'Vanderpump Rules' Reality TV

Star Katie Maloney Confirms That She and Tom Schwartz Are Still Together!

Interview by [Lori Bizzoco](#). Written by [Sarah Batcheller](#).

[Katie Maloney](#) is a force to be reckoned with on Bravo's hit reality series *Vanderpump Rules*, a spinoff of *The Real Housewives of Beverly Hills*. Maloney's romantic relationship with castmate Tom Schwartz is in the spotlight this season and has made her character very interesting to watch. Intense, drama-filled friendships sum up her social life, and her heated love life is now fodder for [celebrity relationship](#) news. CupidsPulse.com had the chance to speak with Maloney about the most recent celebrity cheating rumors on the show as well as her current relationship with Schwartz.

During our exclusive celebrity interview, the reality TV star confirmed that her employment at SUR was not staged for the cameras and that she's actually still working there. She also says that working with Lisa Vanderpump, the show's matriarch and boss, is "exactly what you would expect it to be." She assures us that Vanderpump "has high expectations – she really wants us to respect her and her business," adding, "She's really smart!"

Katie Maloney Discusses Celebrity Scandal on Reality TV Show

The *Pucker & Pout* style blogger clears the air about her fallout with castmate and ex-best friend Kristen Doute, who slept with their friend Stassi Schroeder's boyfriend, Jax Taylor. "Contrary to what everyone, including Kristen, wants to believe, I didn't end my friendship with her [Doute] because of what she did to Stassi." But Maloney does say it was a contributing factor because Doute's behavior and lies were "disturbing and alarming." Maloney explains, "It opened my eyes to how Kristen is towards her friends. We were best friends for so long, and we had a lot of fun together, but she has some issues that she has to work through. I don't hate her; I just had to move on with my life."

Related Link: [Celebrity Couples That Have Bounced Back After Cheating](#)

In regards to her friendship with Schroeder, the SUR employee says, "It's definitely not what it was." Without revealing what happened between them, Maloney says that Schroeder had ulterior motives when it came to helping her through the celebrity scandal and cheating rumors about her boyfriend of four years, Schwartz. Most of Schroeder's motives were fueled by Schroeder's beef with her ex-boyfriend Taylor. "It's a

sensitive subject because there are a lot of things I don't understand about it," Maloney admits.

Maloney says she tries to stay out of the drama, but it's hard. "With the kind of people I run around with, it's impossible not to get caught up in things," she confesses. "I've always tried to keep a level head as much as I can and not let emotions run too high. That's always kind of been my M.O. – I think I've done a pretty good job!"

Celebrity Couple Katie Maloney and Tom Schwartz Still Together

If history repeats itself, then viewers predict that another celebrity cheating scandal will occur on season three of the popular show – and that it might be Maloney and her boyfriend who end things next. Thankfully, though, Maloney fondly describes their celebrity relationship, recalling, "We met when he moved here from Florida. Kristen moved in with him, and she kept wanting to introduce me to her roommate, and I was like, 'No, I don't really want to date a model dude. There are plenty of those.' But then finally I met him...and the rest is history!" During our exclusive celebrity interview, she confirms that, even though their relationship has been a bumpy ride, they are still together and going strong.

Maloney did go to her boss Vanderpump for relationship advice as we will see on tonight's episode. "I didn't know anyone else with an unbiased opinion who I could talk to about it," she shares. "Everyone was talking about Tom and me. I didn't know where to go. I didn't know how to be around Jax. Lisa could tell how much I was hurting and pressed for information, and I told her everything that happened. I value her opinion because she has more life experience. She's been

married for 30 years, and she's not Jax's ex-girlfriend! It was really nice to go to her."

Since her blog offers beauty and fashion advice, we had to ask Maloney for her best tips on what to wear on a first date. She shares, "It obviously all depends on where you're going, but wear something comfortable. Wear your favorite outfit: your go-to shoes and your go-to dress." If you still can't find something that works, she adds, "A little black dress is always a good option. Just keep it as classic as possible!"

The *Pucker & Pout* creator believes that her and Schwartz's story "tugs on the heartstrings a little" because it's so relatable to those who have also had to work through tough issues with their partner. Maloney is very firm on the fact that she and her beau have a good relationship and she encourages women to be careful of the pressure you get from friends when it comes to making decisions about your love life!

Keep up with Katie on Twitter @MusicKillsKate, and don't forget to check out her blog Pucker & Pout. Tune in for Vanderpump Rules on Mondays at 9/8c on Bravo!

'Bachelor in Paradise' Lovebirds Cody Sattler and Michelle Money Breakup After Six Months

By [Sarah Batcheller](#)

One of the happiest reality television love stories has come to an end. [UsMagazine.com](#) revealed that Cody Sattler and Michelle Money, who met on Season 1 of *Bachelor in Paradise*, have gone their separate ways after a cross-country move and six months of dating. Both stars took to social media to gracefully announce their split, and inform fans that they will remain lifelong friends. The single mom sweetly wrote, "Cody truly has blessed my life and the life of my daughter in more ways than he will ever know. His positive impact on Brielle is something I will forever be grateful for."

How can you properly announce a breakup?

Cupid's Advice:

The end of a relationship can be tough not only on you and

your ex but on your loved ones as well. After all, they too have grown close to your former partner during your time together. Here are three ways to gracefully share the news of your breakup:

1. Inform family and close friends first: In this case, Money has a young daughter, who spent a lot of time with Sattler. The closest people to you should always hear the news first because it will affect them the most. It's better for those who had some emotional stake in the relationship to be able to process it before everyone else hears about it.

2. Don't share too many details: Relationships are very personal, and that means breakups are too. If and when you announce your split on social media or in some other public way, don't disclose any intimate details that you'll regret having shared later on.

3. Make sure both of you are on the same page: Per the above statements, you want to make sure that you and your ex agree on who to tell and what details to reveal. You also want to agree on how and when you announce your breakup publicly. It may be uncomfortable, but it's the last thing you'll ever have to negotiate, so keep it amicable.

Latest Celebrity Baby News: Celebrity Couple Ashton Kutcher & Mila Kunis Forego A Nanny

Celebrity couple Ashton Kutcher and Mila Kunis have been parents for a few months now to [celebrity baby](#) daughter Wyatt Isabelle, and they are completely in love with her. In their latest celebrity baby news update, Kutcher said, “You think you know how much you can love another person, and then you have a child and you realize you didn’t know. It’s infinitely rewarding.” He added, “And I really look at this as the greatest opportunity of my life.” The parents are old school and will not hire a nanny. According to [People.com](#), Kutcher shared, “We want to be the people that know what to do when the baby’s crying to make the baby not cry anymore. We want to know, like, when she makes a little face or something, we want to be emotionally in touch with her. And I think the only way to do that is by being the one who’s there.”

This celebrity couple is taking care of their celebrity baby

without extra help. What are some things to consider when determining your best childcare option?

Cupid's Advice:

There's a lot to plan for when it comes to raising a child, and one of those things includes childcare options. Some parents may choose the same route as this celebrity couple and forego the additional aid. To help you make your decision, Cupid has some advice:

1. Your child's age: The age of your kid definitely plays a role when deciding what childcare option is best. If they are really young, it's important to spend extra time with them. However, some opt to have a baby nurse and/or nanny with them right after childbirth, which can be a nice way to learn what to do. It's important to be there for them during all of the stages in their lives, so choose whatever makes the most sense for you. Hiring a trained nanny when you can't be around is a good idea, as is having your family members and friends babysit when needed.

2. Time away from them: An important aspect in picking childcare is knowing the time frame. How long will you be gone? How often will you need childcare? Do some research! If you only need a babysitter occasionally, then have a few people that you trust on file. If your schedule has a specific time that you'll require childcare consistently, then work that out with a nanny or nursery school program.

3. Your normal routine: Figuring out what kind of job schedule you and your partner have is key. Some jobs have flexible hours, whereas others do not. Work out your hours with your employer and your partner, so that one of you can always be with your kids. Establish some kind of routine that is consistent. Some people opt for working from home in an effort to reduce how much childcare is needed.

Cupid's Advice:

Cupid's Advice:

PDA can be excessive at times and inappropriate in certain settings, but there are many ways to show you care for your partner, even when you're out and about. Here are Cupid's thoughts on public displays of affection:

What are three advantages to going on a double date?

Cupid's Advice:

As much as you need alone time with your partner, it's fun to break out of your usual routine and spend some time with your couple friends. Here are three reasons why you should plan a double date for this weekend:

1. Try something new: It's easy to get stuck in a rut of going to the same Italian restaurant before seeing the latest romantic comedy at your local theater. Your friends, though, may motivate you to head to that new Greek cafe and then go bowling instead.

How do you know whether to reunite with an ex or not?

Cupid's Advice:

1. True love: If you and the other person genuinely have romantic feelings for each other and truly care about one

Sometimes you will just always love someone and have a special place for them in your heart, but know that you can't actually be with them. If the love runs deep and is present, it could be worth rekindling. A lot of people have to split to find themselves and figure things out.

According to UsMagazine.com, Blake Lively shared endearing celebrity news that she is turning to her mother and sisters as she makes it through this celebrity pregnancy...let's just say it, flawlessly. The [celebrity couple](#) continues to be each other's rock for strength and support. [Ryan Reynold's](#) wife recently said, "If I could pass along anything that my mother or my sisters taught me, I feel like my kids would be very well off. But also I'm fortunate enough to be amongst women like this..." Lively continues to work on her website *Preserve* and share the latest celebrity news via blog posts and Instagram.

In almost every celebrity news

update about Lively's celebrity pregnancy, she has expressed how thankful she is to have such wonderful support. How do you thank your loved ones for their help?

Cupid's Advice:

Life can get pretty complicated with a new baby around, so if you're lucky enough to have family or loved ones who support you, then be happy! Cupid has some thoughts on how to thank those that have helped you out:

1. Write a letter: Taking the time to write out a personal note is very thoughtful and a lovely keepsake. Handwritten notes are always a good route to choose. The extra time and effort that goes into handwritten letters brings an extra sentimental feeling to the words on the page.

2. Pamper them: A day at the spa, a manicure and pedicure, or simply a night out of the house (be the babysitter for the night or take your loved one out yourself!) will go a long way. This simple treat will show your appreciation in more ways than one. Not only are you saying "Thank you for helping me," you are also saying, "Let me help you."

‘Bachelor in Paradise’ Couple Marcus Grodd and Lacy Faddoul Spend Their First Thanksgiving Together!

By [Emily Meyer](#)

The holidays are meant to be shared with the people you love, and for Marcus Grodd and Lacy Faddoul, they did just that! According to [Wetpaint.com](#), the *Bachelor in Paradise* couple spent their first Thanksgiving together in Faddoul's home state of California. Both reality stars posted sweet pictures together on their Instagram accounts. Faddoul captioned one photo, "Happy Thanksgiving! We are so thankful for those that love and support our little family. #family #friends #bachelornation." Grodd then wrote, "Happy Thanksgiving Day from our family to yours! Hold your loved ones close #blessed #love #gobble." From the background of the photos, we are guessing they were snapped in The Golden State, which also happens to be where the couple has been spending most of their time these days. This adorable pair seems to be powering through the holiday season joyfully!

How do you know when you're ready to bring your partner home for the holidays?

Cupid's Advice:

Although many people usually complain about being single during the holidays, it's not so easy for couples either! The big question is for many pairs is whether or not you should bring your lover home for the holidays. Cupid knows it can be stressful, so here are three ways to tell if you're ready for your new partner to spend this special time with your family:

1. They have met your loved ones before: If your significant other has never met your parents, the holidays may be an awkward time to introduce them. It'll be intimidating to expect your beau to get to know your entire family (including your crazy aunt) during this stressful time of cooking, gift giving, and party-hopping.

2: They seem pro-holiday: If your sweetheart is asking you about your family’s Christmas traditions and your favorite memories, that’s a good sign! They’re already invested in sharing the holidays together and want to become more connected as a couple. If they seem to be in good spirits about the holidays, it’s worth broaching the subject of bringing them home with you.

3. You actually *want* them there: It’s really important to not feel pressured to bring a new boyfriend or girlfriend home for the holidays. Make sure that you really want them there and that you aren’t only trying to please someone else (like your mother). If you don’t feel ready, don’t extend the invite!

It can be tough to figure out the best time to have kids after your wedding. Cupid has some tips:

What Chris Pratt and Anna Faris's Goofy Red Carpet Pose Says About Their Love

By [Jared Sais](#)

So often we see celebrity couples get stuck in the “properness” of what they should look like when walking down a red carpet. How one should act, pose, smile, and stand all help the viewer (you) determine who the couple is in public as well as in private. Luckily, at a recent iHeartRadio event, Chris Pratt and Anna Faris broke the standard rules and give us a real glimpse into their relationship.

In the picture above, we see the adorable pair truly enjoying each other’s company. First of all, anyone will tell you that, if a girl can laugh at her partner as he acts like a goof, then she’s a keeper. From this photo, you can see how they’re both joyful, loving, and non-judgmental.

Related Link: [Anna Faris And Chris Pratt Welcome Child](#)

Let’s first focus on Faris’s face: It’s a combination of surprise and a happy, playful smile. The mouth tells me this pose wasn’t planned to be cute for the camera, as it is a genuinely shocked expression. As you can see, her mouth is in

a slightly off “O” shape due to the combination of a surprise emotion and a smile of happiness. When feeling the excitement of shock, the mouth goes into an “O” shape as your eyes widen and your eyebrows shoot upwards. Though, in this case, with the addition of joy, her eyes are a bit less open, and her outer lips of her smile a bit more raised.

One of the main non-verbal cues that jump out at me is the *Mom* star’s nose. Some people will mistakenly see a wrinkled nose as disgust, but when paired with a smile, it is a well-known sign of playfulness and lust.

If we now focus on her hands, it looks like the shock of Pratt’s sudden love outburst made the actress have a sudden need to do a non-verbal cue called a self-touch gesture. This gesture is a subconscious or auto-response to curb stress, induce the sense of comfort, or reassure oneself in times of anxiety or excitement. I am not saying Faris was scared; rather, she was startled in a good way, which can stimulate the same response.

Now, let’s switch our gaze to Pratt. He is defiantly posing for the photo but doing so in the most loving and goofy way. This is important to know, as he is allowing himself to be silly and free. If he can be himself in front of the camera and have her play along, then in a sense, it’s a telling sign that their connection is the real deal.

Related Link: [Celebrity Couples: What True Love Looks Like](#)

Notice Pratt’s hands in a double-hand grasp around his wife’s waist. This is a very strong non-verbal gesture of love and, in some cases, dominance; I believe that the gesture is one of love in this picture. Also, such a tight grasp is telling of their relationship because, when people truly love each other, they are more comfortable in their close proxemics with their loved ones. The more love you share, the closer you are together; the less love, the farther

you are apart. It's as easy as that!

Lastly, the *Guardians of the Galaxy* actor's lip pucker is a cute, fun gesture to solidify his emotions towards Faris. The lip pucker is known to be the non-verbal cue of love and the beginning of a romantic kiss. For this celebrity couple, I foresee a long, loving relationship that will last.

With the support of Perry, Diplo is willing to get along with his celebrity ex for his newest celebrity baby boy. How do you support your partner's obligations

as a parent?

Cupid's Advice:

In a relationship, it is important to support your partner, and that includes respecting their past. For Perry, that means being comfortable with her man's celebrity ex, the mother to his children. No partnership is perfect, but you can do your best to navigate rough waters by being honest, kind, and patient when it comes to your partner's obligations:

1. Understand if there's distance: Depending on how long you have been together or where you stand in the relationship, your partner might not be ready to introduce you to their kid. Remember that this is okay and everyone moves at their own speed.

2. Respect the ex: Be careful about passing judgement or getting directly involved in their relationship. Yes, you are the partner and are a priority, but they are parents together, so their children are high on their list of priorities as well.
