This celebrity wedding was a fancy affair! What are some ways to personalize your wedding festivities?

Cupid's Advice:

Your wedding will be one of the best days of your life, so it's important that everything – from the location and decor to the food and drinks – best represents you and your relationship. Cupid has some ideas on how to make your special day unique:

1. Break from traditions: Sure, there's nothing like a classic wedding. These ceremonies are timeless and quaintly traditional. But your day is all about you, so you can celebrate it however you'd like! If you would rather add your own touch to the bouquet or garter toss, go for it. Your guests will love the creative spin.

2. Ditch the cake: If you don't like cake, you don't have to serve it! Dessert alternatives are super on-trend lately. You can serve cupcakes, order a wall of doughnuts, or even have an ice cream sundae bar. The choices are endless, and the personal touch will be remembered.

3. Get creative with the guestbook: Guestbooks are nice, but realistically speaking, how often do you think you'll sit down

and go through the album? Ditch the book and have something more practical. Buy a coffee table book for your guests to sign, or ask people write down a piece of marriage advice for you. You'll get more use when you implement a bit of creativity, and you won't feel like you're wasting your money on something that's going to gather dust in your closet.

Celebrity News: Selena Gomez Snuggles With Her Pup at Justin Bieber's Hockey Game

[Selena Gomez](#) and [Justin Bieber's](#) rekindled relationship

appears to still be going strong. According to [UsMagazine.com](https://www.usmagazine.com), the [celebrity couple](#) was seen together at Bieber's hockey match on November 15th. In tow with Gomez was her adorable Cavalier King Charles Spaniel, Charlie. Gomez and Bieber caused quite a stir in [celebrity news](#) just weeks ago. Following Gomez's breakup with The Weeknd, it was revealed that she was dating Bieber again. Though there may have been drama between the celebrity couple with their past on-again-off-again relationship, sources close to the duo say that Bieber has always been Gomez's soulmate. We're happy to see that they are going strong!

This celebrity news proves that Selena and Justin are still rekindling their romance. What are some ways to rebuild trust in a broken relationship?

Cupid's Advice:

It's not impossible to rebuild a broken relationship. While it may take a lot of work, if you are wanting to move on from past occurrences, Cupid has some tips you can implement into your lives:

1. Act lovingly: Within the tougher times when emotions are high, it will be more challenging to respond kindly. Even in the toughest of times, it is critical to keep love in the forefront. If your partner sets you off, instead of putting your guard up and acting defensively, take a step away from the situation. Then, think of an appropriate way to respond lovingly.

2. Follow through: Remaining consistent is very important. You must follow through on your word, and your partner must follow suit. An already rocky relationship will be impossible to mend if one person thinks they are more reliable than the other. If life gets in the way of you staying true to your word, make sure you maintain an open line of communication to show that you respect your partner.

3. Maintain patience: Trusting someone is a gradual process. It's certainly more challenging to rebuild trust after a serious situation occurs. Be patient and know that you cannot magically trust someone overnight. If the relationship is worth it, it will happen, though.

Kim Kardashian Announces the Sex of Celebrity Baby No. 3

By [Rachel Sparks](#)

[Kim Kardashian](#) just revealed the sex of [celebrity baby](#) number three! According to [EOnline.com](#), during an interview with Ellen Degeneres, Kim Kardashian was telling a story where North West said, "Mom, baby sister isn't here. I think I need all the toys in my room." This [celebrity couple](#) is on their way to a full house!

It looks like Kim and Kanye will be welcoming another celebrity baby girl to their brood! What are some ways to prepare for a third child versus the first or the second?

Cupid's Advice:

Each addition of a new child takes its own preparation. When you brought home baby number two, you worried how your first born would react to not getting as much attention. Now, you know more about handling an infant, so there's less to buy and worry about. But having a third infant is different. Now you've got two older siblings to prepare, five schedules to try and balance, and the financial strain of another kid. How

can you prepare for baby number three with less stress? Read our [parenting advice below](#):

1. Potty train: If you have older kids that aren't potty trained yet, go ahead and make your life so much easier now and get those kids' butts on the toilet. You don't want to have an infant strapped to your chest while you're chasing a screaming, naked two year old around the house.

2. Prep the house: Besides setting up a nursery, there's a lot that you can do before baby number three gets here. If you have carpets and children, you know what a disaster that can be. While redoing floors may not be at the top of your prepping list, removing carpets can help you avoid allergies and stains. Buy the carpet tile samples from a home improvement store for a cheap and easily replaced rug for your kids' rooms.

3. Start a routine: Children thrive off of routines, but changing them can be hard. Start the newborn routine now so the kids won't have such a hard time adjusting. The most critical thing is to ensure you spend alone time with each child so they know they won't be forgotten.

4. Encourage alliances: Building strong relationships with the kids and encouraging them to be the best of sibling friends will make entertaining the older kids much easier. It also teaches them how to look out for each other, making them feel special instead of left out when the newborn comes home.

The holidays hold a lot of special memories for people. We all want to experience the same joy we felt as a child, and we especially want to share that with someone we love. The problem couples face is that they may not share holiday traditions. How do you and your partner make it through the holidays with the same joy if you're sharing traditions? Here's our [relationship advice](#) to get your through the holidays:

1. Merge traditions: Share your favorite traditions with your partner. If your love always goes caroling but that's not your thing, compromising and trying something new makes the holiday exciting. Treat each idea like a day from the advent calendar to spread the holiday cheer throughout the whole

month!

1. The perfect gift: Tell your love story together. It will be heart-warming to see how your partner views your first meeting. Make a photo album, splurge on a hardcover book of the two of you, or tell it in style with a customized playlist.

According to [UsMagazine.com](#), Green thinks that she and Meeks are looking to take the next step in their relationship and become engaged! This is certainly a turnaround in Meeks’ life – he made [celebrity news](#) just last month for filing for divorce from his wife Melissa.

This celebrity news shows that you truly can move on after a divorce. What are some steps you can take to move on after a tough split?

Cupid's Advice:

While it may seem impossible to move on while enduring a rough divorce, it is possible. If you are having trouble, Cupid has some ideas that might just help you out:

1. Ask for help: There's nothing wrong with admitting you need help. Contrary to what you may believe, it's not a sign of weakness, but rather, a sign of strength. Admitting you need help will garner a lot of respect from those around you. Yes, you can still consider yourself strong and independent and still require extra help from time to time!

2. Celebrate small: If you find yourself constantly down from a messy divorce, sometimes it's easier to find small things to celebrate. Even if it's something as seemingly mundane as putting on "real pants" rather than sweats – that's something to be proud of. Coloring your world with more positivity will cause you to see things more positively.

3. Focus on yourself: While it may seem so lonely to be on your own for the first time in a while, use this time of independence to learn more about yourself and what you truly want. Self-discovery will help you focus on your personal goals for the future, without having to focus on somebody

else's wants, needs, and desires. Don't jump into another relationship until you feel ready for it.

Celebrity Divorce: 'Real Housewives' Shannon & David Bador's Split is Still on Despite Reunion

By [Rachel Sparks](#)

Real Housewives of Orange County stars Shannon and David Bador are still going through with their [celebrity divorce](#), which was announced a week ago. [EOnline.com](#) reports that the ex [celebrity couple](#) were seen reuniting on Saturday at USC for

their daughter Sophie Baedor. Though the couple are splitting after 17 years of marriage, both Shannon and David remain committed to regular reunions, claiming that co-parenting amicably for the sake of their children remains their goal.

This celebrity divorce is still happening after 17 years of marriage. What are some things to try to heal your relationship before resorting to a divorce?

Cupid's Advice:

Long-term relationships are a lot of work, but we often forget it. That initial falling in love feeling disappears but we're still optimistic about our futures. Routine, monotony, stress, and hardships challenge the relationship and it's natural when we feel down from life to let those feelings translate to our relationships. How do we know, then, when we've done everything we can for our marriage? Check out Cupid's [relationship advice](#):

1. Decide if you want to fix your marriage: You would think this would be obvious for most people: you know either way if you want to save your relationship. But it's much easier to say you do want to make things work than it is to take the actions to do so. When you realize you want to do the hard work it takes to repair a relationship, that means you have to stop complaining and start taking action.

2. Take responsibility: Unfortunately, working on a relationship isn't comfortable. Then again, it was awkward in the beginning, but that proved to be worth it. You'll be embarrassed and humbled, but likely, so will your spouse. Own up to your mistakes, both past and present. Your spouse will appreciate it and you'll find some closure on past pains. Your relationship will also take a giant leap forward as the two of you confront your demons together.

3. Respect and value: This is another that should seem obvious, but when you're hurting it's very easy to take out that pain on the other party. From our childhoods we all learned how easy it is to lash out at our family, and our spouses are no exception, but take a breath before you do so. Is that comment worth the damage it does to your relationship? Also keep in mind that actively paying attention and engaging your significant other shows that you value and respect them, and taking the time to listen and engage will go much further than an extravagant gift that was purchased to overcompensate for failures.

4. Give your best: When you're hurt, you don't want to make yourself vulnerable, but you won't move forward unless you try. Keep giving your best, even when your spouse isn't. If things don't work out you will know you tried your hardest and you will have learned from the whole experience for another relationship.

Celebrity Baby: Chrissy Teigen & John Legend Share Baby No. 2 Plans

By [Karley Kemble](#)

[John Legend](#) and [Chrissy Teigen](#) are talking baby number two! According to [EOnline.com](#), Teigen and Legend are hoping to have another [celebrity baby](#) very soon. Teigen has been very vocal about her struggles with infertility and their choice to have their first child, Luna, through frozen embryo transfer. In a recent magazine interview, Teigen said that the [celebrity couple](#) had 20 embryos from the start, though only three were genetically “normal.” Both Legend and Teigen have both said they definitely want to have their second child, which Teigen has confirmed will be a boy “in the near future.” We hope to hear news of a celebrity pregnancy soon!

Hopefully there will be a celebrity baby on the way for Chrissy Teigen and John Legend soon. What are some ways to support your partner through fertility issues?

Cupid's Advice:

Sometimes having a child does not always happen according to plan. If you or somebody you love is coping with infertility, Cupid has some ways to help during the difficult and emotional times:

1. Validate their feelings: A common mindset of people who struggle with fertility is to blame themselves. They have more than a right to be upset, so make sure they know it's okay to feel what they're feeling. It's also important that they know they are not alone and their infertility issues are not their fault.

Related Link: [Celebrity Baby: John Legend Opens Up About Fertility Struggles with Chrissy Teigen](#)

2. Learn: Infertility is kind of a taboo subject to talk about, so you might be in the dark about the details and latest information. Sit down at your computer and take some time to research the subject. Keeping up to date will show you care and will help you empathize with them a lot better.

3. Know what and what not to say: We often default into saying phrases that we've heard, and think are helpful (i.e. "just relax" or "you can always try another way"). In almost all cases, these words will hurt more than help. It's much more

calming to ask your loved one “how are you doing” or “how can I help” because you’re thinking of their feelings rather than trying to fix the problem. Most times, people just want somebody to listen to them.

Weddings are definitely a time of pure and wonderful bliss. While there are certainly a lot of little details to plan, one of the key elements to any wedding is location! If you’re wondering if a resort wedding is for you, Cupid has some benefits that might just interest you:

1. Scenic views: Resorts are known for their five-star luxury – both inside and out. Not only will you have an outstanding and classy venue, you’ll have gorgeous views, too! on-site. Most people will dig the idea of getting ready and walking over to your ceremony – so they can dodge the humiliation of getting lost and walking in late. Believe us, your guests will be thanking you for making their lives easier.

1. Know what you want: Monogamous, long-term relationships are not for everyone. There's no right or wrong to what makes you happy, but you need to know what does. 3. Communicate: In a relationship there are only two people who have the final say in how things play out—you and your partner. If gossip and lies are starting to creep in to your love life, then you need to have a talk together. Sit down with them and discuss the stuff being spread and be sure there are no miscommunications. 1. Talk with them: Many times, the reason your parents don't like your partner is because they don't know anything about them. If your parents have heard rumors about them, only know about their past, or are making predetermined judgments of any kind, then they simply need to get to know your partner. Sit down with your parents and let them know how much you care about your partner and explain why. Often times, when they realize how much you like the relationship they come around.
