all know that having a baby is a huge responsibility – imagine more than one! Therefore, there are many factors to consider. Here are a few:

**1. Are you financially stable enough?:** Having a baby costs tens of thousands of dollars because there is so much they need. You probably considered all this with your other child or children, but by adding another member to your family, you are obviously increasing your expenses. Make a financial assessment of your income, expenses, assets, etc. Be sure to be as precise as possible and not over or underestimate.

Are you and your partner able to afford giving so much time to your kids? If so, great, let the baby making begin. If not, reconsider, maybe it's best to hold off for a bit.

## Cupid's Advice:

We have all heard the saying that age is just a number. But it is definitely true that age comes with experience, and it is a serious responsibility to care for a child. Here are some things to consider if there is a large age gap in your relationship:

**1. Be prepared to handle the differences:** It is beneficial to understand that if you are in a relationship with someone where there is a large age difference between you two, you are going to encounter some generational contrasts. You may have different musical interests and perspectives on life, but maybe that's what makes it so exciting for you!

# ways to shield your child from negative relationship turns?

## Cupid's Advice:

Sometimes unsatisfactory aspects in your relationship can emerge out of the blue. It is important that these negative occurrences don't affect your child in a bad way. It is definitely beneficial for your child to come to terms with life and do realize that everything is not perfect, or else they could become too sheltered. But it could also serve detrimental if they are exposed to too much negativity. Here are some ways to protect your child against negative parental relationship trauma:

**1. Never stop showing them love:** Depending on how old your child is, they may or may not pick up on the relationship struggles you are going through if you do a good job at keeping it between you and your partner. **In this [celebrity baby news](#), Khloe Kardashian has some wishes for her soon-to-be born baby. What are some ways to keep expectations from affecting your children?**

#### **Cupid's Advice:**

It is so fun to fantasize about which specific aspects your child will inherit from both you and your partner. Although, you should not let that overtake the beauty of nature. Your child is going to be so beautiful and will inherit great aspects from you and your partner. It may not be exactly what you hoped for, but you will end up finding it to be perfect anyway. It may be hard sometimes, both before your child is born and much later down the line, to keep your expectations from affecting your children. Fortunately, Cupid is here with some tips on how to help:

**1. Let go of timelines:** Children are supposed to walking by

the time they are one and be potty trained by two, right? No, not necessarily. Don't place such high standards on your child meeting the typical deadlines of when they are going to accomplish these 'firsts'. Every child is different and runs on different schedules. Don't worry, they will eventually take their first steps and be potty trained when the time is right for them. Just enjoy the moments you have together because when they are older and out of the house, you're going to wish you could still be changing their diapers!

**Related Links:** [Celebrity Baby News: Khloe Kardashian Celebrates Tristan Thompson's Birthday After Lavish Baby Shower](#)

**2. Let them know they are enough:** It is unrealistic to say that you won't have any specific expectations for your children. Even if you do, let your kid know that they are perfect just the way they are. You can encourage them to be the best they can be, but try not to expect so much that you end up getting let down, or worse, your child feels as if they let you down. Shower your child with love and appreciation.

**Related Link:** [Celebrity Baby News: Khloe Kardashian Is Having a Girl](#)

**3. Support:** One of the greatest things you can do as a parent is show support for your child's interests. Maybe you wanted your child to be a star soccer player like you, but they seem to be more interested in swimming. Great for them! Even if it is not what you originally expected, be happy that they are showing interest in something and support them. Remember, your child is not just a younger replica you, they are a different version of you so let their own light shine!

# In celebrity baby news, America Ferrara is celebrating the soon-to-be arrival of her first child. What are some ways to prepare yourself and your relationship for a child?

## Cupid's Advice:

The way to prepare your relationship for a child is for you and your partner to be in it together. You both must be on the same page. With that being said, Cupid has a few suggestions on how you both can prepare together for your child:

**1. Learn about the birthing process and about life with a baby:** You both can do research or read books, then discuss. Learning about the way your child will be born into the world and the things after is not something that's just for the mom who's carrying. This is something your partner should not stay behind on – they must learn it as well. It is important to know things like what to do during labor and what to expect after the baby is born.

**Related Link:** [Khloe Kardashian Celebrates Tristan Thompson's Birthday After Lavish Baby Shower](#)

**2. Build the nursery together:** Put both of your ideas together to create the perfect nursery. Both of you should have an input. Besides being productive by getting it done before the baby arrives, it can also be a bonding experience. You can also baby proof your home while you're at it.

**Related Link:** [No Celebrity Baby Here! 'Vanderpump Rules' Stars Brittany & Jax Have Pregnancy Scare](#)

**3. Go over your finances:** This is something you should definitely do together. Lack of money or shortage of money can

hinder both a relationship and the way you're able to raise and accommodate your child. So, sit down with a pencil, paper, and calculator, and begin. Look through everything and see what you're dealing with. This is something that you guys can do more than once, since finances can change without warning and at anytime.

## **Celebrity Baby News: Rachel McAdams Is Pregnant With Her First Child**

By [Jessica Gomez](#)

Multiple sources say that Rachel McAdams is pregnant, according to [EOnline.com](#). The alleged mother-to be has not said a word on it and neither have any of her representatives. McAdams has always been pretty private about her life. The last time she was photographed was in Toronto where she was wearing a jacket that could have been hiding her [celebrity baby](#) bump. She's also been keeping a low profile in the last few months. We don't know much as of yet, but let's hope we soon will!

**This [celebrity baby news](#) hasn't been confirmed by McAdams herself, but we're happy for her! What are some reasons to keep your pregnancy under wraps?**

**Cupid's Advice:**

Whether to announce your pregnancy or not is the mother-to-be's choice. Cupid has some reasons why you may not want to break the news just yet:

**1. To avoid stress:** Pregnancy is a sensitive time when your health and the one of your baby depends on you taking it easy. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those things. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of people, then momentarily hiding your pregnancy is an option. Do what's best for you and your bundle of joy.

**Related Link:** [Jordin Sparks Celebrates Baby Shower](#)

**2. Judgy peers:** Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge and/or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do. Do what you have to do for yourself, forget about others. You and your baby are most important.

**Related Link:** [Kylie Jenner Plans to Keep Motherhood Journey with Stormi Private for Now](#)

**3. You don't want to jinx it:** Some of us are superstitious and believe in the ability to jinx things. This may not be logical to everyone, but if it's logical to the mother-to be, then that's enough. It's your body and your baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of something wrong, like a miscarriage for example. At the end of the day, as long as the baby news is delivered later rather than never, it should be fine.

**1. Social media:** Post a cute photo on Facebook, Instagram, etc. Posting a precious photo is one of the simplest ways. You can literally share the photo with so many people without having all the germ fears first-time parents go through. If you don't like the idea of social media, send it through a photo message individually or in a group chat.

"Pregnancy has been the most beautiful, empowering, and life-changing experience I've had in my entire life and I'm actually going to miss it. I appreciate my friends and especially my family for helping me make this special moment as private as we could. My beautiful and healthy baby girl arrived February 1st and I just couldn't wait to share this blessing. I've never felt love and happiness like this I could burst! Thank you for understanding."

**Well, this celebrity baby news wasn't just a rumor! What are some reasons to keep your baby news to yourself for a while?**

### **Cupid's Advice:**

There are a few reasons that you may want to keep your pregnancy under wraps for a while, just like Kylie Jenner and many others. Cupid has some reasons as to why:

**1. You have a stressful pregnancy:** You just don't need nor want the stress. If you have a sensitive pregnancy where your

health and the one of your baby depends on you taking it easy, then hiding your pregnancy could be an option for you. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those factors. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of peeps, you know what it is.

**2. You're superstitious and don't want to jinx it:** This may not be logical to everyone. However, if it's logical to the mother-to be, then that's enough – it's her body and her baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of a miscarriage or something going wrong. At the end of the day, as long as the baby news is delivered later rather than never, it should be enough.

**3. Judgy peers:** Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do.

However, when creating a registry, you may need to know the baby's sex in order to choose the items you want or need to add. onto the list. Also, you may not want to keep your baby shower attendees in the dark when they're celebrating and showering your bundle of joy with presents – the suspense may make them go nuts, you never know!

## Cupid's Advice:

Choosing your baby's name is exciting, but can also be a bit tedious considering you and your partner should be in agreement with the name chosen. Cupid has some advice on how to get on the same page when it comes to the name of your tiny loved one:

**1. Try using a compromising tool online:** [Babynamester.com](http://Babynamester.com) has this tool, along with many suggested baby names for you and your partner to check out. The way it works is you enter the sex of the baby, then you and your partner each type in what your top baby names are. Next, you choose which one you each like best from your partner's list. And lastly, the site generates a long list of combined baby name preferences. Try it and see if it may work for you!

**2. The Middle Name:** One of you can choose the first name and the other one can choose the middle name. Many couples compromise in this manner. Although, choosing the first name is most likely ideal for both parties, the middle name is the one that gives the name uniqueness considering that not everyone has a middle name, and on top of that, a middle name is a nice differentiating addition to a first name.

## **This celebrity baby-to-be will join his or her parents in Cleveland. What are some things to consider about the birth of your child?**

### **Cupid's Advice:**

Having a child can be both an exciting and nerve wrecking time, but planning and making arrangements before the child's birth are both key. Cupid has some tips on things to think about before bringing your little bundle of joy into the world:

**1. What don't you know?:** Read, read, read and ask, ask, ask! It's time to learn. Know what to expect and know what to do when you go into labor. Ask a medical professional any questions you have in order to have a full understanding on the situation. And of course, do some reading. There are a lot of books for the mommy-to-be. Understanding things will help you plan better for the big day.

**Related Link:** [Another Duggar Is Pregnant! Jinger & Jeremy Vuolo Are Expecting First Child](#)

**2. How do you want the birth to be?:** Do you want a home birth or hospital birth? Do you want epidural or no epidural? Talk to a medical professional about your options and weigh the pros and the cons of each. Every person is different, so after

you have all the facts, think about which option is best for you. And be prepared, too. When your due date is approaching, prepare a bag full of necessities you need to take to the hospital, or if you're going in the home birth route, have a box of things ready – that way, once you're in labor, you're ready to go!

**Related Link:** [Fall Out Boy's Pete Wentz Expecting Baby Girl with Meagan Camper](#)

**3. Who do you want present at the birth?:** Decide and make arrangements now to ensure a higher probability for things to go as planned. This decision is a personal one, which should be well thought out, considering you will be in a different state of mind at that moment! You can also arrange for someone to take the lead and keep everyone in the loop (sending texts, making calls) once you're preoccupied.

**There's another [celebrity baby](#) on the way for Pete Wentz! What are some ways to integrate a broken family when kids are involved?**

#### **Cupid's Advice:**

Integrating a broken family can be hard on children, but sometimes it comes naturally. Either way, Cupid has some

advice for the fam:

**1. Resolve any issues you may have with former partners:** It is important that all parents/adults create or maintain a healthy relationship with one another. This can help children against feeling like their loyalty toward their parent and their step parent must be divided somehow.

**Related Link:** [Eva Longoria is Pregnant with Her First Child!](#)

**2. Establish roles:** Establish expectations. Parents play many roles, but one of the most important roles that should be decided is the disciplinary role. Children must learn the role of the step parent in order to know what to expect. Once there is an understanding, a meaningful and trusting relationship can begin to mold.

**Related Link:** [Mindy Kaling Gave Birth to Her First Child!](#)

**3. Have tons of family time:** Make new traditions or mix the old with the new. Spending quality time with one another is an essential part to building a family unit. While pregnancy can be a beautiful time, it can also be the opposite of graceful. There are many things you can do, but here are a few:

### **1. Eat smaller portions, but more meals, to relive heartburn:**

Instead of eating three big meals three times a day, aim to eat several small ones throughout the day. Also, eat slowly. Overfilling your stomach can cause an acid reflex, resulting in heartburn.

## There's another Fixer Upper celebrity baby on the way! What are some ways to be sure you give attention to each of your children when you have a big family?

### Cupid's Advice:

Big families are tons of fun! At times, it can be overwhelming, but there's never a lack of excitement. It's normal for children to feel deprived of attention in larger families, so if you're looking for ways to help find the balance, check out these tips from Cupid:

**1. One-on-one time:** Sometimes, all your kids really want is some quality time with you and your partner. Consider giving each of your children one day a month (or whatever works for your schedule) to spend the whole day with you. Make the day about them and give them the chance to choose what they want to do! They'll totally appreciate the quality time with you or with your partner.

**Related Link:** [Celebrity Parents Open Up About Their Best Parenting Advice](#)

**2. Emphasize group activities:** Group activities are always a wonderful way to include everyone! Whether you play a game together, bake a bunch of cookies, or visit a local park, there are plenty of ways to spend equal amounts of time with

all of your kids. Plus, these activities are big memory makers that are cherished long down the road.

**Related Link:** [Marriage Advice from Celebrity Couples Who Stay Together](#)

**3. Manage your schedules:** If you have a large family, it's important to figure out a schedule that works. You should always encourage your kids to try new things and be ambitious, though you also have to be practical. Too many extracurricular commitments will hinder the time spent with each of your children. If your schedule seems overwhelming, perhaps one activity at a time is a good option!

**This celebrity baby news isn't exactly surprising, but we're happy for the couple! What are some ways your relationship changes when you**

# have a child?

## Cupid's Advice:

A baby brings lots of changes to you and your partner's relationship. If you're apprehensive about the jump from two to three, you're not alone! Being aware of the changes is helpful, so here's what Cupid has to say:

**1. Imbalanced effort:** You and your partner might experience growing pains when it comes to divvying up your parental duties. The laundry and bottle washing will seem endless at times! With two of you and one of them, it's certainly challenging to figure out a system that works for each other. It can be done, though!

**Related Link:** [Celebrity News: Amy Duggar's Parents Are Divorcing](#)

**2. Drained energy:** Your new bundle of joy doesn't come with a concept of time, so late-late nights and early mornings are inevitable. Both you and your partner will have a lack of energy when it comes to your relationship. While you know what you *should* be doing for each other, sometimes you just won't feel up to it. Recognize the importance of affirmations and making time for each other, though! You two need to lean on each other in this new chapter of your lives.

**Related Link:** [Celebrity Couple Jessa Duggar and Ben Seewald Reveal Newborn Son's Name](#)

**3. Hindered intimacy:** Similar to strained energy, there will certainly be hindered intimacy between you and your partner. The desire to sleep will sometimes (okay, more than sometimes) overpower your desire for intimacy. That is normal – most couples struggle with this! Try your best to keep the romance alive. Start small, and you'll be back to your pre-baby selves in no time at all!

# Celebrity Baby News: Eva Longoria is Pregnant with Her First Child!

By [Jessica Gomez](#)

In [celebrity baby](#) news, [celebrity couple](#) Eva Longoria and Jose Bastón are expecting a baby boy, according to [EOnline.com](#). Longoria has raved about being a stepmother, and was in no

rush to have children of her own. "If it happens, it happens, if it's meant to be it would be a blessing," she said last year. Turns out, it is meant to be!

## **Eva Longoria's very own celebrity baby is coming into a full house! What are some ways to prepare step-children for a new baby?**

### **Cupid's Advice:**

Parents are not the only ones that need to be prepared for a baby. Everyone in the household needs to be, including children. Cupid has some advice:

**1. Involve them:** Allow the children to bond with the baby. They can read a bedtime story, play music, or sing. Get them excited to be an older sibling! Or have them talk through your belly. This connects the children to the baby before he or she is even born.

**Related Link:** [Kirsten Dunst Is Expecting First Child With Jesse Plemons](#)

**2. Create rules before the baby comes:** Talk to the kids. Keep them in the loop! Let them know how things will be once the baby comes and what you expect from them. This is important so children won't be caught off guard by any changes.

**Related Link:** [Did Khloe Kardashian Just Accidentally Confirm Her Pregnancy?](#)

**3. Spend time with them:** You have more time now than you will once the baby is born, so take advantage. Spending quality time is always important, but it is especially essential when a transition period is approaching. You can plan family

outings or one-on-one time. Blocks of uninterrupted time with your kiddos now is important because it will not come by as often once the baby arrives.
