Celebrity Couple: 10 Reasons Chrissy Teigen and John Legend are Relationship Goals

By

[Katie Gray](#)

In Hollywood, there's a lot of lust and love in the air. Lately it seems that, sadly, marriages and relationships are falling apart left and right in Tinsel Town. This is probably due to the extra pressure and contrasting busy schedules that

celebrity couples are faced with. However; our favorite [celebrity couple](#) is still holding it down: [Chrissy Teigen](#) and [John Legend](#). They give us major [relationship](#) goals! Chrissy Teigen is a model and cookbook author – having appeared many times in *Sports Illustrated*. John Legend is a ten time Grammy award winning singer, songwriter and musician. He's also won an Academy Award and a Golden Globe for his music. Legend even wrote a song for Teigen, which melted our hearts: "All of Me." It's dedicated to his love, and she stars in the beautiful music video for it. This pretty pair met on the set of his music video for "Stereo" and have been in love with one another ever since then in 2007. The couple's [celebrity wedding](#) took place in Como, Italy in 2013. Their celebrity baby daughter, Luna Simone Stephens, was born in 2016. This couple is goals, whether they're lounging at home or step out on the red carpet.

Here are 10 reasons Chrissy Teigen and John Legend are relationship goals:

1. Down to earth: This couple is just like the rest of us. They are very real and genuine people, which is why they have the admiration of the country. They posted a cute candid photo of the two of them for their pregnancy announcement. You can tell just by looking at their pictures that they are down to earth. They have been open about the struggles they went through trying to get pregnant, which is something many people face and can relate with. One time back in 2015 they posted selfies at home lounging. Chrissy Teigen tweeted photos of them at 10:46 A.M. and at 2:43 P.M. in the same positions, relaxing. Just like the rest of us, they enjoy being low key at home, and sleeping in, too. Their dogs and four boxes of pizza even joined them during their entire day spent in bed! That is goals.

2. Always laughing together: This is a couple who knows that life is better when you are laughing! Whether it's in photos or videos, they are always spotted laughing and smiling together. They love to joke around and have a fun witty banter. All dressed up in formal attire, they went through security and borrowed the equipment to pose for funny pictures with it. One time Teigen even hilariously blew up Legend's spot and tweeted him about how she saw him liking her tweets, while he was in the bathroom. They posted silly videos during Thanksgiving with family using funny filters. Teigen even tweeted Legend, "John is so drunk he keeps humming 50 Cent."

3. Coolest parents at the playground: This family couldn't be happier, then when spending time together. They truly bring each other the utmost happiness. A lot of photos are swirling around of them with their baby daughter, Luna. They go on walks, to the park, take vacations and partake in fun outings for family fun. Not only are they relationship goals and parent goals – we all want them to be our mom and dad!

4. Eating constantly: Food is life, and Teigen and Legend know this. Teigen released her own cookbook *Cravings* last year in 2016. It is made for people who want realistic recipes. And for people who want it, "spicy, salty, sticky, crunchy, juicy and oozy." Often times Teigen and Legend will post food photos, as well as pictures and videos of themselves in the kitchen cooking it up. They say the way to someone's heart is through their stomach, and we all agree that is true. One of their most iconic moments to date, is when Legend was eating chicken off of a tray on Teigen's body while they were at the pool. This pretty pair has even have taken cooking classes together! What a fun date! We know we are all craving, a relationship like this.

5. Humble: Teigen and Legend are very humble and sincere. They

are also incredibly proud of one another. When Legend won an Academy Award, Teigen posted proud photos at the Oscars, and selfies that night of them sleeping with the golden Oscar statue in their bed. Often when they are at award shows, the camera catches them dancing and singing in their seats together, it's so cute! They watch sports together, in matching team apparel.

6. Love each other for who they truly are: All you need in life is, love. This celebrity couple proves that it is true. They are each other's soulmates. Teigen and Legend both embrace one another for who they really are as people, and accept one another's interests. During their anniversary one year, Teigen and Legend had a candlelit fancy dinner together. She let him watch college football on his phone for some of it as a present, because she knows it means a lot to him. Even in a relationship, we still are individuals and shouldn't lose ourselves. We don't have to have all of the same likes and interests, but it's important to realize that if it's important to them, you should realize that, and then it's important to you too. Relationships are all about compromise and acceptance.

7. Family oriented: From their interviews and things they post on social media, it's apparent that they are close to their family. In life, family is always the most important thing. Teigen is very close to her mother and they both always have family over. They have family dinners and big celebrations on the holidays. These two love being parents to their baby. Legend went all out for Teigen's first Mother's Day. He had the baby in a themed onesie and captioned the photo, "To my wonderful wife, Luna and I are so lucky to have you in our lives. If our daughter can be even half as awesome as you, I will be so happy and proud. Happy 1st Mother's Day!" With Mother's Day approaching soon, we wonder what awesome surprise

we can expect from them this year? Time after time, they out do themselves. We can't help but love them!

8. Loyal: The key trait of being in a relationship is to be loyal. Legend and Teigen are always on the same team, and that is very important. There was a time when people were "mom-shaming" Teigen, which is not okay. It's also sexist, so Legend stated, "Funny there's no dad-shaming. When both of us go out to dinner, shame both of us so Chrissy doesn't have to take it all. We'll split it." How wonderful is that? We are experiencing a time when women are fighting hard to have equal rights that are deserved and long overdue. This is the height of feminism and it's great that males are also on board supporting the issue, like Legend. A big issue is wage equality and also circumstances like this, mom-shaming. They score a million points in our book for the way they balance their relationship and maintain fairness!

9. Their love song: "All of Me" is a beautiful love ballad that Legend wrote about Teigen. It's about their relationship and how much he loves her. He dedicated it to her and it is a loving homage to her. She said in an interview about the song, "I did cry when I heard it, I'm emotional, but I really don't cry at things like that, but yeah, it's beautiful, and live it's pretty unreal." The two of them even star in the amazing music video for the song. (Which is also a piece of artwork by itself.) Watching the video, and listening to the song, it's evident that their love is true and their bond is strong.

10. Affectionate: This couple gives us goals because they know how to display the proper amount of affection. They manage to balance perfectly – not too little, not too much. Even the photo of Chrissy kissing John's nose was perfection. You can tell when they are hanging out, they can't keep their eyes off of each other. They literally glow. Relationships are all about affection and passion. Because if you don't feel strongly about the person you're with, then you probably shouldn't be with them. It couldn't be more crystal clear that

these two are truly in love. They take mirror pictures together, dance in waffle houses in evening wear attire, and are often in their own world together – which is how it should really be!

By

[Noelle Downey](#)

According to [UsMagazine.com](#), one [famous celebrity couple](#) deserves some congratulations for celebrating a big event; the arrival of their [celebrity baby](#), a daughter named Sienna Princess Wilson. Ciara and second husband Russell Wilson announced their [celebrity pregnancy](#) just three short months after their fairytale [celebrity wedding](#). Ciara is already the [celebrity parent](#) to a two-year-old son, Future Jr., whom she co-parents with ex-husband, Future, but she and Wilson still chose to remain abstinent until their wedding night. Ciara commented on this choice, saying, "You shouldn't

feel like you have to give your body away to get someone to like you.” And it certainly seems like Wilson fits the bill when it comes to liking her! He gushed about his wife and the mother of his child, saying, “She’s everything you could ever want, honestly” and added that he had suspected for a long time that they might be a good fit. “I told somebody, ‘I’m probably going to end up with Ciara,’” Wilson confessed.

This duo is too cute, and they’ve now added a celebrity baby to the mix! What are some ways to know your relationship is ready for children?

Cupid’s Advice:

Parenting can seem like a huge, daunting responsibility. Cupid is here with the top tips on knowing when you and your partner are ready for your next big adventure; kids:

1. You’re financially secure: Before you and your partner start taking the necessary steps to expanding your family tree, make sure you’re in a good place financially to add a member to your family unit. After all, to give your child a wonderful life, you’ll need some sort of financial security, and to be in a position where you can rest easy knowing that you’ll always be able to provide for kid’s wants and needs. Make sure both you and your partner are ready to make the sacrifices and do the hard work to be in a good financial position for your child’s future.

2. Both you and your partner want children: This may seem like

a no-brainer, but it's an important conversation to have. After all, for some having children is not even on their radar, and you don't want your partner to feel pressured into the decision to have a kid by your enthusiasm or desire for one. Sit down with your partner and make sure you're both on the same page, that you know what you want and that you have similar goals and plans for the future when it comes to your family-life.

3. You can present a united front with your partner: It's never a good idea to try and use a child to "save" an already-failing relationship. If you and your partner are on the rocks, have poor communication, or a ton of unresolved issues, deal with those issues first and foremost before even considering having a kid. While it may seem like having a child would bring you and your partner together, in reality, bringing children into an already crumbling relationship is just a recipe for disaster and a lot of hurt on every side.

Do you have children with your partner? How did you know you were both ready for that big step? Let us know in the comments!

Serena is preparing for her celebrity baby with some relaxation! What are some benefits to indulging in a babymoon?

Cupid's Advice:

With a baby on the way, traveling can seem like a daunting proposition. But there are tons of benefits to turning a [romantic getaway](#) into a special babymoon to celebrate your upcoming family addition. Here are Cupid's top tips on why you should prioritize a trip the next time you and your partner get such happy news:

1. It's your last chance to travel kid-free: While traveling while pregnant can be a mild ordeal, traveling with a baby or small child is exponentially more difficult! Considering that this may be the last opportunity you and your partner may have for a trip that's all about you, it might be a good idea to take the plunge and enjoy one last luxury vacation – minus the pitter patter of little feet.

2. It's a great way to bond: Even if you're both super excited to be parents, it's likely that if you don't get away to celebrate, "real life" may distract you from your happy news. Get away from the pressure of work and other time commitments for a bit, even if just for a weekend, and really focus on the dreams, plans and hopes you have for this new special individual you're bringing into the world. One-on-one time will give you tons of opportunities to talk about your future favorite kiddo, and even make a great plan for your first few months as parents too.

3. Relaxation is vital: Pregnancy is a wonderful miracle of life, but it also comes with its fair share of aches, pains and uncomfortable moments. Taking a trip to a spa, a beach, or other luxury travel destination with your partner and just letting yourself really relax will do nothing but benefit you and your baby's health and help you center and collect yourself for the harder parts of bringing life into this

world!

reported by EOnline.com, the sports queen posted a picture of herself in a yellow one-piece bathing suit with the caption, “20 weeks.” The [celebrity couple](#), who announced their engagement in late December, recently vacationed together in Tulum, Mexico – a babymoon, perhaps? Offering another hint about her celebrity pregnancy over the weekend, Williams posted a photo to Instagram and wrote, “Fighting to get up this morning.” It’s no surprise that this celebrity baby has already attended his or her first major sporting events: The tennis star was two months pregnant when she beat her sister at the 2017 Australian Open in January.

There’s a sporty celebrity baby on the way! What are some factors to consider about your fitness routine while you’re pregnant?

Cupid’s Advice:

Pregnancy changes a lot of things: what you can eat, what you can wear, and how you can exercise, just to name a few. If you have a baby on the way, here are some factors to consider about your fitness routine:

1. Listen to your body: Most importantly, pay attention to what your body’s telling you. Pre-pregnancy, you may have pushed yourself to run that half-marathon as fast as you can. Now that there’s a little one on the way, listen to how you feel: Are you uncomfortable? Do you feel faint? Are you drinking enough water? Do you need to take a break?

2. Drink plenty of water: Make sure you stay hydrated before, during, and after exercise. Dehydration during pregnancy can

lead to a number of problems, including decreased blood flow to the placenta, early contractions, and increased risk of overheating.

3. Skip dangerous sports: Continue with your swimming or yoga practice for as long as you feel comfortable, but avoid sports that involve a lot of contact, like basketball or soccer, or that involve rapid movements and balance, like racket ball, gymnastics, and water skiing.

1. Work won't interfere: One of the main reasons Heidi and Spencer waited so long to have a child was because their work lives were way too busy. Sometimes we find ourselves wanting to rekindle old flames. Whatever the reason may be, here are some tips to decide whether it's a good idea or not:

1. Make sure it's real: Are you sure you're missing your ex, and not the attention you got from them? If you miss the attention, that's something you can find in a better match for you. If you miss the person, maybe it's not a bad idea to meet up for coffee.

Cupid's Advice:

Being a parents is as much rewarding as it is draining, so it may be hard to keep the romance alive between you and your partner after you have kids. What are some ways to change this? Cupid's here to give you some love advice:

1. Have a date night at least once a week: It's important for you and your love to have some alone time after having kids. This doesn't make you selfish; if anything it's best for the whole family. This way you and your love will be able to relax, have a little fun, and be refreshed and ready to tackle another week with the kids.

2. Make time every day to talk: Having a kid makes your life hectic, especially if you have more than one. Make *sure* that no matter how busy your day has been, that you and your love spend some time and talk with one another.

Supernatural star Jared Padalecki welcomed a new [celebrity baby](#) with wife Genevieve Cortese. Their newest addition, daughter Odette Elliott, was born on March 17. This St. Patrick's Day baby makes a grand total of three children for this [celebrity couple](#)! Odette Elliott is welcomed by two older brothers, four-year-old Thomas, and two-year-old Shepard. Padalecki, 34, met Cortese, 36, on the set of his hit TV show *Supernatural* back in 2008. The couple married in February 2010. Padalecki had announced the baby news last November, when he was a guest on *Live with Kelly*. Right before giving birth to little Odette, Cortese signed up for Instagram to photo-journal her life before they become a family of 5. Cortese posted a photo of her two boys in early March and captioned it, "Ahhhh, can they just stay this age forever? Excited to do this all over again with these two plus baby #3!"

Jared Padalecki is a father of

three, now that he welcomed his youngest celebrity baby! What are some things to consider before adding another child to your family?

Cupid's Advice:

Children can fill your heart with so much love. That's why the term "baby fever" is a very realistic and relatable term. Here are some things to consider before taking the plunge again:

1. Space: Do you have the room to accommodate another little one? While you may have the means to provide a roof over their head, keep in mind that children at different ages need different types of space. Consider upgrading or expanding your home to suit the needs of all your children.

2. Time: Consider the small amount of free time you have now with children. As they grow up, they become more involved in activities. Be sure to keep your growing family balanced with activities and socializing measures. A new baby might take time away from older children, so be ready to seek help getting the kids to school and soccer practice!

3. Finances: Remind yourself of the expenses that come with having another child. If you have one child now, double the amount you spend on food, care and fun. While budgeting and recycling old toys and clothes will help a lot, there is no way around the growing expense another child brings.

1. Talk about the parenting decisions when you're both calm: Due to the fact that this is a very important topic for the two of you, it can become very heated when you have different opinions.
