The emotions that flow through you in the weeks leading up to your wedding day are so wonderful and exciting. But sometimes, some anxiety can creep in. Here are some ways to push those negative emotions aside and focus on the pure happiness that comes with the time leading up to the big day:

**1. Eat healthy:** This may seem like a weird thing to do in order to help you become less stressed for your wedding day, but think about it...Healthy food helps you to feel more energized while junk food can make you tired, lethargic, and cranky. The more energy you have, the easier it will be to plan those last minute things. Also, eating healthy will make you more happy because it will decrease the stress of you fitting into your wedding day outfit knowing that you are consuming non-fatty foods. It is a win-win situation.

# It seems like Khloe is having a hard time right now. What are some ways to deal when you're relationship is in limbo?

## Cupid's Advice:

After a wrongdoing from your partner, you will need to figure things out, which requires a lot of thinking. Cupid has some [relationship advice](#) on how to deal:

**1. Give yourself space:** You need time for yourself. You have a lot of analyzing and evaluating to do, so you need a clear head. Feel free to go out somewhere for some "you time" to breathe in the fresh air and think, like the park for example. Being away from your partner can do you well, not only for thinking, but also for healing.

**2. Keep yourself busy:** Yes, you need to take time out to think, but you also need a breather. Staying busy will help. Do whatever, just let yourself get flowed away by other things. ## Why Sam 'Sammi Sweetheart' Giancola Avoided 'Jersey Shore: Family Vacation'

By [Jessica Gomez](#)

In [celebrity news](#), “Sammi Sweetheart” did not go back to *Jersey Shore: Family Vacation* because she was afraid that [celebrity ex](#) Ronnie Ortiz-Magro would try to get back together with her, according to [UsMagazine.com](#). On Thursday’s episode, Ronnie went off about not caring about Sam not showing up because he has a baby on the way with his girlfriend Jen Harley. Deena Cortese, another *Jersey Shore* member and Sam’s close friend had something to say in a confessional on the show: “Ron needs to stop talking about Sam and move the f–k on ... Sam told me that he used to call her on blocked numbers, and used to like, be really weird. She was afraid she was gonna get in the house and he would get drunk and spiral and try and get back with her or something.” Arguments about Sam have erupted in the *Jersey Shore* house regardless of her not being present. The former [celebrity couple](#) are a topic of discussion because of their dramatic roller coaster relationship that kept fans watching. Let’s see if Sam decides to make an appearance after all.

**In celebrity news, it seems Sam knows what she wants, and she doesn’t want to get back with her ex. What are some ways you know you should not get back together with an old flame?**

#### **Cupid’s Advice:**

A lot of the time we think of reasons to get back together with an ex, but neglect to reflect on the reasons we shouldn’t. Cupid has some [love advice](#):

**1. They’re involved with someone else:** This is something that may seem obvious. However, there are some people that decide

it's time to compete and win their former lover back. This is not the best idea. Once someone is involved with someone else, it will most likely just bring problems into a relationship that you may rekindle. Just remember, if it's meant to happen between you guys, it will.

**Related Link:** [Celebrity News: Tristan Thompson Is Asking Khloe Kardashian for Another Chance After Cheating Scandal](#)

**2. You have not forgiven them:** If you have yet to forgive your ex for any wrongdoings, then getting back together won't be the brightest idea. You will just have the same problems all over again, which is something you want to avoid. If you can't forgive, then it's time to move on – avoid yourself all the stress.

**3. They're still not trustworthy:** If you can't trust them, then why go back to them? You would not want to enter a relationship with distrust, it just won't end well. It would be a different story if you didn't trust them before, but you feel like you can now. Remember, when there is no trust (for a good reason), it's best to keep things pushing.

### **Cupid's Advice:**

Even if you think you and your partner may not be the perfect match, you may not expect to break-up out of the blue. Here are some suggestions on how to cope:

**1. Be kind to yourself:** Try not to be too hard on yourself. Remind yourself that despite what you are feeling, it is not all your fault. It takes two to be in a relationship and there were probably aspects from both of you that led to it not working out anymore.

By [Carly Horowitz](#)

The emotional [celebrity break-up](#) of *Vanderpump Rules* stars Jax Taylor and Brittany Cartwright aired on Monday. Taylor owned up to his shortcomings and suggested that they split because he was not happy with himself. This break-up was filmed in August 2017 and since then, the pair has actually been trying to make their relationship work, according to [UsMagazine.com](#). On Tuesday, Taylor confirmed on Twitter that the two are indeed still a [celebrity couple](#) now and he added, "I was a mess but each day has gotten better. I'll never be perfect I know this, but I do know that I have the best partner a guy can ask for, and all I care about is being the best I can for her here on out." Taylor realized during their short split that Cartwright made him want to be a better man and he did not want to lose her. This [celebrity relationship](#) has been through many ups and down but right now they seem to be at an up!

# **This celebrity break-up left us with mixed feelings. How do you know when it's time to break up with your partner?**

## **Cupid's Advice:**

There are clearly not any tell-tale signs that it is time to break-up with your partner. Jax thought it was the best idea at the time but then he realized he was wrong. Yet, there is not a right or wrong answer to anything. You can only do what feels right in your heart in the moment. But, there are some specific indications that the relationship you are in may not be the best for you right now:

**1. You find yourself wanting to do other things than spend time with your partner:** If you would seriously rather lay in your bed and watch Netflix alone then go out with your boo, then that may be a problem. It is understandable to want your alone time sometimes, but it should not feel like a chore to go spend time with the one you love.

**Related Link:** [No Celebrity Baby Here! 'Vanderpump Rules' Stars Brittany & Jax Have Pregnancy Scare](#)

**2. You bicker about everything:** It is okay to not agree with your partner all the time, but if it has come to a point where bickering is draining both you and your partner, you need to have a talk. Are you bickering about small things all the time because there is something big that is bothering you both deep down? Be open and honest with each other and try to get your relationship happiness back before it is too late.

**Related Link:** [Celebrity Divorce: 'Vanderpump Rules' Star Lala Kent's Married Boyfriend Is Officially Divorced](#)

**3. You constantly think about what else is out there:** Is there someone out there who likes painting as much as I do? Do all partners snore so loud? Your loved one's traits should be endearing to you. It definitely may be time for a break-up if you constantly fantasize about if other people may be a better fit for you. Remember that everything is what you make of it. If you find yourself feeling this way but you do want to make it work, you can! You two just have to try together to get back on the right track. But if you find yourself feeling like this and it makes you realize that you really do not see a future with this person, then end it and be confident that your true love is out there and you will find them soon.

## **In celebrity news, Khloe Kardashian may give Tristan Thompson a chance to fix things after his infidelity. What are some things to consider before giving your partner another chance?**

### **Cupid's Advice:**

It can be hard to give someone another chance, but in certain situations we feel like it's the right thing to do. Cupid has some [love advice](#) on what to consider before going back to a partner who committed a transgression:

**1. Can you actually forgive them?:** Sometimes we jump too quickly back into a relationship when we have not yet forgave our partner. Although the road to forgiveness can be a long one, you should evaluate from now whether you really think you can forgive them. Sometimes all you need is time, and sometimes when it's over, it's over. Analyze, evaluate, and decide.

According to [UsMagazine.com](#), the now celebrity exes provided them with a statement: “While this decision was a difficult one, we continue to have a great deal of love and respect for one another. We ask that you respect our privacy during this time in our lives.” Cena had stated previously that the long time couple’s relationship took a lot of work. However, we do not know the reason for their split as of yet. We wish them the best of luck.

**In [celebrity break-ups](#), John Cena and Nikki Bella called it quits. What are some reasons to call off your engagement?**

**Cupid’s Advice:**

Calling off an engagement is rough. Nevertheless, it is better

to realize now that it's not working out rather than later after you're married. Here are some reasons why you would possibly call off your engagement:

**1. You argue all the time and cannot come to an agreement:**

Relationships have to consist of good communication between partners. If you argue all the time, that is something you can work through. Now, if you argue all the time and just don't resolve anything, then there is a problem. If this is the case, your issues will likely build up and continue to cause havoc in your relationship.

**Related Link:** [Celebrity Break-Up: Channing Tatum & Jenna Dewan Silence Rumors About Their Split](#)

**2. There is no trust:** There are times in a relationship where there may be a lack of trust, and many times couples work through it. However, when at the point where you're engaged, trust should be something that is prominently there. There is no reason why you should not trust the person you are going to marry.

**Related Link:** [Celebrity Break-Up: 'Bachelor Winter Games' Star Lesley Murphy Breaks Silence After Split from Dean Unglert](#)

**3. There are things you cannot get past:** If you're marriage is going to work, you need to have moved on from past mistakes your partner has made. Sometimes we remain in relationships without forgiving our partner for a past discretion. When engaged, the slate should be wiped clean in a way. You are about to start a new chapter in your lives, and if you still have past demons knocking on your door, you may already be a step toward divorce without even being married yet.

## **These celebrity exes might be rekindling their romance. What are some benefits to giving a past relationship a second try?**

### **Cupid’s Advice:**

Some past flames are not worth a second chance, but some relationships do end on a note where time can do the pair well. If this is the case for you, here are some benefits as to why giving it a second go is a good idea:

**1. You already know one another:** Although people sometimes change, you already know things about your partner and the relationship you had. This can give you a sense of comfort and trust. You both hopefully learned the same lesson from the first time as well. It will also be nice to get to know any new sides of them that they developed during your time apart.

**This [celebrity baby news](#) is somewhat tainted by the cheating allegations that came out about Khloe's man Tristan. What are some**

# ways to shield your child from negative relationship turns?

## **Cupid's Advice:**

Sometimes unsatisfactory aspects in your relationship can emerge out of the blue. It is important that these negative occurrences don't affect your child in a bad way. It is definitely beneficial for your child to come to terms with life and do realize that everything is not perfect, or else they could become too sheltered. But it could also serve detrimental if they are exposed to too much negativity. Here are some ways to protect your child against negative parental relationship trauma:

**1. Never stop showing them love:** Depending on how old your child is, they may or may not pick up on the relationship struggles you are going through if you do a good job at keeping it between you and your partner. But nevertheless, never stop showing your child love. Try not to be too over the top lovey dovey towards them because then it may seem like you're trying to compensate, and the love for your child, or anyone, should just be natural.

**2. Don't let them in on too many details:** Your child has a right to know what's going on in their parents' lives, but of course they don't need to know everything. If you and your partner are going through a relationship struggle, you can let your child in by saying something like "Mommy and Daddy aren't agreeing with each other lately but we are working on it." You don't need to tell them that one of you cheated or that you think you may be falling out of love.

You just have to remind them that yes even though these bad things may be happening right now, there are so many other magnificent aspects going on as well. Just look around, look at the beautiful trees, listen to the birds singing, think about the wonderful weekend you have planned to go to the beach or the amusement park!

## Cupid's Advice:

Cupid has some [relationship advice](#) for you! Certain things aren't black and white. There are red flags that can insinuate that your partner may be cheating, but there is no fool proof way of knowing without hard evidence. The important thing is to not jump to conclusions right away. However, there are some things that you just shouldn't ignore, and here they are:

**1. They're extra secretive with their phone:** One thing is wanting to protect your privacy, but it is a whole other thing to guard your phone with your life when around your significant other. If your partner pulls away whenever they're texting or typing in their phone code, or they take their phone everywhere they go every single time – then this is a red flag. Something may be up.

She also goes on to state that she is "out with the old, in with the TRUE." This definitely seems like the two went through a break-up. To add to the speculation, Unglert also wrote on Instagram, "As I've gotten older, I've learned that although everyone DESERVES love, it's not something we're entitled to. Love takes work. Love is compromise. Love is earned. I still have a lot of work to do on myself, a lot to prove to myself, before I'm ready for something like that." To

conclude, a source informed [EOnline.com](http://EOnline.com) that the pair did indeed break up recently. The aspects of distance and traveling are said to have had some effect on their relationship. The two plan to continue as friends.

**This *Bachelor* *Winter Games* celebrity break-up wasn't really unexpected, but Lesley had some things to say about it. What are some benefits to getting your side of a break-up story out to your family and friends?**

#### **Cupid's Advice:**

When you and your partner break-up, speculation can occur. If you feel comfortable, the best thing to do is get your side of the break-up out to your family and friends. Here is why:

**1. They will know the truth:** You definitely want your closest friends and family to know the truth about why your break-up occurred. Fill them in on how you feel about it so that they are not left in the dust to wonder how you are doing. Your ex-partner may have a different side of the story, and that is okay. Both of you guys can expose your thoughts and feelings on the matter in order to make for a healthy, transparent split.

let them in on what is going on? Be open with them. This will help to both get your feelings out and inform the ones closest to you.

The more they understand, the easier it is for them to continue to love and support you.

Playboy model Karen McDougal and adult film star Stormy Daniels (also known by her real name Stephanie Clifford) both came forward about their affairs with the President. According to [UsMagazine.com](http://UsMagazine.com), Stephanie Grisham, a spokesperson for the first lady, said that after all of the drama, Melania “is focused on being a mom and is quite enjoying spring break at Mar-a-Lago while working on future projects.” But behind closed doors, Melania is apparently feeling the heat because “all eyes are on her relationship with her husband. **In celebrity news, it looks like the First Lady isn’t very happy with her life at the moment. What are some ways to communicate that you are unhappy to your partner?**

#### **Cupid’s Advice:**

Effective communication is essential in all relationships. When you’re unhappy, you must talk to your partner in order for you both to move forward. Cupid has some [relationship advice](#):

**1. Speak in person:** Do not talk about something this serious over text message or on the phone. If you have no other choice, then talk on the phone. The reason why speaking in person is better is not only because it’s intimate, but also because you get to see their face while hearing their tone at the same time. Speaking on the phone, and texting especially, can cause miscommunication.

**2. Choose the right time and go for it:** Don't beat around the bush. You have to say how you feel, and try to choose the right time. A time when neither of you are in a bad mood works best because the conversation will most likely be productive. Also, you have to make sure that there is enough time to have a discussion. When it comes to a problem like being unhappy, that is no 10-minute conversation.

**3. Don't sugar coat:** You have to be straight up if you intend on getting anywhere. If you try to make things nicer and sweeter than they really are, you'll just be misleading your partner. You need them to understand exactly how you feel if there's going to be any chance of you both fixing the issue at hand. Don't be aggressive and mean either. Just find a good in between and go for it. Don't be scared or shy.

### **Cupid's Advice:**

When going through legal disagreements with your ex-partner, it is important to still keep your children's best interests in mind. It is easy to become consumed in all of the stress that is being caused by things that are over their head. Hopefully these tips will serve well in keeping your children happy during these taxing times:

**1. Get your feelings out somewhere else:** It is perfectly normal to be upset and angry when disagreements are occurring. You don't have to completely shut down your feelings because you want to look put-together in front of your kids. Rather, get your feelings out to a therapist or close friend so that you don't feel the need to vent to your children.

**2. Apologize if you do slip up:** We are not asking you to be perfect. You may have a slip up in front of your children which may cause them to be upset. Just apologize! during this time.
