This [celebrity news](#) is certainly a surprise, as the pair kept the pregnancy under wraps until now! The couple has been together since 2001, and their two bundles of joy are their first children together. Congratulations to Iglesias and Kournikova!

## These celebrity babies are two times the fun...and two times the work! What are some ways to work together with your partner to split the responsibilities of parenthood?

Sure, parenting is a lot of work, but it is very rewarding! As long as you and your partner actively work together, there is less of a chance for chaos. If you're looking for different ways to work with each other, look no further! Cupid has some tips for you:

**1. Divide and conquer:** You and your partner inherently have strengths and weaknesses. **There’s another celebrity baby on the way! What are some ways to prepare for your second child**

# differently from the first?

## Cupid's Advice:

A second baby is very exciting! While you certainly are more of a parenting pro the second time around, there are still some considerations to keep in mind. Check what Cupid has to say:

**1. Talk to the future big sis/bro:** Your first child is used to garnering all the attention from you and your partner, so another kiddo will be an adjustment for them. Make sure you take the time to talk to the first-born so they know what to expect. Make it clear that you still love them just as much, and that nothing will change your relationship.

**Related Link:** [Famous Couple Dwayne 'The Rock' Johnson and GF Lauren Hashian Are Expecting First Child Together](#)

**2. Utilize your hand-me-downs:** You've probably got a lot of old clothes and necessities lying around the house somewhere, so use them! This helps keep your finances in check and is also makes it feel as though you're getting your money's worth. The toy that your first-born child played with one time will feel brand new for your second kid!

**Related Link:** [Celebrity Baby News: Chrissy Teigen & John Legend Are Expecting](#)

**3. Take inventory of what you have and need:** Sure, you have most of the necessities already, but before baby #2 arrives, get together with your partner and assess your current staples. ## Kim Kardashian Announces the Sex of Celebrity Baby No. 3

By [Rachel Sparks](#)

[Kim Kardashian](#) just revealed the sex of [celebrity baby](#) number three! According to [EOnline.com](#), during an interview with Ellen Degeneres, Kim Kardashian was telling a story where North West said, “Mom, baby sister isn’t here. I think I need all the toys in my room.” This [celebrity couple](#) is on their way to a full house!

**It looks like Kim and Kanye will be welcoming another celebrity baby girl to their brood! What are some ways to prepare for a third child versus the first or the second?**

#### **Cupid’s Advice:**

Each addition of a new child takes its own preparation. When you brought home baby number two, you worried how your first

born would react to not getting as much attention. Now, you know more about handling an infant, so there's less to buy and worry about. But having a third infant is different. Now you've got two older siblings to prepare, five schedules to try and balance, and the financial strain of another kid. How can you prepare for baby number three with less stress? Read our [parenting advice below](#):

**1. Potty train:** If you have older kids that aren't potty trained yet, go ahead and make your life so much easier now and get those kids' butts on the toilet. You don't want to have an infant strapped to your chest while you're chasing a screaming, naked two year old around the house.

**Related Link:** [Parenting Tips: How to Cope With Stress](#)

**2. Prep the house:** Besides setting up a nursery, there's a lot that you can do before baby number three gets here. If you have carpets and children, you know what a disaster that can be. While redoing floors may not be at the top of your prepping list, removing carpets can help you avoid allergies and stains. Buy the carpet tile samples from a home improvement store for a cheap and easily replaced rug for your kids' rooms.

**3. Start a routine:** Children thrive off of routines, but changing them can be hard. Start the newborn routine now so the kids won't have such a hard time adjusting. The most critical thing is to ensure you spend alone time with each child so they know they won't be forgotten.

**Related Link:** [Celebrity Video Interview: Actress Tia Mowry Says, "There's No Such Thing as Balance!"](#)

**4. Encourage alliances:** Building strong relationships with the kids and encouraging them to be the best of sibling friends will make entertaining the older kids much easier. It also teaches them how to look out for each other, making them feel special instead of left out when the newborn comes home.

By [Rachel Sparks](#)

[Celebrity couple](#) Adam Levine and Behati Prinsloo are expecting their second [celebrity baby](#), and it's going to be another girl! According to [UsMagazine](#), [Adam Levine](#) shared the baby

gender news on the *Ellen DeGeneres Show* November 7th. When asked if they would be having more children, the expecting couple claim they both want a lot more children. We can't wait to see the family these two beauties build together!

## **This celebrity news has the girls outweighing the boys in Adam Levine's household! What are some ways to help your husband deal with an all-girl family?**

### **Cupid's Advice:**

Family dynamics are an important aspect as couples decide to have another child. Oftentimes, though, parents only think about how the older child(ren) will adapt to being an older child. But how do parents change as their family grows, especially when one gender is outnumbered? Read Cupid's [parenting advice](#) below:

**1. Model through Mom:** Children watch how their parents interact, and this sets the basis for a lot of their future relationships. When you're raising all daughters, the girls watch how mom and dad read each other. If you want to raise confident young women with high standards, show them what those standards should be by treating your spouse right.

**Related Link:** [Celebrity Parents Open Up About Their Best Parenting Advice](#)

**2. Don't shy away as she grows:** The whole family gets pretty terrified as the little ladies in the family start to grow up. Teenage years are terrible for everyone in the family, but don't shy away. The pre-teen years are especially important for developing the adult minds, so be careful of too much

distance, even if that seems like what they want. Be there, be supportive, be present.

**Related Link:** [Parenting Tips: How To Set a Good Example For Your Child](#)

**3. Date her:** Put aside the Oedipal complex and realize that your role as the most important man in your daughter's life really does effect the future of her relationships with men. That's a lot of pressure. Take your daughter out for dates for genuine connection, but you'll also teach her how she should be treated. Make sure to spend authentic time with each of the kids alone to nourish both the present and the future for your children.

Teigen has been very vocal about her struggles with infertility and their choice to have their first child, Luna, through frozen embryo transfer. **Hopefully there will be a celebrity baby on the way for Chrissy Teigen and John Legend soon. What are some ways to support your partner**

# through fertility issues?

## Cupid's Advice:

Sometimes having a child does not always happen according to plan. If you or somebody you love is coping with infertility, Cupid has some ways to help during the difficult and emotional times:

**1. Validate their feelings:** A common mindset of people who struggle with fertility is to blame themselves. They have more than a right to be upset, so make sure they know it's okay to feel what they're feeling. It's also important that they know they are not alone and their infertility issues are not their fault.

**Related Link:** [Celebrity Baby: John Legend Opens Up About Fertility Struggles with Chrissy Teigen](#)

**2. Learn:** Infertility is kind of a taboo subject to talk about, so you might be in the dark about the details and latest information. Sit down at your computer and take some time to research the subject. Keeping up to date will show you care and will help you empathize with them a lot better.

**Related Link:** [Celebrity Couple: Tom and Ashley Arnold Open Up About Their Tough Road to Parenthood](#)

**3. Know what and what not to say:** We often default into saying phrases that we've heard, and think are helpful (i.e. "just relax" or "you can always try another way"). In almost all cases, these words will hurt more than help. It's much more calming to ask your loved one "how are you doing" or "how can I help" because you're thinking of their feelings rather than trying to fix the problem. Most times, people just want somebody to listen to them.

## **This royal celebrity baby is arriving in April 2018! What are some ways to decide timing when it comes to having children?**

### **Cupid's Advice:**

When baby fever hits, how do we know it's the right time? Kids are a serious, lifelong commitment and require more hours in the day than we have. While we may not all have celebrity babies, we understand that all couples, including famous couples, have to decide when it's the right time:

**1. The puppy rule:** We've all seen those happy couples who adopt a puppy and then announce their pregnancy a couple months later. Puppies, like babies, require late nights, selfless dedication, and constant attention. Can't handle a puppy yet? Hold off on those cute tiny toes until you can give all of yourself.

**3. That monster, debt:** We've all been young, holding our first glossy credit card. There's appeal in swiping and getting what you want, but you have to pay for it at some point. As we get older, we accumulate student loan debt, car payments, mortgages, and medical bills. Even if you only have a few of these, think month by month. Will you be able to give your child everything you want them to have?

When baby fever hits, sometimes we can't say no. What are some other factors you consider before planning for your own bundle of joy? Start the discussion below.

Heidi and Spencer are definitely some of the most eccentric celebrities in Hollywood, and their baby’s unique name shows

that. If you and your partner are expecting a baby and are dealing with the classic name debate, check out some of Cupid's advice below:

**1. Be open-minded:** If you and your partner are struggling to come up with a name you both like, remember to be open-minded when it comes to their suggestions.
