By [Jessica Gomez](#)

In [celebrity news](#), Lauren Scruggs, Jason Kennedy's wife, is standing by her man! After her hubby's co-star, Catt Sadler, quit working for E! due to a pay disparity, Kennedy received criticism on social media, according to [UsMagazine.com](#). Scruggs was there to support her hubby though. This [celebrity couple](#) stands strong together – and Scruggs had something to say via Instagram on Dec 21 to defend her man and E!. She wrote, "I believe in female empowerment and gender equality, but it's heartbreaking that a network is being deemed sexist when that is simply not true. At one time my husband had a female co-anchor [Giuliana Rancic] on E! News who made 3 times his salary. Women are paid accordingly on this network, and

the difference in his salary versus hers did not affect Jason. He knows there are always more components to consider when determining one's salary than gender alone... Since Jason was named the permanent anchor of E! News over two years ago, he has had various co-hosts that rotate throughout the week. A permanent co-host has never been named since the last one left 6 months ago."

### **Cupid’s Advice:**

Believe it or not, style does play a role in relationships, and not just in the aesthetically pleasing department. Cupid is here to inform you!:

**1. Matching has a connecting effect:** Have you and your partner ever matched without planning? You both end up wearing similar outfits or the same color? In a way, it feels good. Whether these judgments are good or bad, the way you dress and the way your partner dresses are both in the public eye, up for observation. You shouldn’t care what people think, but you may be more reluctant to not care when your significant other is meeting your friends or the fam. We all know that a good sense of style does make a lasting impression.

**This celebrity news may not be appreciated by the married boyfriend in question. What are some ways to make sure your love interest is truly unattached?**

**Cupid's Advice:**

It's not fun to deal with others' emotional baggage. Though your partner may claim to be unattached to their ex, there's always a possibility they still could be. Cupid has some signs to look out for:

**1. They've purged their social media:** This may seem like a small detail, but it speaks volumes. One hand they're just pictures, but it could also indicate that they have some unresolved feelings about their ex. Photos are nostalgic – so your partner might just be nostalgic about their past love.

**2. They talk about them nonstop:** People want to talk about topics they're interested in, people they like, or things that are on their mind. Read Cupid's advice to help you and your love have a stress-free holiday:

## Celebrity News: Robert Pattinson Spotted Holding Hands with a Mystery Blonde Post FKA Twigs Split

By [Rachel Sparks](#)

*Twilight* star [Robert Pattinson](#) has been seen holding hands with another woman just a few months after the split with [celebrity ex](#) FKA Twigs. According to [UsMagazine.com](#) the couple attended Seth MacFarlane's annual holiday party together. The identity of the mystery blonde remains unknown. Pattinson admitted that his engagement with FKA Twigs was not totally amicable towards the end as believed. Privacy and scheduling conflicts created tension for the [celebrity couple](#) towards the end.

**This celebrity news seems to mean that Robert Pattinson is moving on. How do you know when it's time to give up hope of returning to your ex?**

#### **Cupid's Advice:**

Returning to an ex is great. They know exactly what you like, how to treat you, what your interests are, and, more than likely, the two of you are great friends. Getting back with an

ex can be like returning home. If the two of you agreed to take a break and ended on friendly terms, it's normal to wait to jump back into dating because you want to wait for your ex. Sometimes, though, it's more important for you to move on. Read Cupid's [love advice](#) to help navigate those tough relationship waters:

**1. You're ready for a relationship:** This is the ultimate way to know when to move on, whatever the circumstance. If you're feeling great about life, what you have, who you are, and you're ready to share that with someone, don't wait for your ex. Love never follows a predictable path. You may be sad to be moving on when there seemed to be promises of returning to your ex, but you deserve your own happiness.

**Related Link:** [Celebrity Break-Up: Robert Pattinson & FKA Twigs Split, But Maybe Not for Good](#)

**2. The problems haven't resolved themselves:** Couples take a break for a reason. If those reasons haven't been resolved, returning to an ex will only start a cycle. Whether it's scheduling or distance or something else together, don't go back until you feel you can give the relationship a fair shot. If the problems won't ever go away, it's definitely time to start fishing for something new.

**Related Link:** [Celebrity Couple News: Robert Pattinson Says He & FKA Twigs Are Still 'Kind of' Engaged](#)

**3. You're ok seeing your ex with someone else:** The penultimate way to know you're past your ex: seeing (or imagining) them with someone else doesn't get you fired up. It's not fair to a new relationship if you're still harboring feelings for your ex. If you're truly past them, there's no reason to hold onto the hope of a reunion if that's not where you see love.

## **Celebrity Break-Up? Nina Dobrev & Glen Powell Taking Time Apart Amid Busy Schedules**

By [Karley Kemble](#)

Uh oh, it looks like Nina Dobrev and her boyfriend Glen Powell could soon face an upsetting [celebrity break-up](#). According to [EOnline.com](#), the [celebrity couple](#) are taking a break from their relationship. Though they've not officially called it quits, a source close to the duo says that Dobrev has been quite busy with various projects, which has caused a rift in the relationship. While there hasn't been any explosive fights between or bad blood, sources are saying they are not as close as they had been earlier this year. We hope things work out for this celebrity couple!

**Though this may not be classified as a celebrity break-up yet, it seems busy schedules are getting in the way of this relationship. What are some ways to keep a busy schedule from affecting your relationship?**

#### **Cupid's Advice:**

Sometimes, life gets in the way and it's challenging to balance your professional life with your personal life. Check out some ways to manage your busy schedule, without feeling as though you're neglecting your relationship or your job:

**1. Set boundaries:** Make it a point to keep your work at work. When you constantly blur the lines between your relationship and your career, it's inevitable that one will take up more of your time. Being present with your partner without checking your phone for work updates when you're off the clock really means a lot! Set boundaries and make sure you keep yourself accountable.

**2. Communicate:** A strong relationship needs strong communication to survive. If you or your partner conceal your feelings of neglect, then it's likely an explosive argument will occur somewhere along the line. If you need to work late, and reschedule date night, make sure your partner knows you still care for them, and aren't choosing your job because you love it more than them!

**Related Link:** [Five Celebs Who Are Infamous for Dating Their Co-Stars](#)

**3. Include them in your plans:** If it's possible, you can try merging your two worlds. This doesn't mean you have to find your partner a job at your workplace, but perhaps you two can form your own business together (given that you two mesh well on a professional level, that is!) Alternatively, invite your partner into your "work world," and bring them to social events outside of work. That way, they can meet the people you spend your working hours with, and they can get a first-hand look into another area of your life that is kind of unknown.

# are some ways to decide on a wedding venue?

## Cupid's Advice:

The venue is a very important piece of your wedding puzzle! Check out these tips straight from Cupid to help you figure out where to exchange your vows:

**1. Finalize your bottom line:** Before you settle down on your location, it's important to have a budget. Talk with your partner about how much you're willing to spend, and make sure you have some wiggle room for overages. Doing this will help organize and prioritize the important elements of your dream venue!

**2. Pick your date:** Picking the date of your big day is another determining factor when deciding where your wedding will be. There should be some synchrony between the two! If you've always dreamed of a beach wedding, it's probably best for a summer date. This will also help give the venue coordinators out when you go to book the location; they can't help you out if you don't have a day in mind!

**Related Link:** [Royal Celebrity Wedding: It's Official! Prince Harry & Meghan Markle Are Engaged](#)

**3. Think about your needs:** Having a rough estimate of how many guests you plan on inviting is a smart thing to consider. If a venue has a maximum capacity of 200 people, that doesn't necessarily mean it'll fit 200 people comfortably! Additionally, you should also have an idea of how you intend on using your spaces. If you want your ceremony and reception to be in the same place, make sure there's enough space for

those things to happen!

# In this celebrity news, it looks like Jennifer Garner's break-up from Ben Affleck is affecting her long-term. What are some ways to cope with a break-up so you can move on?

## Cupid's Advice:

Accepting the loss of someone meaningful in your life is painful at best and near-impossible at worse. When you've been with someone for as long as Garner and Affleck were together, what does life look like without that person? Moving on is hard, but at some point you want to accept the change so that your life can move forward. Here's Cupid's [relationship advice](#) to get you through a break-up:

**1. Burn, bury, block:** Sounds harsh? Unless you and your ex have kids together, moving on means letting go. Do whatever it takes for you to cut those ties with your ex. Burn the love letters, bury the stuffed zebra your ex won at the carnival, and block any way that they can get in contact with you. Doing so doesn't mean you never loved them, it just means you love yourself enough to know you deserve happiness. Being stuck with the pain of a relationship at its end is not happiness.

**Related Link:** [Dating Advice for Dealing with the break-Up Blues](#)

**2. Give happiness, get happiness:** Have you ever been in a Starbucks line and been at the receiving end of pay it forward? Yeah, it's pretty great. It also feels good to know you've made someone's day better. We know it's hard when you're feeling down to even consider bringing joy to other

people, but the proof in the facts is this: helping others creates fulfillment and happiness. If you don't feel like dealing with people, find a way to volunteer behind the scenes; you'll still reap the emotional rewards.

**Related Link:** [Expert Dating Advice: Moving On After a Divorce](#)

**3. Focus on you:** In a relationship, we often think about what the other person wants. Ever been asked where you wanted to eat and said, "What do you feel like?" Couples form a group identity, so being on your own is terrifying, but it can be exciting. Try something new, start a diet, exercise, start a new hobby, go to a concert of a band your ex hated...the list of things you can do alone is literally endless. Rock out the single status. Learning to enjoy time alone is attractive, but it also makes any future relationships that much more meaningful.
