Cupid's Advice:

Breakups are never fun. And, seeing your ex move on before you do can sometimes be painful. Cupid is here to help you cope:

2. Keep busy: Depending on how long you were in a relationship, you can find yourself feeling a bit lonely after your breakup. Don't dwell on the negatives! On-and-off relationships are sometimes unavoidable, but you

Montana Buys Kylie Jenner Roses

By [Nicole Caico](#)

[Kylie Jenner](#) documented part of her night out with rapper French Montana on her Snapchat story recently. Montana joked about Jenner's car choices, and also bought her roses from a street vendor. Montana first made his way into the Jenner/Kardashian circle as the boyfriend and other half of a [celebrity couple](#) with [Khloe Kardashian](#). Khloe is currently single and focusing on her [celebrity divorce](#) from Lamar Odom, but Montana is part of the family circle. In the latest episode of *Keeping Up With the Kardashians*, Montana comfortably hangs out with [Scott Disick](#) in his new house. [E! News](#) reports that Montana doesn't just hang out with Jenner

and Disick, but is also friendly with [Kourtney](#) and Rob Kardashian.

This celebrity news has us questioning just who is interested in French Montana! What are some ways to avoid crushing on the same person as your friend or sibling?

Cupid's Advice:

While it doesn't seem that any woman from the Kardashian/Jenner family is currently dating French Montana, never say never. Falling for the ex-flame or current crush of a friend or sibling tends cause issues, but in some cases can't be helped. Before you go falling for the same person as a friend or sibling, think about it:

1. This relationship will hurt your friend/sibling: Even when a friend or sibling plays it cool about you crushing on the same person they are or have in the past, they're most likely not okay with it. If you're crushing on the same person, chances are your jealous and competitive sides will be on full display. Think about the importance of your relationship with your friend or sibling, and realize that pursuing this romantic relationship will hurt the relationship you already have with your them. Chances are the crush isn't worth it.

2. History repeats itself: If you're crushing on the ex of a friend or sibling, do some research on the reason they broke up. If the person treated your friend or sibling badly at the end of their relationship, that should warn you to stay away.

3. Girl code: It can be as simple as this—who saw the person first? If your friend or sibling was crushing first, you should have the courtesy to back out. In situations like this, it's important to be open with your friend or sibling so you're on the same page and can avoid fights.

By [Stephanie Sacco](#)

Roxy Horner isn't the first model that [Leonardo DiCaprio](#) has been linked to, but there is nothing romantic going on here. In [celebrity news and gossip](#), the pair has been a rumored couple for quite some time. According to [UsMagazine.com](#), the rumors began when the potential [celebrity couple](#) was seen together at the Chiltern Firehouse in London. No new celebrity couple this time around! What are some ways to keep rumors about the status of your relationship on the DL?

Cupid's Advice:

Even if you aren't dating somebody, the rumors could still fly. People talk regardless of the status of a relationship and whether it's a friendship or a partnership, it's not safe from rumors. Cupid is here to help:

1. Confirm it: If someone asks you about the status of your relationship, tell the truth. Don't let the gossip weigh you down, but turn it around! Spread the word so that everybody gets their facts straight.

2. Ignore it: Rumors and gossip will always be present when it comes to relationships. Jealousy and bitterness tend to cause people to do some crazy things. Don't get caught up in it, it's not worth your precious time.

3. Embrace it: Take it as a compliment that people are interested in your love life. If they aren't being nasty about it, it's harmless fun. When the gossip is cruel, that's when you need to consider their insecurities and see that it's not your fault or problem that they're involving themselves.

Cupid's Advice:

Having a first baby has its own set of challenges, and throwing a second baby into the mix can be nerve-wracking. Cupid is here to help you prepare your household for a second child:

1. Prepare the sibling: Depending on how old your first child is will determine how this step goes, but if your child is old enough to understand, you need to prepare them to be a sibling. Your child will transition better if they know their role as an older brother or sister ahead of time. It's also important that your child understands that you love them just as much as the new baby that enters your life.

with your latest addition to the family.

Celebrity Couple News: Gigi Hadid & Zayn Malik Are Back Together

By [Stephanie Sacco](#)

One of the quickest turn-arounds for a [celebrity couple](#) came from Gigi Hadid and Zayn Malik, who recently broke up earlier this month. According to [UsMagazine.com](#), they're back on again. In [celebrity news](#) and gossip, a source said, "They broke up and got back together almost right away. Right now it's back on, but it could be off again in an hour." Seems like they could be the next big on-again off-again couple. Unfortunately, it seems as though they might be too different to make it work. The source continued, "She loves attention and he hates it. An introvert and an extrovert; we all saw it coming." This [Hollywood couple](#) might just prove that opposites attract, but only time will tell.

This celebrity couple's break-up was short-lived. What are some things to consider when you find

yourself in an on-and-off relationship?

Cupid's Advice:

Break-ups aren't always permanent. Sometimes couples just can't let go, but it's a tricky place to be in. Cupid is here to help:

1. Times: If you've broken up one too many times, but still manage to get back together, that's great. It proves that both of you want to work on the relationship. But, if it's been too close for comfort time and time again, be aware of it. Don't get stuck in a rut.

2. Happiness: Your level of happiness is important, so if the relationship isn't working for you, get out. There's no need to stay in that kind of relationship if it's causing you grief. It's not for everybody and if you want some more structure that's fine too!

Celebrity News: 'Bachelorette' Guys Share Embarrassing Sex Stories with JoJo Fletcher

By [Nicole Caico](#)

In the latest episode of [The Bachelorette](#), [JoJo Fletcher](#) had all the guys reveal their most embarrassing sex stories. The guys, who are all hoping to become the other half of a [celebrity couple](#) with JoJo, did not hold back. According to [UsMagazine.com](#), Alex, Dan, and Nick had the most cringe-worthy

stories. We won't go into the details, but suffice it to say it was tough to watch! Hey, at least they were honest.

This celebrity news has us cringing for the guys on *The Bachelorette*! What are some ways to be open and honest with your potential partner?

Cupid's Advice:

As terribly awkward as it is to dig up your most embarrassing intimate stories, chances are you won't be doing it on television like these guys—so what do you really have to lose? Not being honest with a potential partner will most likely lead to another embarrassing story, so it's important to remember that honesty is the best policy:

1. Right from the start: The best way to open up and be honest with a potential partner is to establish open conversation from the beginning. Before things get too serious, or too steamy, talk about your sexual histories and desires.

Related Link: [Celebrity News: JoJo Fletcher Celebrates End of 'Bachelorette' Shoot with Instagram Post](#)

2. Lead with a joke: Conversations about intimacy with a potential partner are no laughing matter, but they're also not strictly business. Joke around to break the ice and in the end, the truth will come out. If you have a positive and lighthearted take on the situation, your potential partner won't feel threatened or judged and the conversation will flow.

3. Make it about them: If you have a feeling that an open

conversation about intimacy isn't going to go over well with your potential partner, make the conversation about them. Instead of sounding nosy or accusatory, just tell them that you need to know some things in order for you to make the experience as good as it can be for them.

Relationship Advice: Prepare for Unexpected Love Like Blake Shelton & Gwen Stefani

By Dr. Jane Greer

Country star [Blake Shelton](#) revealed that his current love, [Gwen Stefani](#), was “the last person” who he expected to have his back after his [celebrity divorce](#) from Miranda Lambert. They’ve only been a [celebrity couple](#) for six months, but already he’s crazy about her. This is a great example of a couple finding love when they least expect it. Sometimes when you aren’t actively looking for it to happen is exactly when

love may find you.

These pieces of [relationship advice](#) will dive into the unexpected love found between celebrity couple Blake Shelton and Gwen Stefani.

When you are getting over a betrayal or heartbreak, as both Blake and Gwen were after their respective marriages ended, it is hard to imagine yourself in another relationship. At that point, the last thing you want to do is take a chance and risk being wounded again by someone else. But if you can trust yourself in turning to someone who is supportive and there for you, not only can you start anew, but it's even possible that a new romance could blossom.

It can be difficult to talk about what you've been through and share your pain with a friend. A lot of times people want to shut down, and are not always comfortable reaching out and asking for support. They might feel embarrassed, humiliated, or unsure about trusting that the friend won't gossip about their story and private thoughts with someone else. However, you may find that in expressing your situation to a friend, and giving them the chance to offer empathy, you might begin to feel understood in a way that makes all the difference in the world.

Related Link: [Famous Couple Blake Shelton and Miranda Lambert Are Divorcing After Four Years](#)

The tendency is to shut down when you've been hurt, but letting yourself remain open can become the first step in the process of healing. They're able to see the best in you, and help bring out that side of you, so that you can move forward feeling stronger and better about yourself. This is a key

piece of [relationship advice](#) of falling in love, which is being made to feel valued, terrific about yourself, desired, and, especially on the heels of losing all that when you are dealing with a break up, it can be an elixir of the heart. In fact, Blake was quoted as saying Gwen saved his life. There is no underestimating companionship – it can feel lifesaving.

While you may have only seen this person in one light – strictly platonic – that can shift as your circumstances and interactions with each other change. If that does happen, it can be a bonding experience and bring you together in a way that feels like a gain, where before you felt only lost and alone. With this in mind it can be positive to share your emotional pain with someone, rather than remaining closed off and keeping the heartache to yourself. It's natural to feel vulnerable if you suddenly find yourself being drawn to this person after everything you've been through, but it is worth it to let the relationship go forward. A good piece of relationship advice is to not be afraid to let these feelings naturally progress.

Related Link: [Celebrity Couple Blake Shelton & Gwen Stefani Show Their Love at Billboard Music Awards](#)

The celebrity couple recently sang a duet together on The Voice called, "Go Ahead and Break My Heart." Blake explained that they chose that title and the words to go with it because they are smart enough to know at this point that all relationships will have ups and downs. So why not just put it out there? They've been through it before, and they know there will be good and bad ahead, but right now they are so happy they found each other and they will deal with what's ahead. After a celebrity break-up or any kind of break-up, sometimes you just need someone there for you.

While Blake and Gwen are *singing* about it, it is equally beneficial to *talk* about it. Though it can feel scary, being involved in this relationship, facing your fears and

acknowledging your insecurities can actually make you stronger. While you want to protect yourself and might typically look to keeping these feelings private, if you can instead be honest and genuine with someone you feel has your back, who knows where it might lead you, maybe even to a new love.

The [celebrity couple](#) married in 1991, but filed for divorce after 24 years of marriage. Since November 2015 however, the couple have been spotted being very affectionate towards each other. Cupid's Advice:

Relationships come and go, but some former flames remain special in your heart. At times you may question whether it might be a good decision to give them another chance. Cupid is here to help you figure out whether you should get back with your ex:

1. Think it through: Before you rush to contact your ex, you should carefully consider the reasons why you want to see them again. Acknowledge if you're in a good place mentally and emotionally before pursuing things once more. And make sure you remind yourself why the prior attempt at a relationship failed.

2. Talk about it: After you figure out whether or not you should try again with your ex, you can make a move to start the conversation. It's important to get their input on the situation. 3. Move forward: Regardless of the outcome, you'll need to move forward with whatever decision has been made. If your ex agrees that you both should get back together, then do so and try not to repeat what broke you up in the first place. If

your ex doesn't agree, then it's time to move on and put your best foot forward to find the person who is best for you.

According to UsMagazine.com, [celebrity couple Gwen Stefani](#) and [Blake Shelton](#) preformed the song "Go Ahead and Break My Heart," while looking lovingly at each other for the duration of the performance. This celebrity couple was born out of Stefani's [celebrity divorce](#) from her 13-year husband, Gavin Rossdale, and Shelton's celebrity divorce from his wife of 5 years, Miranda Lambert. Both Stefani and Shelton were single by the end of the summer 2015, and have been a couple since fall 2015.

This celebrity couple is going super strong! What are some ways to keep the romance alive in your relationship?

Cupid's Advice:

Not every couple can get on stage together at a major awards show to display their love for each other to the world, but it is important to show your significant how much you love them in order to be happy together. Even if it's not televised, loving gestures are necessary for keeping romance alive:

1. Spice it up: Sharing new experiences is a great way to strengthen a relationship. Plan the trip you and your S.O. have been dreaming about, or even just try a new restaurant.

Celebrity News: Gwen Stefani Opens Up About Duet with Blake Shelton

By [Stephanie Sacco](#)

We didn't think that [Gwen Stefani](#) and [Blake Shelton](#) could get any cuter, but they have after their duet. If you watched this [celebrity couple](#) perform on *The Voice*, you know what I mean. In [celebrity news](#), the pair both has insecurities with writing making the collaboration even more special. According to [UsMagazine.com](#), Shelton asked Stefani to cowrite with him on his new single "Go Ahead and Break My Heart." Stefani admitted

on *Chelsea* that when he told her about the song he wrote, her reaction was, 'Whoa, what if I don't like it, huge turn off!' And then, "I listened to it and thought, 'Oh my God, I love this.'" His response, 'Write the rest of it.'" This [celebrity relationship](#) is headed in the right direction as they make beautiful music together.

In celebrity news, Gwen Stefani thought Blake's song would be a "huge turn off." What are some turn offs to avoid when you're trying to date someone?

Cupid's Advice:

Not everyone can be as cute as Gwen Stefani and Blake Shelton. Sometimes the song your man writes you *is* a turn-off and dating them no longer seems like the best option. Cupid is here with some red flags:

1. Not paying attention: It's such a turn-off if your partner isn't looking you in the eye or remembering important information. He's either being sketchy or unresponsive. You deserve more from a partner so if he's acting like this, dump him!

2. Not being honest: If you catch your partner in a lie or see him hiding his phone, it's a red flag. Don't always assume the worst but if it continues, he's not worth your time. Consider your happiness first and get out if that's what it takes to make you happy.

Celebrity Couple Predictions: Drake, Eva Longoria and Lea Michele

By [Shoshi](#)

In the latest [celebrity news](#), three famous couples have caught the public's attention, whether it be Drake and Rihanna's rumored celebrity relationship, Eva Longoria's third celebrity wedding, or Lea Michelle's next shot at love. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Drake and Rihanna: It seems like nobody believes that Drake and Rihanna are just friends. Who doesn't twerk their booty on a friend any chance they get? It's time to let this rumor go! They aren't a secret couple, contrary to the anonymous sources that keep popping up in the press. Recently Drake was asked point blank if he was dating RiRi and his answer was that they

are just friends. That is not to say that they do not practice being friends with benefits from time to time. Why shouldn't they? They are both attractive adults, so why not help each other maintain pleasure when necessary? It would be nice to see these two in a relationship with each other, or with whoever makes their heart skip a beat. It looks like Drake and Rihanna aren't making time for romance, though. They are both working, traveling, and involved in their careers. However, look for Rihanna to be in the relationship by the end of the summer.

Eva Longoria and Jose Baston: Looks like the third time's the charm for Eva Longoria. She walked down the aisle with Jose Baston, President of Televisa, Latin America's largest media company. This is Longoria's third marriage and it looks like her last. The celebrity couple was married in Mexico in front of A-list guests. It would seem Longoria has hit the jackpot with Baston. He sees her as his equal and loves that she is a strong and passionate woman. After two failed marriages, Longoria knew exactly what she was looking for in a partner. She has definitely found the right one this time around. Before the wedding, they had already been calling each other husband and wife. I see a new dog in their future and a discussion about children. Right now a baby is a possibility, but if Longoria is not pregnant by next year, more than likely the couple will not have children together. Either way, they will continue to be just as happy as ever.

Lea Michele and Robert Buckley: Lea Michele has not been so lucky in love. That is not to say that she isn't trying. She dated that so-called model/actor and ex-gigolo Matthew Paetz, who allegedly broke her heart. Then there was her boyfriend

and *Glee* co-star, Cory Monteith, who died of a drug overdose. Most women would have locked up their heart and thrown away the key. Despite these negative experiences, Michele is currently dating actor Robert Buckley, and says that she is very happy. That's definitely good news. It's nice to see her find love again. Where is it all going? That remains to be seen. Michele wants to be married with kids but not necessarily right now. It looks like it's on her mind. Buckley may not be the guy she walks down the aisle with, but he is getting her ready for when the time is right.
