And, when you and your partner are on the rocks, they can also be a very helpful outlet to combatting these issues and keeping your bond from crumbling. If you're having a hard time figuring out how to save your relationship, don't fret! Cupid has some [love advice](#) on how involving your family can actually be a useful asset during these trying times:

**1. New perspectives:** If you're speaking to your in-laws, know that they know your partner better than you ever will. Being open and honest with them about your relationship will give them a chance to hand you new perspectives on the situation. They can provide anecdotes of how your significant other reacts towards certain behaviors while also offering wise advice for keeping your relationship alive.

**2. Tough-love:** Families are good at many things, but one of their best skills is to give you tough love when you need it. Most times your family won't sugarcoat anything for you, and if you come to them for relationship advice, they won't hesitate to be as blunt and honest as possible. If you've messed up, they'll let you know, and if you're being stubborn, they'll call you out on it. Trust families to not take your feelings into consideration because, sometimes, being direct about relationship issues can actually help you resolve them.

**3. Safe space:** Remember all those times you were homesick, and you wanted nothing more than to travel home and sleep in your childhood bedroom? A lot of times, having relationship blues can actually trigger a feeling of homesickness. Don't shrug it off. Lean into it, and visit your family. Taking time to

yourself to go back to a place that you consider a safe space can give you an opportunity to decompress. Relax, unwind, and distract yourself for a few days. This can do wonders by looking at your relationship troubles with a fresh perspective.

## **In celebrity couple news, this pair proves they are soulmates. What are some ways to know you've found "the one"?**

### **Cupid's Advice:**

There's something about love that just makes colors brighter, the world happier, and your life the most magical part of the universe. There's nothing sweeter than finding someone that makes you feel like you are worthy of a lifetime of love. But, sometimes it isn't so easy to distinguish whether or not this person is "the one" for you. If you're in a relationship that you're thinking could be your soulmate, Cupid has some [relationship tips](#) for figuring out if your partner is "the one" or not:

**1. They bring out the best parts of you:** The right relationships should always show the absolute best parts of who you are. They are meant to bring out what others can't, and if you feel like your partner does that, it might be a good indication that they're the one for you. But, remember! Make sure you bring out the best in them, as well.

**2. Your friends and family have never seen you happier:** Those closest to you know you better than you know yourself. They know when you're sad, or when you're angry, or even when you're happy. If you've gotten comments from friends and family that detail how much happier or how much you glow since being in this relationship, you might have found "the one" for you. You should never be in a relationship with someone that

doesn't make you the happiest you've ever felt.

It's hard to find partners who are willing to support you, unconditionally. If you have that in your relationship, you're one of the lucky ones. Cherish it!

## **Celebrity Breakup: Teresa & Joe Giudice Talk Divorce in Interview with Andy Cohen**

By [Hope Ankney](#)

In the latest [celebrity news](#), Teresa from *Real Housewives* and husband Joe Giudice held nothing back as they discussed their relationship in a tell-all interview with Andy Cohen. According to *UsMagazine.com*, the [celebrity couple](#) stated that they had talked about divorce before. Joe even admitted, “If we stay together, we stay together. If we don’t, we don’t. We’ll see.” He even went on to say that Teresa needs to find another man since she is “high maintenance.”

**In celebrity break-up news, things aren’t looking promising for Teresa and Joe Giudice. What are some ways to decide whether to call it quits on your marriage?**

**Cupid’s Advice:**

[Celebrity breakups](#) aren't much different than ours. Even though there's fame and money, it doesn't change a lot about the dynamic when it comes to relationships. If you're on the rocks with your partner, and you don't know whether or not you should end the marriage, don't worry! Cupid has some [love advice](#) on when it might be a good idea to reevaluate your relationship:

**1. No communication:** The most important aspect of a relationship is the ability of both parties to be able to communicate with one another. If conversing openly and honestly with your partner has deteriorated, this might be a sign that the marriage needs to be reassessed. This is only if attempts to strengthen the communication has failed before.

**2. Lack of respect:** Joe dissing his wife Teresa by saying she needs to find another man that can handle her and her "high maintenance" tendencies is a very disrespectful thing to say about your partner. If you're in a marriage that shows levels of disrespect toward one another, your relationship has some layers of toxicity. Sit down and discuss why you're both saying such hateful things about one another, and if you cannot reach common ground, it might be a good idea to start packing your bags.

**3. Low affection:** This is something that can sometimes be harder to catch if both you and your partner have gotten into a routine that makes this behavior normal. If your marriage has faded into nothing, but low levels of attraction or intimacy, this may indicate a bigger issue. Try to figure out if this problem is fixable, and if it isn't, neither one of you deserves to be in a marriage that doesn't show the other

the affection they need.

# Celebrity Couple News: Jenni 'JWoww' Farley & Zack Carpinello Are Back Together After Split

By [Hope Ankney](#)

In our latest [celebrity news](#), Jenni 'JWoww' Farley and Zack Carpinello are back together! After the [celebrity couple](#) split only two weeks ago, it seems like the two have mended their relationship. According to *UsMagazine.com*, the reality star and wrestler were seen together twice after they announced their break-up. This is when they spent time at Universal Studios in Florida on October 18th, and when Carpinello hung out with Farley's children on October 12th.

**In celebrity couple news, this split didn't last! What are some ways to decide whether to get back together with an ex?**

#### **Cupid's Advice:**

Getting back together with an ex can be a difficult decision. Let's be honest, it's much easier to patch things up with an

ex instead of finding someone new because it means we must get to *know* someone new which, usually, isn't something we want to do. As you've probably broken up for legit reasons, it usually doesn't stop lingering feelings from keeping the flame alive. But, it's important to know when these feelings aren't just the normal process of missing a past relationship. If you're unsure of whether to give your ex another chance, don't worry. Cupid has some [relationship advice](#) that can help you decide:

**1. Listen to your gut:** The first thing you must do when reconsidering an old flame is to listen to what your gut is telling you. A past relationship could've ended because you chose to ignore major red flags or never followed what your gut felt. If you're choosing to give this person a second chance, make sure you're willing and able to trust your instincts if things start to slide back into the same territory.

**Related Link:** [Celebrity News: JWoww Is 'Hurt' After Boyfriend Makes a Move on Angelina Pivarnick](#)

**2. Address what ended the relationship:** Sometimes, partners like to jump back together without discussing what made them split in the first place. But, those issues seem to always creep back into a relationship if they're not dealt with properly. It's important for a couple to build on their new relationship by learning from the problems that occurred in the past that led to their break-up. It'll help you both to understand each other's perspective on the situation, and it will stop similar issues from arising in the future.

**Related Link:** [Celebrity News: Source Says Kylie Jenner Left Travis Scott Over Lifestyle Differences](#)

**3. Time has passed:** Time heals all wounds, right? Or, so they say. It's possible that your relationship ended because both of you just needed some time apart from one another.

Sometimes, one needs to go soul-searching. Sometimes, both of you just need to learn to live life without one another to see if the relationship is right. It's often that when time passes, you have matured and grown as people. So, when you do find your way back together, it's like your relationship has recharged, and you've realized that you'd rather be with no one else.

## **Celebrity News: Miley Cyrus Reacts to Comparisons of Her Recent Romances**

In [celebrity news](#), [Miley Cyrus](#) is definitely throwing that wrecking ball all over the place after changing her [celebrity relationship](#) status for the third time. The former *Hannah Montana* star confirmed that she and her former girlfriend, Kaitlynn Carter, split in late September. On October 3rd, the singer tweeted to her fans, “Get used to me dating- this is where I am at! #HotGirlFall.” The new duo are very comfortable with each other each other, displaying PDA and sharing a history. According to *UsMagazine.com*, Simpson says that the two met at the wrong time originally. “We had a lot of fun then ... but now we’ve found each other in a space where we’re not partying, working real hard and just like [to] keep things healthy,” she said.

**In celebrity news, Miley Cyrus is seemingly not amused with**

# comparisons being done on her relationships. What are some ways to keep your past relationship from affecting your current relationship?

## Cupid's Advice:

Even though it is not traditional to jump from relationship to relationship, Miley is showing us that there is nothing wrong with doing so. Being a #HotGirl is a trending hashtag that is boosting everyone's confidence. This was made in the hopes that women would feel more comfortable in themselves and moving on from broken relationships. Cupid has some advice on how to use that hot girl energy when dating someone new:

**1. Don't compare:** Ladies, we all do this! However, if you are trying to move on with your new boo, don't compare the two! Try to look for similar qualities like chivalry and taste in music. Don't make your new bae your ex bae 2.0.

**Related Link:** [Relationship Advice: Working Through Your Heartbreak](#)

**2. Do new things:** Try not to relive the past through this person. Take them to new places, so you can make new memories. Show them your playful side! Jump out of a plane together, or get tickets for a concert of a band you've never seen live. Keep things new and fresh.

**Related Link:** [Dating Advice: 7 Effective Ways Out of a Breakup](#)

**3. Be open to change:** While you look for similarities between you and your new partner, also look for differences. They might not be your "usual" type of partner, but don't give up on them too easily. Try to compromise. If they are more

introverted, plan your dates at a more personal level. Taking a walk while holding hands or baking a cake together are two low-key ideas. If they are more extroverted, then you won't have any problems finding out what they want to do. If they tell you what they want to do that's outside of your comfort zone, consider doing it anyway!

New [celebrity couple](#) alert! In the latest [celebrity news](#), [Miley Cyrus](#) and Cody Simpson seemed to be all smiles on their coffee date on Sunday afternoon in Los Angeles. According to *UsMagazine.com*, the two singers kept the date very casual. This comes after Simpson shared his romance with the news outlet saying, “We just have a ball and that’s the most important part of a relationship. It hasn’t been a really crazy sudden thing. We’ve been friends for so long that when we sort of found each other again in a space where we’re not partying and working really hard, [we] just like [to] keep things healthy.”

**This new celebrity couple seems to be hitting it off. What are some ways to know your new relationship is strong?**

## Cupid's Advice:

When you get into a new relationship, it can sometimes seem like everything is going so fast. There's the whirlwind romance, the attraction of everything that is fresh and new, and learning everything there is to know about this person. It can be fun and exciting, but it can also be difficult to know when a new relationship is becoming more than just a casual date. Fortunately, Cupid has some [love advice](#) on a few ways to know when your new relationship is going strong:

**1. You're happy:** This might seem obvious, but you'd be surprised how many people aren't genuinely happy with the one they're dating. Strong and healthy relationships should be full of as much fun and laughter as possible. We're not saying that every single moment of each other's relationship should be nothing but joy, but it should outweigh a lot of other emotions that make you both well... not happy.

**Related Link:** [Celebrity News: Miley Cyrus Appears to Shade Exes Kaitlynn Carter & Liam Hemsworth in Post About Love](#)

**2. There's trust:** Strong relationships cannot be built unless they have a sturdy foundation of trust. You must be able to have a very healthy level of trust and commitment with each other before you can label your relationship a strong one. Communication and openness are a big key to having a successful bond with your significant other.

**Related Link:** [Celebrity Couple News: Cassie Randolph & Colton Underwood Are 'On the Same Page' About Marriage](#)

**3. The relationship makes you feel safe:** This is probably the most important aspect of a bond. Knowing that you have a sense of comfort and safety within another person is one of the best signs of knowing if your relationship is going strong. Your significant other should be a safety net to you when you need them. They should provide you with a stable home and a sense of calm when you need it. If you don't feel safe within your

relationship, maybe you shouldn't still be with that person.
