By [Jessica DeRubbo](#)

# This rocker moved on quickly after his celebrity divorce. What are some ways to know it's time to move on from your own divorce?

## Cupid's Advice:

After a long marriage and a painful divorce, it can be tough to know when it's time to pick back up and move on. Cupid has some love advice that this new famous couple could also benefit from:

**1. Check your heart:** Has your heart healed enough to let someone new in? It's important to allow ample time to recover before jumping into a new relationship and love. This not only protects you but also your potential rebound selection.

**2. Wrap it up:** It's often easiest if there are no lingering questions surrounding your divorce before you move onto a new relationship. # Khloe Kardashian Says French Montana is Too Needy

By [Sarah Batcheller](#)

Eight months into what has been somewhat of a controversial relationship, Khloe Kardashian and rapper boyfriend French Montana are taking a break, according to [UsMagazine.com](#).

Montana was previously scrutinized by Khloe's family and fans when he admitted he was capitalizing on all the attention he began to receive when he started dating the youngest of the Kardashian princesses. Now, he is apparently behaving in too much of a needy and dependent fashion, as Khloe has decided to take a breather from their intense relationship.

## How do you know when you need to step back from a relationship?

### Cupid's Advice:

**1. You've been having the same arguments repeatedly:** If you and your boo are continuously arguing over the same topics, it may be time to clear your head, and find out if these arguments are even worth having. If you're always entangled in the same issue, you probably don't even know where your feelings and/or opinions stand anymore, so you definitely benefit from some "me time". That way, you can step back into the relationship with a reinvigorated sense of self, and determine whether or not your love is worth fighting for.

**Related:** [Dating Deal Breakers](#)

**2. You never have time for the rest of your loved ones:** If your partner is constantly nagging and guilt-tripping you into seeing them, and you're sick of not spending time with anyone but them, you may need to give them a reality check by asking to not spend time together for a while. It's unhealthy to not spend quality time with family and friends, especially when the cause is that you're being choked to death by your significant other. If you're losing the rest of your life over a relationship, re-examine your priorities.

**Related:** [How to Move On After Heartbreak](#)

**3. Your lover never has time for YOU:** We are all all-too-familiar with the agonizing pain of staring at a phone screen with an unanswered text, or going two weeks without going on a date with your partner. If you feel you're not getting the time with them that you deserve, you may want to take a break to see what it's like to not expect anything from them. This way, you may either realize that you both just have busy schedules you need to manage, or that you don't matter to them much after all. Either way, only some time to yourself will

provide you with the clarity you need.

# Meg Ryan and John Mellencamp Split After Three Years Together

By Ann Luther

After more than three years together, Meg Ryan and John Mellencamp have ended their relationship. Ryan has been living in New York, while Mellencamp has been staying on a farm in Indiana. A source tells [UsMagazine.com](http://UsMagazine.com) that “the distance got to be too much” for the couple. Best of luck to both of them as they go their separate ways!

## **What are some ways to cope with long distance in your relationship?**

### **Cupid's Advice:**

Even the best couples can be broken up by distance. You expect so many things from a relationship that you simply cannot get when you're far away from your love. Plus, your partnership loses an amount of intimacy that can mean doom. However, distance doesn't always mean the end, so here are a few ways to help:

**1. Video chat:** Face-to-face communication is crucial to surviving a long-distance relationship. So much can be lost over texts or even phone calls. Tone, intentions, facial expressions, and body language are all key to fully understand what and how your partner is feeling. Video chat isn't the same as being in-person, but it's a step in the right direction!

**Related Link:** [Celebrity Breakups: Who Burned Who?](#)

**2. Send each other mementos:** Leave something behind for each other...preferably something that can be cuddled. A teddy bear sprayed with his cologne will get you through those long, lonely nights. Having something to be able to physically touch when you can't touch your guy will aid in taking a bit of the edge off.

**Related Link:** [Singer John Mellencamp and Wife Elaine Split](#)

**3. Be sure to know each other's schedules:** Send each other your schedules and include time differences if you're separated by time zones. Knowing when the other is available for when you need or want them is unparalleled in comfort and security. If you know he's at the gym until 6 p.m. every night, then you won't be worried that he's ignoring your messages. You may not be able to actually participate in your

partner's activities, but this little step will make you feel like a bigger part of their life.

## Celebrity Couples That Have Bounced Back After Cheating

By Jennifer Harrington and Laura Seaman

For those who follow celebrity news, cheating in Hollywood is hardly a surprise. What is often more interesting are the

couples that, despite the spotlight and scrutiny, manage to stick together through a cheating scandal. So Cupid took a look at a few high-profile lovebirds who have weathered the storm of infidelity to see what lessons about moving on can be learned from the A-listers.

**1. Josh Duhamel and Fergie:** This couple met back in 2004, became engaged in 2007, and were married in 2009. Soon after they became man and wife, though, a stripper accused the actor of cheating. This didn't seem to upset the Black Eyed Peas singer, as she stayed with him through it all. In 2012, Duhamel addressed the rumors and said, "When you go through difficult times, it really makes you stronger as a unit, as a partnership. It does for us, anyways. Our love today is a deeper love, definitely." In 2013, they welcomed their baby boy Axl Jack Duhamel. What didn't kill this relationship made it stronger, and these two are as happy as ever.

**Related Link:** [You Cheated, So Now What?](#)

**2. Kobe and Vanessa Bryant:** Hotel worker Katelyn Faber accused the basketball star of sexual assault back in 2003. While Bryant did admit that he slept with the Faber and cheated on his wife, he denied that it was assault. Through the trial and all of the press, Bryant's wife stayed by his side. The two are still together and are now raising their two daughters, Natalia and Gianna. In fact, they were recently spotted on a family vacation in Greece.

**3. David Borneaz and Jaime Bergman:** The *Bones* actor and his former Playboy Playmate wife have been married since 2001, but in 2010, he admitted to the public that he cheated on a then-pregnant Bergman. The other woman in the picture is no stranger to scandal: Rachel Uchitel was also a mistress of Tiger Woods. Later, to make matters worse, explicit texts between the two were leaked to the media. Soon after, the actor commented, saying of him and his wife: "We're working on

repairing what has been damaged so badly.” He now says that the entire affair was a type of bonding experience for the couple and that they are closer because of it.

**4. David and Victoria Beckham:** The soccer star was hit with a cheating accusation back in 2010 by *In Touch Weekly*, who published a piece stating that he had cheated on his wife with a call girl named Irma Nici. Beckham sued the magazine, and the suit was dropped. Beckham’s rep released a statement saying the allegations were “completely untrue and totally ridiculous, as the magazine was told before publication.” This past July, the couple, who has four children, celebrated 15 years of marriage.

**Related Link:** [Why Kourtney Kardashian and Scott Disick Don’t Need to Get Married](#)

**5. Scott Disick and Kourtney Kardashian:** This reality couple has faced allegations of unfaithfulness throughout the course of their seven-year relationship. In 2011, rumors swirled that Disick and fellow reality star Kristin Cavallari were having an affair. Cavallari denied the rumors and speculated that they were initiated to spark interest before the premiere of a new season of *Keeping Up With the Kardashians*. With Kardashian pregnant with their third child, it sounds like all has been forgiven!

Ultimately, cheating should be avoided, and it’s never a desired ingredient in any romance. But, unfortunately, it does happen. The examples from these high-profile couples proved that with time, forgiveness, and family support, it’s sometimes possible to mend a relationship broken by unfaithfulness.

# couple. How do you know when you're ready to move on after a split?

## Cupid's Advice:

Moving on can sometimes feel like you're climbing a never-ending mountain, but then one day, you finally reach the top, and you realize the view isn't half bad. When you feel that you have closure from your past relationship, the next step is moving forward. If you're wondering whether or not you're up to starting something new, consider these three pieces of love advice:

**1. You physically feel better:** Sometimes, emotional pain transitions into physical pain. There seems to be a never-ending pit in your stomach that leaves you feeling nauseous. When you've let go of past emotions and memories and accept that he isn't coming back, you feel lighter. The songs on the radio don't "speak" to you anymore; you aren't avoiding certain places you went together; and you find yourself forgetting to think about him from time to time. This weight that lifts is a sign that you don't have to be held back anymore. Paltrow has been able to let go of past grievances after her celebrity divorce, and they've even remained close friends. There is nothing keeping you in the past, so you can create your own future.

**Related Link:** [Gwyneth Paltrow and Husband Chris Martin Split](#)

**2. You've thought about dating again:** When you're ready to move on, thoughts of dating cross your mind more frequently, and they usually aren't about your past significant others. Finding new men to reach out to can help stimulate the healing process and allow you to consider new avenues for finding love. Celebrity couple Paltrow and Falchuk both waited until the right moment to be together.

**Related Link:** [Chris Martin Says He's 'Friends' With Estranged Wife Gwyneth Paltrow](#)

**3. You've had complete closure:** Closure is hard to come by, but when you finally have it, everything feels at peace. Though the truth about why things ended may hurt, it also allows you to feel more in tune to your senses. There won't be any more "what ifs" nagging at your mind before you go to sleep each night. You won't be analyzing everything that went wrong, and you'll be able to just have the memories of everything you did right. Use your past relationships and love to help you in the future.

As of Sunday, August 17th, Christina Aguilera's baby girl officially has a name: Summer Rain Rutler. The singer and her fiancé Matt Rutler shared their wonderful news on Twitter, writing, "So proud to welcome our beautiful daughter Summer Rain Rutler into the world." The baby is the happy couple's first child together, and Aguilera also has a son with ex-husband Jordan Bratman. The new parents announced their engagement in February of this year after meeting on the set of *Burlesque* in 2010. According to [UsMagazine.com](http://UsMagazine.com), the songwriter stayed out of the spotlight for most of her second pregnancy and was pretty content about it. "So blissful in taking this time for creating all things blossoming new on the horizon," she shared. "Album, baby & beautiful music to come."

**What are some creative ways to announce the name of your new baby?**

**Cupid's Advice:**

Baby announcements are fun for everyone! Each time you turn

around, there's something new on the Internet that you wished you had tried. Baby news is always big news, no matter how small the package. With this thought in mind, we've pulled together three adorable ideas to make sure that you have the most talked about baby announcement.

**1. For a comical approach:** Boast about your news while getting a good laugh out of your loved ones by taking a silly approach to your baby announcement. Play up the stereotype of men fearing a baby on the way and pose a photo of your partner freaking out about the news. Or you could use the "pregnancy cravings" aspect of your baby news and send out a double-sided picture with a giant tub of ice cream, titled "Guess what's on the way?" Then, on the other side, place a genuinely excited picture to show that you're both terrified and happy about the news.

**2. For a sentimental approach:** Black and white photos automatically generate an aura of seriousness, and when you add the right camera angle, you can create a magazine-worthy shot. Send out an adorably constructed picture with your partner. When your little love-bundle is born, hold him or her together with your wedding bands dangling off your angel's toes. The symbolism behind the two separate entities creating one will resonate with your family and friends, demonstrating the significance of this moment.

**3. For the whole family:** Getting the whole family involved is another way to make your baby announcement. Your little "big brothers" and/or "big sisters" can line up their shoes. Then, add a pair of baby booties to the end of the line. People will get the idea that another one is on the way! It's also a

chance for you to show off how much your children have grown. An addition to the family is always exciting for everyone, including your pets. For animals, the family is their “pack,” which makes everyone an equally important member. If you’re having a Christmas baby, pose your loveable furry friend next to the tree with a sign that says: “Mom and Dad got me a human for Christmas!” The approach is funny and sweet in one wonderfully-wrapped package.

## What are some important pieces of love advice for all couples to remember?

### Cupid's Advice:

When it comes to relationships and love, many people have

their own rules and requirements, but there are a few rules that should be followed in every romantic partnership. What are they? Cupid has some love advice:

**1. Make your relationship top priority:** This rule goes for both parties. If one person is putting in 80 percent of the effort, they will become exhausted, and the relationship won't go anywhere. If you're truly committed, make sure that the other person comes first.

**2. Honesty is always the best policy:** If you feel like you can't be honest with your partner, it's probably best that you two go your separate ways. Trust is the biggest thing in a relationship, and you can't have trust without honesty. It's important that you feel like you can be open at all times with your partner.

**3. Think of the big picture:** Remember what is most important in your relationship and pick your battles carefully. Romances aren't perfect, so let go of the smaller issues and remind yourself every day why you selected to be with your partner.

**1. [Angelina Jolie](#) and Brad Pitt:** It's no secret that the life of two A-listers calls for a lot of time on the road. Brangelina both have movies to film and promote while simultaneously caring for their six kids, which means very little time to relax. The famous couple are often separated from each other, as one must fill the role of care taker while the other works. But when they are seen together, whether on the red carpet or enjoying a family day at the zoo, they never stay in one place for too long. They don't even have a permanent home, owning estates in France, California, and New Orleans, among other places.

## A Celebrity Love That Started at Work

**2. Emma Stone and Andrew Garfield:** This adorable Hollywood couple met on the set of *The Amazing Spiderman* and has been spotted jetting around the world ever since. Most recently, the promotional tour for *The Amazing Spiderman 2* had these costars hopping from country to country. Even now that the tour is over, they can never stay still. They've been giving us a glimpse of celebrity love on the red carpet, while walking hand in hand on the streets of NYC, and during their fun-filled celebrity vacations in Disneyland and on the beaches of Malibu.

**3. [Kim Kardashian](#) and Kanye West:** The lovebirds have certainly stayed busy this summer. The reality TV star is always traveling for appearances and product promotions, while the rapper has an equally demanding schedule with his hot music career. Additionally, the had a grand celebrity wedding in Italy in May and spent quite a bit of time in Paris as well. ## **John Legend and Chrissy Teigen's Body Language: More Intimate Than PDA**

by [Jared Sais](#)

It's hard not to be enamored with Chrissy Teigen and John Legend and the love they share for each other. With that thought in mind, I took a look at their nonverbal cues to determine what their body language reveals about their relationship.

**Related Link:** [John Legend is Engaged to Model Girlfriend Chrissy Teigen](#)

In both photos above, the couple shows their best red carpet photo stance. Even with the yellow dress covering her legs, I can tell that she is actually doing the same camera-op pose. You can see a bit of a bump at her knee, giving a small outline of the direction of her legs and feet. Her legs are pointed the same way, and her feet are in the same position (one foot in front of the other). What that proves is that Teigen is posing more for the cameras than truly showing her love for her husband.

Still, there are body language signs that show just how much

they love each other at this point in their relationship. Two things really stick out to me in these photos: The first is their distance from each other. In almost all of their photos, you will see them standing close to each other as they share the “we” mentality, which is when a couple starts identifying as a single unit. You may hear a long-time pair say something like, “We have to run a few errands tomorrow,” when only one of them truly needs to.

In the second photo, we really see that idea: Look at how they bring each other close when taking a photo. They are proving that they’re in a happy, loving relationship with trust and lust. When a couple is happy, they will get close together and pose as one unit; when a couple is not happy or feeling distant, they will lean away from one another and not be joined at the hip.

**Related Link:** [Celebrity Couple Predictions: Chrissy Teigen, Jessica Alba, and Eve](#)

The second nonverbal cue that jumped out at me was the position of Legend’s hand in both pictures. The angle of his arm indicates his hand is on her lower back or upper butt. This zone of a person is considered off-limits to all who are not considered loved ones. We have different zones on our body that indicate different levels of connection and comfort. For example, a pat on the head usually means one person is more dominant (the pater) than the other, either by age or position. This action is usually a sign of acceptance or support. In this case, Legend is reaching for a more loving, relationship zone of the body. In turn, his causal photo pose is really a nonverbal shout-out that they are in love and in a very intimate relationship.

It really looks like these two were made to love to each other. These pictures might be a bit light on public displays of affection, but thanks to their body language and nonverbal leaks, everybody knows that they only have eyes for each

other.

## Daniel Radcliffe Says Girlfriend Erin Darke Is “Definitely” His Best Friend

By Ann Luther

Daniel Radcliffe seems to have it all these days. In addition to a booming career, including a stint on Broadway, he's happily in love with girlfriend of two years, Erin Darke. The couple met in 2012 while filming the movie *Kill Your Darlings* and have been together ever since. In a recent interview, Radcliffe even told [UsMagazine.com](http://UsMagazine.com) that Darke is "absolutely" his best friend. "I think that's the kind of relationship I always aspire to have with someone I'm in a relationship with. You want that person to be your best friend," he candidly shared. "In the case of Erin, we definitely are."

**What are some advantages of your partner being your best friend?**

#### **Cupid's Advice:**

Having your partner be your best friend can create a sense of ease and comfort in your life that is unimaginably good. So what are a few of the benefits of this two-in-one relationship?

**1. There is no such thing as "too much information":** When there is a strong foundation of friendship supporting the romance, there is more trust. If you and your partner start as friends, you can break down more barriers, which leads to more honest communication. There are no secrets because you do not fear judgment or betrayal from someone who is already your best friend.

**2. Activities are more fun:** In a typical romantic partnership, there is a ton of fun, but you probably find the need for a night out with your buddies to get into some different antics that you wouldn't embrace with your significant other around. However, if your beau is your best friend,

you'll probably feel comfortable including each other in your friends-only activities, which leads us into our final point...

**3. There is no need to keep your friends separate:** Chances are, your sweetheart is already in your group of close friends. That means no neglecting your pals for your partner or vice versa. It also means that, when you're just hanging out, you get to be surrounded by everyone you love, not just your love. Of course, when the night is over, your best friend turns back into your other half, and the fun continues with the two of you alone!

## **On-Again, Off-Again: Celebrity Couples Who Can't Make Up Their Minds**

By Deanna Atkins and Laura Seaman

In Hollywood, you never know who's going to be the next big couple, especially when the new duo may breakup before official word even gets out. To be fair, it has to be difficult to maintain a relationship that's constantly in the public eye. Aside from frequent budding romances, we're constantly hearing about those twosomes who just can't commit. They're on one week and off the next week, and then before you know it, they've eloped...only to divorce weeks later.

These three pairs constantly keep us guessing and never fail to surprise us with yet another breakup or makeup. Sometimes we enjoy staying on their relationship roller coaster ride, but still, we have to wonder why these stars are so incapable of staying together:

**Lady Gaga and Taylor Kinney:** If you were as busy as the pop star, you'd probably find it challenging to keep a boyfriend too. But as her touring schedule has slowed down, it seems like she and the *Chicago Fire* actor are back on again! The 'Born this Way' singer has been with the 33-year-old for three

years now, and rumor has it, she's been looking at wedding dresses in Canada. The pair have been seen on romantic skinny dips and dining at Gaga's father's restaurant, but don't be fooled by their seemingly effortless relationship because it's definitely a tough one to maintain.

**Sammi Giancola and Ronnie Ortiz-Magro:** Whether this couple's out of control relationship was purely for entertainment purposes or not, everyone can't help but love to hate the *Jersey Shore* duo. The guido and guidette got together on the first season of the show, and, ever since, we've seen the twosome through the crying, name calling, and all out physical brawls. It's actually a rarity when they're filmed *not* fighting.

That said, there are those times they honestly look happy together. Between his fohawk and her Jersey-girl attitude, they couldn't be more perfect for one another. Let's give them some credit though: Since the filming of the sixth season ended, they're officially on and have even moved in together.

**Selena Gomez and Justin Bieber:** This A-List couple has been on and off for quite a while. As of now, the pair seems to be back together. For the past few years, fans have been told about their constant breakups, only to be shown pictures of the two cuddling on Instagram.

It's no surprise that there's friction between them. The former Disney star seems to be rapidly climbing the ladder of success in both music and film. Bieber, on the other hand, just keeps getting in trouble and can't seem to catch a break. From his DUI to videos of his vulgar behavior, this pop star isn't gaining much support lately. For a while, there was even a petition to deport him to his home country! Despite all of this drama, America's darling seems to be smitten with this Canadian bad boy.

**Related Link:** [Justin Bieber and Selena Gomez Attend Bible Study](#)

Whether these celebrities don't realize what they have in front of them or they're waiting to see what else is out there, anyone can relate to needing a push in the right direction. It may be time to quit the games and find a more compatible mate or accept that you're truly in love with your partner. Either way, it's not beneficial for anyone to be in a consistent on-again, off-again relationship!
