

On-Again! Celebrity Couple Nikki Bella & John Cena Are Back Together After Calling Off Wedding

y Rhodesia Williams

In [celebrity news](#), it looks like Nikki Bella and John Cena found their way back to each other. According to *UsMagazine.com*, almost two months ago Nikki Bella called off her engagement to the WWE star. The deal breaker for the celebrity couple was Cena not wanting children. After six years, the pair split, but once Bella, 34, heard that Cena, 41, wanted to be “the father to her children” on television, five days later the couple were spotted together again.

Sources close to the couple say the break ended up helping their [celebrity relationship](#). Sounds like a happy ending for the WWE stars.

It looks like this celebrity couple weren't ready to call it quits after all! What are some ways to decide whether to get back together with your ex or not?

Cupid's Advice:

Apparently time does heal wounds. A deal breaker for Nikki Bella turned into the very thing that saved her relationship. Cupid has some advice on how to decide whether to get back with an ex or not:

1. Evaluate: Evaluate the situation. Specifically, what was the straw that broke the camel's back? From there you ask yourself, "can it be fixed?" Sometimes when you stop and assess the situation, you find your answer. It's possible you realize your break up was over something petty and you can move forward. On the other hand, you could also recognize that maybe it's best that you part ways with your ex. While happiness is the goal in a relationship, keep in mind that you both have to be happy. It would be like going the wrong way down a one way street; after you pass the "Do Not Enter" sign, it's on you.

2. Compromise: You have to ask yourself if you are willing to compromise. You should never change for anyone, however, there is nothing wrong with a little negotiating. Stop and figure

out where the problem is coming from. Nobody is perfect so maybe a slight tweak on both ends could help. If your partner truly makes you happy and you aren't ready to let them go, discuss a compromise. Cupid encourages you to remember, a compromise is a settlement involving two or more; both sides need to work on things to better the relationship.

3. Acceptance: This may be the hardest part of considering going back to an ex. For whatever reason you broke up, the two of you are now communicating about mending your relationship. If everything is a go, remember you are now accepting what has happened in the past and moving forward. It's like that annoying, "Terms and Conditions" box that nobody reads but just hits "accept". If you are not careful, it could come back to hurt you. You are agreeing that you will give this relationship another go. Cupid's only advice with this is to never bring up the past. Cue the "Terms and Conditions" coming back to hurt you.

According to *Eonline.com*, the potential new [celebrity couple](#) met through mutual friend and have formed a “close friendship.” Apparently, the model and the Philadelphia 76ers player have been “hanging out,” but have not put an official label on their relationship and are keeping things casual. The *Keeping Up with the Kardashians* star previously dated fellow basketball player Blake Griffin for six months, until they ended things in February. But, a source told *E! News* that Jenner is still talking to the Detroit Pistons player. Simmons also recently broke up with singer Tinashe and was featured on his ex’s Instagram page just a month ago. Jenner and Simmons new relationship spurred

Tinashe's younger brother to go on a since-deleted Twitter rant where he accused Simmons of cheating on the singer with Jenner. "Never met you before in my life," Tinashe's brother wrote. "Days after u break my sis heart u do this... Cheat on her [with] a Jenner." But, apparently 22-year-old Jenner plans to continue dating 21-year-old Simmons out of the public eye.

The Kardashian girls seem to have a thing with basketball players. What are some ways to cope with a partner who has a time-consuming career?

Cupid's Advice:

Having a partner with a time-consuming career is difficult. Cupid has some tips on how to make it work:

1. Make time: Even if your partner has the busiest schedule ever, it's vital you set aside designated time to be in each other's company. Have weekly dates that fit into both of your schedules and stay in communication. It's tough when your beau is busy at work, but it'll all be worth it once you guys get to spend time together.

In celebrity news, Khloe Kardashian's boyfriend Tristan Thompson is tired from dealing with

cheating allegations. What are some signs that your partner is being unfaithful?

Cupid's Advice:

Being cheated on is a completely awful experience. Cupid has some signs to tell if your partner isn't being faithful:

1. They're keeping secrets: If your partner is hiding things from you, it definitely means there's something up. Relationships should be open and honest and it's not right if your companion is refusing to talk to you about certain things. But, it doesn't necessarily mean that you're being cheated on, it could be something else your beau is hiding, so make sure to talk to him or her about it.

2. Your partner seems bored: Less intimacy and connection in a relationship could be a sign that there is some infidelity going on. If your beau seems to lack interest in spending time with you, it could be a signal that they have been seeking comfort elsewhere.

3. Constant fighting: Sure, the occasional fight is normal, but if your partner is constantly trying to pick fights with you, it could be because they are trying to validate their reason for cheating (as in they want to believe your relationship is already on the rocks). If your beau is being constantly defensive and looking for ways to start conflict, then they could potentially be cheating on you.

There may be a new celebrity couple in Hollywood! What are some ways to keep your budding relationship on the down-low?

Cupid’s Advice:

When entering into a new relationship, your first instinct is to show off your new reason to smile. In a time where social media runs society, it may not be the best idea. Cupid has some advice on how to keep your budding relationship on the down-low, at least initially:

1. Stay off social media: Do yourself a favor and stay off of social media! Give the relationship a chance to grow naturally before bringing in outside forces. While people will always have something to say, staying off of social media cuts out all of the chatter that could potentially ruin this new found relationship.

2. Keep it to yourselves: This new relationship should just

include you and the other person. Keeping things quiet can help build the strong foundation needed for a relationship. There is no need to bring any outsiders into what you two have started building; this will also keep your relationship on the down low. Why have everyone in your business from the very beginning?

3. Deny, deny, deny: While lying is generally considered wrong, if you both agree that you want to keep things private, denying you're in a relationship could be the solution. When seen together, you can explain that you're out as friends. Granted, at some point people won't believe you, but to keep things low key in the beginning, it may help.

According to *UsMagazine.com*, Kruger, 41, and Reedus, 49, began dating early last year. They kept this [celebrity baby news](#) quiet initially, but not quiet enough. The actress has been showing all the signs of pregnancy; from not consuming alcohol to hiding her baby bump at the Cannes Film Festival to also posting a telling picture on Instagram.

In this celebrity baby news, Diane Kruger is expecting with boyfriend Norman Reedus. What are some ways to strengthen your relationship prior to having a child?

Cupid's Advice:

While having a baby is a happy time, it can sometimes be stressful on a relationship. Cupid has some advice on how to strengthen your relationship prior to having a child:

1. Date night: Date night is a fun way to spend time together and remind each other just how much you care for each other. It will bring back those cute memories of when you first met, or that time you accidentally tripped and fell because you were nervous. Either way, this cute gesture is a stress-free activity to enjoy. This is your time together; spend it wisely.

2. Communication: Communication is one of the most essential tools when it comes to having a strong relationship. Communicating with your partner can literally make or break your relationship. If nothing else, make sure you communicate, because a simple misunderstanding can take a turn for the worse. On the positive side, it is good to know what's going on in your partner's world when you aren't around. You also don't want them to feel like you don't care, because ultimately, they will find someone else to talk to. We all know the saying, "If you won't, someone else will."

3. Listen: Listening is important; it shows your partner that you are there for them. Everybody wants to be heard, including you, so give each other that time. Having someone listen to you often gives validation that what you have to say is important, and sometimes people need that. More importantly, when you are in a relationship, you are supposed to also be a friend; what kind of friend would you be if you didn't listen?

you're considering reconnecting with an ex?

Cupid's Advice:

Deciding whether or not to get back together with your ex is difficult. Cupid has some things for you to consider:

1. Think about why you two broke up: Before reuniting with an old flame, it's important to consider why you broke up with your partner in the first place. There are reasons you and your ex-beau ended things, and it's important you remember them. If the problems are still there, it's likely getting back together will lead you to more heartbreak. But, if you and your ex have changed for the better, it might be worth a shot to give things another go.

Love & Libations: Royal Reds for the Royal Celebrity Wedding

B

y [Yolanda Shoshana](#)

All eyes have been on the royal [celebrity wedding](#) between Meghan Markle and Prince Harry. Between the cameras, approvals from the Queen, and invitations, Markle will probably be thrilled to relax with a glass of wine during her wedding reception. While there are many charming things about Markle, what I like about her the most is her love of good Italian red wine. Imagine chilling with Meghan over a glass of red, talking about tiaras and, hopefully, she shares the secret to her roast chicken recipe.

“The Tig” was the name of Markle’s lifestyle blog that was named after Tignanello, a full-bodied red wine from Italy. Long story short, it’s a wine from Tuscany that is a part of what is called the Super Tuscan revolution, which took place in the 1970’s. The red blend is a combo of Sangiovese, Cabernet Sauvignon, and Cabernet Franc produced in the Chianti Classico region. This would suggest that Markle has a sophisticated palate. She is prepared for all of the fancy meals at the palace, not to mention the food she will share with Prince Harry as they travel the world together.

A bottle of Tignanello can run from \$80 to \$150. However, there are Tuscan wines up to par that are more affordable. The following is a list of five wines that I like to think of as “royal reds” from Tuscany and ones that I think would receive a thumbs up from Markle herself. After all, a bold Italian red is perfect to sip during fairy-tale weddings or for a [date night](#) with your prince or princess.

Check out these red wines worthy of any royal celebrity wedding!

Luce Della Vite Toscana 2014 (\$100)

This unique wine is produced by Frescabaldi Estates in Montalcino. It's the first wine from that area made with 60% Sangiovese and 40% Merlot. Montalcino is a highly regarded wine producing commune known for fabulous red wines. The Luce is an elegant blend that has aromas of cherries, blackberries, leather, and coffee. Doesn't that sound nice? Pair with a cheese plate or an exquisite meal. When you want to feel like a [royal celebrity couple](#), this is the perfect wine.

Related Link: [Love & Libations: Date Ideas & Summer Loving with Rosé](#)

Luce della Vite Lucente Toscana 2015 (\$27)

It's the second wine from the Luca Della Vite estate that is also produced in Montalcino. This red is a bit younger than the Luce. A full-bodied blend of 50% Merlot, 25% Sangiovese, and 25% Cabernet Sauvignon, the bottle is packed with fruity aromas. A glass of this goes great with cured meat and cheese. Think of it as a bold and sexy red. It would pair wonderfully with a romantic night.

Roxanne Rosso Toscana 2016 (\$20)

This Super Tuscan wine is produced on Sting and Trudie

Styler's Chianti estate called II Palagio. Who knew they had wine, right?! Roxanne is a blend of 80% Sangiovese, 10% Merlot, 10% Syrah. It's the kind of red that goes great with a steak or pasta dish. A truffle cheese would always be a good pairing. If you can't make it to II Palagio, let romance find you and your boo in this bottle of red.

Related Link: [Love & Libations: Heat Up Your Relationship with a Date Night in the Kitchen](#)

La Mannella Brunello di Montalcino 2012 (\$80)

While this wine isn't considered a Super Tuscan wine, it's produced in Tuscany. It is made with 100% Sangiovese grapes. In fact, Brunello is the local nickname for the Sangiovese grape. This bold wine is great with beef, lamb, and hearty red sauce dishes. When you want to feel fancy, this is a where it's at.

Cecchi La Mora Maremma Toscana 2015 (\$14)

A fabulous wine for every occasion, a blend of Cabernet Sauvignon and Syrah suits all palates. Aromas that will hit your nose are cherries, spice, chocolate, and a touch of floral. This one would be perfect for a night of snuggling in with roast chicken and garlic mashed potatoes, just like Meghan and Harry. It would also work for a girl's night in, you just may need extra bottles.

Cupid's Advice:

Every person is different and so is every situation, so think hard about whether someone is right for you or not. Cupid has some [relationship advice](#) on things to consider before deciding whether you're better off without someone or not:

1. Have they done unforgivable things?: Forgiving them means accepting the situation and their apology, and moving on from it. There is no point in saying you will forgive your partner, if the problem will just keep popping up in the future. So, analyze and evaluate whether what they did is something you can move on from.

Cupid's Advice:

Every couple needs space, some more than others. It really all depends on who the people are. Missing someone can actually be a good thing though. Cupid has some benefits to missing your other half:

1. Distance does make the heart grow fonder: When you miss someone, you get that warm feeling inside that makes you think about how much you love them. This can stir up some cute and/or sexy texts, phone calls, or video chats. Embrace the distance instead of completely hating it. And when you see each other again, it's on, let the in-person loving resume.

2. You'll have more to talk about: Don't get us wrong, when the right people are together, they never run out of things to discuss. However, when you're away from the other person, you obviously have more to tell. This is a good opportunity to also work on your story-telling skills!

3. You both get to do your own thing: Whether you're out learning something new, doing anything productive, or just having fun – do you. do things because technically you guys are “covering more ground.”
