So, I’m also telling you that I’m willing to have surgery and then still go through with being a dad.” Bella was clearly impressed by Cena’s declaration of his commitment, so she leaped across the table and into his arms. Bella later told the WWE star, “Oh John, you’re gonna be the most amazing dad in the world.” Cena then told Bella “Just tell me you love me and that you’ll marry me. I love you and I’ll marry you,” to which Bella agreed. The couple’s reconciliation and baby news comes shortly after Cena made a public plea to win Bella back on the *Today* show.

Cupid's Advice:

Having a child is a big step to take in a relationship! Cupid has some ways to tell if your partner will be a good parent:

1. Watch them with other kids: The way your partner acts around other children is a great indicator of how good of a parent they will be. If your beau is great at babysitting children of family or friends, it's likely they will be a great parent as well. Your partner should be comfortable around children and be able to have fun with them and keep them safe.

Celebrity News: Tristan Thompson Is 'Emotionally and Physically Exhausted' from Cheating Drama

By [Ha](#)

[ley Lerner](#)

In [celebrity news](#), basketball player Tristan Thompson is tired

of hearing that he cheated on [Khloe Kardashian](#). Over a month ago, footage emerged of Thompson with multiple other women while Kardashian was still pregnant. A source told *Us Weekly*, “Tristan is completely emotionally and physically exhausted from the cheating allegations and of course the playoffs. He is focused on winning a championship for Cleveland.” Kardashian gave birth to her [celebrity baby](#) with the Cleveland Cavaliers player on April 12, just two days after the cheating rumors came to light. The new parents are apparently “fighting constantly” and an insider told *Us Weekly* that Kardashian “doesn’t know how she’s going to rebuild trust in him.”

In celebrity news, Khloe Kardashian’s boyfriend Tristan Thompson is tired from dealing with cheating allegations. What are some signs that your partner is being unfaithful?

Cupid’s Advice:

Being cheated on is a completely awful experience. Cupid has some signs to tell if your partner isn’t being faithful:

1. They’re keeping secrets: If your partner is hiding things from you, it definitely means there’s something up. Relationships should be open and honest and it’s not right if your companion is refusing to talk to you about certain things. But, it doesn’t necessarily mean that you’re being cheated on, it could be something else your beau is hiding, so make sure to talk to him or her about it.

2. Your partner seems bored: Less intimacy and connection in a relationship could be a sign that there is some infidelity going on. If your beau seems to lack interest in spending time with you, it could be a signal that they have been seeking comfort elsewhere.

3. Constant fighting: Sure, the occasional fight is normal, but if your partner is constantly trying to pick fights with you, it could be because they are trying to validate their reason for cheating (as in they want to believe your relationship is already on the rocks). If your beau is being constantly defensive and looking for ways to start conflict, then they could potentially be cheating on you.

**Celebrity News: Kylie
Jenner's Bodyguard Slams
Paternity Rumors**

By

Rhodesia Williams

In [celebrity news](#), [Kylie Jenner](#)'s bodyguard, Tim Chung, is being accused of being [celebrity baby](#), Stormi Webster's father. According to *EOnline.com*, the internet has gone wild with the idea that Jenner's newborn baby Stormi looks like Chung. They even went so far as to post side-by-side photos of the two on social media. With the internet not letting up on the rumor, Chung felt forced to make a statement to clear his name and defend this [celebrity couple](#). Chung said, "There is no story here and I ask that the media no longer include me in any narrative that is incredibly disrespectful to the family."

In [celebrity news](#), sometimes a rumor is just a rumor. What are some ways to slow down the rumor mill when it comes to your relationship?

Cupid's Advice:

Since social media is a primary mode of communication these days, it's easier than ever for rumors to circulate quickly. Cupid has some advice on how to slow down the rumor mill:

1. Communicate: If a rumor comes up, talk to the person who originated it directly. The worst thing you can do is start going back and forth on social media. The easiest and safest way is to ask questions first because once others get involved, you may do some permanent damage. The fighting on social media will surely keep that rumor mill going.

Related Link: [Celebrity Baby News: Kylie Jenner Reveals the Name of Her Daughter, and Twitter Reacts](#)

2. Put out a statement: This way of handling rumors may be celebrity couple-esque, but in all seriousness, depending on the rumor, you may want to address friends and family in a unified message. Consider making a cute, short and to the point post acknowledging the rumor, but informing everybody that it isn't true. If you don't face it head on, it could potentially spiral out of control.

Related Link: [Hailey Baldwin Applauds Kylie Jenner for Handling Celebrity Pregnancy In a 'Mature Way'](#)

3. Limit social media: This is the most obvious solution, but perhaps the most difficult. Many people want to show off gift and vacation pics, as it's a way of expressing their happiness. That being said, not everyone feels that way. If you limit what you post, you aren't leaving much room for people to talk about you.

Celebrity Couple News: Why Khloe Kardashian Is Giving Tristan Thompson 'Another Chance'

By

[Jessica Gomez](#)

In [celebrity news](#), [Khloe Kardashian](#) is giving Tristan Thompson another shot because of their [celebrity baby](#) girl True. According to [EOnline.com](#), the *Keeping Up With The Kardashians* star has been supportive to her basket ball playing beau. She was spotted at his game this past Saturday and the [celebrity couple](#) was spotted before eating out. "Khloe has given Tristan

another chance at their relationship, and is trying to put the pieces back together for the sake of True,” a source said. “Although she is crushed by the scandal, Khloe desperately wants things to work and wants to have a complete family.” Kardashian has not publicly said anything regarding the cheating scandal as of yet. “Things are more complicated now that there is a child involved, but it was causing more stress on Khloe by being in limbo with Tristan. Khloe decided that the back and forth and indecisiveness on what they were going to do was taking a toll on her,” the source continued. “She wants to brush things under the rug and move forward. She wants to make sure she is not embarrassed and heartbroken again, but everyone is warning her... Khloe has a huge heart and once she falls, it’s hard for her to give up on someone she cares deeply about. She has been in a rough spot this past month.”

In celebrity couple news, Khloe Kardashian and Tristan Thompson have been front and center. What are some ways to know whether you should forgive your partner or not?

Cupid’s Advice:

Every person is different and so is every situation. You can take the advice of others, but at the end of the day the choice is yours. Cupid has some [relationship advice](#) on things to consider before deciding whether to forgive your significant other or not:

1. Can you truly forgive them?: Forgiving them means accepting the situation and their apology, and moving on from it. It means that all the fighting about the problem happens before

the forgiveness. There is no point in saying you will forgive your partner, if the problem will keep popping up in the future. So, analyze and evaluate whether you can actually forgive them or not.

2. Have you given yourself enough time?: Depending on the situation, you may need a little time or a lot of time to think things over. Don't make any impulsive decisions. Don't rush, take the time you need. You need time to decide whether what your partner did is something you can forgive, and if so, how will you move on from it then.

3. Are they worth it?: This question may seem harsh, but it's one you have to ask yourself and be honest about. Do you see a future with this person? Are you forgiving or not forgiving them for the right reason/s? Think about it.

You don't want to say anything that will upset them and you truly want to comfort them because it pains you that they are going through this. Here are some tips on how you can help in this occurrence:

1. Be more positive than negative: Try not to say things like "once a cheater, always a cheater" because who knows if the two will get back together. Tristan Thompson Leaves Cleveland One Week After Birth of His Daughter With Khloe Kardashian

By

[Jessica Gomez](#)

In [celebrity news](#), Tristan Thompson left Cleveland. According to [EOnline.com](#), Thompson looked happy as he boarded the Cleveland Cavaliers' team plane on Thursday. They're Indiana bound for Game 3 of their playoff series versus the Pacers. His departure is a week after True was born. Until now, he hadn't left [Khloe Kardashian](#) or their [celebrity baby](#) True's side after the cheating scandals. It was said before that Khloe may be willing to give Thompson a chance, but they're still rocky now. "Khloe and Tristan don't have much to do with each other. She's very angry with him and rightfully so," said a source. "At the same time, she does want her daughter to spend time with her dad. So, she isn't denying him that chance. But, she is cold with Tristan and keeping contact to a minimum. Tristan doesn't think Khloe will ever forgive him, but that's yet to be determined." But according to another source, "Khloe wants True to have a father and very much still loves Tristan... Khloe really wants to try and forgive him, and make it work, but doesn't know how she will be able to do that."

It seems like Khloe is having a hard time right now. What are some ways to deal when you're relationship is in limbo?

Cupid's Advice:

After a wrongdoing from your partner, you will need to figure things out, which requires a lot of thinking. Cupid has some [relationship advice](#) on how to deal:

1. Give yourself space: You need time for yourself. You have a lot of analyzing and evaluating to do, so you need a clear head. Feel free to go out somewhere for some "you time" to breathe in the fresh air and think, like the park for example. Being away from your partner can do you well, not only for thinking, but also for healing.

2. Keep yourself busy: Yes, you need to take time out to think, but you also need a breather. Staying busy will help. Do whatever, just let yourself get flowed away by other things. Run errands, focus on your hobby, hangout with family and friends. You should not be obsessing over the situation which is why you need a breather from it. So, be productive, with plenty of rest time to keep yourself centered and calm.

Celebrity Baby News: Khloe Kardashian Welcomes Baby Girl Amid Tristan Thompson Cheating Rumors

By

[Carly Horowitz](#)

On Thursday morning, [Khloe Kardashian](#) welcomed her new [celebrity baby](#) girl into the world with Tristan Thompson! This

birth occurred just days after the world saw shocking footage of Khloe's boyfriend, Thompson, kissing another woman at a New York City club and making out with two other women at a hookah bar in October. According to UsMagazine.com, a source says that none of his friends are surprised because they all know he cheats. This [celebrity couple](#) began dating in September 2016. Hopefully the two can sort out this situation for the sake of their new baby girl!

This [celebrity baby news](#) is somewhat tainted by the cheating allegations that came out about Khloe's man Tristan. What are some ways to shield your child from negative relationship turns?

Cupid's Advice:

Sometimes unsatisfactory aspects in your relationship can emerge out of the blue. It is important that these negative occurrences don't affect your child in a bad way. It is definitely beneficial for your child to come to terms with life and do realize that everything is not perfect, or else they could become too sheltered. But it could also serve detrimental if they are exposed to too much negativity. Here are some ways to protect your child against negative parental relationship trauma:

1. Never stop showing them love: Depending on how old your child is, they may or may not pick up on the relationship struggles you are going through if you do a good job at keeping it between you and your partner. But nevertheless, never stop showing your child love. Try not to be too over the

top lovey dovey towards them because then it may seem like you're trying to compensate, and the love for your child, or anyone, should just be natural.

2. Don't let them in on too many details: Your child has a right to know what's going on in their parents' lives, but of course they don't need to know everything. If you and your partner are going through a relationship struggle, you can let your child in by saying something like "Mommy and Daddy aren't agreeing with each other lately but we are working on it." You don't need to tell them that one of you cheated or that you think you may be falling out of love.

3. Never let them lose sight of the wonderful things in life: You don't necessarily have to 'shield' your child from negative things in order for them to not come emotionally disturbed. You just have to remind them that yes even though these bad things may be happening right now, there are so many other magnificent aspects going on as well. Just look around, look at the beautiful trees, listen to the birds singing, think about the wonderful weekend you have planned to go to the beach or the amusement park!

Cupid's Advice:

Cupid has some [relationship advice](#) for you! Certain things aren't black and white. There are red flags that can insinuate that your partner may be cheating, but there is no fool proof way of knowing without hard evidence. The important thing is to not jump to conclusions right away. However, there are some things that you just shouldn't ignore, and here they are:

1. They're extra secretive with their phone: One thing is wanting to protect your privacy, but it is a whole other thing to guard your phone with your life when around your significant other. If your partner pulls away whenever they're texting or typing in their phone code, or they take their phone everywhere they go every single time – then this is a red flag. Something may be up.

2. They've become distant: When the vibe just isn't the same

anymore, something is up. People don't just pull away from their loved ones for no reason. The reason may or may not be cheating, but there is definitely something going on that needs attention and should be fixed quick.

3. You catch them in lies, big or small: Whenever they give you their side of a story, it is constantly changing... yeah, something's not right. If things don't add up, they may be cheating. Cheaters lie to not get caught, so this is a big red flag to look out for.

It is so fun to fantasize about which specific aspects your child will inherit from both you and your partner. Although, you should not let that overtake the beauty of nature. Your child is going to be so beautiful and will inherit great aspects from you and your partner. It may not be exactly what you hoped for, but you will end up finding it to be perfect anyway. It may be hard sometimes, both before your child is born and much later down the line, to keep your expectations from affecting your children. Fortunately, Cupid is here with some tips on how to help:

1. Let go of timelines: Children are supposed to walking by the time they are one and be potty trained by two, right? No, not necessarily. Don't place such high standards on your child

meeting the typical deadlines of when they are going to accomplish these 'firsts'. Every child is different and runs on different schedules. Shower your child with love and appreciation.

In celebrity baby news, America Ferrera is celebrating the soon-to-be arrival of her first child. What are some ways to prepare yourself and your relationship for a child?

Cupid's Advice:

The way to prepare your relationship for a child is for you and your partner to be in it together. You both must be on the same page. With that being said, Cupid has a few suggestions on how you both can prepare together for your child:

1. Learn about the birthing process and about life with a baby: You both can do research or read books, then discuss. Learning about the way your child will be born into the world and the things after is not something that's just for the mom who's carrying. This is something your partner should not stay behind on – they must learn it as well. It is important to know things like what to do during labor and what to expect after the baby is born.

2. Build the nursery together: Put both of your ideas together to create the perfect nursery. Both of you should have an input. Besides being productive by getting it done before the baby arrives, it can also be a bonding experience. You can also baby proof your home while you're at it.

3. Go over your finances: This is something you should definitely do together. Lack of money or shortage of money can hinder both a relationship and the way you're able to raise and accommodate your child. So, sit down with a pencil, paper, and calculator, and begin. Look through everything and see what you're dealing with. This is something that you guys can do more than once, since finances can change without warning and at anytime.

Celebrity Baby News: Khloe Kardashian Celebrates Tristan Thompson's Birthday After Lavish Baby Shower

By

[Jessica Gomez](#)

In [celebrity news](#), [Khloe Kardashian](#) and Tristan Thompson had a fun, busy Saturday. According to [EOnline.com](#), the [celebrity couple](#) celebrated both a baby shower and Thompson's birthday. The baby shower took place at the Bel Air Hotel's Garden Ballroom, joined by friends and family. In the evening, the couple celebrated Thompson's 27th birthday with a private

dinner party hosted by Rémy Martin at the Beauty & Essex restaurant in Hollywood. A source confirmed that the parents-to-be of a new celebrity baby girl were joined by [Kendall](#) and [Kylie Jenner](#), Kylie's best friend Jordyn Woods, [Kourtney Kardashian](#) and her boyfriend Younes Bendjima, mom Kris Jenner and her boyfriend Corey Gamble, Tristan's teammates LeBron James (who showed up with his wife Savannah) and Kevin Love and Jordan Clarkson, singer Justine Skye, family friends Kyle Richards and husband Mauricio Umansky, and Thompson's mom Andrea Thompson. What a celebration!

In celebrity baby news, Khloe enjoyed a baby shower while also celebrating her partner's birthday. What are some ways to balance celebrations in your family?

Cupid's Advice:

Celebrating two events in a day can create some very busy energy, but that doesn't make it any less fun! Cupid has some ideas on ways to maintain the balance between both family celebrations:

1. Plan ahead and thoroughly: One event takes time to plan, so imagine two. You don't want to stress yourself out. Ask for help planning if needed. There are many things to consider when planning, so make an agenda and get started when possible. When planning both events side by side, you are more likely to keep them balanced as well.

Related Link: [Rachel McAdams Is Pregnant With Her First Child](#)

2. Make the events equal in size: Of course this depends on what type of events you are coordinating, but if you want to

create two balanced ones on the same day, without one event outshining the other, it could be a good idea to make them the same size. When thinking of size, you should consider guest lists, themes, decorations, amount of food, etc. Again, this depends on the type of events.

Related Link: [Meghan Markle Gets Baptized at Chapel Royal at St. James Place Prior to Celebrity Wedding](#)

3. Schedule properly: Time management is important. One event should be during the day and the other in the evening, ideally. Plan accordingly by scheduling the events at specific times for specific time periods, with enough room to change clothes if necessary and traveling. There should be a reasonable gap in between, so in order to consider this properly, the events should be on a somewhat tight schedule for the best, stress free results.
