1. Stay quiet: Instead of bringing up any hints of marriage or proposing, just stay silent about the topic. This way you aren't even bringing the thought to their attention, plus it'll make it seem like you aren't even thinking about it. Don't do this for too long, though – you don't want to pull a Channing and have your partner think that you're not even interested in getting married!

This celebrity couple news proves that exes can rekindle their relationship! What are some factors to consider before getting back together with your ex?

Cupid's Advice:

Before you bite the bullet and start dating your former ex-partner, there are a few things you should be considering. If you're in the same position as Bethenny or Dennis, check out Cupid's advice to help you make the right choice:

1. So, why'd you break up in the first place?: It's important to reflect on the former relationship as a whole and weigh the pros and cons. More importantly, why did you break up before? Is the issue something that has been solved, or is it still on-going? Everyone understands how tough break-ups can be (and how, in some cases, you may just want to skip it altogether and start dating again) but you should definitely make sure that the problems from the first relationship aren't going to continue.

2. Right reasons: Ask yourself this – are you getting back together for the right reasons? Is it because you're sad and

you miss having a partner, or is it because you're deeply in love with this person and you believe you belong together? Don't misinterpret sadness or hurt as reasoning to begin dating again.

3. Is it what you truly, really want?: The most crucial factor to remember – and reflect on – is if this is really what you want. When getting back together with someone, you have to have the upmost trust that this time it will work. If you don't feel that this will be a lasting relationship due to occurring issues from the last time, then maybe it isn't right. As cheesy as it may be sound, listen to your instincts and go with your gut.

Celebrity exes don't always have to be on bad terms. What are some ways to keep things civil with your ex?

Cupid's Advice:

It seems that this former Hollywood couple are keeping things super civil, and we applaud them for that! It can be tough to stay friendly with someone you used to be romantically

involved with. Check out some of Cupid's tips if this is something you find yourself struggling with:

1. Distance can do miracles: The break-up process can be lengthy, but it's essential for *anyone* that wants to get over their ex. Before you can even think about being civil with your former lover, it's important to distance yourself for a little bit. There's no way that you will be able to be friends right after breaking up – there is way too much sadness, anger, and hurt there!

2. Enforce boundaries: At the same time, it's crucial to have some limits when being friends with an ex. Lines can get blurred at times, especially if you're just trying to stay friends. An example of an important boundary to have is not hanging out one-on-one all the time. Base these limitations on your comfort levels with one another, and you should be good to go.

3. Make sure you have fully moved on: Before becoming BFFs with your ex-lover, make sure that you have fully and completely moved on from them. If you begin hanging out with your ex while you still have feelings for them, it can get really messy. There's even a potential for you getting even more hurt than you were before. Make sure to take care of your heart before putting yourself out there again.
